SALK SHOTS CUT TO ONE ROUND HERE

JAPAN, KOREA AND TURKEY were represented when three young musicians from Lasell Junior College presented an international program for the entertainment of the Newton Rotary Club at its regular luncheon meeting at the Brae Burn Golf Club recently. Left to right: Yumiko Hattori, soprano, a Lasell senior and daughter of a Rotarian in Tokyo; Mrs. Franklin Leland, Auburndale, Lasell accompanist; Louis Haffermehl, Newton, Rotarian and sponsor of the girls' program; Raymond C. Wass, president of Lasell Junior College and also an active Rotarian; Albert M. Kreider, vice-president of the Newton Club, and Margrit Babykian, soprano, from Istanbul. Seated at the piano is Lora Lee, Lasell's brilliant freshman concert pianist from Seoul, and holder of a coveted two-year full tuition scholarship in the Music Department.

City Too Low on List to Rate 2nd by July; Cutoff 'Til Fall

Newton children 15 and under will receive no more than one Salk shot before July 1, the GRAPHIC learned yesterday.

And the chances are that this shot will be the only one they will receive until next Fall under the city program.

THIS IS THE WORD of Dr. Roy F. Feemster, director of the State Division of Communicable Diseases.

Dr. Feemster said yesterday that Newton's position—a little more than half way down the priority list—made it impossible for the city to receive a second shipment of vaccine before school is out.

(Newton will receive its first shipment, enough for 16,700 first shots, about Monday, May 14, according to Dr. Feemster.)

Not even the receipt of 83,000 Salk shots by the state Monday will alter the cutoff on second shots for Newton before July 1, Dr. Feemster said.

If the "polio season" appears to be picking up speed in mid-June, the state official added, very probably there will be no inoculations during July.

This would mean postponement of second shots for Newton youngsters until sometime in the Fall, whenever the State Polio Advisory Committee felt the polio danger had passed, according to Dr. Feemster.

The advisory group will meet in mid-June to determine whether the state can safely continue its inoculation program.

THIS GROUP, comprising some of the world's leading authorities on infantile paralysis, is the same one which decided last Winter that the state should refuse Salk shots until further tests removed committee doubts as to the safety of the "old" vaccine. This ban was lifted earlier this year.

Dr. Feemster said nearly half of the state's polio vaccine applicants remain unserviced at this time. For this reason, he added it was unlikely that Newton could receive a second round.

He emphasized, however, that one shot would afford some protection—"much more than parents could look forward to in years past.

"We are on the alert and will provide vaccine for second shots to all who are eligible, so far as we can supply them."

A step-up in production is highly unlikely at this time, said Dr. Feemster. Scrupulous care in production makes this impossible.

THE "UNDUE OPTIMISM" of the manufacturers last Winter that all under 15 would be inoculated this year has let a lot of parents down, the doctor said, but it must be remembered that extremely rigid tests now are resulting in destruction of batches which show the slightest sign of inadequacy. The safety factor is higher this year than last, he added.

Priority for the anti-polio shots is determined on a first-come, first-served basis within certain population groups in this state, Dr. Feemster explained.

In the under-100,000 category, Newton is 10th. But among the more than 300 communities participating in the program, he added, Newton is a little more than halfway down the list—in other words, between 150th and 175th in the line-up.

UNDER THE BAY STATE program, each community receives all it needs for one complete round of shots—enough for whatever number of applicants are on the rolls when the shipment arrives in Boston.

MISS RUTH M. TWISS, Newton High School business teacher, autographs a copy of her new business school textbook, "Arithmetic for Business and Everyday Use," for **Dr.** Harold B. Gores, superintendent of Newton public schools.

High School Teacher Wins Praise for Business Arithmetic Textbook

Miss Ruth M. Twiss, a teacher at Newton High School, is presently enjoying the praise of the educational and publishing worlds after the April appearance of her new high school business arithmetic textbook, entitled "Arithmetic for Business and Everyday Use."

AT THE EASTERN Business Teachers' Association Convention in Atlantic City in March, Mr. L. O. Lindstrom, Sales Manager of the Gregg Publishing Division of McGraw-Hill Book Company said of Miss Twiss' accomplishment, "The book was the talk of the convention. It took the place by storm." The book was shown there before it was in print, but even in its temporary form, educators welcomed its merits.

The book, for use in grades 9 and 10, is interesting and easy to understand, with photographs and cartoons helping to illustrate problems and solutions. The book is of generous size, with large type, and is colorfully bound in red and grey.

Miss Twiss early realized the necessity of a new book geared to the activities and interests of teenagers. She put her plan into operation eleven years ago by discarding the old texts which dealt with figures for the sake of drill, and wrote her own book which provides teenagers with methods of solving their own social, civic and financial arithmetic problems.

ALTHOUGH the book is, as Mr. Lindstrom put it, "Miss Twiss' brain child," other professionals in the field of business education were called upon to assist her. Her collaborators were Harry Huffman of the Department of Vocational Education at Virginia Polytechnic Institute, and Leslie J. Whale who is Superintendent of Business Education on the Board of Education, Detroit, Michigan.

Miss Twiss is a teacher of business arithmetic, office practice, and typing at Newton High School. She came to New-

Court Fight Looms Over Car Laundry

Determination of the future use of property in the vicinity of the intersection of Winchester and Needham streets seems to be in the works.

Plagued by traffic and other problems, residents and property owners in this area now are involved in court and Aldermanic fights.

Precipitating this outcome is the move by Charles Smith of Winchester who has gone into Middlesex Superior Court to get a writ of mandamus forcing the city to grant a permit for a six-car auto laundry at the intersection.

2 NHS Youths, Sachar and Horvitz, Win 4-Year Merit Scholarships

Two Newton High seniors are among 525 high school students across the nation who have won four-year merit scholarships awarded for the first time this year by the National Merit Scholarship Corp.

The Winners are:

DAVID SACHAR, 16, son of Dr. and Mrs. Abram L. Sachar of 66 Beaumont avenue, Newtonville.

DAVID HORVITZ, 17, son of Mr. and Mrs. Harold Horvitz of 63 Ridge avenue, Centre.

Both youths are accepting the $100 honorary award in place of the $6,000 stipend, the maximum allowed according to financial need. They will enter Harvard in the Fall.

Dr. Leo Barry, Newton High principal, paid tribute to both boys as "outstanding students and well-balanced American youths who should make fine records."

AS PRINCIPAL of one of the few schools in the country that had more than one winner, Dr. Barry hailed the merit program as "one of the best things that has happened to education and I hope there will be enough growing financial support of the program so that greater sums can be given to greater number of young people everywhere. They need it today."

There were six Greater Boston winners, 19 from the Bay State and 27 in New England.

Both Newton students expect to concentrate on the humanities at Harvard, although Sachar looks forward to a career in chemical research and Horvitz to becoming a doctor..

Kenyon Students at NHS Rate High

Two hours in a locked room with 20 students in the Newton High Kenyon Plan was enough to convince the national director of the plan this week that the three-year-old program is meeting expectations locally.

Dr. Charles R. Keller told Dr. Leo Barry, NHS principal, that the local school is among the leaders in the program and praised the "intellectual ardor" of the Newton students.

Newton offers 19 sections in five subjects over a three-year period under the program, more than most high schools. The program is designed for superior students who can absorb more than normal in a short period.

Democratic Club To Elect Slate

A report on Democratic registration in Newton and election of officers will highlight the May meeting of the Newton Democratic Club next Wednesday at 8:30 p.m. at the Woman's Workshop on Columbus street, Highlands, President Robert Lesberg announced yesterday.

Lesberg said that registration, "our No. 1 program this year" will be the main topic in an evening devoted to reports and elections.

Scouts Donate Drive Funds to Eliot Church

Boy Scout Troops 9 and 10 of Waban will give the proceeds of their recent waste paper collection to the Eliot Church, Newton Corner. An estimated 35 tons of papers and magazines, contributed by Waban citizens, were gathered by an energetic group of nearly 100 Scouts, Scouters, and Dads.

This Community Good Turn, which is a semi annual event in Waban, is of particular significance since the Scouts, instead of using the profits for Troop expenses, donated their respective shares to Richard Sallinger, chairman of the Eliot Church Building Fund Committee.

Individuals and companies instrumental in the success of this project include:

Troop 9 Paper Drive Committee: Edward F. Patterson, Lester H. Geist and Francis J. McCarthy.

Troop 10 Paper Drive Committee: Donald Richardson, John M. Parkinson, Edward H. Gittines.

Truck services were donated by: Evertt Brothers Inc., Watertown, Luther Paul Co., New-

Johnson Named To Six State Committee

Announcement of the appointment of C. Evan Johnson, Newton Centre Director of Recreation to the New England District Advisory Committee of the National Recreation Association was made recently by Joseph Prendergast, Executive Director of the Association.

Mr. Johnson joins a sixteen-man advisory group of recreation authorities in the six-state area of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont. The function of the group is to advise the Association on district-wide services which will improve recreation opportunities for local community residents.

In making the announcement, Mr. Prendergast said that economic and social changes are rapidly making leisure one of the nation's most important social problems.

Golf Club Hearing May 10; May Go to Supreme Court

Opposition to changes at the Commonwealth Country Club will be carried to the State Supreme Court, if necessary, it was promised this week.

MORE THAN 130 residents of the Algonquin road area are strongly opposed to what they call "business uses" of the club granted recently by the Board of Aldermen.

The first step in this fight will come Thursday, May 10, at 7:30 p.m. at the City Hall when the Zoning Board of Appeals will hear a formal appeal by the residents.

BENJAMIN WHITE, club treasurer, denied that a permit to alter the buildings and grounds and to permit lorger numbers of patrons at the club means the premises will be used for "business."

He termed the "rumors and charges about us as vicious and unfounded" and added that the new owners (Boston Club) intends to operate the premises as a golf club, as in the past.

S. ROY REMAR, spokesman for the protesting residents, said that building and grounds changes pemitted by the Aldermen amount to a non-club use of the property.

Actually, the hearing will concern itself with an appeal from a city permit, allowing alterations to the building, additions to the parking lot and construction of a swimming pool.

In prospect, however, is a court fight along parallel lines.

THIS WILL STEM from what the protesting residents claim is a business use of the property made possible by the Aldermen's action in granting a "permissive use" of the property under the zoning laws.

Remar claims this "permission" amounts to a change in use of the property and is, therefore, a way around the zoning laws which prohibit a business property in a residential zone.

City officials point out that this contention must be taken

RUPERT C. THOMPSON

Thompson To Be Honored At Dinner May 23

Rupert C. Thompson, retiring Secretary of the Newton Chamber of Commerce, will be honored at a testimonial dinner at the Totem Pole Ball Room Wednesday evening, May 23, at 6:30 p.m. About 400 of Mr. Thompson's friends and associates, representing all phases of the civic and busines life of the Newton community will be present to show their appreciation and affection for one of the city's outstanding citizens.

Mr. Thompson, who retires in July, has served the community for 34 years as Secretary of the Chamber of Commerce. After an active business career, he was a State Representative from Newton from 1927 to 1932. He has served on the Board of Directors of the Newton-Waltham Bank and Trust Company for 35 years, and for 20 years has been on the Board and Vice-President of the Newton Co-operative Bank.

Mr. Thompson, who will be 80 years old this fall, plans to live in Westport, Mass., where he has long had a summer home.

NHS Acts to Ease Pupil Load; Biology for Credit in Summer

Newton High School will pioneer this summer in a plan designed to ease the rigorous load of college preparatory students.

OFFERED for the first time in the Newton High Summer School will be a course in biology for credit.

Walter M. Taylor, summer school director, in announcing the innovation, said the student may receive the full five credits in the course if he takes biology in two successive summer terms.

This, it is hoped, will help reduce the abnormally heavy load college prep students must take at least one of their three years.

IF THIS PROVES successful, then other college courses will be offered for credit in succeeding years, Taylor announced.

The Newton experiment will be watched by educators in

POLITICAL OVERTONES

Governor's Son Making Strong Bid for Governor's Council; Democrats to Center Fire on Nixon in Coming Campaign

Former Representative Christian A. Herter, Jr., son of the Governor, has been making steady and consistent headway in his bid for the Republican nomination for the Governor's Council, despite the fact that a number of prominent GOP figures, including Mayor Howard Whitmore, Jr., had committed themselves to support Harris J. Reynolds before Herter moved into the field.

Herter undoubtedly has been aided to a substantial extent by the fact that a good many Republicans who will be running for other offices in the big councillor district are anxious to see his name on the ballot next November because they feel it would strengthen the GOP generally and improve their own election-day chances.

With the Republican State Convention now only a little more than a month away, it is beginning to appear that there will be no serious fight for any place on the GOP State ticket.

This is how the Republican State ticket for next fall's campaign now shapes up: Sumner G. Whittier of Everett for Governor, Charles Gibbons of Stoneham for Lieutenant Governor, George Fingold of Concord for Attorney General, Richard I. Furbush of Waltham for Secretary of State and John Adams of Andover for State Treasurer. So far there has been a decided shortage of aspirants for State Auditor.

NEWTON SPORTS

Arlington Taken Into Tiger Camp By 9 to 2 Margin

Coach Howie Ferguson's Tigers kept rolling along, as they won a very important Suburban League victory from Arlington, 9-2.

Howie Whitmore drew the starting assignment for Newton, going the route; he fanned twelve, walked seven, and allowed four hits.

Arlington's leadoff batter drew a walk, but was out stealing on a great peg from catcher Manny Connerney. Howie breezed along until the seventh inning; a triple, two-base error, and a passed ball, gave Arlington their first two tallys.

Newton went right to work in the first inning to put the game away early. Bobby DelGizzi walked and promptly stole second base. He moved to third on a passed ball, and then Kenny Keyes walked. Newton continued to display flashing speed on the base paths, as Ken stole second. Al Martin, who slammed out three hits, lined a single and stole second. Russ Halloran singled, and when the inning was over the Tigers had jumped off to a three run lead. Four singles, a walk, and another stolen base, gave Newton four more runs in the third inning.

Kenny Keyes got things started with a solid single, and stole second base. Then, Halloran, Martin, and O'Laughlin, slammed successive hits to finish the rally. In two and one third innings the Tigers belted the Arlington pitcher for seven hits, and worked Warner for three walks. Arlington's second hurler was their ace, Jablonski. He closed the door on Newton with a nifty bit of pitching until the eighth. Al Martin reached on an error and scored on Russ Halloran's single. Jimmy Collentro tripled to close out the scoring.

Al Martin and Russ Halloran each had three hits to spark the Newton attack. Most impressive was the fact that Newton stole five bases.

This was a very important victory for Newton as it marked their first league game of the young season. Their first clash with Cambridge Latin was rained out, and will be played at a later date.

This was one of the better Tiger efforts this season, as they got consistent pitching and contributed twelve big hits to back up their pitcher with plenty of runs. The defense was very good and the base running even better. Now that Howie has turned in two or three good appearances on the hill, Fergy's mound staff is starting to shape up into a formidable one, led of course by Russ Halloran.

Next game will be with Newton's chief competitor to another state title—Rindge Tech.

71-Year-Old Vet Wins At Archery

Charles Fish, a 71 year old veteran, won the Second Qualification Shoot of the Waltham Archers on Saturday, April 28 Shooting from scratch, Mr. Fish defeated several experts less than one-third his age. Seven times in the past he has won the Seaman Trophy, for being the outstanding archer of the club over sixty years of age.

Last week's winner, eleven year old Jim Cornett, shot well and maintained his lead in the aggregate scores.

Those who qualified for membership in the Mass. State Archery Assn., were Paul Crowell and Leonard Bonica of Waltham and Herbert Carter of Reading.

The next qualification Shoot will be on Saturday, May 5. Practice will start at 1:30 p.m.

Tiger Nine Blasts Confused Rindge Tech Club 14 to 0

The Orange and Black belted a confused Rindge Tech club unmercifully, and came out on the long end of a 14-0 score.

All-scholastic basketball and baseball star, Russ Halloran opened up for Newton and went the distance becoming the second Newton hurler to do this in as many games. Russ walked the first Rindge batter, and then calmly fanned the next seven batters in a row, and ten in the first four innings. He was in trouble just once, and that in the fifth frame.

Menezes worked for a base on balls, and moved to second when Stryher also walked. Lee beat out an infield hit to plug up the bases, but Quivlen hit a towering pop up to the infield and Bobby DelGizzi made a fine catch to close out the inning. That was all the trouble Russ experienced as he fired a neat one hitter and struck out fifteen batters in seven innings.

Bobby DelGizzi led off the Newton first by drawing a walk from Rindge hurler, Hackett. Kenny Keyes sacrificed him to second, and after Al Martin popped out, Halloran lined a single to bring in the first Newton tally. Then came the disastrous second frame.

Collentro grounded out short to first, and Bergman reached on an error by the first baseman. After Beggs popped out, Jackie McCree hit a high, twisting fly to left field. All-scholastic basketball player and shortstop of the Rindge club, Doug Schroll whirled and raced out to left field after the ball. As the ball, helped along by a stiff wind, pulled toward the line, the left fielder, Cuzzuvi, came tearing in after the ball. Apparently the boys didn't see each other or hear the other call for it, and then there was a sickening thud as their heads met, and they sunk to the ground. The fans raced on to the field as the two boys lay moaning and twisting in agony on the grass. A doctor in attendance rushed out to the boys and began his work while a call for an ambulance was made.

Schroll lay in a pool of blood as his nose and eye gushed his face to a crimson smear. Cuzzuvi's hip bulged from his uniform and his ear was slightly cut. Credit is due to the players, coaches, doctors, and policeman who kept confusion and panic to a minimum. The boys were taken to the hospital, and a pre-diagnosis of their injuries seem to point to a broken nose and badly cut eye for Schrol., and a badly beaten hip and cut ear for Cuzzuvi.

This misfortune left the Rindge boys in a poor state of mind for a ballgame, and rightly so, although it appeared evident that Newton was the superior squad from the beginning. McCree's hit had to go for a homerun, for the other infielders couldn't get to the ball quickly enough.

In the fourth Collentro led it off with a beautiful drag bunt, and Dixie Bergman followed suit with a fine bunt to the left side of the infield. An attempted fielder's choice failed and the bases were loaded. An error, stolen base, and a sacrifice fly gave Newton two more runs. Once again in the fifth Fergy's boys went to work. This time, O'Laughlin singled and stole second. Two walks, an error, and singles by DelGizzi and Keyes produced four more runs and just about wrapped up the game.

In the seventh the Tigers struck again for their final five tallys.

A DelGizzi single, an unsuccessful fielder's choice, and an error set the stage. Halloran bunted safely, and Ronny O'Laughlin doubled. A Leonard bingle, an error, and a Beggs hit finished up the inning. Because of the long delay to the accident, the game was called because of darkness after seven innings.

Johnny Beggs showed signs of hitting, while four boys got at least two hits. Halloran was brilliant as usual, as he turned in his most impressive performance of the year.

Fischer Wins Amherst Coll. Hockey Letter

John R. Fischer, an Amherst College senior, has been awarded his varsity letter for his spirited play in the second line of the hockey squad.

John scored several goals at crucial points during the season, showing the seasoning he acquired through his previous season on the varsity and his season on the frosh squad in 1950.

Fischer, previously of Governor Dummer Academy, won his frosh numerals in soccer, hockey, and baseball, followed by his winning his soccer letter the next year.

After three years in the armed forces he returned to Amherst lettering in hockey and soccer his junior year, and co-captaining the soccer squad last fall.

John is the son of Mr. and Mrs. Hans Kurt Fischer, 19 Burnside road, Newton Highlands, Massachusetts.

H.S. Golf Team Whips Belmont By 8 1-2 to 1-2

Led by the able play of Lester York who shot a brilliant 80, Newton High's golf team whipped Belmont High 8 1-2 to 1-2. Although the Belmont Country Club was in fine shape for this time of the year, the day was cloudy and windy which made playing quite difficult.

Coach Hall of Newton, who did a fine job with the hockey team, predicted that this year's team should be as great as the 1951 State Champs.

Newton High's next matches are May 3 at Brookline, and May 4 at Weston.

Final Bouts of Season Sat.

The Burns-Kerr Legion Post closes out its fifth year of professional wrestling sponsorship Saturday night with four mighty midgets meeting in the feature at the West Newton Armory.

The midget melee will find Sonny Boy Cassidy, champion of the vest pocket Tarzans, and sad-faced Farmer Pete, mule kick specialist, opposing Vince Garibaldi, the Italian imp, and monacle-wearing Sir Robert Randall of England.

Speedy, able and agile, the dynamic, dazzling dwarfs are one of the ring's most unusual and enjoyable attractions.

The big fellows will be just as well represented as the crowd-pleasing half-pints Saturday night.

In the special bout launching the three-event card at 8:30 o'clock, battling Buzz Orio, capable Cambridge performer, will meet Prince Omar of Greece.

Tough Tony Enos, classy New Bedfordite, will face rugged, rowdy Rebel Bob Russell of Newport, R.I., in what shapes up as a whirlwind semi-final.

Former Newton School Aide Honored as U.S. 'Health Hero'

An educator whom Newtonites remember for her flair for dramatizing health education has been honored by inclusion among 16 "American Health Heroes" selected by an insurance firm.

A biography of the late Mabel Caroline Bragg, for 14 years assistant superintendent of schools here, is included in a pamphlet just released by the Metropolitan Life Insurance Company. She died in 1945.

STUDENTS in public health at Harvard University regularly spent short periods in Newton absorbing Miss Bragg's methods, a health education program in action.

Praised in a booklet which includes biographies of Sir William Osler and other medical giants, Miss Bragg's contribution is said to be the first application of the child health program of the Child Health Organization to an entire school system.

About Miss Bragg who left the Newton system in 1930 to serve 10 years as a professor of education at Boston University, her biography says:

"COURSES of study in health education were as yet unheard of. The approach, therefore, was through specific activities designed to meet needs as they were recognized by the teachers living and working with the children in their classrooms, rather than through an preconceived idea of what a school health program ought to be," the booklet says.

"These activities . . . included the participation of the children in a weighing and measuring program carried out by their own teachers, the serving of mid-morning milk lunches, the cultivation of health habits by providing day-by-day opportunities and incentive for their formation, the health inspection of the children by their teachers, health teaching related to the every day needs and interests of the children, correlated with other subjects in the curriculum; special health classes for children who were not growing as they should, and periodic health examinations for all elementary children."

NEW DISCOVERY ADDS TO LIFE OF HEATING OIL TANKS
Protects Against Rust, Leaks and Corrosion
The main cause of leaks in your oil storage tank is the rust and corrosion which form inside the tank. Corrosion and rust, which eat through metal, are caused by the normal accumulation of moisture in the tank. For years the oil heat industry has been searching for a solution to this problem.
Now, the Shell Oil Company has the answer!

Dr. Sears Reelected Head of Health Association

The Annual Meeting of the Newton Tuberculosis and Health Association was held Wednesday, April 25, at the Unitarian Church in West Newton.

Pourers for the tea preceding the business meeting were Mrs. Roland F. Gammons and Dr. Leslie H. Macmillan. Hostesses were Mrs. William S. Brines, Mrs. Hamilton M. Gifford, Mrs. Kenneth W. Rogers, and Mrs. R. Emerson Sylvester.

Mrs. Henry A. Plimpton was Chairman of the Arrangements Committee, assisted by Mrs. F. H. Fowle and Dr. R. Emerson Sylvester.

Officers re-elected to a term of one year were President, Thomas Sears Hayden, D.M.D., West Newton; First Vice President, Dr. R. Emerson Sylvester, Auburndale; Second Vice President, Mrs. Ernest Kuebler, West Newton; Treasurer, Roland F. Gammons, Chairman of the Board of the West Newton Savings Bank; and Clerk, Mrs. Henry A. Plimpton, Waban.

Newly elected members of the Executive Committee are Mrs. F. H. Fowle and Mr. Richard F. Kaerwer. Newly elected Board members are Mrs. Therese D'Abre, Dr. Charles Liebman, Mr. J. Ellis Bowen, Mrs. Robert Kimball, Dr. Sidney S. Lee, Mrs. John D. Fox, Rabbi Harold Kastle, Miss Helene Breivogel, and Rev. Edward Trainor. Re-elected to the Board for a three year term are John W. Fielding and Charles O. Richter.

Also re-elected were Honorary President Henry D. Chadwick, M.D. and Honorary Presidents Arthur J. Strawson and Alton S. Pope, M.D.

Following the business meeting Dr. Francis J. Donovan, Middlesex County Sanatorium and Tufts Medical School, spoke on "Chemotherapy in the Treatment of Tuberculosis." Dr. Donovan pointed out that the first effective chemotherapy in TB was begun in 1944 with the advent of streptomycin. Since then one other drug, isoniazid, has been developed which is also effective in the treatment of TB. Isoniazid and streptomycin are the two most potent drugs which we have for treatment in tuberculosis. However, each has certain drawbacks. Streptomycin may cause dizziness and isoniazid may have a toxic affect on the patient. Dr. Donovan went on to explain the ways in which isoniazid and streptomycin are administered. He explained that a third drug, PAS (para-aminosalicylic acid) is given in conjunction with isoniazid or streptomycin to prevent the tubercle bacilli from developing a tolerance to the streptomycin or isoniazid.

Dr. Donovan outlined briefly what the probable drug treatment would be for a minimal case, a moderate case, or a severe case of tuberculosis. The average stay in the sanatorium of a patient with minimal or moderate tuberculosis is one year. More severe cases require longer treatment. Patients should remain in the sanatorium until their disease is inactive. Dr. Donovan defined the term "inactive" as meaning that there is no open cavity in the patient's lungs, there has not been any change in the patient's X-rays for six months, and that the patient's sputum is negative.

Dr. Donovan explained that after discharge from the sanatorium the patient must continue to take drug treatment at home until his tuberculosis has been inactive for one year. The patients are placed under the control of their family doctors and are followed regularly by the sanatorium.

Dr. Donovan emphasized that some patients can never reach what is known as the inactive stage of tuberculosis and that these patients are becoming an increasing problem. They are usually kept on drug treatment indefinitely, sometimes for the remainder of their lives. In concluding Dr. Donovan stressed the fact that although chemotherapy has brought us a long way, we still do not have any one drug to completely cure TB. We used to aim at the prevention of death, but the aim now is to restore TB patients to a normal way of life. This, said Dr. Donovan, is a critical period of persons who are chronically ill with tuberculosis.

Before closing, Dr. Donovan thanked the members and supporters of the Newton Tuberculosis and Health Association for their share of the medical education programs at Harvard, Tufts, and Boston University which the tuberculosis associations are sponsoring. In view of the chronicity of tuberculosis and with the increasing number of patients in the community who are being treated with drugs under the supervision of their family doctors following their discharge from the sanatorium, it is extremely important that the medical students of today receive specific instruction in the treatment of tuberculosis.

Plan of World Affairs Council 'Adopted' for National Use

The "Newton Plan," a method of turning Halloween into thought and material benefits for others has been adopted for nationwide use.

THIS WAS revealed at the annual meeting of the World Affairs Council of Newton. The council devised the plan last year.

Robert H. Mitchell, guidance department head at Newton High School, was elected chairman of the two-year-old council to succeed Mrs. John C. McClintock.

Other officers: honorary chairman, Mayor Howard Whitmore, Jr., vice chairman, Mrs. E. Tyler Parkhurst; treasurer, Robert P. Lurvey, West Newton Savings Bank; corresponding secretary, M. Louise Walworth; and recording secretary, Mrs. David White.

Directors for one year, Mrs. Thomas H. Bresnahan, William E. Halliday, Jr., Mrs. John W. Locke, Mrs. McClintock. Mrs. Joseph M. Miller, Mrs. Ralph R. Shrader, Arthur J. Strawson, Mrs. Kenneth J. Waite, William H. Wragg, and Mrs. James H. Zimmer. The slate was presented by Mrs. William S. Knickerbocker, chairman of the nominating committee which included Arthur J. Strawson, Mrs. David White, Mr. Clarence E. Churchill, and Mr. John B. Rubenstein.

THE NEWTON PLAN has been taken over by the United Nations Children's Fund (UNICEF).

Involved in the plan was the distribution of 12,000 envelopes to city children who then brought them to Halloween parties filled with funds they had earned, according to Mrs. E. Tyler Parkhurst, chairman of the UNICEF Committee.

A check for $1,372.83, collected by the UNICEF Mothers at these parties, was sent to the National Committee for use in the worldwide program to help undernourished children.

IN A LETTER of thanks from the National Committee appeared this passage:

"More meaningful than our thanks will be the knowledge that this $1,372.83 may mean a glass of milk every day for a week for some 109,840 hungry girls and boys, or enough penicillin to cure 37,560 affected children of yaws."

Mrs. Parkhurst said this council had cooperated with the city's "Trick or Treat, Off the Street" programs.

Brief reviews of the year's activities were given in the Annual Business Meeting preceding the election of officers. These included the observance of the Tenth Anniversary of the United Nations, which was sponsored by the Council; guided tours to the United Nations for high school students; the entertaining and "briefing" of foreign students from the Harvard Summer Seminar when Newton was chosen as a "model city" for their study; and contacts with the students and participation in events at the International Student Center in Cambridge.

The Danny Kaye film "Assignment Children," which is now available through the Council for use in churches and schools, introduced the report on the United Nations Children's Fund.

Country Fair Day Planned June 9

Saturday, June 9, has been designated Country Fair Day by the Oak Hill School PTA. The committee, under the general chairmanship of Mrs. Benjamin Slawsby, has started work and has already reported great accomplishments.

Amusements and games will keep the youngsters busy while their parents shop the booths for home-baked and cooked foods, bric-a-brac, white elephants, hand-mades, and many other things Unusual prizes have been donated by numerous members and friends of the PTA. The refreshments booths will be fully stocked with red hots and cold drinks. Ice cream and popcorn will be in abundance. Our "Grab Bag Lady" and Clown are sure to make a big hit. A special treat for the children will be the presence of Jimmy Piersall, the famous Red Sox centerfielder, from 10 to 11 in the morning.

Proceeds from last year's fair were used to buy equipment to aid the teachers in their efforts with the children. Among the many items that were purchased are a ceramic kiln, an opaque projector, film strips, and encyclopedias.

The PTA extends an invitation to all its friends throughout the city to attend. Fair hours are 10 A.M. to 4:30 P.M.

For Newton Parents...

Newton parents of children under 15 now know that their children will not receive two Salk shots before July 1.

They also know that the chances are the youngsters will have to wait for that second shot until next Fall.

There is a chance that the state will authorize second inoculations during the July and August . . . if the polio season does not intrude.

One shot is assured, sometime this month.

This is a far cry from the optimism of last Winter which led to predictions of "enough shots for all this time."

It naturally leaves one disappointed.

But it seems wise to remember that the one shot that is assured guarantees some protection. Not the maximum protection we had hoped for but still more than in past years.

Is there someone to blame? The natural reaction is to "chew out somebody for this."

But the anxious parent is unable to blame the State Health Department. It took precautions. It could not gainsay last Winter's optimism.

Nor can one blame the city. It accepted the grave assurances of higher authorities.

If one must assess blame, it seems to us, the real culprit is the idea that Americans must be "sold."

Was America anxious and concerned over last Summer's unfulfilled program? Well, then the answer is to "sell" the country on a good program next year. The country expects it. That seems to be the prevalent idea . . . whether for soap powder or anti-polio shots.

False hopes have been the victims of this "bad vaccine." We hope public confidence has survived the reaction.

Still, it is important to remember that other causes have caused the delay:

1. Producing one small batch of 20,000 units (all batches are small now) takes four months—1½ months for testing alone. Many batches have been discarded upon the slightest doubt.

2. Not all states have followed the Massachusetts policy of taking care of the public program first. In many states—New York, for example—sizable percentages of the shots are siphoned off by private physicians for general use. This cuts into the national supply for children.

If experience with hopes and promises in this matter of vaccine means anything, we think it means this:

1. Rather than hoping for that second shot under the public health program, parents might do well to accept the fact that one shot is all they can expect for their children this Summer.

2. That one shot is a step forward over last year.

After all, the children eligible for shots this year had no protection at all a year ago.

What has gone amiss this year is not the vaccine but the promises of public-relations conscious individuals on the national level. We have faced that before. We can now and we probably will again.

Political Overtones

(Continued from Page 1)

State Senator Leslie B. Cutler of Needham will challenge Gibbons for the endorsement for Lieutenant Governor, but the Republican House Leader has powerful backing and seems certain of winning by a wide margin. Senate President Furbush and Senator Adams are looming as real assets to the GOP slate. Both are attractive candidates and energetic, two-fisted campaigners.

* * * *

Democratic leaders believe there is a good possibility that a member of their party will be elected District Attorney of Middlesex County next November.

No Democrat ever has been elected to the office, but Democratic strength in the county has increased sharply in recent years, and the battle this year for the right to serve as Middlesex County prosecutor may be a hectic one.

The competition for the right to run as the Democratic nominee against District Attorney Ephraim Martin is extremely keen. Several legislators may relinquish their seats on Beacon Hill to take the political gamble in the September primary.

So far Attorney Edward A. Counihan, 3rd, of Cambridge, son of the Supreme Court justice, appears to have the jump in the race for the nomination. Counihan got the jump on the other contenders, has been working at a tremendous pace and has been attracting substantial backing.

* * * *

Nixon Will Be Target for Democrats . . .

Vice President Richard M. Nixon probably will be the target for more Democratic attacks in next autumn's campaign than will President Eisenhower. No Vice Presidential nominee in the whole history of the United States has received the attention that Nixon is certain to get.

Whoever the Democratic standard-bearer may be, he will attempt to convey the impression that he is running against Nixon rather than Eisenhower. Top Democratic leaders make no secret of the strategy their party will employ.

They will charge that Nixon stands one heartbeat from the Presidency, and they will challenge in the strongest terms his fitness for the office.

The argument will be advanced that Nixon is too young, too controversial, too partisan, that he lacks the necessary administrative experience.

President Eisenhower, it is felt, will be impelled to defend both Nixon and his qualifications for the Presidency. That may well prove the great debate of the 1956 Presidential campaign.

There is no question but that Ike's health and his chances of living another four years under the pressure and weight of the Presidency, will be an issue when the political cannonading begins. That in itself would centre the spotlight on Nixon to only a slightly lesser extent that on Eisenhower himself.

Whether the President will engage in any discussion of his prospects for living through a second four-year term is uncertain. The likelihood is that the most talented Republican orators will assume that chore.

But it all adds up to pointing the way to one of the most unusual campaigns since the founding of the nation, with the finding of heart specialists that Ike can look forward to a life expectancy of 5 to 10 years hotly debated.

It is now a foregone conclusion that the Republican national convention in San Francisco late next August really will be a streamlined affair. Delegates from this area will journey across the country to renominate President Eisenhower and Vice President Nixon by acclamation and hear a few speeches.

The big problem confronting those running the convention will be how to make it last four days in order to satisfy the San Francisco authorities who anted up a substantial sum of money in order to get the conclave.

* * * *

One of the questions now being asked, as a result of Nixon's decision to stand for renomination, is what Governor Herter will do, when he leaves the State House next January.

It is our opinion that Herter will join the State Department if President Eisenhower wins another term. Secretary of State John Foster Dulles undoubtedly would welcome him as his first assistant, and Herter probably would be groomed to become Secretary of State if Dulles stepped out.

Fifteen weeks from today, the delegates to the Democratic national convention in Chicago, after the preliminary fanfare, squabbles and speech-making, will be buckling down to the serious business of nominating their party's candidate for President.

What will happen when the secretary of the convention begins to call the roll of the States from the platform in Chicago's sprawling amphitheatre, will depend partly on the outcome of the important primary fights still to be waged in Florida and California.

Some Democratic politicians are now privately predicting that the convention will be hopelessly deadlocked in its middle stages and that it will wind up with the selection of a bouncy, doughty, little man named Harry S. Truman to wage a give-'em-hell campaign against President Eisenhower.

Mr. Truman reportedly is one of those who believes that such a turn of events might come to pass. The forecasts now being made, which mention Truman as a possible darkhorse contender, have a ring of incredulity for this writer, but strange things happen in politics, and it is a fact that the major Democratic candidates seem to getting farther away from the Presidential nomination rather than closer to it.

It's a lot easier to make a convincing case to show that nobody is going to be nominated at Chicago than it is to marshal evidence to prove that anyone in the field is going to win. The only drawback to that reasoning is that somebody has to emerge the victor. Everyone can't be defeated.

Back at the start of the year, the backers of Adlai E. Stevenson were arguing loudly that the former Illinois Governor loomed as a sure winner on the first ballot at the Chicago convention, that the seats on his bandwagon were filling up rapidly and that those who didn't hurry to clamber aboard would be left out in the cold.

Those claims were silenced by the stunning defeat Stevenson suffered in Minnesota which caused many observers to count him out. But Adlai, who seems to have more political lives to lose than almost anyone else in sight, has shouldered his way back into the role of No. 1 contender without defeating anyone, a rather impressive accomplishment.

He carried the primaries and won big blocs of delegate votes in Pennsylvania and his home State of Illinois, but he was unopposed in both States. Adlai was beaten decisively by Senator Kefauver in Minnesota where, as the politicians put it, he had everything going for him, and he lost to Congressman John W. McCormack in Massachusetts.

Despite the fact that he has yet to best any adversary—he trailed President Eisenhower in Pennsylvania and Illinois—most of the Democratic bosses still insist that Adlai is the strongest candidate they can put up.

Some Democratic politicians, particularly those who will be standing for reelection next November in tight States or districts, have developed misgivings concerning Adlai's vote-getting prowess and his ability to be of much assistance to them in their own contests.

As this writer sees it, Stevenson was just about knocked out of the Democratic Presidential fight by his setback in Minnesota and has only succeeded in climbing half-way back into the ring.

The primaries in Florida on May 29 and California on June 5 will be crucial ones for both Stevenson and Kefauver. The voting in those two States will kill the hopes of one of the two contenders. It could conceivably wash them both up, although that is not likely to happen.

Stevenson could restore himself as the top aspirant for the Democratic Presidential nomination by winning in both Florida and California. That, of course, would just about eliminate Kefauver from the consideration.

A defeat in either State for Adlai would see his chances go glimmering, and a split also would be disastrous for Kefauver.

What is likely to happen is that the man who captures Florida will ride on to a similar triumph in California a week later on the momentum and the wave of enthusiasm generated by his first triumph.

If the primary in either Florida or California had been held the week following Kefauver's spectacular triumph in Minnesota, the Tennessee Senator's prospects would have been much brighter than they are today. The passing weeks have rubbed some luster from the uphill triumph Estes gained in the Gopher State.

With the backing Adlai has from the so-called Democratic bosses, the guessing is that he will have a better-than-even chance of winning the nomination, if he takes Florida and California, but that he'll be out of the battle if he falters in either State.

That doesn't mean that Kefauver will be an equally good bet if he wins in California and Florida because some very powerful Democratic politicians are determined to stop him at all costs, regardless of what he does or where he does it. It may be difficult to block him if he moves on Chicago with victories in those two States, but it will be far from impossible.

A fairly safe prediction at this stage, however, is that irrespective of what happens in Florida or California, neither Adlai Stevenson nor anyone else is going to be nominated on the first ballot and probably not on the second either. There will be too many favorite son candidates of the stamp of Congressman John W. McCormack, Governor Averell Harriman, Governor Frank J. Lausche, Senator Stuart Symington, Senator Lyndon Johnson and Senator Robert S. Kerr.

Adlai Stevenson might get the nomination on the third or fourth ballot, if he has the crucial wins in Florida and California behind him, but if he is not nominated by the fourth ballot, he probably will not be nominated at all.

Political observers are pretty well agreed that if the battle at the Chicago convention goes more than four ballots, the eventual choice will be a darkhorse compromise candidate. It might be Harry Truman of Missouri.

As far as the Vice Presidency is concerned, the experts believe there is a good chance that the second spot on the Democratic national ticket may go to someone from Massachusetts. Senator John F. Kennedy may be asked to take it, if Stevenson is the nominee, and Congressman McCormack might be the man if Symington comes out of Chicago as the Democratic standard-bearer.

The primaries in Florida and California may clarify the Democratic picture, or they may confuse it even futher.

11 VIE FOR MISS NEWTON TITLE MAY 17

PHYLLIS COOPER

SHEILA LAVINE

CAROL JOHNSON

LAURA SUGARMAN

Eleven entrants have been selected to compete for the title of Miss Newton at a gala pageant Thursday, May 17, at 8:30 p.m. at the Totem Pole.

This was announced yesterday by Thomas Fazio, chairman of the Miss Newton pageant committee of the Newton Junior Chamber of Commerce, sponsor of the event.

Fazio said the winner would compete for the Miss Massachusetts title with girls from other Bay State communities and, if successful, would represent the state at the Miss America Pageant in Atlantic City.

Entertainment and a fashion show will be given as part of the pageant for the public.

Among the entrants, all of whom are between 18 and 28 years of age and come Newton or go to school here, are:

Phyllis Cooper, 18, of 3 Elmwood park, Newtonville, a student in the Boston University College of Music, whose hobbies include swimming, dancing, long walks and "long sessions at the piano." She is a graduate of Newton High School.

Carol Johnson, 18, a secretarial student at Lasell Junior College, whose interests include swimming, singing and all outdoor sports. Educated at the University of Connecticut, she is a graduate of Manchester (Conn.) High School.

Laura Sugarman, 19, of 59 Stuart road, who was voted prettiest girl in the freshman class at Boston University School of Nursing. Her interests include music, horseback riding and swimming and she looks forward to graduate work in surgical nursing. Active in student government activities, she holds three class offices and is rush captain of Alpha Epsilon Phi sorority.

Sheila Levine, 19, a student at Lasell Junior College from New Britain, Conn., she is interested in the dance and has been trained in ballet repertoire in New York City. She is a member of the dance club at college and also favors sewing.

Nelson, Waring Outline Plans for Fall Election for City GOP

Assurance that Newton Republicans will receive what financial assistance they need in the Fall election was given last week by a state official at a meeting of the GOP City Committee.

Lloyd B. Waring, chairman of the GOP state finance committee outlined needs of the central committee and added that "more individuals than ever before" have been volunteering in the financial drive.

THE LOCAL Republicans' own financial drive will open Tuesday, May 15, with a Special Gifts Drive, according to Ernest G. Angevine and Alexander S. Beal, co-chairman of the drive.

This will be the only financial efforts until after Labor Day, they added.

State Chairman Elmer C. Nelson emphasized the importance of ward committee organization and Waring pointed to the need for women's efforts.

Nelson indicated that the number of delegates to the State Pre-Primary Convention in June which each Ward Committee is to send: three from Ward 1; five from Ward 2; five from Ward 3; four from Ward 4; nine from Ward 5; seven from Ward 6; and three from Ward 7.

Blair Hawley, Field Organizer for Middlesex County, described the newly-formed Middlesex County Republican Council, which has been established for the coordination of all county Republican activities. He stressed the importance of voting the entire Republican ticket, including county officers.

Mrs. George J. Elbaum, in charge of registration activities, gave a brief report of activities planned for the next registration drive.

The meeting at the Highlands Woman's Workshop was under the direction of John B. Stetson, Chairman of the Newton Republican City Committee.

To Represent Girl Scouts at Boston Meeting

Mrs. Thomas Derr of Waban, President of the Newton Girl Scout Council, will represent the Girl Scouts of this city at the 9th annual Presidents' Meeting of the New England Region to be held in Boston at the Hotel Bradford on May 2nd and May 3rd.

Mrs. Dwight Merrill and Mrs. Harry Shain, vice presidents and Miss Elizabeth Richardson, Executive Director, will also represent the Girl Scout Council at this meeting.

At this annual event the officers of New England Councils will meet together to discuss matters of mutual interest to their responsibility of providing and promoting Scouting in their communities. These women, along with other adult leaders, bring the Girl Scout program to 175,500 New England girls between the ages of seven and seventeen.

Miss Gertrude Campbell, Director of the Organization and Management Department, National Girl Scout Headquarters, New York, will present the topic "We Measure UP," a plan whereby local Councils evaluate their work and plan for furthering Girl Scouting in their communities. Miss Campbell was formerly Director of New England Region Girl Scouts.

Business-Education Day Set for 45 Newton College Youths

More than 45 graduating students of the Newton Junior College will visit four Newton business plants on the city's first Business-Education Day sponsored by the Newton Chamber of Commerce next Wednesday.

This will mark the initial programming of an educational visit to representative Newton concerns by local graduates.

ROBERT ALLEN of the Gamewell Company and Walter M. Taylor, college director, and Rupert C. Thompson of the Chamber have arranged for the participation of Stowe-Woodward Company, the Gamewell Company, the Beacon Plastics Company, and the Star Market Company to demonstrate different manufacturing and commercial activities to the visitors.

The students will see heavy materials handling, light mechanical and electronics manufacturing, plastics processing, and retailing in action.

They will be guided in groups of 10 so that each may have a chance to thoroughly understand the processes involved.

COMPANY representatives and the students will be guests of the Chamber at luncheon at Chef's Restaurant, providing an informal break in their all-day tour.

"The Chamber of Commerce is vitally interested in letting Newton's young graduates learn of the business opportunities here," stated Thompson.

"We are equally concerned with bringing to Newton businessmen an awareness of the kind of young person who is trained at the junior college as well as the preparation that is provided there," he said.

Pupils to Join Vets In Memorial Rites

Newton schools will join with veterans' organizations for a dual observance Memorial Day this year, it was announced yesterday by Walter J. Maloney, Veterans' Council chairman.

Climaxed as usual by the Memorial Day Parade and Dedicatory Exercises on Wednesday, May 30, the "day" will also be observed in many city schools on Friday, May 25.

AT THE LATTER exercises, veterans will be guests of the students and inform the latter of the significance of Memorial Day, according to Elmer H. King, past commander of Thomas Burnett Camp, United Spanish War Veterans. King is chairman of these affairs.

Annual memorial services will be held Sunday, May 27, at 11 at the Myrtle Baptist Church on Curve street, West Newton, with Rev. Louis E. Ford in charge.

The May 30 parade will begin on Washington street at Lowell street and will march to Newton Cemetery, with ceremonial pauses along the Walnut street route.

Mayor Howard Whitmore Jr., chief parade marshal, will place wreaths on the War Memorial at Commonwealth avenue. Senator Leverett Saltonstall will be chief of staff.

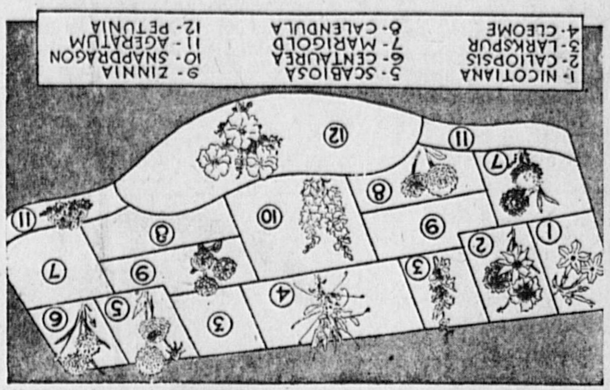
Sprinkle of Seed Brings A Rainbow of Flowers



Planting plan for combined border and cutting garden of 12 annual flowers.

All the colors of the rainbow, with fragrance besides, can be grown in a combined border and cutting garden from a dozen packets of flower seed.

Sown in a sunny area of the home grounds, this planting will serve the double purpose of making a garden display, and providing a wealth of cut flowers for the house all summer long.

These flowers bloom so freely that you may cut dozens of blossoms daily without noticeable effect upon the garden display. Indeed, liberal cutting will only make the flowers bloom more abundantly. Never let a blossom go to seed, if you want to keep them coming.

All the colors of the rainbow are included in this array; and there will be fragrances besides, due in large part to No. 1, nicotiana affinis, the sweet tobacco. Its white trumpet flowers are delightfully perfumed, and are especially enjoyable at twilight.

No. 2, calliopsis, is the annual form of coreopsis, and has the same daisy-like flowers; but a far greater variety of color. Colors include various tones of yellow, orange, maroon and crimson with many two-tone combinations. No. 3, annual larkspur, is the annual delphinium, rich in true pinks, dark blues, and white. No. 4, Cleome, is the spider-plant, growing four feet tall, bearing pink flowers.

Scabiosa, No. 5, is one of the lovliest of cut flowers in spite of its unpleasant Latin name, though its popular title of "mourning bride" is not much better. It bears on long stems ball shape flowers of the finest texture, and richest coloring, ranging from white through many tones of pink, red, lavender and blue. Centaurea, No. 6, is remarkable for its true blue, true pink, and deep red double flowers. The type of Marigold which should be planted in No. 7 space is the dwarf two-toned Harmony strain. No. 8, calendula, is Shakespeare's "marygold," so changed for the better he would marvel at it, and still one of the finest of flowers.

For space No. 9, lilliput zinnias are recommended; they make bushy plants covered with small double flowers, which are fine for low bowl arrangements. In No. 10, plant snapdragons, of the garden type, which will bloom through most of the summer.

In the foreground of the garden, bue ageratum, in the spaces numbered 11 and white petunias in the center space, No. 12, will make a striking contrast, and bloom abundantly all summer.

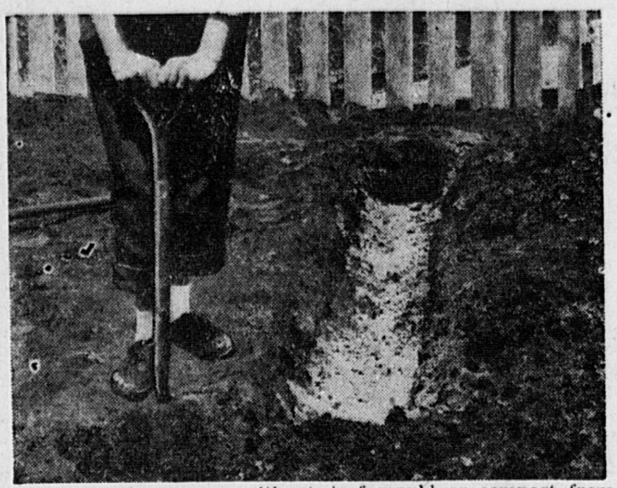
To Appear On TV

Marbra Ann Fishlyn, talented nine year old songstress, will appear in the quarter finals of the Community Opticians TV show May 6 at 12:30 p. m. Marbra has played leading roles in school plays amateur theatrical performances and recently appeared in the fourth annual Starlet Show of the Kiwanis Club of Newton. She is studying singing and piano at the Berklee School of Music. Her parents are Dr. and Mrs. A. Roger Fishlyn of Newton Centre.

To Make Poor Soil Good Spade in What It Lacks



Spading is essential to good soil conditioning.

Plants can be grown without soil, but nature uses it to support plant roots, and store food and water which the roots require. Men have never found a better way to make gardens, than by using oil.

Roots require air as well as food and water. Unless air can penetrate the soil, the roots cannot function. This demands that lawns and gardens have good drainage, so water which is not held in storage by soil particles will escape and allow air to enter.

If your soil is stiff, hard to spade and cultivate, slow to allow water to drain through it, every spring something should be added to make it more porous.

Beginning gardeners are often persuaded that what is needed is a few inches of "black dirt." Even if your soil is clay, excavated for the foundation of a new home, that is the wrong solution. Forget the color of the soil and concentrate on its porosity, a quality without which any soil black, yellow, or red, will give you trouble.

At the other extreme are soils in beach areas, of almost pure sand. These are altogether too porous, holding neither moisture nor plant food, but letting everything wash away.

Both types of soil need the same treatment which is the addition of decayed vegetable or animal material, such as sewage sludge, muck or peat dug from old bogs, well decayed manure, commercial peat moss, leaf mould or compost from a compost pile.

It is seldom advisable to mix sand with clay or clay with sand. Both are excellent to have in soil, but together they often produce an extremely hard composition. Instead of sand, however, limestone can be mixed with clay, with excellent results. Limestone causes the fine clay particles to combine into crumb-like aggregates which will retain moisture, while allowing air to enter freely and excess water to drain off.

Do not be afraid to use crushed limestone freely, since it will not make clay soil harmfully alkaline. The clay has a "buffer" capacity which prevents this, say the scientists.

All the materials used to improve your soil should be mixed with it thoroughly. Spade the organics into sandy soil also, they will hold moisture and store up plant food for the plants to use, instead of allowing it to wash away.

Spading alone is a fine soil conditioner, and if planned sensibly is not a difficult chore. Mark the area to be spaded as a whole and divide into sections, one for each day. Limit the day's work to an hour, until you become hardened to it.

Spread material to be spaded in evenly over the whole area. Begin by opening up a trench at one end of the day's section, throwing the soil removed in a pile nearby. Then dig an adjoining trench, with spade at right angles to its length, throwing the soil and organic matter into the first trench. Continue this until the day's work is over, resting at frequent intervals.

Plant a Tree, But Do It Properly

Plant a tree this spring. Plant the best, and plant it properly.

The trend in shade trees is to diversify the species, mixing little trees with big. Avoid fast growing species. It is amazing how tall an oak will grow in a few years.

Shun brittle trees that break during a hurricane. Don't plant trees that clutter lawns with fruit, flowers and sluffed-off bark. Beware of trees whose root systems clog drain pipes. Grass will do poorly beneath dense shade trees with shallow roots which compete with turf.

Different trees have different uses. For dense shade choose a sugar maple, white oak, little leaf linden, beech, American ash or horsechsetnut. For medium shade: pin oak, red oak, red maple, sweet or sour gum, London plane, white ash, American linden. For light, filtered shade: American elm, thornless honey locust, gingko, Enklish oak or hackberry.

One tree should shade the west and southwest side of a house during the hot afternoon summer sun. This acts as an air conditioner, may reduce room temperatures 15 degrees and lower ground temperatures as much as 30 degrees. Other trees may be placed when the shade does the most good — on the front lawn, near a terrace, play area or garden corner.

Trees should also be selected for height. Trees that reach 50 feet or mor at maturity include: American elm, white, red and scarlet oak, sugar maple and tuliptree. Medium sized trees (up to 50 feet): Red maple, pin oak, sweet and sour gum, Yellowwood, gingko, whit ash, London plane, sycamore and linden. Small trees (to 30 feet): Dogwood, magnolia, native birches, Washington hawthorn, sorrel and flowering crabapple.

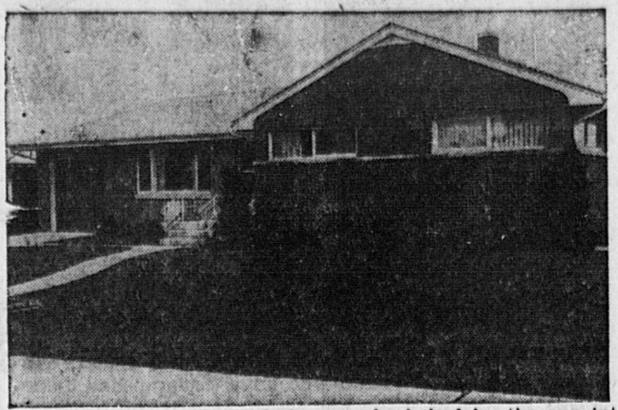
Start Early If Making New Lawn This Spring



To have a smooth lawn, fill up all low places before sowing seed.

When a new lawn is made in the spring an early start is advisable so that the new grass may become established before the ordeal of hot weather. As soon as the frost is out of the ground, and the soil is dry enough to work, the lawn area may be prepared. Never work wet soil.

Grass will grow in poor soil, and its roots are soil builders; but a porous soil enriched with organic matter, 4 to 6 inches deep, will bring faster and more lasting results. Additions to the soil should be spread evenly and mixed thoroughly with the existing soil, not applied as a thin top layer.

Grass will not thrive in acid soil, so a check should be made on this point. The soil should test at least pH7, which is the neutral point. Crushed limestone is best to correct acidity, and also improves the texture of heavy clay soil, causing too-fine particles to collect in crumbs which permit both air and water to pass between them.

After the soil has been turned over, large lumps should be broken up and the surface leveled, because it will be difficult to fill low spots after the grass has started. A rake is the best tool for leveling and removing stones and debris.

A pulverized surface is not as good as a pebbly condition, as small soil lumps will break down and help cover the seed. Pulverized soil after watering may be baked by the sun into a hard crust.

When the surface has been leveled, seed and plant food may be spread. To spread the seed evenly at the desired rate it is best to use a plant food spreader. The practice is growing of mixing seed and plant food together, as this provides enough bulk in the hopper to insure an even flow.

For example, if it is desired to spread 30 pounds of plant food over 1,000 square feet, this amount may be placed upon a sheet of heavy paper. The amount of grass seed intended for the same area may be poured on the plant food and the two mixed thoroughly. The paper can be lifted and the mixture poured into the spreader.

Adjust the spreader to apply the plant food at the desired rate, and this will be satisfactory for the distribution of the seed in the mixture as well.

If the top soil is pulverized the seed and plant food should be raked in lightly, to cover the seed. This may not be necessary for a pebbly surface. In either case the lawn area should then be rolled with a light roller, or firmed with a tamper or the back of a spade. This brings the seed in firm contact with the soil, which aids germination.

Speeding on U.S. streets and highways injured 702,560 men, women andchild ren.

Youth Division Members to Aid In Dedication Ceremonies

Youth division members will take leading parts in the dedication ceremonies planned for the newly rebuilt and extended quarters of the Youth Division of the Newton YMCA to be held as a part of the program of the 79th Annual meeting of the Newton Young Men's Christian Association Monday, May 7.

Taking part will be Carol Colburn and Leslie Clark of Delta chapter of Newton Tri-Hi-Y club; Ronald Connelly and Bruce Dewire of Newton Hi-Y, chapter Fifty-seven; and John E. Danielson, youth work secretary.

A dinner meeting set for 6:30 P.M. will open the program, according to Charles E. Smith, treasurer of the Newton YMCA who is acting as chairman of the large committee named from many branches of Association work which is planning the affair.

An executive secretary of the National Council of the YMCA, Joel Nystrom of New York, will be the annual meeting speaker. Mr. Nystrom, a veteran in YMCA work, was for many years in South America with the Association. Subsequently he has filled many responsible posts in the YMCA before his coming to the National Council as associate general secretary.

President George R. Strandberg will preside at the business meeting. A financial report will be presented by Charles E. Smith, treasurer, and a program report for operations of the year will be given by Alex R. Miller, general secretary. President Strandberg's report will be included in the official printed report to be first distributed at the meeting.

Eight members of the Board of Directors will be elected for three-year terms and two members of the Board of Trustees for four-year terms. Also to be named will be a clerk and treasurer for the next year. Frederick S. Bacon, chairman of the nominating committee, will make the nominations.

At a meeting to be held May 16, members of the board will name the Association's president, vice president and assistant treasurer.

On the planning committee are Charles E. Smith, chairman; Wilbur W. Bullen, general chairman of the Newton YMCA Building Fund; Fred T. Hackley, chairman of the Physical Education committee; Frederick S. Bacon, chairman of the Nominating committee; Philip Goddard Leon Huston, Stanley T. Johnson, Edward A. Fahey, David Linder, James G. Lord, Benjamin F. Louis, Dr. Lawrence MacDonald, Mrs. Edward McMahon, Mrs. H. Edgar Pray, Mrs. John Rogan, Robert Stockman, Mrs. Robert K. Burns, President of the Women's Auxiliary; and Robert Rockett, representing young adults in the YMCA.

Youth Division members of the committee are the Misses Judy Wang and Penny Sexton, and Bruce Dewire and James King.

For the approximately 16,700 eligible Newton youngsters Dr. Henry W. Godfrey, acting city health commissioner, pointed out this week that the city will begin inoculation as soon as the shipment arrives. Parents will be notified immediately.

Mrs. Elizabeth K. Miller, supervisor of Public Health nurses, is director of the school inoculation program.

THE FIRST SHOTS will be given in the parochial schools where there are no pre-school clinics scheduled.

About 6000 children will receive the shots from their private physicians, while the remainder of the more than 16,000 youngsters will be inoculated by the Health Department.

A special traffic detail has been worked out to aid the parents of about 1600 pre-schoolers who must bring the children to schools for their vaccine.

A court hearing is expected by the end of the month, according to City Solicitor Matt B. Jones who advised the Aldermen to postpone a hearing on the permit until the case has been determined in court.

At the same time, residents have requested the city to rezone this corner lot from Manufacturing to Residential E.

And Alderman Carleton P. Merrill has filed a request for a study of the need of rezoning two adjacent parcels on Winchester street from Manufacturing to Residential.

Merrill has also asked the city and state to conduct traffic surveys of the congested intersection with a view to constructing a traffic circle. This could involve taking of some property in the area.

At the present time some of this land is vacant and much easier to take than if a business were located there.

First the case must be resolved in court. Later, there will be hearings on the rezoning request and Smith's petition for a permit.

In opposing the writ of mandamus, Jones contends that the writ of mandamus should not issue since an application has been filed to rezone the land; since it is up to the building commissioner to determine whether business is not objectionable for the area, and that the petitioner has an adequate remedy at law by appealing to the Board of Appeal of the city.

The petitioner is represented by Judge Louis Green of Cambridge.

To Hold Parish Supper May 8

Mrs. Hans Waine, Mrs. Edward Y. Walker and Mrs. Robert K. Burns are in charge of planning and preparing the all-parish supper, to precede the annual parish meeting of the First Unitarian Society in Newton, next Tuesday evening, May 8, at the West Newton Unitarian parish hall. Other members of the Couples Club assisting include Mrs. Philip W. Cranshaw, co-president; Mrs. Russell J. Barrnett, Mrs. John O. Fisher and Mrs. Robert L. Townsend.

Mrs. Robert L. Daniels and Mrs. Donald Prescott will set up the tables. Male members of the Couples Club will act as waiters. Reservations for the dinner should be made through the church office.

Dinner will be served promptly at 6:30 o'clock, with the annual parish meeting scheduled to start at 8 o'clock, when L. Fabian Bachrach Jr., chairman of the board of trustees, will preside. Following election of a moderator, the nominating committee will present the names of candidates for clerk, secretary - treasurer, assistant treasurer, three trustees and one trustee of endowments.

Charles B. Fowler, parish clerk, has requested all church officers and committee chairmen to present reports. There will also be reports from the Women's Alliance, Miss Margaret S. Ball, president; Evening Alliance, Mrs. Lloyd E. Morris Jr., president; Jaynes League, Peter Cobb, president, Unitarian Service Committee, Miss Lilley Owen Smith, chairman; and the United Unitarian Appeal.

o

All Day Meeting Benevolent Group

An all-day meeting of the Women's Benevolent Society of First Church, Newton Centre will be held on Wednesday, May 9. In the morning there will be sewing and surgical dressings, followed by a luncheon put on by Maclean Circle, with Mrs. Michael Kasper as hostess. The President of the Women's Benevolent Society, Mrs. Walter C. Tong, will preside at the head table, where the outgoing and incoming officers will be seated. Following luncheon will be a short worship service under the direction of Mrs. Walter H. Dietz, Jr., after which the annual report will be presented. Mrs. Tong will highlight the events of the year. The budget report is to be submitted by Mrs. Clarendon L. Southmayd, Chairman of the Finance Committee. Mrs. James R. Cobb will present the money-making project "Talent Dollars" for next year, following which there will be the election and installation of officers.

Mrs. Walter C. Tong is ending her term of office as President of the Women's Benevolent Society. She and her family are leaving in August to serve in Formosa on a relief program under Church World Service.

other sections of the country for what it can demonstrate in improved pupil participation and in cost improvements.

Dr. Leo Barry, high school principal, pointed out that the program has possibilities for enriched programs and for relief of over-crowded classrooms and laboratory facilities.

ALSO OFFERED for the first time this year — although not for credit — are physics and chemistry—for students interested in a "preview" or review.

Registration for the summer term is June 15-29 at the summer school office on Elm road, Newtonville. Courses will begin July 2, continuing for six weeks.

Other new courses include one in "Developing Word Power," of especial interest to Scholastic Aptitutde Test candidates.

Besides remedial work and preview work in most high school subjects and in eighth and ninth grade English and arithmetic, students may take beginning shorthand, typewriting and driver education.

All classes except driver education are 2 hours long and run from 8 to 10 and from 10 to noon. A course in Improvement of Reading is included.

The summer school, which last year enrolled more than 500 students from 43 schools in 17 towns and cities, is now in its 15th year.

Taylor, director of Newton Junior College, was recently named director of the summer session by the School Committee.

The teaching staff is drawn from the high and junior high schools of Newton and neighboring communities.

THIS WAS the highlight of the traffic study iutline which the managers received at their meeting at the Pillar House, Upper Falls.

Sgt. William Rowan of the Needham police and Sgt. William H. Dowling of Newton said that Boston drivers, taking advantage of the improved Rte. 128 were adding to the traffic troubles on Needham street.

Pointing out that opening of improved highways usually leads to a big jump in vehicle travel on auxiliary roads, the police sergeants outlined efforts undertaken to ease this setup.

POLICE CHIEF Philip Purcell called on management of the industrial plants to "pitch in" with ideas of their own.

Rowan and Dowling said that by allowing 20 cars to enter from the plants for every 40 that pass on Needham street had been found helpful and this statement was confirmed by some management officials who said complaints about tardy homeward trips had lessened since institution of the plan.

Car pools, backed by managements, were suggested by Frank J. Battles Jr., Chamber president, as one answer to the problem.

Chief Purcell stressed the need for some cooperative solution since widening of the street could be done at considerable cost due to the proximity of plants to the roadway.

up in the courts—not with the zone appeal board.

Remar attacked what he termed the "opening up" of the club to "large numbers" on four nights weekly, three of which would provide facilities for non-club members.

THIS WAS DENIED by White who said that the club would continue "the old policy" of using the property for club-sponsored events and events for which one or more members would sponsor and which might include some outsiders.

He pointed out that the clubhouse and grounds had become rundown and that he intended to make a" decent, first-rate club" with doormen and other services.

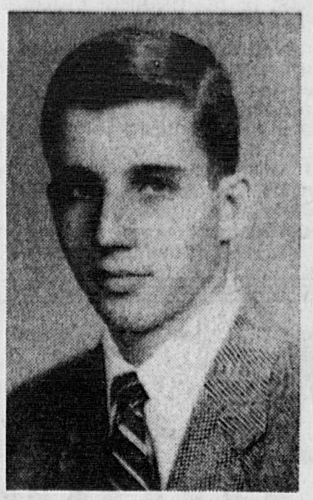
up last September with $1 million in grants from the Ford and Carnegie Foundation.

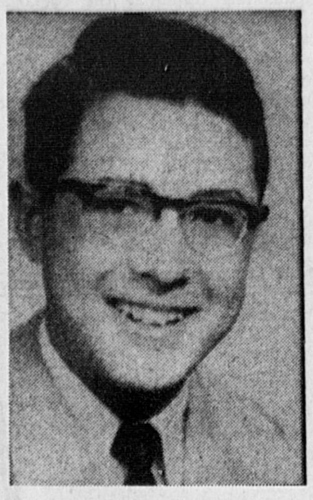
To this has been added $2,160,000 by the foundations and private industry. For each dollar offered by industrial firms, the foundations have contributed one.

The program's goal has been to make it possible for the nation's most able youth to receive a college education regardless of financial status. Tests taken last October formed the basis of the awards.

PREVIOUSLY, seven Newton High seniors had been awarded merit certificates in recognition of placing in the top one half of one percent of seniors in this country.



DAVID HORVITZ



DAVID SACHAR

Newton Scholarship Winners Modest, Eager, Well-Balanced

Everyone expects big things of Newton High's two Merit Scholarship winners, David Sachar and David Horvitz.

Modest, eager and well-balanced is the description Principal Leo Barry applies to them and it is an evaluation that jibes with the opinion held by friends, teachers and even casual acquaintances.

BOTH BOYS know in what direction they wish to travel — Sachar into chemical research and Horvitz into medicine.

But characteristically, they want to get as much non-science courses under their belts in their undergraduate years at Harvard as they can. They will both specialize in humanities.

"No, I don't think I'll veer away from chemistry," said Sachar yesterday. "My interest in chemistry and pure mathematics has had time to weather whatever might turn me aside.

Sachar's father, president of Brandeis University, and an older brother are Ph.D's in history but "I guess that influence hasn't rubbed off on me. I take more after another brother who is in medical school now."

HORVITZ LOOKS to the broad education offered at Harvard with a good deal of interest. Medicine has been his interest but he is not sure that some other branch of science will not attract him before he has completed college.

Horvitz and Sachar are examples of the wide-ranging high school student.

Horvitz was vice president of the Camera Club and photographer for the yearbook and the Newtonite, school paper. He was also active in dramatics and music groups, the National Honor Society, Senior Class Committee and a member of the exchange group that visited Plymouth, Wis., students this year.

Even summers Horvitz has been active — serving last summer with the Unitarian Service Committee in Gallup, N.M., working out a social program for the Navajos along with 30 other teen-agers.

"I enjoyed this type of work very much," he recalls. "We worked hard physically, improving the physical plant for them. And it was exhilarating to set up a social program for the youth and adults and then see to it that someone kept it going after we left."

SACHAR, TOO, finds enjoyment in teaching or guiding groups.

"Even with small groups of children that gather in our neighborhood in the Summer. I have always enjoyed giving them some guidance."

Sachar's interests in high school were the mathematics club, debating and dramatic societies, senior play, student legislature and as a member of the exchange group that visited Wilmington, Del., last year.

Both boys are inveterate readers — anything from child psychiatry to James Thurber.

"I try to read everything that I feel is important to read," says Sachar. "But I find myself reading everything that looks interesting. I just like to browse."

And of course both youths read extensively in science.

BOTH SACHAR and Horvitz were enthusiastic about the Kenyon Plan (for advanced students) in which they have spent much of their time.

"I can't begin to say what a marvellous experience it has been . . . going through Newton High in this program," said Horvitz. "The teachers there have a way of stimulating the students. It's just marvelous."

Sachar agrees.

And Newton High, from Dr. Barry on down to their fellow students feel the same about these two youths — just marvelous.

Cong. Curtis To Hold Clinic Here Saturday

U. S. Rep. Laurence Curtis (R-Mass.) 10th Congressional District, announced today that he will hold office hours at Newton City Hall, Saturday, May 5 from 10 a.m. to 5 p.m. for the benefit of constituents who seek assistance on problems involving federal agencies.

Congressman Curtis has held clinics for the benefit of constituents throughout his district which includes all of Newton and Brookline and seven Boston wards (4-5-10-12-19-20-21).

"I have found it both challenging and encouraging to learn how constituents are meeting their problems and in what direction federal government action is most effective and most needed. I know of no better way for a member of Congress to learn about the needs of his district and the desires of his constituents than talking to them in person," Congressman Curtis said.

Who Stole the Car of Mansion Gang

The shoe was on the other foot last week for a member of the Mansion Gang which has been accussed of looting homes in Greater Boston, including several in Newton.

Leo Gaglieri, 31, of Revere, one of the gang, stepped out of Dedham District Court to discover that someone had driven off his two-toned Cadillac—without permission.

However, for Gaglieri and two companions, Philip Stavros, 30, of Brookline and Anthony G. Russo of Boston, there will be little need of the car for a while. Gaglieri got six years and the others three to five year in Walpole State Prison on various "gang" charges.

JANE FRENO AND RUTH GOODHUE, two among the seniors at Mount Alvernia who have distinguished themselves in various fields this year. Jane is the recipient of scholarships to Emmanuel, Manhattanville, Marymount, Seton Hill and Stonehill Colleges. Ruth repeated her success at the Archdiocesan Science Fair when she received top awards for her science project at the Massachusetts Science Fair at M.I.T. last weekend.

Stone Institute Elects Four New Directors at Meeting

Four new directors were elected to the Board of the Stone Institute and Newton Home for Aged People, at its annual meeting held last Saturday afternoon, April 28, at the "Home" on Elliot street in Newton Upper Falls. Mr. Thomas H. Adams, Jr., Mrs. Ralph G. Beckett, Mrs. Thomas Shirley and Mr. Ralph F. Taber are the new directors which brings the membership of this Board to 58 active workers. Mr. Franklin K. Hoyt, president, presided at the business meeting at which reports were heard from the clerk, treasurer, and the chairmen of the various committees which carry on the important work of the "Home".

Mrs. Helen Stevens, the matron, reported that the Home is now taking care of 25 ladies which is the full capacity of the house. All of the ladies are well and are enjoying their "home away from home". Many outside groups have entertained the ladies on numerous occasions, and they keep busy with their sewing and knitting of articles which are given to others more needy. Many improvements have been made in the physical plant during the past year, outstanding of which are the redecorating of the dining room and the refurnishing and remodeling of the "sick bay".

The following were elected to carry on the work for the next year: Mr. Franklin K. Hoyt, president; Messrs. Douglas B. Francis, Clifford H. Walker and Ralph Taber, vice presidents; Julian D. Anthony, treasurer; Thomas H. Adams, Jr., assistant treasurer; William H. Rice, clerk; Mrs. Helen Stevens, matron. The committees will be chairmaned by the following: executive, Mr. Hoyt; admissions, Mrs. F. Brittain Kennedy; finance, Julian D. Anthony; house, Mrs. Elmore MacPhie; building, Howard L. Rich; grounds, Douglas B. Francis; nursing, Mrs. M. N. Smith-Peterson; visiting and benefit fund, Mrs. Edward W. Pride; publicity, Mrs. W. Duncan Russell; legal, Ernest G. New Brownie Troop at Countryside

Countryside School is looking forward to the formation of a new second grade Brownie Troop.

On April 2nd at the home of Mrs. Frank Cottler, Neighborhood Chairman of the Countryside Girl Scouts, the following women volunteered their leadership for the new troop: Mrs. M. Lewis, Mrs. M. Gold and Mrs. Newman.

Many other mothers showed active interest in becoming members of the Troop Committee.

Four meetings will be held before June of this year. At the Court of Awards this troop will be invested.

Among those present were: Mrs. Mildred Alban and Mrs. Robert Petit.

NEWTONVILLE WOMAN'S CLUB HOLDS LUNCHEON AND MEETING

A GALA DAY for the members and guests of the Newtonville Woman's Club was Monday, April 23, when they gathered in their Clubhouse at 61 Washington Park for the annual luncheon meeting and election of officers.

The President, Mrs. Frank M. Simmons called the meeting to order at 2:15 o'clock. Mrs. Clifford O. Mooney, education chairman, introduced Miss Vicki Rochette, Newton High School Senior and recipient of the club's scholarship. Miss Rochette thanked the club for their generosity and told of her extensive plans for the future. She said she is planning to attend Framingham State Teachers College and become a dietitian.

Mrs. John R. Ballou, recording secretary read the annual report. A moment of silence was observed in memory of the recent passing of two members, Mrs. I. E. Jackson and Mrs. J. Charles Thomas.

Officers elected for the 1956-1957 year were as follows: President, Mrs. Frank M. Simmons; Vice-President and Federation Secretary, Mrs. Harry W. Abells; Vice-President and Membership Chairman, Mrs. Walter F. Burt; Vice-President and International Relations Chairman, Mrs. Roger Wheeler; Recording Secretary, Mrs. John R. Ballou; Corresponding Secretary, Mrs. Edmund Miller; Clerk, Mrs. John Farrington; Treasurer, Mrs. Wilbur J. A. Witty; Assistant Treasurer, Mrs. Joseph L. Hurff; Secretary of Finance, Miss Theresa Cram.

Standing Committees were: Finance, Miss Theresa Cram; Hospitality, Mrs. John R. Clark; House, Miss Helen Cotton; Rentals, Mrs. Howard C. Thomas; Meetings, Mrs. William T. O'Halloran; Program, Mrs. John E. Cox and Co-Chairman, Mrs. William C. Custer; Nominating, Mrs. Allen R. Barrow.

Department Committees were as follows: American Home, Mrs. Walter M. Keene; Music, Mrs. Austin Vickers; Publicity, Mrs. Charles W. Tenney; Volunteer Service, Mrs. Ralph B. Smith; Art and Preservation of Antiques, Mrs. Alexander A. Fox; Children's Christmas Party, Mrs. Joseph L. Sevigny; Civil Defense, Mrs. Raimund G. Vanderweil; Conservation and Flowers, Mrs. Frederick K. Hussey; Education, Mrs. Clifford O. Mooney; Legislature, Mrs. Charles W. Peterson; and Veteran's Service, Mrs. Hugh A. McCrae.

Following the business meeting, Mrs. John E. Cox, Program Chairman, presented Priscilla Comstock Wells in "Bits From Milady's Bandbox." Miss Wells depicted the style changes from 1850-1950 in original character sketches displaying milady's modes and manners. From the hoop skirts of the 1800s to the bustles of the '90s and from the hilarious flapper styles of the Jazz Age to the casual clothes of today. Miss Wells gave impersonations typical of each era, with humorous dialogue which delighted her audience.

Young Audiences Concert At Ward

The Young Audiences concert series presented this year at the Ward School for the 4th, 5th and 6th grades under PTA auspices wound up with the presentation on Monday morning, April 24, of the New York Woodwind Quintet. The artists, all virtuosi, played music written for oboe, bassoon, clarinet, French horn, and flute. Some of the composers represented on the program were Beethoven, Reicha, Danzi, Hindemith, Milhaud, and Ibere.

This concert, as in the two preceding ones, had a two-fold objective; first, the presentation for listening of fine music, and second, the demonstration in a simple manner, of the instruments used, their actual construction and mechanical use as well as the tonal effects they can produce. The bassoon, for instance, was taken apart into its component pieces and reconstructed for the audience. The piccolo was demonstrated as the smallest instrument of highest pitch, with tone gradually descending as the size of the instruments increased. A brief history of the French Horn was traced, starting with its original use in hunting.

Thanks to the work done with the children beforehand in the regular school curriculum under the Music Dept. the children showed up extremely well in their knowledge and interest and in the quality of give-and-take in the question period. Judging by the attentiveness and enthusiasm of the young audience the concert was a real success and an excellent culmination for the year's series.

The cost of all the concerts was covered by PTA funds. Officers this year are: Mrs. Wilfred Werner, Pres; Mrs. Joseph Weinreb and Mr. Henry Marcus, Vice-Presidents; Mr. Herbert Cohen, Treas.; and Mrs. Saul Gilman, Cor. Sec'y.

Saving is the seed of success
"If you want to know whether you are destined to be a success or not, you can easily find out. The test is simple and infallible. Are you able to save money? If not, drop out. You will lose. You may think not; but you will lose as sure as fate, for the seed of success is not in you."
These are pretty strong and definite words from a man who ought to know — Hill, great financier and railroad builder.
The easiest way I know to save is to put something regularly every week or every month in Watertown Federal Savings.

OPERATION FRIENDSHIP BECOMES A REALITY

The next time conversation turns to the high school set with its craze for the rhythm of rock n' roll, hot rods, a language all its own, and any of the other current fads, you can balance your comments with a mention of Operation Friendship. Sponsored by the Senior High Council of Junior Red Cross here in Newton, Operation Friendship is a group of eleven high school students who are bringing the outside world into the homes of handicapped young people.

The mother of one of these young people recently commented, "You have no idea what it means to my child and me. I had tried every game, but it seems every game is a new one when he is playing it with his new friend. There's nothing like someone coming in from the outside, a new face."

Miss Ruth Maynard, Special Education Counselor of the Newton Public Schools, in charge of home study programs, heartily endorses this new project which came into the planning stage last November. At that time the Junior Red Cross under the leadership of Jose Kaplan was busily preparing Thanksgiving Fun Books of games, puzzles and short stories for crippled children at The Peabody Home to which Miss Maynard also devotes her time. It was suggested how worth while it would be if closer contact could be made between handicapped children in Newton and these young people from the Junior Red Cross.

"Naturally it took time to get the idea underway," explained Mrs. Esther Jane Kendall, who is the Director of Junior Red Cross. "We got the permission of the parents of my young people, the High School Faculty Committee voted its acceptance, and the parents of the handicapped children had to be contacted." Once again the Junior Red Cross motto—"We Serve, We Care, We Share"—is being put to good use. "The program helps to bring school surroundings to the homes of these children. Parents certainly appreciate the companionship it brings their off-spring."

What do these young people discuss and do with their new acquaintances? Sandra Cutler, West Newton, helps her friend, a girl of 11, with her penmanship, plays games and just talks. David Schell, West Newton, and George Schneider, Waban, share the same boy. "We bought him a paint set" George added. "He likes to build things, use his hands. I know what it's like to be confined to a bed—we just do what he likes to do." Janet Kaplan, West Newton, who has befriended a girl of 9, helps her with American History. Judy Francis, Waban, sews with her pal. "We went into Boston to select material for a sun dress. She also likes stamps and so I've started collecting again."

Future plans for these Operation Frienship people, often tie in with their projects. Louise Farnham, Waban, hopes "to work with children either in teaching or social work." She does volunteer work at the Newton-Wellesley Hospital. Judy Hyde, West Newton, would also like to be a social worker or a teacher. Merle Steinmetz, Newton Centre, will be at Pomroy House this summer, a home for children at Newton Corner, and hopes to be a nurse. Evelyn Barthelemes, Newton, is interested in nursery work which has been reaffirmed by her new contact, a boy of 10. Carolyn Kingsbury, Newton Centre, plans to help out in the children's ward at the Newton-Wellesley Hospital. She also is a baby sitter two or three afternoons a week, and sums it all up by saying, "I just enjoy children."

These Operation Friendship contacts will be especially helpful during the long winter months. It's entirely up to the visitors how often they see their friends. Some go one afternoon a week; others two; and on Saturdays. One thing is certain—they're always eagerly welcomed in the homes.

Deaths

MRS. JOHANNA WHITE

Funeral services were held Thursday morning April 26 at her late home for Mrs. Johanna (Denn) White, 87, of 67 Cherry place, West Newton, who died Monday after a long illness. A Solemn Requiem Mass was celebrated at St. Bernard's Church, West Newton at 10 o'clock. Interment was in Calvary Cemetery, Waltham.

Mrs. White was the widow of the late Richard White of Richard White & Sons, Inc. She had lived in Newton for 60 years.

She is survived by two daughters, Mrs. Edward B. Gray of West Newton and Mrs. Richard V. Keyes of Auburndale; and six sons, Edmund H. White of Weston, president of Richard White and Sons; William F. White of Auburndale, treasurer; and Richard J. White of Weston, vice president; George L. White of Newton, president of the Newton-Waltham Bank and Trust Co.; John J. White of West Newton, vice president of the Newton-Waltham Bank and Trust Co.; and Dr. Thomas P. White of Belmont.

Also surviving are 33 grandchildren and ten great grandchildren.

man—governed by God, his perfect Principle—is sinless and eternal."

o

WILLIAM J. MARSHALL

Funeral services were held Saturday for William J. Marshall, longtime employee of the Waltham Watch Company, who died last Thursday at his home, 547 California street, Newtonville. Rev. Dean R. Bembower, pastor of the First Presbyterian Church, officiated.

For more than 50 years he had been a New England salesman for the firm until his recent retirement.

Born in Glasgow, the son of the late William J. and Sara Jane (McWatters) Marshall, he had been a resident of Newton for the past 30 years. He was a member of the Boston Jewelers Club. He was the husband of the late Bella (Gray) Marshall.

Survivors are a sister, Miss Jessie Marshall of Montreal, and a nephew, Edward MacDonald of Somerville.

Delegation To Hear Lecture

The Rev. and Mrs. John Ogden Fisher of the First Unitarian Society in Newton will head the West Newton delegation to hear Professor Archibald T. Davison of Harvard University lecture on "Music and Church Music" at 7:40 o'clock Sunday evening, May 6, at the 222nd session of the South Middlesex Conference of Unitarian Churches, to be held at the First Parish in Concord.

Ninth Annual Science Fair Is Being Held at Weeks Junior H.S.

Weeks Junior High School in Newton Centre is holding its annual Science Fair. At this time (yesterday and today), pupils will exhibit the results of their projects, hobbies, and experiments in science for their classmates, parents, and the general public to see.

The exhibits were set up yesterday morning and were judged during the day. This evening (Thursday), after the judging has been completed and all pupils have had a chance to see the entire Fair, the parents and general public will be invited from 7 p.m. to 9 p.m. Awards for the winning exhibits in each grade will be made then by Mr. Clifford R. Nelson, Science Consultant for the Newton junior high schools.

The Science Fair this year is under the chairmanship of Mr. Stanley Russell of Arlington, a member of the Weeks faculty. Judging the exhibits for their scientific merit and originality will be: Mr. Harold Bjornson of the Malden High School; Mr. Michael Butler of the Shady Hill School in Cambridge; Dr. Harold Enge, an Assistant Professor in the Department of Physics at M.I.T.; Mr. Bruce Gilchrist of the Malden High School; Mr. Jack Mofenson, an electronics engineer with Raytheon who participated in the first radar broadcast to the moon; Dr. Albert Navez, head of the Science Department of the Newton High School; Mr. Charles F. Tower of the Warren Junior High School in Newton; Miss Florence Wheeler of the Somerville Junior High School; and Mr. Stephen Willoughby of the Bigelow Junior High School in Newton.

Although Science Fairs are a relatively recent development, they have helped many pupils express and share their interests in many field of science. The work leading up to a successful Science Fair project often involves considerable research beyond what would normally be covered in class, benefitting the pupils in the project and the rest of the classes with which they share their information and experience. Public and pupil interest in Science Fairs has helped uncover and encourage much badly-needed scientific talent in the past few years.

John L. Snider of 15 Blackstone Terr. Newton has been appointed internal auditor of Tufts University by the board of trustees.

Headache for Newton Seen In 6-Lane Brighton Parkway

MDC commissioners differ widely over the increased traffic that the proposed six-lane parkway in the Brighton Abattoir section will funnel into congested Newton Corner.

Chairman Charles W. Greenough says traffic from the six-lane section would not overburden Nonantum road nor streets in the Newton Corner area.

BUT COMMISSIONER Milton Cook of Newton maintains that congestion will become increased manifold in both sections if the highway change is made without making correlative changes in Newton and along Nonantum road.

Mayor Howard Whitmore Jr. withheld comment this week on the implications for Newton: Police Chief Philip Purcell felt that a six-lane highway feeding smaller roads would mean more congestion for Newton but wasn't sure how much.

Signing of an agreement by the MDC and Eliot Henderson of Boston for owners of the abattoir land is scheduled for today in the State House.

THE MOVE has drawn heavy fire from Cook who claims that inadequate plans for Watertown square, Newton Corner and Nonantum road and lack of funds spell trouble for the MDC.

Requests for the $3 million necessary for the two underpasses and eight-tenths of a mile of roadway are included in Gov. Herter's $200 million highway bond issue bill.

No final plans for taking care of increased traffic along the Charles could be drawn up, Greenough told the Graphic until definite word on the Toll Road route had been determined.

(This is expected about June 1.)

He found the biggest unsolved problem caused by the proposed parkway to be the tieup that would result at Galen street and Nonantum road, Watertown.

To meet this he said he had proposed an underpass at that point and extension of the parkway along the Charles to Rte. 128. No estimate is available on the cost of such a project, he said.

BUT FOR NEWTON Corner, Greenough said he did not feel the outbound traffic would siphon off into that congested area.

He agreed that its traffic problems are great but added that motorists have found ways of getting around the area by following side streets in the area.

Whether such heavy use of side streets was economical for Newton he did not say.

"In time, something should be done about Newton Corner," he continued.

"The ideal thing would be to link up Nonantum road and Washington street beyond Newton Corner, but the cost would be so staggering that no one I know would want to undertake it."

Greenough hoped the Toll Road would run close to the river, in which case, he said, the MDC could tie the parkway into it.

COOK MAINTAINED it was foolish to agree to purchase the abattoir land without some idea of where the extra traffic that such a road improvement would attract.

"What do they expect Newton to do? Why, as it stands now it's all you can do to get into Newton from the parkways at certain hours.

"And Watertown is already burdened with one of the worst traffic jams in the Greater Boston area. If we dump an increased load of cars in there without making provisions to relieve the load, we've done them no good."

MDC wanted to make a "pros-
MDC wanted to make a "protective land-taking," as Greenough had said, then the MDC should take the land in the abattoir area that does not now have buildings on it.

HE CLAIMED that the MDC would lose money and be enhancing the value of the abattoir land in the complicated land deal called for in the agreement to be signed today.

By taking the riverside land, he argued, the MDC would have to raze buildings that the new owners should remove themselves.

Still unanswered, he added, was the question of who was in the syndicate interested in the abattoir land.

"Henderson won't say," said Cook, "But I think we should know who will benefit by this deal. It might be important . . . and interesting."

They'll take you anywhere in these communities

Spent on the MTA, two dimes get you the lowest-cost transportation you can buy — anywhere!

Cheaper than taxicabs, even for the shortest ride . . . far cheaper than driving in town, and parking your car.

The MTA doesn't drop everyone at just one Boston station.

Two dimes take you all the way to where you want to go — uptown . . . downtown . . . Back Bay . . . South Boston . . . or to 13 other adjoining communities.

If you live outside the 14 communities served directly by MTA, just drive your automobile to the nearest MTA parking lot. A dozen of them are right beside rapid transit stations, outside Boston's traffic-jammed streets. In any MTA lot you park ALL DAY for only 25¢.

Local rides on surface vehicles in any of 14 communities served directly by the MTA cost only 15¢. An MTA local *round-trip* is cheaper than the first click on a taxi meter.

NO OTHER FORM OF TRANSPORTATION GIVES YOU SO MUCH FOR SO LITTLE AS THE MTA

NEWTON COLLEGE OF THE SACRED HEART rehearses for "Pinafore." This Friday, evening at 8 o'clock, Newton College will present "H. M. S. Pinafore," by Gilbert and Sullivan, on the Newton campus. The performance is open to the public and the admission fee is $1.00. Here Sandy Thomson and Eileen Mullin, both from Boston, take the part of the leads; while Lucy Reuter from St. Louis, Mary Keating from New York, Ann Clausmeyer from Newton Centre, and Patricia Peck from New Jersey play the roles of British sailors.

Elks Honor Two Teen-Agers for 'Outstanding Leadership'

Two high school students were hailed as "outstanding examples" of Newton youth at a ceremony commemorating National Youth Day at the Newton Lodge of Elks Tuesday.

Honored with Elks Leadership Awards were.

ARLENE SULLIVAN, daughter of Patrolman and Mrs. Raymond J. Sullivan of 15 Washburn street, Newton, and a student at Our Lady's High School.

RUSSELL R. HALLORAN, son of Police Sgt. and Mrs. James E. Halloran of 24 Southgate park, West Newton—Newton High School student.

Halloran is a star athlete at Newton High and Miss Sullivan was vice president of her junior class.

The winners were congratulated by Mayor Howard Whitmore Jr. and made honorary mayor and police chief.

THEY ALSO RECEIVED a bond from Newton Lodge and from the State Elks Association. These awards are made annually to outstanding students.

Winners for junior leadership awards are Linda R. McKenney of 97 Washington park, Newtonville, and Thomas H. Martin of 82 Wyoming road, Newtonville, both students at Day Junior High School.

Certificates of award to students in the Girls Senior Division will be presented to Jean F. Chase of 31 Fairview road, Needham; Judith M. Cox of 115 Clarke road, Needham, and Joan M. Cannon of 72 Highland street, West Newton.

Certificates in the Boys Senior Division will go to Robert E. Johnson of 147 Livingston circle, Needham, and Donald P. Williamson of 59 Grosvenor road, Needham.

Junior certificates were presented to Pauline Bilezkian of 476 Lowell avenue, Newtonville, and Jens M. Goldthwaite of 36 Lowell avenue, Newtonville, Day Junior High School students.

The winners were selected by a committee which includes Francis P. Frazier, School Committee member; Judge Francis V. Terry, City Clerk Monte G. Basbas, Norman E. Moore, assistant to Atty. Gen. George Fingold and T. Walter Kearn.

Rt. Rev. Walter J. Furlong, pastor of Our Lady's Church, Newton, spoke. State Elks Youth Chairman John F. Lynch presented the awards. The ceremonies were followed by dancing and refreshments served by the house committee, headed by George Delaney.

Dr. Harold Gores Named Member of Services School Program

Dr. Harold B. Gores, Superintendent of Schools, Newton, is a member of the newly formed United Community Services School Program which held its organizational meeting last Thursday (April 26) at Red Feather headquarters in Boston.

THE PROGRAM of school and agency planning, has been established to explain health and welfare services of Metropolitan Boston to public, parochial and private schools, to enlist students in community service programs, and to acquaint them with the range of vocational opportunities in the social service field.

Committee members include teachers, school officials and social workers. They were greeted by Augustin H. Parker, Jr., UCS president, who introduced committee chairman Thomas J. Curtin, director of the Office of American Citizenship, Massachusetts Department of Education.

ENDORSING the UCS School Program, chairman Curtin told the group that "nothing we can do is more significant than directing our young people toward the acceptance of a body of ideals and a concern for the welfare of others."

Robert B. McCreech, UCS director of the program explained the plan of organization. Mr. McCreech, who has served as teacher, counselor and school administrator, is former assistant Junior High principal of Springfield Public Schools.

Norumbega Council Annual Meeting To Be Held Next Tuesday

David C. Hoover, President of Norumbega Council, Inc., Boy Scouts of America, has announced that at the Norumbega Council Annual Banquet, to be held at the Normandie Room, Norumbega Park May 8, George K. Myers of the National Council, Boy Scouts of America will be the guest speaker.

Mr. Myers, National Director of Civic Relationships, Boy Scouts of America, has been active in the organization since 1924 when he became a Scout at Cincinnati, Ohio, where he was born.

He attained Eagle Scout rank in 1927 and served on the camp staff of Camp Edgar Friedlander of the Cincinnati Area Council from 1926 to 1934. He was the recipient in 1930 of the Harmon Foundation Award, limited to Eagle Scouts. As a volunteer leader he served Troop 23, Cincinnati as an Assistant Scoutmaster and Scoutmaster.

Mr. Myers is a graduate, cum laude, from Monmouth College, Monmouth, Ill., in 1934. He was president of the sophomore and senior classes and was a member of Tau Kappa Epsilon fraternity.

He is a graduate of the 50th National Training School for Professional Leaders in Scouting conducted at the Schiff Scout Reservation, Mendham, N. J. He was Assistant Scout Executive of the Orange-Sullivan Council, Middletown, N. Y., from 1936 to 1939, when he joined the Greater Cleveland Council as a Field Scout Executive.

He remained in Cleveland until 1942 when he was named Scout Executive of the Central West Virginia Council, Clarksburg, W. Va., where he was a member of the Rotary Club. He held this post until 1944 when he served in the Navy during the next two years as a Lieutenant (Senior Grade).

From 1946 to 1948, Mr. Myers was Assistant Finance Director of the Greater New York Councils. In 1947 he led New York's Scout Contingent to the 5th World Scout Jamboree at Moisson, France.

He was selected as Scout Executive of Manhattan Council, New York City in 1948 and held this position until the Fall of 1954 when he was chosen for his present position.

While in New York City he was a member and director of the Kiwanis Club of New York. He serves on the Board of Deacons of the Presbyterian Church of New Brunswick, New Jersey.

In his present capacity with the Boy Scouts of America, Mr. Myers represents the National Council in its relationships with the principal international and national civic organizations in the United States.

Vote to Expand Membership in Management Club

The Charles River Industrial Management Club, a chartered affiliate of The National Council of Industrial Management Clubs, proposes to open its doors to all supervisors, line and staff, of all industries in the area of the Charles River basin.

Recommendations were made at an Executive Committee meeting on April 17 that the merberships be extended to include the towns and cities neighboring on Newton, Waltham, Needham, and Watertown.

With an initial membership of 82 supervisors from over 28 industrial companies, The Charles River Industrial Management Club is believed to record the largest charter membership of any affiliated club in the United States.

Joseph P. Conlin, Industrial Relations Assistant, Raytheon Manufacturing Co., will speak on "Industrial Relations and The Supervisor" at a dinner meeting on May 3 at 6:30 p.m. in the Newton Y.M.C.A. auditorium.

Mr. Conlin was formerly Director of Personnel Relations, American Woolen Company; a staff member of the U.S. Federal Conciliation Service; a field examiner, The National Labor Relations Board; and an organiaztion representative, District 50, United Mine Workers of America.

The club aims to give supervisors a chance to develop their ability as leaders to share common management problems, and to keep up to date on technical advances.

Dancing Program of Recreation Dept. Successful

A very successful dancing party concluded the Recreation Department sponsored dancing program at the Bowen School, Wednesday April 25.

Forty-nine children were present to take part in the festivities. They first gave a demonstration of the steps which they have learned during the season, following which were several prize dances. The winners in each case were presented with a gift.

Elimination dance winners: Arlene Lewis and Shirley Pray.

Spot dance winners: Arlene Barron and Trudy Shove.

Statue dance: Barbara Goodbar and Howie Goldberg.

Corner dance: Susan Kaswell and John Lyons.

Thirty-six guests also enjoyed the fun. Parents, younger members of the family, school faculty, and Mrs. Ragna Hovgaard of the Recreation Department were among those present.

Tax Limit Vote Is Praised

Expressing gratification to the Aldermen for their 13-5 vote to retain Newton's tax limit ordinance, Lorenz F. Muther, Jr., Executive Director of the Newton Taxpayers' Association this week extended the Association's thanks and appreciation to its members and friends who supported the drive against the proposed repealer.

He also thanked the League of Women Voters for their cooperation particularly the timely restatement of the League's position as to public hearings on matters of public consequence which was made by its president, Mrs. Seymour L. Getter.

'It is extremely encouraging to find that many Newton citizens, once they learn of a direct threat to one of their rights to be formally heard on an issue directly bearing on their local government, they take the trouble to follow through themselves," Muther said.

To Hold Annual Meeting at Homestead

The annual meeting of the Friends of the Jackson Homestead will take place Thursday, May 10 at 8 p.m. in the Newtonville Library.

All members of the Friends organization, as well as those interested in the activities of the Homestead are cordially invited to attend to hear reports of the activities and accomplishments of the past year.

Following the business meeting, Miss Betsy Allen, Editor of the Jackson Journal will present a program of colored slides entitled "Random Shots with an Inquisitive Lens." Miss Allen's slides are full of interest for Newton residents and lovers of New England, depicting familiar sights and scenes over the changing four seasons.

Evening Chapter

The last open meeting of the year will be held at 8 p.m. on May 9 at the Memorial School, Oak Hill Park.

All members and friends are cordially invited to attend. A card party and prizes should constitute a lively evening. Refreshments will be under the direction of Mrs. Irving Saphirstein and Mrs. Sidney Geller.

The kind of popularity that can be bought isn't worth the price.

Folks aren't half as nice when they think they are the whole thing.

Church Women's May Fellowship Set Tomorrow

The annual meeting and May Fellowship Day of the Newton Council of Church Women will be held this Friday at 1:30, in Trinity Church, Centre.

The program will open with a Fellowship Half-Hour, during which dessert will be served by the members of the Women's Auxiliary of the hostess church. All church women and delegates from 23 churches in the Council, are welcome.

The service of worship will be conducted by Mrs. Homer Bean, spiritual life chairman. Rev. Howard R. Dunbar, rector, will greet the Council. Installation services for officers and committee chairmen will be conducted by Rev. Sidney Adams, executive secretary of the Newton Council of Churches.

Cabot School Dance

The annual Scholarship Dance of the Cabot School will be held on Saturday, May 5th, at the Cabot School Auditorium at 8:00 p.m.

There will be square dancing, fox trots, rhumbas, etc. Earl Davis and his Orchestra will provide the music.

Door prizes are being donated by local merchants. Needless to say, there will be very nice gifts.

During the evening refreshments will be served for which there will be no charge.

We hope that all our Cabot School parents will be able to attend.

Diane Zophin Is Awarded Scholarship

The Scholarship Committee of the Cabot School consisting of Mrs. William Heisler, Chairman; Mrs. Charles Moses, Co-Chairman; and Mrs. Lee Chrisman after several meetings, a thorough investigation and much discussion reached a unanimous decision to award the scholarship for college tuition to Miss Diane Zophin.

Diane Zophin expects to enter Framingham Teachers' College in September.

She has worked on the Newtonian Ad Staff, receptionist in the office and has done journalistic work. She has belonged to the Music Club, English Club and Future Teachers of America. Diane Zophin has been a leader from her days at the Cabot School.

Hunnewell Club

After entertaining at cocktails in the flower decorated lounge of the Hunnewell Club, next Saturday, May 5th, Mr. and Mrs. Robert B. Fowle, Captain and Mrs. William B. Miller, Mr. and Mrs. Samuel W. Carnwath, Mr. and Mrs. Paul S. Rich, Mr. and Mrs. John R. Roy and Mr. and Mrs. Henry C. Jones will join the other members of the Hunnewell Club of Newton for the Spring Dinner Dance.

Forsythia and other Spring flowers will transform the ballroom into a colorful garden for the dancers. The Vincent F. Leehys and the John F. Wulffs head the decorating committee.

Included on the list of patron and patronesses are Mr. and Mrs. Hugh M. Tomb, Mr. and Mrs. Julius L. Masow, Mr. and Mrs. Robert B. Russell and Dr. and Mrs. Roger Jeenlez.

A committee, consisting of the William A. Dimens, The John J. Jaroshs and the Richard R. Lovells, has been working for several weeks to make this last dance of the Club's season a gay and festive affair.

More than 41% of the deaths and more than 35% of the injuries due to motor vehicle accidents last year occurred on Saturdays and Sundays.

JAZZ MAY BE for America but not for Brigitte Schaezler of Austria who is in Newton on the foreign exchange program. Above are, left to right: Louise Olken, Brigitte Schaezler, Jacki Lamiet and Helga Muelder. (Photo by Gordon R. Wilk)

Giggi Taking 'Lot of America' Back to Vienna But Not Jazz

When some of her Newton High classmates rave about music, Brigitte Schaezler shudders.

For "Giggi" is not one of those girls who is real gone when the juke box lathers up the latest rock 'n roll or replays the best of American jazz or swing.

In fact, if Giggi's one-year impressions of America rested on its native music, this 17-year old foreign exchange student would be carrying discordant memories back to her native Vienna this year.

Does that mean she hasn't had a good time? Not at all. When she graduates from Newton High with her 750 classmates next month she will have as many friends as the next student, probably a few more.

And, teachers and fellow students marvel at the musical ability of this charming foreign student who has been spending the past year with Mr. and Mrs. Walter G. Meulder of 82 Oxford road, Centre, under the American Field Service's foreign student exchange program.

Said one teacher recently:

"Why I can play just a snatch of some classical piece on a record and Brigitte will tell me its title and composer and where in the piece the selection is from. Instantly. It's marvelous."

Giggi shrugs: "I just love music. Always have." A sly smile appears and she adds: "Classical, of course."

Her interest in music is what

Volunteers To Walk Monday for Cerebral Palsy Drive

The United Cerebral Palsy affiliate of Newton has scheduled a CP Walk on Monday evening, May 14 from 7 to 9 p.m. All the villages of Newton will be covered in a house to house campaign to benefit the Cerebral Palsy Fund.

The walk and campaign are under the direction of James Fitzpatrick of Newton.

A letter from the affiliate president, Richard Leahy has been sent to all the Newton homes to acquaint them with this campaign. An envelope for donations is enclosed and may be given to the volunteer when he calls.

One may enclose a check and mail the self-addressed envelope to the local bank.

Volunteer workers will be wearing CP armbands and carry identification that can be easily recognized. Contributions will go to the maintaining of a local CP Nursery School and Summer Day camp, for the training and therapy work necessary for those persons handicapped with Cerebral Palsy.

Also, to aid research and to promote the general cause of Cerebral Palsy.

Newton-Wellesley Hospital Part of Vital Eye Bank Plan

The Newton-Wellesley Hospital is one of the 70 affiliated hospitals playing an essential part in the sight restoraton program of the Boston Eye Bank.

The primary purpose of the Eye Bank is to supply eye tissue for the corneal transplant operation. This is the replacing of a cornea clouded by disease or injury with a clear cornea.

The eye tissue for the transplant is obtained from donors who have previously expressed a desire to give their eyes, after death, to the Boston Eye Bank so that others may see.

THE HOSPITAL bears the major responsibility in obtaining healthy eye tissue. Affiliated hospitals cooperate with the Eye Bank by providing facilities free of charge for the removal of eye tissue from deceased donors and by notifying the Eye Bank when tissue is available.

Since the eyes must be removed within an hour after death, split second timing as well as excellent coordination is required from the hospital.

At the time of death, the hospital must notify the Eye Bank, get a witnessed permission for the enucleation of the eye from the next of kin and the doctor must perform the enucleation, all within an hour. Then the Eye Bank is advised of the quickest transportation into Boston.

The Red Cross, railroads and the airlines all cooperate in transporting the precious eye tissue.

Sometimes it takes a combination of these services to get the tissue to Boston and then relayed to the area where they will be used for transplant. This requires complete cooperation from all of the agencies involved as a corneal transplant must be performed within 24 hours after death.

Just as eye donors are scattered from large cities to rural farms so our affiliated hospitals are located in small towns and big cities.

Many more donors are needed to provide a constant supply of eye tissue for the 10,000 Americans who can be helped by the corneal transplant operation.

Here, again, the affiliated hospitals play an important part in assisting with the distribution of donor material. It is the outstanding support of all of these hospitals that makes our work in sight restoration possible.

Will Survey Oak Hill Land As Urged by Education Board

The Board of Aldermen took note this week of the growing pressure for a second high school by pushing through Mayor Whitmore's request for a $4,000 survey of the Oak Hill site considered most likely to get such a school.

This is the most concrete action by the Mayor and Board in almost 10 years of pressure by the School Board and other groups for added high school facilities.

It is estimated such a school could count on 1,000 pupils on opening day if ready by September, 1960.

SURVEY RESULTS, if favorable, could make a starting date sometime next year possible on such a school if the city follows through swiftly.

The site in question is between Wheeler and Dudley roads in Oak Hill, adjacent to the Oak Hill playgrounds.

The Aldermen's action has the unanimous approval of the School Committee which had just:

1. Poitned out that a second high school was vitally needed to care for a secondary school population that will almost double in the next 15 years—from 2,700 now to 4,600 in 1971.

2. Argued that school population trends indicated that a new high school would be needed by September, 1960, "at which time the present high school plant will have overflooded beyond any economical means of temporary relief."

The recent Little White House Conference on Schools urged the city to invest in a new high school plant rather than to convert one or more junior high schools for the purpose or add to the Newtonville site.

ACTUALLY, the city will engage soil specialists to determine whether the city-owned swampland can be filled in for playground purposes and whether two adjoining privately-owned lots with 25 acres would be suitable for the multi-building high school.

This site had been recommended by the School Board—if soil conditions made it feasible.

The School Committee pointed out:

"The move is dictated primarily by the projection of high school population, which is expected to increase from the present enrollment of 2,353 in the Newton High School and 350 in the Technical High School to approximately 4,600 students by 1971.

"PROLONGED consideration has been given by the School Committee to various alternatives, including the continuation of one high school in Newtonville and the conversion of the Weeks Junior High School as the second of three senior high schools, ultimately.

Princess Ileana Resting Here After Close Brush with Sniper

Roumanian Princess Ileana is resting at her Newton home on Hyde avenue this week after a sniper's bullet narrowly missed her in New York last Saturday midnight.

The princess, a sister of the late King Carol, attributed the attack which claimed one life and the wounding of five more to a "tool" of the Communists.

Police along the East Coast are looking for one Anthony Tudorache in whose apartment a high-powered rifle and shells were found.

The incident occurred as 400 communicants of an Eastern Orthodox Church were beginning celebration of their Easter rites in New York.

The princess was standing beside Very Rev. Florian Galdau, anti-Communist refugee priest, when the sniper fired. Near her were her husband, Dr. Stefan Issorescu, pathologist at the Newton-Wellesley Hospital, and a daughter.

"I think this man was a tool of the Communists," said the princess at her home. "He has a fantastic hatred of the church and the royal family."

Princess Ileana said "my death would have no political significance, but I have been very active in anti-Communist causes lately and the Red pdess has attacked me constantly."

The suspect has been accused of tearing down pictures of the Romanian royal family in the church recently.

Ileana has been a strong anti-Communist speaker. On several occasions, she said, she has been the victim of petty annoyances that had sinister overtones which has led her to be careful. Several years ago she frequently slept with a pistol at her side.

The princess told her daughter, Alexandra Hapsburg who is a student nurse at the New England Baptist Hospital, that she felt she was the object of the sniper's bullets.

The victim of the attack, Vasili Cucuia, was a church warden and Ileana said of his death: "I would hate to think that a man died in a plot to kill me . . . The man who died served his Lord with such devotion for so long that, in a way, it was an honorable death."

Public Invited to Jackson Homeste'd Meeting Tonight

Donald D. McKay, President of the Friends of the Jackson Homestead, cordially invites the public to a meeting of the Friends, to be held at the Newtonville Library this evening (Thursday) at 8 p.m.

Miss Betsy Allen, Editor of the Jackson Journal, will present a program of colored slides entitled "Random Shots with an Inquisitive Lens." Among her slides are included scenes taken in and of the Homestead as well as pictures of other familiar local and New England landmarks.

Board Votes To Straighten Cunniff Curve

Elimination of Cunniff's curve on Brookline street, Oak Hill, the subject of agitation by residents for more than a decade, was approved by the Board of Aldermen this week.

At the same session demands were made that a survey be made of all dangerous traffic spots in the city.

BY A VOTE of 13 to 6, the Board appropriated $30,000 for the relocation, alteration and widening of Brookline street and $816.23 for land taking.

Chairman Charles H. Cosgrove of the Street Traffic Committee reported that he has requested members of his committee to determine the danger spots in his own ward and that the committee is investigating the advisability of engaging a professional traffic engineer to assist in a survey of dangerous streets.

Opposing the elimination of the curve, Alderman Benjamin Shattuck stated that increased speed resulting from the straightening of the road might increase the hazards.

Voting in favor of the elimination were President Wendell R. Bauckman and Aldermen Adelaide B. Ball, Leo M. Cannon, Charles H. Cosgrove, Harry H. Ham, William R. Mattson, William H. Prentice, Carleton P. Merrill, William P. Ripley, Stuart M. Spaulding, Hirsh Sharf, Edwin A. Terkelsen and John W. Whittemore. Voting in opposition were Aldermen Joseph B. Davis, Charles F. Hovey, John P. Nixon, William M. Powers, Benjamin Shattuck, and Earle D. Wood, chairman of the Finance Committee.

Plan Candidate Night In Waban May 21

Residents of Newton and nearby communities are expressing great interest in the next meeting of the Newton Women's Republican Club.

THIS LIVELY organization is planning a Candidates' Night to be held at the Beethoven School in Waban Monday, May 21, at 8:15 p.m.

The speakers for the evening will include all of the Republican candidates running for Middlesex County offices as well as the two distinguished gentlemen seeking the Governor's Councillor seat.

Much enthusiasm has been shown in the various contests, and a large audience is anticipated for the occasion.

A silent auction will take place during the refreshment hour, and many articles of unusual value will be offered for sale by written bid. Mrs. Edward Becherer and Mrs. Parker Pond are co-chairmen for this part of the program.

FURTHER announcement of this important meeting will be presented in next week's Newton Graphic.

Lee's MDC Park Sale Bill Faces 2d Knock-Down Fight

Another "pitched-battle of the parks" was expected in the Senate this week over Senator Richard H. Lee's bill to allow MDC repurchase of 26 acres of land along Hammond Park parkway.

Boston Democrats promised to kill Lee's measure which is designed to turn over the land adjacent to Hammond's Pond in Chestnut Hill to the MDC park system.

SCHEDULED for a final reading this week, the bill drew the heavy fire of Senator John J. Beades of Boston and Senator Andrew J. Quigley of Chelsea.

"Newton is a wealthy city with altogether too many parks already," Quigley asserted in opposing the measure last week.

"This is not true," said Senator Lee who pointed out that the MDC has no park in Newton, whereas "Revere and Winthrop (Quigley territory) and Boston have plenty of MDC-owned parks and parkways. I am at a loss to explain why they should oppose this move."

The bill, as filed by Lee, called for repurchase of 37 acres along the parkway which had been bought from the MDC in 1948 and 1952.

But the 11-acre tract abutting Route 9 and the parkway, which is expected to provide an extension of the Chestnut Hill shopping center, was removed from the bill by the Metropolitan Affairs Committee. The site is located across the parkway from the shopping center.

FAILURE to gain Aldermanic approval for rezoning the 26-acre parcel led Cabot, Cabot and Forbes to abandon its proposal to build campus style office buildings. It is this land which is up for sale.

If the bill passes the Senate it must still face a tough test in the House where Boston Democrats can be expected to attack the measure in force. A roll-call vote is scheduled on the final reading this week.

Lee's bill has the unanimous indorsement of the Board of Aldermen. He points out that the tract provides the only access to the pond for ice skating.

From about 1912 until 1952, the MDC owned most of the land in the vicinity of the pond.

Large Crowd Attends Annual Meeting of YMCA May 7th

With one firm purpose but with flexible program to meet needs of the day and situation, the Young Men's Christian Association serves youth in scores of countries across the face of the earth.

THIS WAS the declaration of Joel Nystrom, YMCA National Council Executive who spoke before one of the largest Newton Y.M.C.A. crowds on record Monday night, at the dedication of the Y's new Youth Division quarters and 79th Annual meeting.

Charles E. Smith, treasurer of the Y.M.C.A. and chairman of the Annual Meeting Committee, presided. The dinner was attended by 220 people who heard the expressions of thanks to building fund donors by young members of the Y. Participating in this part of the program were: Bruce Dewire, James King, Peter Roggeveen, Russell Martin, Leslie Clarke, and Carol Colburn.

Speaking at the conclusion of the youth presentation, Mr. Nystrom used the subject, "Mankind is Our Business."

"In the YMCA we have a great fellowship of human beings working toward a common cause, the desire to serve mankind," Mr. Nystrom said. "The YMCA knows no sect, race, or nationality boundary. Although we possess one clear purpose, we are flexible in program and method to meet the needs of youth and young adults in any situation."

PRESIDING at the business meeting was George R. Strandberg, president of the Newton YMCA, in business life a consulting engineer with Stone and Webster. A financial report was presented by Mr. Smith and a program report for operations of the year was given by Alex R. Miller, general secretary. President Strandberg's annual

Ninth Inning Rally Gives Tigers 5-4 Win Over Watertown

With their backs to the wall, the Newton Tigers came fighting back with a frantic and ninth inning rally which netted four runs and a 5-4 triumph over a hard-fighting and determined Watertown squad.

With a classy left hander on the hill, Watertown gave Newton its toughest test of the season. Burns had a fine fast ball and a brilliant change of pace, and had the Tigers completely fooled until the ninth. Alan Martin did the hurling for Newton until the eighth when Halloran took over.

Newton started it off by drawing first blood. Russ Halloran really connected and sent a tremendous blast to deep right field for a triple. A base hit by Dixie Bergman brought in the first Tiger run. Martin breezed along until the fifth. Dolbier lined a hit, Burns doubled and Tomasetti reached on a fielder's choice. However a good job of fielding by DelGizzi pulled Al out of a hole. A triple by Watertown's catcher, McLaughlin, followed by a Dix Bergman error tied up the ball game.

McLaughlin lined his second extra-base hit by doubling in the eighth, and a triple brought him home. Both of these were sharp hits, and this was one of the few times that opponents have tied into Halloran. But, this was not the end of it. Tomasetti drilled a bullet single to right to lead off the Watertown ninth. Russ bore down to strike out Walker, but McLaughlin slammed his third hit of the afternoon by singling in a run. Before the frame was over, Zains belted Halloran for a double and later scored. Newton fans watched in awe as their hero, Russ Halloran, was creamed.

As Newton came to bat in the bottom of the ninth, the outlook was anything but bright. Russ slammed a bouncer down to second and was safe on an error. O'Laughlin singled and another error brought Russ in. When Bergman reached on an error by the left fielder, it was obvious that the Watertown pitcher was rattled. The Newton bench didn't let up on him, and with this poor defense in back of him, Burns stared into Collentro and fired. Jimmy bunted the runners along, and sent Johnny Beggs to the plate with two runners on base. Beggs was in the midst of a bad slump and a pinch hitter seemed the best move, but Fergy stuck with his boy and sent him up to bat. Johnny took a fat pitch and drilled it into deep right center for a two bagger, which batted in two runs and he went to third on the throw in.

Jack McCree came to bat, and by this time the Watertown pitcher was shaking in his spikes, wondering what had happened. He began his motion, but with peppery Johnny Beggs and the Newton bench talking it up, he whirled and tried to pick Beggs off. This turned out to be a mistake because it was a balk and Beggsy came racing home with the winning run. Fans and players swamped him as he crossed the plate, and the Watertown boys shuffled off the field.

It was a tough break for the Watertown hurler who tossed a fin. ball gams and he deserves much credit. Newton and Coach Howie Ferguson also deserve a tip of the hat. Fergy for staying with his boys, and the club for their determined style of play, and ability to fight back. This is the true test of a champion: and the tigers today showed they have it.

With this victory the Tigers wrapped up another Suburban League victory, and now prepare themselves for Waltham.

Dr. Albert I. Gordon is the spiritual leader of the Temple.

Orange and Black Hits Snag As Brockton Wins 5 to 4

The victory wagon came to a jolting stop today, as a classy Brockton ball club trimmed the Orange and Black nine, 5-4.

Lefty Dana Johnson opened on the hill for Newton and fired four solid innings. Brockton drew first blood in the third Shortstop Gambruzzio reached on an error, and Pavao was safe when his attempted sacrifice was bobbled by Johnny Beggs. Floren then drilled a clean single to knock in the first tally, Condon, the Shoe City hurler, struck out the side in the first inning and fanned eleven in the first six frames. Singles by Keyes and Bobby Del Gizzi were the extent of the Newton offense.

Finally the Tigers got something going in the lucky seventh. After Jimmy Collentron drew a free pass, Dixie Bergman belted a bingle, and Beggs and Manny Connerney walked. Bobby DelGizzi, who has been playing great ball, socked a long two-bagger. Keyes reached on a fielder's choice and Martin walked, but Russ Halloran fanned for the second time and O'Laughlin flied out to end the rally. However, the Tigers did score four runs and the outlook was bright as they took the field. Al Martin was hurling and Halloran was ready if and Halloran was ready if needed.

Brockton got back two of the runs in the eighth, and this is how it went. With one down, Burke hammered a base hit. Sergio ripped a single, and moved around as pinch-hitters Keyman and Sabas whacked Halloran for base hits. This was the first time this year that opponents have hit Russ hard and often. The hits were all well stroked as Russ experienced one of his worst days out on the hill.

Newton bats were easily silenced in the ninth and there was a tight four to four tie as Brockton came to bat in the ninth. Stevens belted a long double to greet Halloran in the ninth. After being sacrificed to third, he scored on an infield grounder off the bat of Bagas.

This was not one of the better performances by the Tigers, and although it was not a league game the most disappointing showing was that of Russ Halloran. Russ went zero for five at the plate, and Brockton really teed off on him. With a fine defensive job and solid hitting, Bobby DelGizzi was very impressive.

The Tigers are now busy preparing for Watertown, Waltham, and Cambridge Latin. Let's go Tigers!

Track Team Rolls Merrily On Its Way Toward State Title

A tremendous Newton Outdoor Track squad, in depth and in ability, successfully defended their championship in the senior division of the University of Massachusetts High Schools Relays, and continue to roll toward their fifth straight state title.

Newton tallied 31 points to take the title as their closest rival, Boston Technical, scored 19. Belmont's 24 points gave them the title over Natick in the junior division. All Newton's discus entrants broke the existing individual record, and led by Roger Kindred set a new record for the meet. Vincent Bobo of Boston Technical set a new mark for the shotput at 50 feet 5¾ inches.

1st Place Winners (senior div.)

Shotput: Boston Tech (Vin Bono, Ernest Karshick, Ed Butler) D-132 ft. 2¼ in.

Golf Team Is On Its Way

Newton's golf team is well on the way to a league and possibly a state championship. The Orange and Black are in undisputed possession of first place as a result of their wins over Watertown and Brookline—both runners up in last year's state playoffs.

Newton also outlasted the newly-formed Weston team, in a non-league match. With these victories, plus a win over Belmont, Newton holds a fine 4-0 record.

The big match this week was against Brookine at Brookline. Newton won the match, 6-3. Three boys broke 80. Gardner Moody played very consistently and fired a fine 76. Pete Grogan had a strong 78, despite poor chipping because his booming drives averaged about 250 yards. The combined effort of MacBreen, who shot 79, and Grogan, was unbeatable.

Scoring:

NEWTON — Grogan, MacBreen 3, York, Moody 2½, Burke, Brian ½.

BROOKLINE — Hughes, Alpher 0, Suverland, Meany ½, Mullen, Weker 2½.

Waltham is the big one this week.

Newton Nine Clobbers Waltham By 20 to 0 For Eighth Victory

Getting that unbeatable combination of brilliant pitching and savage hitting, the Newton Tigers delivered the finest offensive show of the current high school season by clobbering Waltham 20-1.

With a blistering seventeen hit attack, Fergy's boys sent four Waltham pitchers to the showers while winning their fourth straight league game, and their eighth victory in nine starts.

Kenny Keyes singled and came all the way 'round on errors to put Newton one run up at the close of the initial frame. An error, fielder's choice, two stolen bases, and base hits by Johnny Beggs and Bobby DelGizzi added three more tallies in the second inning.

Alan Martin led off the third with a base hit and went to second when the ball broke through the first baseman. Halloran, who did the pitching for the Orange and Black, walked and O'Laughlin and Collentro singled. Beggs then came through with his second of five hits by doubling, and after three innings Newton had a comfortable seven run lead. But, they wouldn't let up and piled up three more runs in the fourth. Keyes singled and promptly stole second. Halloran sent a booming two bagger to the base of the right field fence, and two walks and an error finished out the inning.

Waltham scored its first and only run in the fifth without getting a base hit. Nelson drew a free pass from Halloran as did Falzone, and with the help of a passed ball and a ground ball scampered home for the one Waltham run.

In frame seven the Tigers really poured it on as they scored five more times. Four hits and two walks decided the ballgame and brought in numerous subs from both benches.

Three walks, and singles by Ronny O'Laughlin and a red hot Johnny Beggs brought the score up to eighteen. Beggs slammed out five hits, scored twice, and batted in six runs to lead the Newton attack, and now is surely out of his slump and is looking like the best catcher in the state.

However in the seventh, Russ Halloran saw his no-hitter go up into the dark and dreary sky, as Scafidi lined a clean base knock. This was the only hit off Russ and climaxed his second one-hitter of the campaign. The other occurred in a seven inning stint versus Rindge.

Dave Kirby singled in the final run in the ninth inning, as the rain came pouring down.

The Tigers really showed a fine bit of hitting, and after two rather shaky appearances, Russy Halloran returned to form. Both Martin and Beggs have been in bad slumps, but each snapped out of it with sharp hitting. Fergy sent seventeen men in the game as most of the boys saw action. With Cambridge Latin and Brookline due in the near future, the Tigers have two big league games coming up. The outlook is good.

Players Raise $125 for Eliot Rebuilding Fund

The Newton Players have raised $125 for Eliot Congregational Church's re-building fund, with a benefit performance of "George Washington Slept Here." About 150 persons attended at the Newton Centre Woman's Club. The Club donated its auditorium.

Two events are scheduled for tomorrow to help the Eliot Church replace the building destroyed in a fire in February. A travelogue by Arnold Black, with pictures of his holiday in Italy and Switzerland, will be presented at the United Presbyterian Church, Newton, at 8 p.m.

And tomorrow at 1 p.m. a garden tour conducted by Herbert Fraser for the benefit of the church, will start at his home, 48 Eldredge street, Newton.

Sen. Saltonstall, Mayor Whitmore To Be Speakers On Memorial Day

Plans are practically complete for Newton's observance of Memorial Day, according to William J. Maloney, chairman of the Newton Veterans' Council also supervisor of the Memorial Day parade and exercises.

MEMBERS of all the Newton Veteran Organizations will be guests at many of the Newton Schools' Memorial Exercises on Friday, May 25, and will explain to the pupils the significance of Memorial Day.

Chairman of this School Speaking Committee is Elmer H. King, PC of Thos. Burnett Camp No. 10 United Spanish War Veterans.

Following these exercises, the Commanders of all the Veteran Organizations with their members will proceed to decorate the more than 1300 graves of deceased Newton veterans in Newton and surrounding cemeteries, having been assigned their territories by the chairman of the Graves Decorating committee Peter A. Best of Newton Post No. 48 AL, assisted by Edmund Dungan, Agent of the Veteran Services Department, who has made up the maps designating the graves of these veterans in these cemeteries.

Sunday morning at 11:00 a.m., May 27, the annual Memorial Service will take place at the Myrtle Baptist Church, Curve street, West Newton, with Reverend Louis T. Ford presiding.

HEADING this Memorial Service committee is Edwin H. Duvall, PC of Newton Unit No. 53 MSG, who will ask that all the Newton Veteran Organizations carry their colors to this service and that many of our Newton citizens as well as all veterans attend.

The Memorial Day Parade will start at 10:30 a.m. on Wednesday, May 30 with the parade column assembling on Washington street, near Lowell avenue, Newtonville, proceeding east on Washington street to Newtonville square, then south on Walnut street to the Newton Cemetery, the scene of two ceremonies at the GAR Monument and the Soldiers' Lot.

When the parade reaches Commonwealth, a halt will be made while wreaths are placed at the War Memorial by Mayor Howard Whitmore for the City of Newton and Robert A. Vassalotti for the Veterans' Council. Reverend Francis F. Crisci will say the prayer and the Newton High School Band will play an appropriate hymn.

TWO CEREMONIES will take place at the Newton Cemetery, the first at the GAR Monument where Senator Leverett Saltonstall will be the principal speaker, wreaths will be placed by all the Newton veteran organizations and their auxiliaries, the three vollies and taps by the Newton Veterans' Honor Guard, prayers by the Reverends John L. Johnson and Wilbur J. Kingwill and Lincoln's Gettysburg Address by William E. Halliday, Jr.

The second ceremony will take place at the Soldiers' Lot with Robert A. Edwards acting as master of ceremonies and Mayor Howard Whitmore, Jr. the principal speaker. Wreaths will be placed by Mrs. Alice Bjornson, President of Newton Chapter Gold Star Mothers, Edmund T. Dungan for the City of Newton and William Maloney for the Veterans' Council. Rabbi Harold S. Kastle will deliver the prayer.

Acting as Chief Marshal in the parade will be Mayor Howard Whitmore, Jr., Chief of Staff, Senator Leverett Saltonstall, a position he has held for many years and Adjutant General, William J. Maloney, chairman of the Council.

ASSISTING Mr. Maloney as Adjutants will be Howard F. Carley, SVC of Newton Post No. 48 AL and Roger A. Marrocco, Commander of Nonantum Post No. 440 AL.

Aides will be Peter A. Best, Mrs. Mabel McVean, Edwin H. Duvall, William E. Halliday, Jr., Elmer H. King and Henry F. Hurley.

The parade will consist of five divisions besides the staff, Adjutant Marshal of the First Division, Henry R. Lever; second division Thomas Peterson; third division Mrs. Helen Keefe; fourth division Daniel B. Hookailo and fifth division Assistant Fire Chief Frederick Perkins.

Following the review opposite City Hall, the units will disband on Homer street, near Commonwealth avenue.

News of Day

There certainly was "music in the air" as final preparations progressed for the annual Spring Concert Friday evening, May 4, in our school auditorium. Actually, the auditorium took on the semblance of a Broadway production studio with its modern dance activities, speaking chorus, music rehearsals, and the setting into place of the spectacular stage back-drop of America's unique Statue of Liberty on Bedloe's Island, which was prepared by students in the art room. Faculty and students have worked tirelessly, enthusiastically for this all-school activity which was one of the "best ever."

The Varsity Baseball squad won its first game of the season by defeating Memorial Junior High of Framingham by the score of 3-0 in a well-played game. The Junior Varsity team lost a "squeaker" by the score of 2-1.

Congratulations to David Sachar, a former Day Junior High student and now a senior at Newton High, who has been awarded a National Merit Scholarship.

We all are extending genuine compliments to Robert Oxnam of Grade 8, who now is the Massachusetts state Junior Archery champion.

One of the two Elks Leadership Awards offered each year to outstanding students at the senior high school level was won by Russell Halloran, a former Day student and athlete. Winners for junior leadership were Linda McKenney and Thomas Martin of Grade 9. Junior certificates have been awarded to Pauline Bilezikian and Ted Goldwaithe also of Grade 9. To all these fine young people we extend sincere congratulations and best wishes!

Junior Tennis Squad To Open Season Here On May 12

The 1956 season of the Newton Junior Tennis Squad will open on Saturday morning, May 12, on the clay courts at the Newton High School.

The New England Junior Tennis League will inaugurate a senior division for boys 17 to 20 years to provide summer activity for those who have outgrown other leagues. Arrangements will be made for the ladder play of the Newton Squad to conform to its members summer work or vacation schedules. The junior division is open to boys 16 years and under.

Newton's team topped the League's Longwood Division in 1955. A tentative little league team will be assembled from the outstanding squad players of 1955 and the new members of 1956.

"Junior Tennis League activity in Newton," said Mrs. Joseph A. Barry, 211 Highland avenue, Newtonville, "has received its greatest impetus in the four years of its existence by the creation of the Senior Division. Boys who do not go away, who want to work, or who are too old for other leagues, will find tennis a competitive and relaxing sport. The need for a senior division has been urgently felt."

"Chauncey D. Steele, Jr., president of the New England Lawn Tennis Assoc., granted the league permission to establish the senior group because of the phenomenal growth of the junior division and the increasing interest of the senior boys."

"The league matches will be played under the rules and regulations of the United States Lawn Tennis Assoc., and will be supervised by members of the United States Lawn Tennis Umpires Assoc. Regulation size courts will be used to conform with the requirements of junior and senior tournaments sanctioned by the New England Lawn Tennis Assoc."

Mrs. Barry is Vice Chairman of the New England Junior Tennis League, a member of the scheduling committee of the N.E.L.T.A., chairman of the National Doubles Tennis Tournament, and was named a national hostess for the 1955 United States-Canadian All-Star Junior Tennis Tournament.

Members of the Newton senior division who have already registered are:

Ben Serkin, 535 Ward St., Newton; Howard Myers, 64 Garland Rd., Newton; Robert Charney, 18 Cedar St., Newton; Don Wilson, 39 Rochester Rd., Newton; Wally Palmer, 96 Temple St., West Newton; Peter Myerson, 25 Larch Rd., Newton; Peter Hannauer, 304 Greenough St., Newton; Paul Schwartz, 29 Daniel St., Newton Centre; Charles Fenno, 100 Old English Rd., Chestnut Hill; Tony Gordon, 340 Chestnut St., West Newton; Robert Jordan, 16 Cabot St., Newton Centre.

Returning members of the Newton junior division are: James Hennessey, 171 Highland Ave., Newtonville; John Alexander, 29 Forrest Ave., West Newton; Robert Montgomery, 61 Churchill St., Newtonville; Joseph Cincotta, 9 Ellsworth Rd., West Newton; Philip Barry, 211 Highland Ave., Newtonville; Philip Schwartz, 27 Daniel St., Newton Centre; John Minichiello, 309 Waltham St., West Newton.

Boys who reside in Newton Centre, Chestnut Hill, Newtonville, Newton, West Newton, and Newton Highlands are eligible for membership on the Newton Squad under Mrs. Barry (DE 2-0753).

The Waban team, under William Woods (DE 2-4180), has a membership of boys in Auburndale, Waban, Newton Lower Falls, and practices at the Waban Neighborhood Club.

Giggi-

(Continued from Page 1)

got her acquainted with Louise Olken and Jacqueline Lamiet, two Newton High classmates.

Jacqueline and Louise, together with her 15-year-old "sister," Helga Meulder, are among her closest friends. They are seen together everywhere: at the football games, dances, on the tennis courts (a new-found love of Giggi's).

"And the Boston Symphony," she adds with a sigh about the duration of two full measures.

"Giggi could hardly get enough of the music offered around Boston," said one of the AFS workers the other day.

"With her," said the worker, "it's been a wonderland of music. That's her interest. We like to see these students pursue their own interests and see as much as possible of what we have to offer in their field . . . in everything.

"We don't try to propagandize them, however. They are just visiting here. They will continue to live in their native lands . . . and follow their interests which we hope we've broadened and enlivened a bit."

When Giggi graduates from Newton High next month, she will return to Vienna to complete her "senior" year again next Fall before going on to college for training as a secondary school teacher. She wants to teach music and English, especially English literature which fascinates her.

It took Giggi a while to grasp American ways when she arrived last Summer. She couldn't get over the American student's right to choose so many of his courses. (In Austria they are all prescribed and that's why she'll have to repeat her senior studies). She still can't get over it, although she took such subjects as problems in democracy, advanced speech and a capella choir at Newton High.

"The tempo, the parking lots so full of cars." She stops a minute. "And oh the inventions for the home."

"I wish my mother could be here. I'd like to take her through one of your big food stores, or chain stores. Shopping's so much easier here . . . and if she could just stand in one of your modern kitchens!

"You know I could read about these things at home. But there's something about just seeing them . . . and experiencing them that makes it all so different . . . I just hope the program keeps growing so more of us can come over and find out about America."

The Massachusetts Junior Classical League is composed of local classical clubs in junior and senior high schools. Its purpose is to encourage among young people an interest in and appreciation of the civilization, language, literature, and art of ancient Greece and Rome and to give them some understanding of the debt of our own culture to that of classical antiquity.

Founder, guide, and inspiration of the League since its inception has been Professor Van L. Johnson, chairman of the Department of Classics at Tufts University, to whom a scroll of honor will be presented at the meeting. Officers of the Massachusetts J.C.L. are: president, Richard Miskinis, Taunton; vice president, Carl Eastman, East Bridgewater; secretary, Virginia Knowlton, Belmont; treasurer, Stephen Doctoroff, Newton; parliamentarian, Martin Aronson, Brookline.

MEMBER SCHOOLS of the State Junior Classical League are: Templeton High, Baldwinville; Barre High, Belmont High, Brookline High, Holy Cross Academy, Brookline; Charlton High, Holton High, Danvers; East Bridgewater High, J. M. Morton Jr. High, Fall River; Hanover High, Wachusett Regional High, Holden; Foxhollow School, Lenox; Marblehead High, Medford High, Melrose High Merrimac High, Weeks Junior High, Newton Center; Newton High, Norton High, Plymouth High, Sharon High, Taunton High, Ware High, Bartlett High, Webster; Winthrop High, North High, Worcester.

Survey-

(Continued from Page 1)

"According to the projection of school population the second high school will be required by September, 1960, at which time the present high school plant will have overflowed beyond any economical means of temporary relief. By 1960, there will be nearly 500 high school-age pupils south of the Boston-Worcester turnpike and, by 1970, nearly 1,000.

Similar growth will have occurred in the area between the turnpike and Beacon street. If there should be extensive residential construction in the major open areas still remaining on the south side, the number of high school students to be accommodated will increase accordingly.

"PRELIMINARY estimates of the size of the second high school indicate approximately 1,000 pupils at the time of opening, growing to about 1,400 during the early years of the decade.

"The Oak Hill Playground, which the proposed high school would adjoin, consists of 37 acres, already owned by the city. The Oak Hill Elementary School and the Meadowbrook Junior High School, each upon eight-acre plots, also adjoin the Oak Hill Playground.

Carr Nursery School News

Applications for the Carr Nursery School are still available it was reported at a meeting of the board of directors of the school by Mrs. Edward Mason, chairman of enrollment. The meeting was held at the home of Mrs. Jack Marinsky, 8 Brookdale road, Newtonville, with Mrs. Marinsky presiding. Board members present were Mr. Paul Goldman, treasurer, Mrs. Newton Press, secretary, Mrs. Howard Arbetter, Mrs. Samuel Glass, Mrs. Edward Mason. Two sustaining members of last year's board of directors also attended the meeting, past-president Mrs. Murray Glickman, and past-treasurer William R. Farrell.

A parents meeting to take place the third week in June is now being planned by Mrs. Samuel Glass and Mrs. Newton Press, program chairmen. At that time 16 m.m. color movies will be shown of the children's indoor and outdoor activities. There will be a speaker and refreshments.

For further information interested parents should call Mrs. Mason at DE 2-6513 or Mrs. Marinsky at DE 2-1117. The school is non-profit and its enrollment includes children outside the Carr School district.

Two Local Boys Win In Contest

Two Newton youngsters were among the nine prize winners in the first week of the WHDH Mother's Day letter-writing contest.

They are Robert W. Smith, 1299 Beacon st., Waban, and Danny Diggin, 66 Faxon st., Newton.

Smith was one of the three first prize winners and receives a General Electric Roll-Easy Vacuum Cleaner, and Diggin was one of the three second prize winners and receives a General Electric Three-Way portable radio.

The contest, open to boys and girls from 8 to 18 and conducted for three weeks through Saturday, May 12, is based on the best nine letters written each week on the subject, "Why I would like to give my Mom a General Electric Roll-Easy Vacuum Cleaner."

Entries are to be mailed to Mother's Day Contest, Station WHDH, Boston, Mass.

The prize of a Hammond World Atlas was won by Joel Dorfman, a graduate of the Fessenden School and now a student at Tabor Academy for receiving the highest score in his class in a test made by the Time Life Publishers, Inc. based on news from September 1955 through January 1956.

Newtonite of the Week

LEWIS PAUL SIMONS

This week the Graphic is proud to salute Mrs. Ralph Peters of 19 Edgefield road, Waban. Mrs. Peters has just returned from Washington, D.C. where she represented Massachusetts at the Women's Congress on Housing. This Congress of 100 women was called by the FHA to assist that agency in making revisions of the Federal Housing Act, which was written in 1934 and needed modernization. The government, taking into consideration that a home is a woman's realm, felt that their advice would be very helpful in writing a new and intelligent law.

Mrs. Peters is well qualified to participate in such a meeting. Her 3 year old home in Waban is a product of her own design. After years of apartment dwelling, she knew exactly what she wanted in a house and set about putting these features into her Edgefield road home.

The Peters home is in the split level style. It has a living room, dining room, kitchen and screened porch on the right side as you walk in. One wall of the living room is made of flag stone and contains a fireplace. Up a few steps to the left there is a hall leading to three bedrooms. The house has one and one half baths, a two car garage, and a full basement.

Their house has many money saving features. Since the Peters planned to broadloom all the rooms, they saved money by not putting in hardwood floors. The house is all electric and has base-board radiation.

The Woman's Congress on Housing met for two and one half days. The representatives were split into ten groups according to geographic location. The reason for this was to insure that areas with like problems were together.

The first problem was to design a house with all the features that the group felt were desirable. An architect sat in at each table to help estimate costs and give professional advice when needed.

The house the ladies came up with would sell for $15,000 exclusive of the land. It would contain 3 bedrooms, 1½ baths, a living room, full dining room, utility room, study, two car garage and a full basement. The physical style of the house was considered a matter of personal taste and no rigid standard was set.

After this project was completed the women set about to redesign the model into a more feasible home in cost for a young couple with a growing family to manage. They aimed at a $10,000 figure but the house they finally worked out would cost $12,500 above the land. It should be kept in mind that this house would be part of a new, mass-produced community, and not an individual dwelling to be built in Newton, for example.

The final home had an area of 1350 square feet and would be set on a 75,000 square foot lot. It would have three bedrooms, 1½ baths, a living room with an L shaped dining area, a utility room, a full basement and of course, a kitchen. There would be no garage, plenty of closet space, and an attic which could be used for storage and expansion.

An interesting point that both houses have in common is the utility room. The conference felt the need for a special room in which to do the washing, ironing, etc.

There was considerable discussion about community layout. The women thought that the new development should have curved streets leading to a main road. The curvature of the streets would encourage slow driving and thus make the streets safer. The women also recommended that churches, a shopping area, and primary schools be within walking distance of the home.

Mrs. Peters brought out a problem which we in this part of the country do not have in common with other sections, and that is power failure due to electrical storms. In recognition of this she recommended putting power lines under ground.

The results of this conference should be far reaching. The people who buy homes have expressed themselves for the builders, designers and city planners to hear. Undoubtedly this will cause not only a better FHA law to be written but also more realistic homes to be built.

Mrs. Peters is quite proud of her part in the conference and we are quite proud that she lives in Newton.

Dedication Week To Start With Confirmation

For the first service in their new Sanctuary, and as an important part of their Dedication Week activities. Temple Shalom of Newton will hold a confirmation service on Tuesday evening, May 15 at 8:00 p.m. Eighteen students of the Temple Religious School, all fifteen and sixteen years of age will be confirmed on Shavuot Eve, traditional time in the Jewish calendar for confirmation services. The confirmees will conduct their own services, led by Rabbi Murray I. Rothman. Members of the confirmation class are Joel Adelson, Steven Joel Andelman, Phyliss Dorfman, Leon Elson, Eliot Lawrence Gardner, Myron Maury Gilbert, Nancy R. Kaden, Elaine Toby Kaplan, Anne Morrison, Daniel J. Morrison, Loraine R. Newstadt, Simon Shapiro, Harvey Simons, Henita Judith Simons, Joan Spinner, Judith Carol Sussman, Norman Charles Yanco, Elinor Barry Yudin.

On Shavuot morning, Wednesday, May 14, Children's Dedication Services for the New Temple will be held at 10:30 a.m. Children from the religious school will take part and assist the Rabbi, who will lead an informal type children's service. The participants will be David Bass, Michael Chessman, David Devore, Stephanie Grant, Richard Homonoff, Barbara Indursky, Jane Kaplan, Margery Loewenberg, Arlene Rosemark, and Miriam Shaw. All children who attend the Temple Shalom Religious School and their parents are invited to attend this commemorative service.

Lee Leads Fight to Block Changes in Wiretap Law

Senator Richard H. Lee sparked the fight last week which defeated the proposal to clamp down on the state wiretap laws.

Arguing that "courthouse leaks" that tipped off the underworld of proposed wiretaps would make any liberalization of the law useless, Lee led the fight that downed the bill, 24-15, on a rollcall vote.

The bill would have required the Attorney General and district attorneys to get a prior approval of the court for wiretapping in criminal cases, except in emergencies. This is the third time in three years that such a bill has been beaten or vetoed.

Lee maintained that the Bay State has about the best wiretap law in the nation—if it is not "tampered with. It is a curious thing but courthouse corridors seem to have ears . . . and the very persons who are the object of the tap quickly learn the story."

Twenty-two to Be Confirmed Temple Emanuel

At the Shavuot Service on Wednesday, May 16, twenty-two pupils of the Sunday School of Temple Emanuel of Newton will be confirmed in their faith. Dr. Albert I. Gordon, spiritual leader of the Congregation, will invoke the blessings of the Almighty upon each of these Confirmants.

The Confirmation Service takes place on the Shavuot (Feast of Weeks) Festival because this is, according to Hebrew tradition, the season of the giving of the Ten Commandments at Sinai.

The following pupils will be confirmed: Elinore Borkman, Cynthia Bullock, Judith I. Davidson, Dorothy Feldman, Joyce Freedman, Arlene Freeman, Carol Goodman, Marjorie Jacobs, Vivien Miller, Marcia Rosenberg, Ellen Rothstein, Susan Rothstein, Arlene Sherter, Ruth M. Shriber, Susan Silberberg, Harriet Stetson, Wilma Swett, Deborah J. Waldman, Sandra Weiner, Martha E. Werman, Joan Winetsky, Susan Wolf.

Music School to Note 45th Year

The All Newton Music School will observe its 45th anniversary at its annual benefit which this year will be marked by a night at Pops. On June 4, music-minded Newtonites will head for Symphony Hall for a pleasant evening with Arthur Fiedler and his Boston Pops Orchestra.

Mrs. Constance Cover Wurster, talented pianist and a member of the All Newton Music School faculty, will be soloist. The event is being planned by the Board of Trustees who have contracted for half the floor at Symphony Hall for the June 4 Pops concert.

Proceeds will be used for mortgage reduction, scholarships, and building maintenance. The Music School is a non-profit, Red Feather service which does much to enrich the musical life of the community.

Elizabeth Williams, daughter of Mrs. Dorothy E. Williams, 14 Wedgewood rd., W. Newton was inaugurated secretary of the Class of '58 at Cedar Crest College in Allentown, Pa. Miss Williams, freshman, is taking a home economics course and expects to major in Textiles and Clothing.

Guided Missives . . .

We wonder (kindly) about some of the MDC commissioners who suddenly came up with that six-lane parkway in the middle of nowhere. Well, almost nowhere.

As we read it, they expect that two underpasses bracketing the so-called Brighton Abattoir and a six-lane road connecting them will speed up travel between Boston and Watertown Sq. by 10 minutes.

All right. So the motorist makes it to the square in 15 minutes. After Watertown Sq. what?

We wonder if any of the MDC board have been in Watertown Sq. around suppertime lately? Say, on a rainy night?

From here it looks as if East will meet West at that point, and housewives on the other side of The Great Snarl will be putting pressure on the Harried Husbands to sell the car and move back into Boston. And then where will we be?

No, we say leave well enough alone. Let those who will fight the Battle of Watertown without speeding hundreds of innocent commuters to their doom in what will most certainly be The Great Crush.

WINGED VICTORY: The headline said: Wife Hit Him With Pheasant, Man Divorced. In other words, to be hit by a pheasant is not very pleasant.

* * * *

58 IN '56: We see that Adlai Stevenson got 58 Republican write-in votes in the preferential section of last week's primary election. That's more than Ike got on the Democratic side.

A friend of ours suggests that this may mean the Democrats are trying to take over the Republican Party in Newton. But we refuse to accept that, even in a year that has seen January in April and women going without new Easter hats.

BANK HOLIDAY: Hearing about the fellow who forgot to change to daylight saving until he'd missed two Monday morning appointments, reminded us of how hard it is for most people to get around to changing the clock, despite the flood of cute warnings in all the newspapers of our fair land.

That applies to ordinary folk. But professional people, and other with centrally-controlled clocks, lose that precious hour Saturday night . . . if they happen to be in the office. About 6:46 p.m., E.S.T.

We always thought that was early until we got talking to an unnamed individual from the Newton National Bank last Friday.

"Well, we just got through switching the clocks ahead, and we took off an hour early," she told us. We remained rooted to the spot for minutes afterwards, horrified at this tampering with Father Time and the Wages and Hour Law.

LOOK: If you haven't seen Weegee's colored distorted character studies of George Gobel, Arthur Godfrey, Jack Benny, Red Skelton and others in the current Look magazine, then have a look.

It's impossible to describe just what Weegee has done, with the assistance of a color expert, but we'll bet you won't look without laughing. And if your risibility is real good, you may even guffaw.

FAIR EXCHANGE: We were talking to David Sachar, the Newton High senior who won one of the National Merit Scholarships, about the high school exchange programs:

"They talk a great deal about the educational value of getting to know your own city better or getting to see new industrial plants under this program but I think that side of it is about nil.

"For me, I found on my trip to Wilmington, Dela., last year that I got the most from getting the atmosphere of a different city . . . a different way of life.

"I got to know another family a bit firsthand. I mean I saw them react in their own way to things I experienced in my own home . . . Same with the students and their reactions in general . . . They had a different background. They did somethings differently. That was educational, I thought.

"And I don't think I'll ever forget the thrill of being on my own, so to speak, in a different environment. It's stimulating to think you are handling all your affairs alone with your new friends."

Which reminds us that David Horvitz, the other scholarship winner from N.H.S., and David Sachar are two of the most modest scholars—and scholars they are—we've met in some time. Eagerness for learning is their most notable quality . . . a tribute to their school, their parents and to themselves.

Osteopathic Group Rummage Sale on May 17

The Newton Auxiliary of the Women's Association of the Massachusetts Osteopathic Hospital is to have a Rummage Sale for the benefit of the hospital at 1271 Washington street, West Newton, Thursday, May 17 opening at 10 a.m.

Working on this project will be Mrs. Clifford Mooney, Mrs. Ronald Mertens, Mrs. Walter Keene, Mrs. H. Cecil Stockdale, Dr. Mildred E. Greene, all of the Newtons; and Mrs. Clarence Holmes of Needham, Mrs. William Howard of Waltham; and Mrs. Floyd Moore and Mrs. Rupert Kendall of Brookline and Boston.

Fashion Show To Be Held

The Newton Junior Community Club is presenting its annual Fashion Show with a touch of international flavor "Carnivale di Caprice" Wednesday, May 23, 1956 at 8:15 p.m. at the Newton Y.M.C.A. Members of the club will model top fashions. Tickets will be available at the door.

Driver Fined $30 on 3 Charges

Fines totaling $30 were imposed on a truck driver on three complaints by Judge Donald E. Mayberry in the Newton District Court last week.

John J. Connelly, 25, of 237 Cambridge street, Cambridge, was fined $10 for operating without a license, $10 for operating without a registration, and $10 for operating without headlights.

Dahlias Becoming More Popular

Dahlias are becoming more popular with gardeners and exhibitors every year. But since most dahlia exhibitors are amateurs, the varieties grown by both groups are generally the same.

The list of the six considered among the best for the garden, however, would start with Mrs. Hester Pape, a large and informal decorative dark red. Another is lavender and white Jane Lausche, a semi-cactus bicolor, with large blooms. Five Star General is a large formal type in a light blend of pink with yellow. Maffie, a large semi-cactus, is a leader among the reds.

New Citizens

Mr. and Mrs. John F. McGaffigan (Anne M. Donnelly) of Newton announce the birth of their first child, a daughter, Donna Anne McGaffigan, April 18 at Newton-Wellesley Hospital. Grandparents are Mrs. John W. Donnelly of Scituate and Mrs. John J. McGaffigan of Cambridge.

A third son, Robert Mark, has been born to Mr. and Mrs. Sumner Magnet (Charlotte Levin) of Newton Centre April 17 at the Beth Israel Hospital. Grandparents are Mr. and Mrs. Ben Levin of Mattapan and Mrs. Isabella Magnet of Brookline.

The birth of their second daughter, Maura Beth, on April 20 has been announced by Mr. and Mrs. Eli Fleishman (Rosalyn D. Glazer) of Newton. Grandparents are Mr. and Mrs. Abraham Glazer of Chestnut Hill and Mrs. Anna Fleishman of Dorchester.

-- Bits From Bigelow --

Bits From Bigelow is a club in Bigelow Jr. High School. The purpose of this club is to write and contribute articles to some of the local newspapers, which are the Newton edition of the Waltham News Tribune, and the Newton Graphic. We meet on Thursday morning activity period and discuss news articles which can be written. Our advisors name is Mrs. Brush and she is a Home Economics teacher. If you have written four or more articles you receive credit toward your Bigelow "B". The members of this club are Janet Aronow, Marjorie York, Eve Epstein, Ellen Cerf, Stephen Joyce, Susan Rice, Elcha Shain, Peggy Rosenbaum, Doris Axelrod, Ellen Shafran, Carol Wenstrom, Carol Levi, Jacquelyn Zebal, Brenda Greenfield and Renee Brezniak.

PARIS IN THE SPRING

The last eighth grade dance of 1956 was held on Friday, April 27, from 7:30 to 10:00 p.m. The master and mistresses of ceremonies were Mark Brenner, Marcia Epstein and Carol Gould. The eighth grade boys and girls present found the many dances enjoyable. Refreshments were served during the middle of the evening. A variety of songs were played, and we were entertained by a spectacular tap dance by Christine Lansed. The chaperones were Mr. and Mrs. Lansed, Mr. and Mrs. Brenner, Mr. and Mrs. Wilson, and Mr. and Mrs. Hayes. Mrs. Brush, 8th grade Home Economics teacher, came to the dance with her husband, and Mr. Willoughby, 8th grade Math. and Science teacher, came with his wife. I'm sure the evening was enjoyed by all, and will long be remembered by all who were there.

BOWLING

Monday, April 9, the eighth grade of the Bigelow Junior High School started their bowling season. Miss Mitchell, our gym teacher, is in charge of after-school sports for the 7th, 8th and 9th grades. At approximately 2:30, the group met and we all walked to the Newton Corner Bowladrome, where we had loads of fun. We also had special rates because we were a school group.

THE EDUCATIONAL GUIDANCE UNIT

Educational Guidance, an activity not covered by many schools in the eighth grade, is greatly beneficial. This program was organized by the 8th grade English, Social Studies teachers. Through this program, we had an opportunity to study our ambitions, and investigate institutions of academic, professional, technical and vocational training of our choice. If you had a definite ambition there was another thing from which you could benefit. We had an opportunity to interview people in different fields, and reported some of our findings to the class. On the whole, the unit was of great value, and most of us gained a better understanding of our future possibilities from it.

Nine Teen-Agers Assist Handicapped Children Here

Newton's handicapped children are getting a big assist from "teen-age brothers and sisters."

AN INTIMATE, in-the-home interest in these youngstres by nine high school students is making life interesting for these youngsters and easier for the parents.

Said the mother of one handicapped boy recently:

"This is literally a godsend. Just to have someone older drop in to see him would be enough. But the best part of this is that he is actually learning something from a friend.

"Yes, our 'visitor', as we called him at first, is a friend. And our youngster feels it. That's all to the good, let me tell you."

THE PROGRAM, if it falls under such a formal designation, is sponsored by the Senior High Council of the Junior Red Cross.

Through this plan the nine youngsters are paying regular, after-school visits to their "proteges." And their activities have developed along the lines of interest of the handicapped child.

Sandra Cutler of West Newton, helps an 11-year-old girl with penmanship, plays games and talks with her. David Schell of West Newton and George Schneider brought their protege a paint set, and Janet Kaplan of West Newton sews with her friend. She also helps the child with her stamp collection.

The students' future plans tie in with their projects. One member of the group, Louise Farnham of Waban, plans to work with children, either in teaching or social work, and does volunteer work at Newton-Wellesley Hospital. Judy Hyde of West Newton would also like to be a social worker or a teacher, and Merle Steinmetz of Newton Centre, who wants to be a nurse, will work at the Pomroy House this summer.

Evelyn Barthelmes of Newton is interested in nursery work and Carolyn Kingsbury wants to help in the children's ward at Newton-Wellesley Hospital.

Ruth Maynard, special education counselor in Newton Public Schools, has endorsed the program. Other junior Red Cross projects directed by Joseph Kaplan include preparing Thanksgiving Fun Books of games, puzzles and short stories for the new England Home for Crippled Children.

Juke Box Interest Lands Boy in Jail

A Maine boy's interest in local juke boxes led to his arrest last week on two police charges here.

The boy, whose name was not disclosed, was charged with taking $3.55 and six packages of cigarettes from the Modern Dairy Bar on Watertown street, Newton. He was held in $2500 bail imposed by Judge Donald F. Mayberry in a juvenile court session.

Mike Napolitano of 169 Linwood avenue, Newtonville, the owner, said he noticed a juke box out of place when he dropped by at 4 a.m. He reported this to police immediately and the boy was seized with an assortment of burglary tools on him, police said.

Garden of Everlastings Yields All-Year Beauty

Pleasing arrangements of everlasting flowers, for garden effect and cut flower production.

Everlasting flowers, which were favorites in grandmother's day, are returning to popularity. These are the blossoms so often seen in florist's windows in the autumn, arranged in bouquets of dazzling colors, for decorating the home during winter.

Although they are natural flowers, with beauty and delicacy of form which no artificial flower could equal, their beauty is unfading; and in a vase or bowl they will retain form and color as long as though they were artificial.

There are many varieties which have the ability to retain form and color when dried. This is a special quality, since the petals of most flowers turn brown and drop off as they age. Everlastings thus give two displays, one in the garden, where they are as beautiful as other flowers, and a second one in the home, where they last indefinitely.

Groups or small gardens of everlastings thus give double service, and will always attract special interest from garden visitors, who will welcome bouquets of these long lasting beauties.

The five varieties used in the garden which is illustrated, are among the finest everlastings. Helichrysum, sometimes called the straw flower, is the most popular, being a close cousin of the French immortelle. The plants grow vigorously, sometimes four feet tall, and the flowers will average two inches in diameter, under good culture. Colors include red, rose, salmon, gold and violet.

Gilia flowers are thimble shaped, one inch across, of lavender blue. Statice sinuata flowers are small, arranged along branching stems, in blue, white, rose and lavender. Gomphrena flowers resemble clover heads or strawberries in shape, up to an inch in diameter. The colors are chiefly in tones of red and orange. Acroclinium flowers are daisy-like, averaging an inch in diameter, in pastel colors which include chamois, flesh pink and bright rose as well as white.

To dry everlasting flowers they should be cut before the centers open and hung up with blossoms down to dry in a dark closet. The foliage is stripped; and the flowers are not used in the room until cool weather comes, and the house heated. In an unheated house the stems may absorb water and become limp.

Keep Arborvitae Clear of Weeds

One of the favorite members of the evergreen family used for foundation planting is the arborvitae, a low, bushy tree that comes in a large variety of shades and colors.

Arborvitae globosa, one of the most common, is a low, dome-shaped plant that is frequently used to accent the sides of doorways or garden steps. Hedge arborvitae is a low growing, dense plant. It is a rich green in color, with fine foliage texture.

Arborvitae, or Thuja, grows best in a cool, moist region. It adapts itself well to ordinary garden soil, and should be kept clear of weeds when young. To help conserve moisture, use a mulch of leaves or strawy manure.

Child Learns to Garden By Working With You

Teach children the simple gardening skills by your example.

Children love gardens; and the lessons they learn, from sowing seeds, and watching plants grow, are not easily taught by class-room instruction. But to urge a child to make a garden of his own often results in disappointment.

It's a good deal to expect, for a child to assume the responsibility of regular care for a garden, when there are so many tempting pastimes beckoning him elsewhere. But if you introduce him to the garden as your helper, teaching the simple skills required by your example, explaining the reasons for what you do, and letting him share your pride of accomplishment, you are likely to have an eager and responsive pupil.

Few children can be interested in a child's garden, but most of them will be delighted to help grow the family garden. It is important that their introduction to this pastime shall not be tedious or involve monotonous tasks which may cause gardening to be associated in their minds thereafter with unpleasant work. Children work willingly when there is a reward to be won. The first lessons should be directed to teaching garden techniques, and letting the pupil see how they are rewarded by vegetables and flowers.

In due time, the average child so taught will want a garden of his own. Some may show small interest until they have established their own homes, when they will prove that the lessons which they learned in childhood sank deep, and will never be forgotten.

One of the difficult tasks of educators is to teach city children what the world is really like; to make them understand nature, with which they have small contact. Gardening is an effective means of providing this basic understanding.

Milky Disease Powder Key To Ending Jap Beetle Pest

Every home owner recognizes the Japanese beetle as one of the worst problems for home lawns and gardens. Fortunately there is a way to help rid lawns, flowers, trees and shrubs of this pest.

It is a milky disease spore powder called Doom, requiring only one teaspoonful dropped on lawn grass every four feet apart. Doom works into the soil by itself and infects the many Japanese beetle grubs. Only ¼ pound is required for each 1,000 square feet of lawn or meadow area.

There is no immediate kill of grubs from Doom milky disease spores. It requires several years for the material to spread through many colonies of Jap beetle groups, but ultimately vast armies of these devastating grubs are wiped out.

A militant movement towards the eradication of Japanese beetles and their grubs has been under way for two years by the Federated Garden Clubs of Massachusetts. With Mrs. Earl Bourne, president of the Federation, pressing this battle with the beetles, it is natural to find all the garden clubs and members cooperating to the fullest extent. Not only do member home owners treat their own lawns, but by sale of the powder to friends and neighbors they spread the treatment throughout town and city.

It is gratifying to note that this milky disease spore dust is not in any way harmful to people, pets or birds.

Where instant immunity to Japanese beetle grubs is desired, the use of Chlordane and D.D.T. or Dieldrin is recommended.

Joe Cronin Speaker At Holy Name Affair

The Holy Name Society Men's Club of Sacred Heart Parish, Newton Centre, will sponsor a Father - Son Communion breakfast, this Sunday after the 8 a.m. mass in the school auditorium.

John D. Maloy, program director for station WEEI will introduce the guest speaker, Joseph E. Cronin, general manager of the Red Sox.

Dr. William J. Egan is chairman and toastmaster of the event. For reservations, contact George V. Burke. All fathers and sons in the parish are invited.

Appearing in a recital to be given by the Opera Class of the Boston Conservatory of Music on May 12 will be Michael Cirelli of Newton.

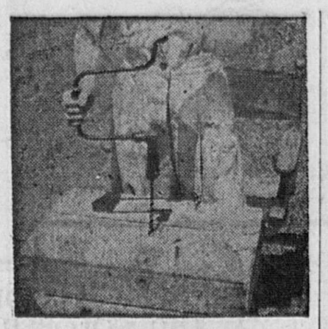
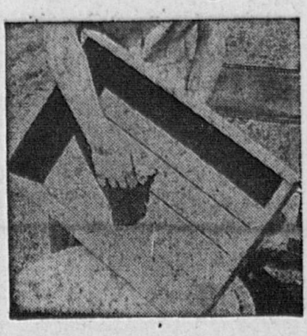
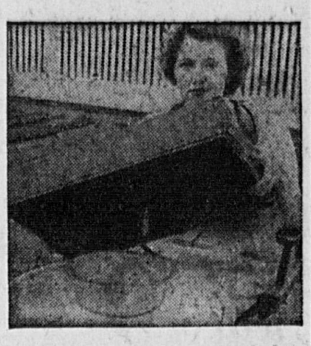
How to Make a Seed-box With Automatic Watering



Bore a hole in the bottom of seed flat.



Insert a piece of clothes line.



Wick lifts water from pan below to soil above.

When seeds are started in a seedbox, either indoors or out, an abundant and continuous supply of water is vital to their progress. This has been demonstrated by several years of scientific research.

Methods of insuring an optimum water supply have been worked out which are now widely used in commercial greenhouses throughout the country.

For amateur gardeners, several methods of automatic watering have been tested, and Dr. Kenneth Post, of Cornell University, who took a prominent part in the research in this field, says the best is wick-watering, by which moisture is supplied the soil in the seedbox from a pan below, lifted by a wick, just as oil is fed to a lamp.

This may be used indoors or outdoors, if the seed box is provided with drainage, which will prevent flooding in a rain. A wick-watered box is easily prepared as the illustrations show. First, a hole is bored in the bottom of the box. Through this hole a wick eight inches long is drawn. The top of the wick is frayed and imbedded in the soil which fills the box; the bottom drops into a pan below. As long as there is water in the pan, the soil will keep moist, and your seeding plants will not suffer from lack of it.

If a large pan is used, enough water for several days may be supplied at one time, allowing you to go away from home, even duruing the critical period of infancy when, with other methods of watering, daily inspection would be necessary.

The best material for a wick is fibre glass, which is sold for the purpose, and which will last for years. A piece of new clothes line will also serve for the few weeks necessary to bring up plants, but if used too long it will disintegrate. The degree of moisture maintained in the soil of the box may be controlled to some extent by varying the height of the box above the pan, but be careful not to get the box so high that the wick ceases to operate.

MISS FRANCES WITTY, a student in the seventh grade at the Weeks Junior High School, won first place at the Science Fair held at that school last week. Her project was Silvering Glass. (Photo by Gordon R. Wilk)

Week's Junior H. S. Science Fair Very Successful

Week's Junior High School has just completed a very successful Science Fair. This year's presentation saw experiments with crystalography, radio, digestion, guided missles, and a host of others.

Science Fairs have come into wide use only recently, as a result of an awareness on the part of educators to the real need in interesting a larger part of our youth in fields of scientific endeavor. An exhibit presented by a youngster may be developed from class work, may be the result of a hobby, but usually represents a great deal of time and effort.

One hundred eleven children presented a science exhibit this year. All were on display in the gymnasium where they were judged, viewed by all pupils at Weeks in the afternoon, then by parents in the evening. The final phase of the program was the presentation of awards to winners in the auditorium.

The award winners were as follows:

Grade Seven — First Place: Ichthyology, Jack Watts; Inside Your Radio, David DeWan; Guided Missles, Ev Milott; Silvering Glass, Frances Witty.

Second Place: Digestion, Ricky Kaufman; Dinosaurs, Richard Finnegan; Let There Be Light, Mary McClelland; The Teeth, Howard Brower.

Third Place: Pasteurizing Milk, Ellen Bloom, Linda Sugarman, Sue Glickman; Effects of Alcohol, Sue Lappen, Diane Barrabee; Rats Have a Memory, Ann Grifman, Gretchen Robbins, Selma Cohen; Motion Stopping Strobo, Richard Geist.

Grade Eight — First Place: Crystalography, John Shaner; Evolution of Dogs, Diane Lees; Horses, Judy Manning, Marsha Steinberg; Making of Para and Ortho, Carol Freeman.

Second Place — Construction of Frame House, Robert Frank; Human Eye, Rae Copen, Debby Feinberg; Micro-projector, Geoffrey Brewer; The Moon, Maurice Handel, Bruce Kauffman.

Third Place: Growing Crystals, Arthur Buddington; Reptiles and Amphibians, Ken McDonald; Volcanoes, Robert Wolf, Claire Browne; Burglar Alarm, Perry Holt.

Grade Nine — First Place: Colored Chick, X-Rays, Kjell Enje, Fred Roisen; Repulsion Coil, Gerry Rogell; Automobile Transmission, Edward Bayard.

Second Place: Duo Decimal System, Louis Shapiro; The Ear, C. Gagen, N. Doherty; Mendelian Law, Jane Gilburn; Sound, Ed Polen, Kenny Novak, Bob Stearns.

Third Place: Glaze Tests, Andy Wragg; Changing Steam to Power, Barry Bernstein; Transmitting, Receiving Electrical Energy, Richard Smith.

Last Open House of Season to Be held at Jackson Homestead

For the last Open House of the season, Sunday afternoon, May 13, the gardens of the Jackson Homestead at 527 Washington St., Newton will be in full bloom and will vie for interest with the collection of old dolls on view inside. Planted with old-fashioned posies in keeping with those popular at the time the Homestead was built nearly 150 years ago, the gardens have been nurtured under the expert care of Mrs. Howard C. Thomas and her committee, and will add a note of long awaited spring color to the occasion.

THE HOUSE will bloom both inside and out, with interior floral designs by Mrs. Ralph E. Keyes, whose arrangement shave been enjoyed at previous Open Houses this year.

From 3 to 5 the public will be welcomed by Miss Adelaide B. Ball, Chairman of Open Houses, Chairman of the Trustees Fred C. Alexander and Mrs. Alexander, Donald D. McKay, President of the Friends of the Jackson Homestead and Mrs. McKay, and the following hostesses: Mrs. Newell J. Trask, Mrs. Orin E. Skinner, Mrs. Riley J. Hampton, Mrs. Eugenia T. Copeland, Miss Florence C. Bacon.

Junior Hostesses Carol McLellan and Betty Brinson, Girl Scouts, will doff their uniforms to don quaint old-fashioned costumes, assisted by Mrs. Paul A. Chandler and Mrs. Harold A. Carnes, who have charge of the Homestead's growing collection of period gowns.

FASHION NOTES of long ago may also be gleaned from the collection of dolls, dolls' clothes and accessories, loaned by Mrs. George F. Brewer. A delicate French Bisque fashion doll, circa 1870, displays an elegant bustle back gown and cloisonne jewelry; another, a beaded snood and polonnaise skirt. Fashionable arrangements of pleats, laces and tucks adorn the garments worn by other exquisite French and German bisque misses. A picturesque "character" doll displays a tray of miniature notions. Also of interest are several artists' drawing dolls, jointed so that they may be posed in different positions, a series of doll-house dolls dating from 1860 and to 1950 and millinoers models of 1840 and 1900. Some of the guests will recognize the "pennie dolls" and "frozen charlottes" of their childhood days in this comprehensive collection. This is the last of a series of exhibits arranged for the year by Mrs. Alexander I. Peckham.

Mrs. Richard G. Ostrander, 41 Everett st., Newton Centre, has arrived in Europe en route to Paris via Trans World Airlines Constellation.

THE BEAUTIFUL NEW DELL COCKTAIL LOUNGE, operated by the Dell Restaurant at Newtonville Square, opened its doors last week and brought forth high praise and comment for its excellent decor and delightful atmosphere. The interior is finished in Japanese wood stained a deep mahogany and the lighting effects are warm and attractive. The proprietor, genial John Tsiumis cordially invites all Newton residents to inspect Newton's finest and most beautiful cocktail lounge. (Photo by Gordon R. Wilk)

Kindergartens Opening Doors for Parents' Preview of Fall

Newton kindergartens are opening their doors this month and next for registration and sneak previews of what the new pupil (and his parent) can expect of the real thing next Fall.

PARENTS are given the chance to provide birth and vaccine certificates at least and to do what they've all been looking forward to — meeting the teacher.

Through the teacher, principal and school nurse the mother has the chance to learn all she wants about the health and adjustment problems — and think it over during the Summer.

To be admitted the child must have been born on or before Jan. 1, 1952.

Here is a list of schools, times and requirements:

Burr School (Auburndale): Tuesday, May 15, 1:15 to 3:15 p.m. Bring data on polio and other inoculations.

Beethoven School (Waban): Tuesday, May 15, 1:30 to 3:30 p.m. Proof of immunization against diphtheria.

Murray Road School (Auburndale): Tuesday, May 22, 1:15 to 3:15 p.m. Polio and other inoculations.

Countryside School (Highlands): May 15 and 22, 1:30 to 3:30 p.m. Diphtheria immunization proof; date of polio shots, if any.

Claflin School (Newtonville): May 22, 1:30 and 3:30 p.m.

Pierce School (West Newton): May 29 and June 5, 1:30 to 3:30 p.m. All immunization data.

High School Activities

As a tribute to their outstanding qualities of scholarship, leadership, character, and service, 116 new members were officially admitted to the National Honor Society, on Wednesday, May 2nd. These 116 comprise not more than 5% of the present junior class and not more than 15% of the present senior enrollment. Numerically, 77 seniors and 39 juniors have been added to the 41 seniors inducted as juniors last year, bringing the total membership to 157.

Congratulations to Miss Twiss on the publication of her revolutionary book, "Arithmetic for Business and Everyday Use." The book has already been acclaimed by authorities, and will replace the old business math book which resembled the congressional records.

"Greek isn't very easy," says Barbara Whiting who was just chosen to represent N.H.S. in the American Field Service program for 1956. Barbara, who will spend the summer in Greece will be speaking Greek despite Greek "not being easy." Barbara was chosen from the class of '57 and said when she learned of her good fortune, "I was so excited that I forgot my phone number when I went to call home."

On May 2nd, Newton High's A Cappella choir joined forces with the community choruses and orchestras of Newton and Wellesley for a presentation of "Brahms Requiem" at the Totem Pole. This was the first time that the high school choir has been invited to sing with community choruses and was, according to Mr. Merrit, chorus director at Newton High, "one of the most difficult projects yet undertaken at Newton High."

Karla Feinzig, who has played in many of the Newton High dramatic productions recently played the lead role of Grizel, the miller's daughter, in the Boston Children's Theatre production of Rumplestiltskin.

The following is a segment of a burlesque article appearing in issue 13 of "The Newtonite" as a reminder to students who might be tempted to exceed the carefully enforced speed laws on the campus.

Place: Elm Road along the boy's athletic field.

Time: Weekdays from 8:00 a.m. to 8:15 a.m. and 2:30 p.m. to 3:00 p.m.

"This area at the mentioned times is of extreme danger to both pedestrians and automobile drivers. Do not approach this vicinity unless absolutely necessary. This is a testing ground for hot-rods. Anyone who penetrates this district can get **Killed!**"

The art work of several Newton students will be featured in an international art exhibit in Europe. The paintings each emphasize a typical situation in American life and were created by Bonnie Bean, Bill Booth, Bob Troie, Bob Higgins, Estelle Shuman, Suzanne Thierry, Richard Gerris, Sona Karakashian, Pat Gordon and Virginia Gleim.

Twenty-two Newton High students now have "brothers or sisters" from 12 different foreign countries as a result of the International Friendship Weekend in Newton on April 6, 7, and 8. The foreign students who are in the U. S. on the American Field Service plan, and attending school in other Boston suburbs, went with their hosts and hostesses sightseeing, picnicing, and dancing. Comments like, "How could we ever think that we hated the Germans and Japanese," and "He's a regular guy," make projects like this really worthwhile.

Congratulations again to all those associated with Newton's entry in the 1956 Drama Festival, "The Corn Is Green. The cast, producers and directors have brought the production to two more victories. The first, won at John Hancock Hall (Massachusetts Drama Festival) brought the play to Concord, N. H., where it again won a superior rating in the New England Drama Festival.

The Newton High School Exchange came to its climax during the recent vacation when the exchanges went to Wisconsin and Ottawa, respectively. Highlights of the trips included a bratwurst (similar to pork sausage) fry, Niagara Falls and inter-exchange softball games. (Newton defeated Wisconsin 22-16!)

The material for this column was written by the staff members of the "Newtonite," the Newton High School paper and was edited by Judy Francis.

Rev. Friel To Lecture Here Next Monday

Next Monday, May 14, Reverend George Q. Friel, O.P., ST.Lr., Ph.D., will lecture on "The Destiny of Theology" at Newton College of the Sacred Heart.

Father Friel was graduated from St. Thomas College, River Forest, and received his M.A. at Catholic University of America. He received the ST.Lr. degree in Theology from the Pontifical Institute of the Immaculate Conception, Washington, D.C., and his Ph.D. from Catholic University of America.

Father Friel has taught at De Paul University, Chicago, Siena Heights College, in Adrian, Michigan, and Providence College in Rhode Island. He is an Associate Professor of Theology at Newton College of the Sacred Heart.

filene's

high school seniors!
high school graduates!

Do you like to work with people? sell? buy? type? decorate? paint? keep books? work with figures? with your hands? or your head?

we're looking for help!

filene's has openings at the main store and its seven branches . . . openings that we want filled by you!

Maybe you'd like to sell . . . we need salespeople. Or maybe you want to work behind the scenes with buyers, doing clerical work, keeping count of stock. If you're handy with tools, like to work with your hands, we want you in our operations division . . . helping to keep our stores shining clean and in good repair.

Or maybe you prefer working with figures, making bill adjustments, sending out bills, typing, reading reports and the story they tell.

but whatever it is you like to do, filene's is likely to have that kind of job for YOU!

Perhaps you're Sally who plans to be married and doesn't want to work for more than a year. We have work for you!

But perhaps you're Bill, who either can't or doesn't want to continue school. We have a wide variety of training courses leading to a fine future, a chance to get ahead. We have on the job training and work for pay at the same time!

You know, filene's is the world's largest specialty store. And within our walls there are 700 different KINDS of jobs . . . jobs filled by 4,000 people. Yet we need more. We seem to grow in leaps and bounds . . . our branch stores are always bursting at the seams with progress and we're now planning two other stores in large shopping centres on Boston's North and South shores. So, you see, we are growing and we need help. Especially as our people are promoted, new vacancies appear. (We believe in promoting from within. You show us what you can do, and we'll see you have the chance to do it!)

Perhaps you haven't done too much thinking about what you want to do come June and graduation. Or you're dissatisfied with the job you now have but aren't really certain what you do want. That's all right. Our personnel office wants to see you, to talk with you, to tell you about the many jobs we have . . . jobs we want filled by you. It's friendly interviewing and you may learn a lot about yourself . . . about abilities you didn't even know you had!

Come in and talk with
our personnel representative in filene's Wellesley or Needham Service Bldg.

We're interviewing for jobs in filene's Boston, Chestnut Hill, Wellesley, Winchester, Belmont stores, and Needham Service Bldg.

MR. and MRS. JOHN BROWN

MISS ESTELLE JANE PAIGE AND MR. JOHN BROWN WED

Mr. and Mrs. Forrest Freese Paige of 1370 Walnut Street, Newton Highlands announce the recent marriage of their daughter, Miss Estelle Jane Paige to Mr. John Leland Brown, son of Mr. and Mrs. Yale H. Brown of Monson, Mass., at Second Church in West Newton.

For her wedding the bride wore a long sleeved cream white taffeta gown of classic simplicity. The long fitted bodice was entranced by a mandarin type neckline set off with self bow. The bouffant skirt fell into a circular chapel train. Her silk illusion fingertip veil was attached to a poke bonnet edged with Alencon lace.

Miss Polly Monroe of Newton Lower Falls served as Maid of Honor, and Matron of Honor was Mrs. Peter Lewis of Monson. Bridesmaids were Miss Beverly Maguson of Melrose and Miss Marcia Tobin of Norwood. The attendants were dressed alike in nile green taffeta ballerina dresses styled in a princess line with scoop neckline and short sleeves. Their white rough straw picture hats were finished with flowers and long ribbon streamers in matching nile green.

Mr. Peter Lewis served as best man, and the ushers were: Mr. Herbert Brown of Manchester, Conn.; Mr. Wesley Furbush of West Newton; Mr. Howard Denton of Newton Centre; and Mr. Gus Craddock of Norwood.

The brides's mother wore a gown of ceil blue peau de soie and re-embroidered lace over nylon net and taffeta with accesories to match. Mr. Brown's mother wore mauve organza over taffeta with rose accessories.

Miss Paige received her Bachelor of Arts degree at Cornell University where she was elected to Kappa Delta Epsilon and Pi Lambda Theta, both honorary sororities in Education. Mr. Brown received his Bachelor of Arts degree at the University of Massachusetts; his Master of Arts degree at the University of Vermont; and is a candidate for his Ph.D. at Columbia University. He served four years with the Navy Medical Corps, and the Fleet Marine Corps in the Pacific in World War II.

Both Miss Paige and Mr. Brown are teachers of English at Tantasqua Regional High School in Sturbridge, and will make their home in Sturbridge.

At the meeting Mrs. Walter C. Tong, the outgoing president, was presented with a gift of cash to be used for her work in Formosa, where she and her family are going in August to serve on a relief program under Church World Service.

Federation of Women's Clubs To Hold Meeting

The Annual Meeting of the Newton Federation of Women's Clubs will be held at the Newtonville Methodist Church on May 14, 1956 at 1 p.m. Luncheon will be served by Mrs. C. E. Thyng and her committee.

Music will be furnished by the Newtones—a woman's chorus — directed by Erdine T. Oedel and accompanied by Marjorie Schoonmaker. Our program will be a day with the Newton Visiting Nurse Association. Members are requested to bring their donations to the Recreation Department's Project to this meeting.

With a delightful luncheon, good music and a most unusual program, this meeting promises to be interesting and instructive, and the President, Mrs. Dorothy Waite urges all members to attend.

For Luncheon reservations call Mrs. Waite LA 7-7995; or Mary Miller BI 4-6845 by Friday, May 11. Tickets $1.50.

Art Association Final Meeting

The Newton Art Association will hold its final meeting of the year at the Hotel Beaconsfield, Brookline tonight at 6:30 o'clock. The program will include the annual dinner, reports from the chairmen of the various committees, and the election of officers for the coming year. The hospitality committee, under the chairmanship of M. Katherine Holgate, has planned a full program of entertainment, and President Carl M. Stiles will introduce the recipient of the annual scholarship award given to a graduating high school student.

Throughout the year the Newton Art Association has had a variety of excellent meetings, including painting demonstrations and lectures by outstanding personalities. These programs have been arranged by chairman Jams K. Bonnar and members of his program committee. The last meeting was no exception, as the guest artist was Peter Pezatti, celebrated painter of portraits and teacher of art, who lectured and gave a criticism of members' paintings.

Service Notes

Navy Ens. Rodgers C. Close, son of Mr. and Mrs. Hugh Close of 26 Aberdeen st., Newton Highlands, Mass. has made his first solo flight at Milton, Florida.

Before leaving the Whiting Field Naval Auxiliary Air Station, Milton, Fla., for more advanced training, he will receive instruction in precision air work along with his regular solo flights.

He attended Tufts College before entering the service.

Plays A Leading Role In Tufts Production

W. Howard Pollard, 65 Grasmere st., will play one of the leading roles in the Tufts Community Players production of Christopher Fry's "The Lady's Not for Burning."

The play will be staged at the Tufts University Arena Theater, Medford, May 11, 12, 17, 18, 19, June 8 and 9 at 8:30 p.m.

Mr. Pollard, a graduate of Tufts University appeared in a number of plays at the university during his undergraduate days, notably "The Inspector General," "Twelfth Night," and "The Flies." He also worked as stage manager and as a lighting technician at the Tufts Arena Theater.

Oak Hill PTA Annual Meeting

On Tuesday evening, May 15, 1956, the Oak Hill School PTA will hold its annual meeting. The theme for the evening is "The Children's Hour." The school orchestra, under the direction of Mr. A. D. Parker, will present a group of musical selections to be followed by Mrs. Howard's fourth grade choral group and Miss Ford's fifth grade dance group.

Election of officers will be held and the new slate of officers will be introduced.

To enable the youthful performers to return home at a reasonable hour, the meeting, which will be held in the auditorium of the new Meadowbrook Junior High School, has been called for 7:15 p.m.

Refreshments will be served by the ever gracious hospitality committee.

If you're saving for your family's future...

Where you save does make a difference
Saving now makes a difference to your family's future. There's a difference where you save, too. Saving in an insured Savings and Loan Association means important advantages. Excellent returns from your money is one advantage.
Another is efficient service from men who know how to make your dollars work harder for you.
Your money is safe because in insured Associations your savings are protected by sound management and substantial reserves. They are insured up to $10,000 by the FSLIC—an agency of the U. S. Government.
These are the reasons why Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else!

Archery Program For Young People

A nation-wide archery tournament is being held in cooperation with the TV production, "The Adventures of Robin Hood," and the 135 TV stations, coast-to-coast, which will telecast this production. Its purpose is to present archery at its best to young people, instilling respect for the bow and arrow, stressing safety, through those who are best qualified to do it—the archers of the United States.

This is more than just a tournament; it is a complete archery program for boys and girls up to fifteen years of age. Robin Hood Seniors (age 12-15), and Robin Hood Juniors (age 11 and under) are the contest classifications. The program will consist of an archery demonstration, three instruction classes, and a tournament. The Newton Centre Playground, home field of The Newton Archers, will be the location for these events locally.

The following are the dates for the program: Robin Hood Archery Demonstration, Saturday, May 12, at 2:00 o'clock in the afternoon. The first instruction period will follow the demonstration. On Saturdays, May 19 and May 26, at 2:00 in the afternoon, there will be instruction classes. The Robin Hood Tournament will be held on Wednesday, May 30, Memorial Day, at 2:30 P.M., on the large field of the Newton Centre Playground.

Prizes, local and national, will be given to the winners. Even more important is that it will give young people an opportunity to learn more about the exciting sport of archery — to learn safety and tournament rules and to receive instruction.

There is no entry or instruction charge. Boys and girls who wish to enter the contest must have the proper equipment to receive instruction. Each contestant should have a bow, six arrows, armguard and finger-tab or shooting glove. The entry blanks will be given out on May 12 at 2:00 P.M., at the Newton Centre Playground.

Dr. Robert F. Oxnam, president of The Newton Archers, is Area Director for the state of Massachusetts. Mr. Victor Lemay is the local manager. Any boy or girl wishing additional information about the contest please call Mrs. Robert F. Oxnam, secretary of The Newton Archers, at DEcatur 2-4597.

Bigelow PTA Plan Spring Festival

For the last meeting of the year, the Bigelow Junior High School PTA is planning a Spring Festival to take place on Thursday, May 17th, at 7:45 p.m. The time has been scheduled earlier than usual, and it is hoped that those attending will take note of this.

The Festival will be marked by a concert, given by the orchestra, and the Girls' and Boys' Glee Clubs. Miss Julia Hubbard of the Bigelow Music Department, will be the director of this special musicale.

Elections for next year's officers will take place during the evening. Mrs. Louis Love and her committee will provide refreshments.

MRS. EVERETT E. HARRIS, JR.

CLAIRE WALLIS MARRIED TO EVERETT EDMUND HARRIS, JR.

At a 4 o'clock candlelight ceremony on May 5 at the Belmont Methodist Church, Miss Claire Eddy Wallis of Belmont became the bride of Mr. Everett Edmund Harris, Jr. of Newton. The altar was banked in an arrangement of pale pink glads, snapdragons and carnations, and the pews festooned with garlands of pink carnations. The bride, daughter of Mr. and Mrs. Donald E. Wallis, was given in marriage by her father, and wore her sister's wedding gown of white Infanta pure silk taffeta with a portrait neckline of re-embroidered Alencon lace. The fitted bodice, with long sleeves, topped a bouffant skirt, flowing into a full chapel length train. Her cap of matching lace was caught together with a full circular veil of imported pure silk illusion. She carried her white Rainbow Bible covered with phaelanopsis orchids and stephanotis.

Mrs. Philip M. Sanborn of Lee, N.H., sister of the bride, served as matron of honor, and wore a French blue Pique gown fashioned with a square neckline trimmed with cotton lace extending to the hemline in back. With it she wore a white milan straw picture hat with matching French blue ribbons, and carried a pouff pocket book of deep pink carnations. The bridesmaids, wearing similar gowns were Miss Elizabeth Harris of Belmont, cousin of the groom, Mrs. Harold A. Hussey, Jr. of Bedford, cousin of the groom, Mrs. James R. MacInnes of Bedford, Mrs. Stephen Seigel of Hingham, Mrs. Warren A. Simmons, Jr. of Waltham, and Mrs. Donald G. Vincent of Pittsburgh, Pa.

The groom, son of Mr. Everett Harris of Brookline, had as his best man Harold Hussey, Jr. of Bedford; and his ushers were Russell Brine of Watertown, James Emmert of Waltham, Gordon F. Harris of Dorchester, his brother, Lt. Philip Sanborn of Fort Lee, Virginia, Warren Simmons of Waltham, and Hugh Taylor of Cambridge. Acting as flower girls in gowns of pink organdy over pink taffeta were Miss Elaine Hussey of Bedford, cousin of the groom, and Miss Katherine McLean of East Douglas, cousin of the bride.

The bride's mother wore a Dior Blue crystallette dress with pink flowered hat and carried a corsage of cymbidium orchids. Mrs. Lewis Harris of Belmont, the groom's aunt, wore a powder blue lace dress with matching hat.

The bride is a graduate of Belmont High School and Lasell Junior College, and the groom attended Huntington Preparatory School and Northeastern University. He is now employed as an engineer at the Ucinite Division of United Carr Fastener.

The couple will honeymoon in the Pocono Mountains, and September first will be at home at Concord.

TELE-VIEWING THE NEWS

By LEE LOUMOS

Dinah Shore's first two attempts at hostessing a full hour show were so successful that NBC and her Chevrolet sponsors gave her a new deal for the fall season. She'll drop her Tuesday night short show, keep her Thursday evening program, and add eight hour-long Tuesday at 8 P.M. programs. In this spot Bob Hope is also set for six programs, Milton Berle for four. Martha Raye is being dropped at the end of this season.

Producers of "Life of Riley," the Bill Bendix starrer, had to write Tom D'Andrea and Gloria Blondell out of the series when this year's filming started. The two "sold" their house (in the show) to George O'Hanlon and Florence Sundstrom. Now the latter pair want to be out of the series . . . and Tom and Gloria are happy to come back. They will "repossess" the house next door to Riley's.

Tom D'Andrea's TV career took a funny turn this past year. He was all set to co-star in a big new show with another comic . . . and then the partner made a big hit on a quiz show, so the series with D'Andrea never got going. The other comedian? Carry Shipping Slogan On Mail Trucks

"American Shipping serves you!" the slogan of the Federal Maritime Board, will be featured on the side panels of 475 trucks in the Boston Postal District and 40,000 posters will be used on mail trucks throughout the country from May 14-22, according to Postmaster Joseph P. W. Finn.

The poster, created to call attention to National Maritime Day, proclaimed by President Eisenhower for May 22, shows a vigorous and confident Uncle Sam at the helm of a United States flag ship, ordering full speed ahead for the American maritime industry.

Maritime Board officials expressed appreciation to Postmaster General Arthur E. Summerfield, for his cooperation in making it possible to bring to the attention of millions of Americans the vital importance of U. S. shipping for seaborne commerce and national defense.

Wasson Outlines CD Survival Plan

The lowdown on mass evacuation plans for 14 communities in Civil Defense Section 1-A was given by Frank R. Wasson of Newton, sector director, this week.

Wasson outlined the plans to police officials at CD Headquarters in Newtonville as they applied to the sector.

Capt. Walter F. Bowen of the State Police presented the evacuation plans made at the state level.

Mayor Howard Whitmore Jr., welcomed the group and assured them of the full co-operation of the city of Newton.

Also present from Newton were Police Chief Philip Purcell, acting director of Civil Defense, and Police Lt. William J. Burke, who is in charge of the Auxiliary Police Department.

Other communities in the sector are Waltham, Watertown, Brookline, Needham, Wellesley, Weston, Dover, Natick, Framingham, Ashland, Sudbury, Wayland and Sherborn.

PLANS WERE ANNOUNCED last week for the new building of Temple Reyim which will be erected on Washington street, Newton, in the near future. Above is shown the head table guests at the kickoff dinner of the campaign to secure pledges for the proposed edifice. (Photo by Gordon R. Wilk)

Plans Announced By Temple Reyim For Building

The kickoff dinner for the Building Fund Campaign for Temple Reyim was held at Rabbi Louis M. Epstein Auditorium in Brookline, Thursday evening.

At the huge gathering of the congregation plans were told of the new building to be erected on Washington street in Newton in the near future.

Speakers at the dinner were: Mr. David H. Wilson, General Chairman; Mr. Harry Perlmuter, President of the Congregation; Mr. Louis Price, Chairman of Special Gifts Committee; Mr. Nathan Sobel, Chairman of the General Gifts Committee; and Rabbi Harold D. Kastle. Also seated at the speakers table were: Mr. Solomon Pinstein, Chairman of the Big Gifts Committee; Mr. George Chaletzky, Co-Chairman of the Big Gifts Committee; Mr. Charles Kaufman, Co-Chairman of the Special Gifts Committee; Mr. Samuel O. Silver, Co-Chairman of the General Gifts Committee; and Mr. Nathan Goldstein, Chairman of the Campaign Committee. Also shown at head table above are: Mrs. Gertrude Chaletzky, Mrs. Ruth Seder, and Mrs. Dorothy Sobel.

Temple Reyim, now located at 321 Chestnut street in West Newton, although a comparatively new congregation, has long felt the need for additional facilities to take care of their rapidly growing congregation at religious services and the dire need for space to serve their religious school purposes.

Tea and Luncheon To Be Given Chinese Camp Fire Girls

May 12 at the Newton Boys Club, Troop 128 is giving a tea and a luncheon for a group of Chinese Camp Fire girls of Boston, whose leader is Mrs. Theodore Walter of Quincy, Mass. The troop, under the leadership of Mrs. Joseph Klarfield, Mrs. William Haffer, and Mrs. Joseph Simberg, is completing its International Gifts Badge; each girl is bringing tea sandwiches and cakes and an article from Europe for the display table. As Troop 128 is expecting about sixty-five girls and adults, committees have been set up to make the entire affair run smoothly. On the food committee, headed by Mrs. Hyman Naterman, are Ann Kehalis, Janet Haffer, Franie Gondolfo, and Jane Carmen. The hostesses, guided by Mrs. Fred Rosenwald, are Irma Simberg, Joan Rothstein, Marjorie Caplin, and Erika Rosenwald. The servers, coached by Mrs. Samuel Perlman, are Nancy Wise, Nancy Carolice, Prissy Kantor, and Rachael Perlman. Entertainment will be provided by Beverly Snider, Diana Singer, Linda Duchin, Harriot Berkman, Louise Naterman, Ellen Skolnick, with Mrs. Arthur Savet directing. The check-up committee is under the direction of Mrs. R. Kantor, and is staffed by Rita Hyffer, Rita Sharza, Ellen Savet, and Toby Krasvo. There will be a flag ceremony, Scout prayers, songs, three second class awards, games, luncheon, and the Goodnight Circle.

Centre Methodist To Honor Oldest, Youngest Mother

Mothers' Day will be observed at the Newton Centre Methodist Church with the presentation of two beautiful corsages—one to the oldest, and one to the youngest mother present at the morning worship this Sunday.

Children of the mothers do not have to be in attendance in order for the mothers to receive the corsage, though, of course, it is hoped that many families will plan to worship together on that day which climaxes the observance of National Family Week.

Rev. Elmo F. Young, pastor, is planning to preach on "Every Day is Mothers' Day". Both Junior - Intermediate and Senior Choirs will share in the service.

This is the first time corsages have been presented to mothers at the Centre church, although the pastor has observed the custom in other churches he has served. All mothers in the congregation will stand and be recognized at the time of the presentation, though only the oldest and youngest will be given a corsage.

Eliot Begins Drive For Funds Sunday

The Eliot Congregational Church launched its fund-raising efforts last night with the announcement that Dr. Reuben Coleman of the Boston City Missionary Society would direct the month-long campaign.

A HOUSE-to-house canvass will open the drive this Sunday, it was announced at the dinner meeting held at the Newton Centre Women's Club.

The 70-year-old church was burned out in a spectacular $1,000,000 fire in February.

Dr. Ray Johns, chairman of the rebuilding committee, has said that the church hopes to begin reconstruction sometime in the early Fall on a new church on the same site. A modified colonial structure is preferred, although no decision has been made as to style until working drawings have been examined.

THE CHURCH expects to name an architectural firm next week to begin the planning which may not be complete until late August.

Dr. Johns told workers at the dinner meeting last night that about $250,000 will be needed for the $550,000 edifice which will go up on the old site.

Other planning committee members, Russell Broad, R. Coleman and Earl Stevenson and Frank A. Day, explained details of the needs which were outlined in a 12-page brochure.

Temple Mishkan Tefila Reelects Nathan Yamins

Nathan Yamins, prominent local theatre man and philanthropist, was re-elected President of historic Temple Mishkan Tefila of Roxbury at the 99th Annual Meeting of the Congregation. Elected to serve with Mr. Yamins were the following: Morris L. Selib, First Vice-president; James J. Axelrod, Second Vice-President; Abraham Furst, Third Vice-President; and Joseph Lasoff, Fourth Vice-President; Harry M. Feinberg, Treasurer; and Henry G. Cohen, Asst. Treasurer; Morris R. Spelfogel, Secretary, and Harry L. Lavine, Asst. Secretary. Seventeen members elected to the Board for a three year period were: David M. Brackman, Harold Burg, Israel Cooper, Joseph Coppelman, Judge Samuel Eisenstadt, Morton N. Gondelman, Samuel Kushnir, Eliot Michaelson, Charles S. Narins, Jack J. Neitlich, Samuel B. Rosoff, Louis Silim, Harry Snider, Milton Starr, David Stern, Max Stoller and Abraham I. Zimon.

Reports were submitted by the Temple's auxiliary organizations and the President's report submitted by Mr. Yamins was featured by colored slides depicting the Temple's proposed new Temple on Hammond Pond Parkway. Dr. Israel J. Kazis, spiritual leader of the Temple installed the new officers and board members. A highlight of the meeting was the presentation of a silver chest to Mr. Leon Steinberg, former President of the Congregation.

Newtonians

Mrs. Arthur Larsen of 27 Verndale Rd., Newton Highlands, has left for a holiday on the Isle of Bermuda.

Garabed Der Hohannesian, assistant professor of foundation of design at Rhode Island School of Design, will join the faculty of the Cummington (Mass.) School of the Arts as an instructor in painting for its summer season.

SPRING FEVER

Here we see Mrs. Piffin about to succumb to the temptation to buy a pair of India Madras Bermuda shorts. Although we are not certain that Mr. Piffin is entirely prepared for this eventuality, we believe he will approve the result.

We feel you will, too, when you see our array of Bermuda shorts for all the family — in poplin, denim, madras, gingham and twill.

Moolman of Middleburg, South Africa, chairman of the International Wool Publicity and Research Fund.

2 Auburndale Scouts Save 6 in 2 Boat Upsets

Two Auburndale Boy Scouts who kept their wits about them rescued six persons from drowning in the Charles River within a five-minute span Sunday.

Told that a boat upset had occurred near Riverside Recreation Park where he was working, Wayne G. Wedekind, 15, of 4 Evergreen avenue jumped into his power boat and sped to the rescue of three young men.

Returning from this rescue two boys and a girl were thrown into the river when their canoe tipped over. Wedekind pulled the girl from the water as she was going down for the third time.

AT THIS MOMENT, Jack Dunleavy, 16, of 54 Evergreen avenue, pulled alongside in his rowboat and rescued the two boys.

Both rescuers belong to Troop 33 of Corpus Christi parish, Auburndale. Wedekind had been helping his father, Frank C. Wedekind who operates a boat concession at the park.

Chairmen Listed For 'C. P. Week' Here Monday

The Newton-Wellesley affiliate of Cerebral Palsy Organization has named village chairman for the SP Walk which will take place next Monday, 7 to 9 p.m.

The village chairmen are: E. Leslie Robard, 50 Clearwater road, Lower Falls; Mrs. George Eames Jr., 49 Chestnut street, Upper Falls; Stanley F. Ross, 44 Taft avenue, West Newton; Charles Doherty, 123 Dickerman road, Highlands; Herbert N. McGill, 142 Islington road, Auburndale; Erik Wahlman, 52 Eldridge street, Newton.

Campaign chairman James Fitzpatrick of 243 Park street, Newton will direct the village chairmen.

CP central headquarters will be located at 298 Centre street this month for any seeking literature or offering services as a volunteer. Contact Richard Leahy at BIgelow 4-1915 or Payson LeBaron at BIgelow 4-3719 for further information.

The duties of the village chairmen will be to direct the fund-raising walk in their village and arrange for volunteers to collect donations and contributions for the Cerebral Palsy Fund.

Area Meetings Being Held to Tell About Girl Scout Camp

MRS. ARTHUR GREGORIAN

A series of area meetings will be held in four different sections of Newton next week to tell captains and their assistants representing each Girl Scout troop in Newton the story of a new camp for Newton Girl Scouts which may be purchased in southern New Hampshire.

The Newton Council of Girl Scouts has established a Camp Fund Project which from May 15 to June 30 will seek help toward acquisition of the new camp. The East-West highway has bisected Camp Mary Day, used as a Newton camp for the past 34 years, and this property is now suitable only for day camping.

Leaders of the Camp Fund Project who will speak at the area meetings include Mrs. Arthur T. Gregorian, general chairman and past president of the Girl Scout Council, Mrs. Henry Whitmore, Jr., chairman of the mercantile division and past commissioner of the Girl Scout organization, Carleton P. Merrill, local alderman who will serve as chairman of special gifts, Mrs. J. Bernard Everett, chairman of the camp committee, and Mrs. Mary Derr, president of the Newton Council of Girl Scouts.

They will describe the facilities of the new camp which has accomodations for 130 campers and staff, a beautiful lake front with a sandy bottom and first class buildings.

Equipped with a fleet of row boats, canoes and sail boats, the proposed camp also has facilities for all sports, including tennis, archery, softball and arts and crafts. There is an outpost for hikes and an island for primitive overnight camping.

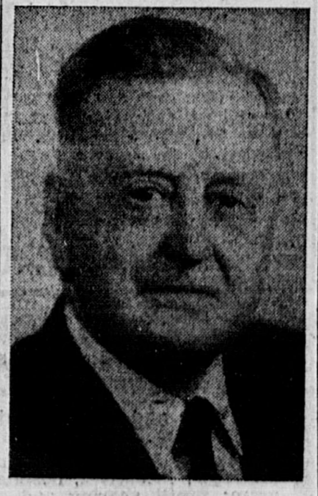
Mrs. Frederick C. Dutton is chairman of the first morning coffee meeting to be held in the Boynton Room of the First Church of Newton in Newton Centre at 9:45 on Thursday, May 10. She will be assisted by Mrs. John Hanks. Among the workers attending this meeting will be Mrs. Harmon White, Ward School neighborhood, Mrs. Alvin Dulman, Mason School neighborhood and Mrs. John Maloy, Sacred Heart School neighborhood.

Mrs. Leonard Spangenberg is chairman of a morning coffee meeting to be held Monday, May 14 at the home of Mrs. George Wile on Winnetaska road, Waban. Fund chairman attending will include Mrs. Walter T. Tower, Pierce School, Mrs. Francis W. Kent, Auburndale, Mrs. Helen Robinson, St. Bernard's School, Mrs. Archibald Price, Angier School and Mrs. Fred Cusick, Hamilton School neighborhood.

Mrs. William Endlar will welcome fund chairmen and troop captains to a morning coffee on Tuesday, May 15 at the Newton Highlands Workshop. Project workers include representatives of the following school neighborhoods: Mrs. Lewis Baskin, Spaulding, Mrs. Harry Myers, Oak Hill, Mrs. Paul Nation, Emerson, Mrs. Stanley Baker Hyde, Mrs. Haig Sahagian, Countryside and Mrs. Richard Emerson, Memorial School.

A dessert coffee will be held in the parlor of the Newtonville Methodist Church on Tuesday, May 15 at 1:30 under the chairmanship of Mrs. Guy King. School captains who will attend include Mrs. Francis Jones, Horace Mann; Mrs. Thomas Lepore, Franklin, Mrs. Richard Roche Davis; Mrs. Malcolm P. Gallagher, Carr and Mrs. Sidney Wolbarst, Cabot School.

Mrs. Ernest Dietz is serving as publicity chairman of the Camp Fund Project.



THE FIFTY-EIGHTH annual reunion and dinner of the class of 1898, Boston English School, will be held Saturday, May 19, at the Hotel Lenox, Boston. Thomas F. Dolan; above, of 43 Grayson lane, Newton Lower Falls, is now serving his fifth term as president of this alumni group, known as the Spanish War Class.

Middlesex, ss. PROBATE COURT

To all persons interested in the estate of **William J. Marshall** also called **William James Marshall** late of Newton in said County, deceased.

A petition has been presented to said Court for probate of a certain instrument purporting to be the last will of said deceased by **William E. Hays** of Waltham in said County, praying that he be appointed executor thereof, without giving a surety on his bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the seventh day of June 1956, the return day of this citation.

Witness, John C. Leggat, Esquire, First Judge of said Court, this second day of May in the year one thousand nine hundred and fifty-six.

JOHN J. FOLEY, Register.

Mental Health Drive Leaders Appointed Here

Stanley Lewenberg and Chief of Police Philip Purcell have been appointed Co-Chairmen of the Newton Mental Health Campaign, according to an announcement of State Chairman Francis W. Sargent.

Honorary Chairman of the Newton Drive is Mayor Howard Whitmore.

Workers are calling for solicitors throughout the Newton to work on the door-to-door solicitation Sunday, May 20. Purcell and Lewenberg urge citizens approached to volunteer services to aid in the nation's number one health problem, and ring the bells for mental health.

Louis G. LeBlanc, president, Newton National Bank, appointed Robert L. Clinton, assistant cashier of the bank, to serve as treasurer for the Mental Health Campaign in Newton. Workers kits may be returned to any branch of the bank.

Barbara Athy 1st Winner of B. U. Club Award

Barbara Athy of 45 Richardson street, Newton, a senior at Newton High, is winner of the first annual scholarship of the Boston University Club of Newton.

The award will be made yearly to a Newton High senior who plans to attend any of the 11 undergraduate colleges or schools of Boston University and who is best qualified in scholarship, character, school service and general merit.

Miss Athy has been active in sports and other extra-curricular activities and was recently made a member of the Newton High branch of the National Honor Society. She plans to attend Sargent College to become a physical education teacher.

Selection of Miss Athy was unanimous. The scholarship committee consists of Mrs. Marjory Harting, chairman; George Flashen, Ann Sanguinetti and Carolyn Walsh.

First Unitarian Church Notes

A Christening service will be held as part of the morning worship service on Mother's Sunday, May 13, at the First Unitarian Church in Newton. The minister, Rev. John Ogden Fisher, announces that there will be a Christening service also on Children's Sunday, June 3.

Fifteen new members of the First Unitarian Society in Newton are announced on the May church calendar as follows: Louise J. Bryant, Robert A. Bryant, Ruth M. Bryant, Raymond L. Dussault, W. June Dussault, Mrs. Charles R. Fowler, Nolan T. Jones, Beverly Jones, Helen C. Marcy, Grosvenor D. Marcy, Lewis Weldon, Mildred E. Weldon, M. Joan Rutherford, Leo A. Wisentaner and Barbara A. Wisentaner.

These new members will be greeted by parishioners at the social hour in the Alliance Room, following the Anniversary Sunday service, May 20, when Dr. Leslie T. Pennington of the First Unitarian Church, Chicago, will be guest preacher under the Fellowship Pulpit Plan sponsored by the New England Ministers Association during May meeting sessions of the American Unitarian Association being held in Boston May 17-22.

Walter E. Fisher is head usher for May at the West Newton Unitarian Church, assisted by Nicholas P. Arenella, Albert R. Beisel, Jr., Herbert M. Covner, and Robert L. Townsend.

The church welcoming committee for Sunday morning services this month includes Mrs. Frank P. Scofield, Mrs. Harold J. Davidson, Mrs. Edward P. Gwillim, Mrs. Donald R. Prescott, and Mr. and Mrs. William O. Wise, Jr.

Flowers on the altar are given in memory of George and Anna Faunce Weston and William Ellis Weston, May 6; Mrs. David Bachrach and Mrs. Gustavus J. Esselen, May 13; Former Members of the Alliance, May 20; and William Carroll Hill, May 27.

Davis P.T.A.

The Davis School P. T. A. executive board met on Monday evening, at the home of Mr. and Mrs. Paul F. O'Donnell. Mr. O'Donnell presided and Mrs. William J. Jones read the secretary's report. Mr. Matthew J. Jefferson discussed the financial status of the P. T. A. Miss Mary J. Nugent, principal, brought the group up to date on Davis activitis. The sixth grade students left for Peterboro, N. H. Monday morning. Mrs. Caroline C. Allen and Miss Janice Leporati accompanied the group. Miss Nugent plans to visit with the group one day during the week. The sixth graders have been studying conversation for the past several weeks and have also sold Davis jerseys to help finance the trip.

Mrs. Richard W. Noyes, Chairman of the Health and Safety Committee, told of the activities of that group during the past year.. Mr. Thomas F. A. Flynn, Davis Human Relations delegate, reviewed the workshop discussions of that group. He pointed out the ground covered and evaluated the work of the delegates.

Mrs. John S. Carder gave the report of the Ways and Means Committee. She offered helpful suggestions that future chairman may follow.

Miss Margaret G. Wingate and Mrs. Mildred B. McCarthy, faculty representatives reviewthe school activities of the year as they relate to P.T.A. They made suggestions as to how the P.T.A. might aid the school.

Mr. Carl E. Hartbower reported on membership and Mrs. Hartbower, chairman of the Hospitality Committee, summarized the accomplishments of that group. Mrs. Paul F. Landy paid tribute to the room mothers who were so capable and willing all year.

Mrs. Joseph Heizer spoke of the program for the May 28th meeting; it is to be a student participation program. Mrs. Thomas F. A. Flynn, editor of the Davis Dateline, announced that Davis had sent a copy to all schools, having a P.T.A. newspaper and had requested that Davis be placed on their mailing lists. Mrs. Harry A. Weiner announced that the group would be notified of the date of the next meeting.

Food Sale May 17

The Woman's Association of Eliot Church will have a food sale on Thursday, May 17, from 11 a.m. to 2 p.m., at 303 Centre street, Corner, (opposite the Newton Glass Co.).

24 GOP 'Go-Getters' Tour Capital for '54 Campaign

Twenty-four city Republicans whose "get-out-the-vote" spirit in the 1954 elections won them recognition were guests of Vice President Nixon and the GOP National Committee in Washington this past week.

The committeemen, all members of the Ward 6 Committee who made the whirlwind tour, are:

Edward A. Currier Jr., Carrol Hoffman, Helen Morse, Helen L. Ring, Carl M. Stiles, Alexander Beal, Roger B. Brooks, Raymond Hughes, Stanton J. Pembroke Jr., Parker F. Pond, chairman and Mrs. Pond; Alexander Cochrane, Louis Shulman, Anita C. Hovey, Jean C. Dietz, Wendell R. Freeman, William Waugh, Alderman Hirsch Sharf, William J. Baxter, Giselva Cucci, Marion L. Hall, Louis J. Kales, Alberta Perry and Warde Wilkins.

Vice President Nixon told the visitors that he expected the Republicans to do "better than ever" this year, because, after four years in office, the party will have "more to tell the people."

Parker F. Bond, chairman of the Ward 6 group, said the travelers had received "the best treatment. We were on the town."

By achieving the greatest increase in votes over the previous election, the committee won the right to the trip which included trips around the Capitol, lunch with National Chairman Leonard Hall and a chat with Nixon and Bay State Republicans.

The contest was sponsored by the State Committee and 70 Republican workers made the trip.

Pond said the day started with sightseeing at Mt. Vernon and the Lincoln Memorial and a visit to the Senate chambers. They were introduced to Congressman Joseph W. Martin Jr., House Republican leader, and Senator Leverett Saltonstall.

Elmer Nelson, chairman of the State Committee, acted as guide ,assisted by secretaries from Senator Saltonstall and Congressman Laurence Curtis' office.

The group was given a send-off from Boston by State Senate President Richard I. Furbush of Waltham, Rep. Charles Gibbons, House floor leader, Senator Cutler and Senator John Adams.

$48 TAX RATE SEEN FOR NEWTON IN 1956

Taxpayers Unit Asks for $47.50

A $48 tax rate for Newton is considered likely this year.

This would mean an increase of $1.20 per $1000 after four years of 50-cent boosts, and can be ascribed to increased labor and material costs.

A rate of $47.50 is recommended by the Newton Taxpayers Association on the basis of tentative key figures. The present rate is $46.80.

There is no certainty at this time what the rate will be but the key to the rate lies in the amount the Board of Aldermen will vote to take from surplus.

This action is expected next Monday.

On Jan. 1 the city had $1,047,619.34 in the surplus account but it is possible to appropriate from the total as of March 31. This figure has not been released as yet but one estimate places it in the neighborhood of $1,200,000.

Lorenz F. Muther Jr., executive director of the taxpayers' group, said that, based on this tentative figure, the city could

Primary Preview Monday

G.O.P. Women Meet Candidates

The Newton Women's Republican Club will get a preview of the Fall primary candidates at a Candidates Night affair this Monday at 8:15 p.m. at the Beethoven School in Waban.

Present will be leading Republican candidates for offices in Middlesex County.

These include Dist. Atty. Ephraim Martin of Belmont, who is seeking re-election and Atty. Thomas Maher of Reading, his opponent in the September primary.

Also Christian A. Herter Jr. and Harris A. Reynolds, opposing one another for the GOP nomination for Governor's Council and County Commissioners William G. Andrew of Cambridge and Herbert Applin of Watertown, also seeking re-election.

Martin has been 1st Assistant District Attorney for 15 years and was appointed District Attorney by Gov. Herter earlier this year.

POLITICAL OVERTONES

Burke Given Edge, Some Committee Members Undecided; Spotlight on Oregon Primary in Stevenson-Kefauver Race; Furcolo and McDonough Top Figures in Race for Governor

When the raging battle for the chairmanship of the Democratic State Committee is settled on Saturday—if it is finally decided then—the Democrats presumably will gather together, sing political hymns of harmony and sharpen their axes for the assault to come upon the Republicans.

Two communiques can be issued from the changing Democratic front with some degree of assurance that they will still stand up by the time they reach our readers.

1. The Democratic row has made everybody except a few politicians forget that a handful of GOP bosses headed by Lieutenant Governor Sumner G. Whittier have been endeavoring to give the heave-ho to Republican State Committee Chairman Elmer C. Nelson.

2. The Democrats will meet somewhere on Saturday and either reelect William H. Burke, Jr., of Hatfield as their State chairman or drop him in favor of ex-Mayor John M. "Pat" Lynch of Somerville.. At this moment Burke appears a slight favorite, but enough members are still on the fence so that it is a tense, taut fight.

Named to Secure Funds In Newton for GOP Drive

Appointment of Ernest G. Angevine and Alexander S. Beal as chairman of the Newton Republican Finance Committee has been announced by Lloyd B. Waring of Melrose, State Republican Finance chairman.

Waring thanked both Angevine and Beal for accepting this assignment, adding that he was pleased at the response shown by public spirited community leaders throughout the State in assuming the responsibility for raising the funds which are so necessary to assure a Republican victory in November.

Fire Chiefs Meet on CD Problems

A meeting of the Fire Chiefs from the 14 cities and towns within Sector 1C of the Massachusetts Civil Defense Agency was held at the Newton Civil Defense Headquarters last week. Lt. Raymond G. Roy, deputy director of Fire Services for the State Civil Defense, was the principal speaker. The group was welcomed by Chief of Police Philip Purcell, acting director of Newton Civil Defense.

The program consisted of a detailed report on the responsibilities and organization of the local Fire Department during a state of declared disaster or a military attack upon the Commonwealth. Lt. Roy explained the procedures of receiving assistance for a community and the organization of Sector Fire battalions.

The appointment of Deputy Chief Frederick A. Perkins of Newton as Sector 1C deputy director of Fire Services was announced, also Deputy Chief Fogerty of Brookline and Lt. Louis A. Codella were appointed as alternate directors of Fire Service.

1000 a Day Get Shots

Program Running 'Smoothly'

The Newton Anti-Polio Program got off to a flying start this week with approximately 1000 pupils a day taking the Salk shots with no fuss.

By tomorrow 5173 pupils will have been inoculated out of the approximately 10,300 who will receive shots by the closing date, Monday, May 28.

This will include about 1600 pre-schoolers who are being taken care of in school clinics and 2000 pupils who received one shot last year through the National Infantile Paralysis Foundation program.

It is expected that about 6500 children up to 15 will receive shots from their private physician, bringing the total to just under 17,000 who will be inoculated in Newton.

Before Aldermanic Committee

Traffic Study Eyed For Lower Falls

A study directed at eventual construction of a traffic circle at Beacon and Washington streets, Lower Falls, is among matters under consideration by the Claims and Rules Committee.

Recommendation of a state traffic study of conditions at that point has been made by the Aldermanic Street Traffic Committee in response to a request by the Waban Improvement Society that a traffic circle be set up at the junction.

The committee, which meets again on Monday, May 28, at 7:30 p.m., recommended that the State Department of Public Works suggest means of alleviating traffic tieups at that point.

Other committee recommendations:

City Water Plan In Final 12 Months

The city's program to improve water pressure on the South Side should be in full operation by June 1, 1957, Water Commissioner Mark F. Croker said yesterday with the beginning of work on the final two phases of the plan.

Work has started on construction of 7400 feet of 24-inch mains from Commonwealth avenue and by July 1 work should be starting on the laying of a 12-inch pipe from Boylston to Dedham street at an estimated cost of $100,000, according to Croker.

Continuation of good weather and working conditions will mean that these two projects and construction of the two 350,000-gallon reservoirs for Waban-Lower Falls and Oak Hill-Highlands will be in operation by next June.

The city is working on a $750,000 improvement program which entails changing over from city-owned wells in Needham to MDC water supplies, due to the rapid increase in population on the South Side.

The $20,000 voted by the Aldermen will pay for the first phase of this year's work for which a $400,000 water bond has been issued.

Croker has sought $200,000 for the work necessary in laying 7400 feet of 24-inch main

Organ Donated for Eliot Church

An 82-stop baroque organ has been pledged for the new Eliot Congregational Church at the Corner by a Brookline couple who keep the instrument in a specially built room in their Chestnut Hill home.

The Edward Danes, who have given the organ in memory of Mr. Dane's parents, Mr. and Mrs. Ernest Dane, announced their gift at the outset of the $250,000 drive for funds for a $550,000 church which is expected to be of a modified colonial design. The drive runs through June 1.

Mental Health Fund Drive Sunday

Newton Mental Health campaign leaders are working currently to recruit members and funds to aid in the fight against mental illness. The Newton drive is part of the nationwide Mental Health Campaign conducted by the National and State Associations for Mental Health. The Massachusetts goal is $230,000. Mayor Howard Whitmore, Jr., is Honorary Chairman of the Newton Mental Health Drive Committee with Hon. Stanley S. Lewenberg and Police Chief Philip Purcell as Co-Chairmen. The Treasurer is Robert L. City Sealer To Attend Conference

J. Ellis Bowen, Newton Sealer of Weights and Measures, has been invited to attend the 41st National Conference on Weights and Measures, held under the sponsorship of the National Bureau of Standards, in Washington, D. C., May 21 to 25. This weights and measures conference is the largest gathering of its kind in the nation.

Weights and Measures officials from jurisdictions throughout the country and from several foreign countries assemble to discuss problems which affect every family, having a direct bearing on their health, well-being, and on their pocketbooks. These men are responsible for the testing for accuracy, the condemnation or approval for commercial use of the scales of the butcher, grocer, iceman, and junkman, as well as coal scales with a capacity of 20 tons or more. They are partners of the physician and the pharmacist in their responsibility when testing the delicate balances and tiny apothecary and metric weights used for prescription compounding in all drug store and hospital pharmacies. Also of importance, and within the jurisdiction of these

Is There A Traffic Hazard?

'Car Wash' Zoning Kicks Off Row

Whether or not an "integral part" of the city's "Miracle Mile" should be rezoned residential precipitated a heated fight at City Hall Monday night with the possibility of another zoning fight in the courts.

Opponents of a proposed auto laundry at the junction of Needham and Winchester streets outnumbered laundry advocates, 80-42, at the hearing of the Claims and Rules Committee.

Efforts to establish an auto laundry on this site which has been zoned for manufacturing since 1922 are behind the current "zoning fight."

No immediate decision on the zoning petition is expected.

Laundry opponents, arguing that a traffic hazard exists at the junction, maintained that keeping the land free of manufacturers would make it easier for the city to condemn land for a traffic circle if that were found necessary.

Alderman Charles H. Cosgrove, chairman of the Aldermanic Street Traffic Committee, pointed out, however, that the traffic division of the State

243 Employees Given X-ray Examination

Last Thursday, 243 employees of the National Research Corporation were given a free X-ray provided by the Company in cooperation with the Newton Tuberculosis and Health Association.

This is a service which the National Research Corporation also made available last year to each of its employees. The National Research Corporation is also rendering a great service to the community, for chest X-rays are still the most effective way of finding TB, since the disease has no clear early symptoms. The chest X-rays also serve to discover other previously unknown chest conditions. Employees will be notified of the findings of the X-ray within three or four weeks. Reports will be sent directly to their homes from the Newton Tuberculosis and Health Association. In the case of any suspicious or abnormal chest conditions reports will be sent directly to the employee's physician.

The National Research Corporation is one of several of our Newton industries setting a fine example for all local companies by taking advantage of the cooperative employee surveys which can be arranged through the Newton Tuberculosis and Health Association.

18 Hit Attack by Tigers Routes Cambridge Latin

A savage 18 hit attack by the Newton Tigers accounted for 17 runs, as the Orange and Black clubbed Cambridge Latin, 17-1.

Russ Halloran's sore arm prevented him from taking his turn on the hill, and Al Martin wasn't in top shape after pitching four innings the game before. So, Howie Whitmore was called on the pitch his second game of the week, and he came through with a sparkling one-hit job. Howie's control was near-perfect as he walked but one batter and fanned 11. Whitmore's curves were making the Latin hitters look miserable, and only a bounce single in the sixth ruined his bid for a no-hitter.

Howie walked the first batter, and then mowed down the next 14 men, before Gnerre reached on an error. Chesney, the brilliant shortstop for Latin, smacked a two-hopper through the right side of the infield as second batter in the sixth, but Howie settled down to put the next 11 men down in order.

Newton went down in order in the first, but unloaded for seven hits and eight runs in the second. Ronny O'Laughlin led it off with a clean bingle. Manny Connerney, a fiery sophomore outfielder-catcher, dumped a pretty bunt down the first base line, beat it out, and went to second on a steal. Johnny Beggs brought both runners home with a bullet single through the left side of the infield. McCree bunted safely and Whitmore reached on a fielder's choice. Bobby DelGizzi kept the inning going with another bunt single. Kenny Keyes, who had his troubles at the plate going zero for seven, reached on a fielder's choice, as they nailed McCree at the plate. Alan Martin stayed in there and worked the Cantab pitcher for a base on balls, and moved along while Russ Halloran smacked his first of four hits. Up for the second time in the inning Ronny O'Laughlin belted his second hit as he singled and raced to second while the left fielder bobbled the horsehide. Manny Connerney and Beggs each drew free passes from the new Latin pitcher, Herrington, but a fielder's choice and a strikeout ended the batting drill.

Suddenly, their bats went cold again as the Tigers were blanked for three innings with but one hit; that a single by Halloran. In the sixth, Fergy's boys went to work again for three big runs on five hits. Al Martin got things humming with his second knock of the game. He reached second on an error, and came home on Halloran's third hit of the afternoon. O'Laughlin and Connerney each belted singles to keep the rally rolling, and then Beggs pumped a base hit to drive in one more.

Still fighting, the Orange and Black struck again in the seventh. Del Gizzi walked, but was out on Keye's fielder's choice. Kenny went to second on a passed ball, and Martin also walked. The lone hit of the inning came off the bat of Russ Halloran and drove in R.B.I. number four for the slugging Tiger. Russ had three singles and a double for the afternoon, while batting in four runs and fielding brilliantly.

Coach Howie Ferguson gave all his boys a chance to get in the game as the Tigers cleared the bench in the last two innings. Jimmy Leonard and Billy Walker hit safely in the pinch hitters role.

One of the big events of the day was a base knock for Howie Whitmore. All pitchers take pride in their hitting ability, and get just as big a kick from hitting as they do pitching. When Whit wacked a solid single to left field in the ninth, it brought cheers and laughter from the Tiger bench. Howie saved the game ball as a souvenir, because of his hit and his one hitter on the hill. It was a fine job by Howie, and along with Russ Halloran, Al Martin and Dan Johnson, the Tiger mounds corp is in good shape.

Chesney, the Latin shortstop, was probably the outstanding player in defeat. He ranged deep into the hole or flash behind second to spear Tiger smashes and throw them out. Without Chesney, the Tigers would have easily had three or four more base hits, and Whit would have his no-hitter. He is a fine ball player, and deserves much credit for his all-out hustle even though his team was so far behind.

Big, and that is really big, games this week, are with Arlington and Watertown. Watertown gave Newton a real scare, and it took a ninth inning rally to pull the game out of the fire. Lefty Burns, their ace hurler, is a logical choice to face the Tigers because of his effectiveness last time. Jablonski, of Arlington, one of the best pitchers in the state, and an Arlington Russ Halloran, will probably see action for Arlington. If he pitches any near as well as he did in his last appearance against Newton, the Tigers are in for a real rough night.

Many people had doubts as to the Newton hitting, but if they keep hitting the way they have been the last five games, and Halloran's arm comes along, this could be a big week for the Orange and Black.

Distance Runs on Card Saturday At Suffolk

Distance races which have always had great appeal to racing fans, will be highlighted at Suffolk Downs this year with an Olympian Series starting this Saturday.

There will be a series of six route tests opening with a mile and a sixteenth and graduating to an endurance two-mile affair which will wind up these special features on June 23.

They will be run on six successive Saturdays and be divided between the main course and the popular turf course.

The first will be over the turf, Next, the distance will be a mile and a furlong on the main course, it will be back to the turf for a mile and a half and then over to the regular racing strip for a mile and six furlongs. A two mile finish will be on the turf.

The routers will race for $3500 Saturday and each succeeding race goes up $500, in value until the last race which will hit the $6000 mark.

With attractive purses such as this in a series of races restricted to three-year-olds and upward which have started for a claiming price of $3500, or less since June 30, 1956, there figures to be record fields.

East L. L. To Add 82 Boys

At the Thursday, May 9th, meeting of the Executive Committee of the Newton East Little League, it was voted to expand this season's baseball program by 4 new teams. This expansion will be implemented by increasing the size of the present Pacific League to a total of six 13-boy teams. The trial expansion will enable more than 82 new boys in the East Little League area to participate in the sport. All games will be played on the present League Diamond at the Newton Centre Playground.

This expanded program is being tried this year as the result of a conscientious effort by the Executive Committee to make the playing of baseball available to as many boys between the ages of 8 and 12 years as possible. Because of the very large number of boys appearing at the pre-season try-outs in April, many were disappointed in not making a team. It is hoped that most of these boys and others who could not try out at that time can now be given a chance to play baseball under the guidance of competent, public spirited men. This expanded baseball program for the youngsters of our community will be continued so long as the present fine cooperation of the public in supporting it is continued.

Tryouts for this new program will be held on Friday, May 18 at 6 p.m. and on Sunday, May 20 at 12:30 p.m. Those boys whose 12th birthday falls on or before August 1, 1956 should report at the Little League Diamond on the Newton Centre Playground at 6 p.m. on Friday, May 18th. Those boys who reach the ages of 8, 9, 10 or 11 years on or before August 1, 1956, should report at the Little League Diamond at 12:30 p.m. on Sunday, May 20th.

Because of geographical restrictions in the East Little League Franchise, only boys from Newton Centre (south of Commonwealth avenue), Chestnut Hill, Oak Hill and Thompsonville can be accepted.

Auburndale Boy Wins 3 Honors At Middlebury

An Auburndale student is a triple honors winner at Middlebury College where he is a junior, it was announced this week.

Kendall Farrar, son of Mr. and Mrs. B. Harold Farrar of 32 Ware road, was elected to the Blue Key Society, a national honor society. He was also named treasurer of the Men's Assembly, student council and president of Delta Kappa Epsilon fraternity.

A junior at Middlebury, Farrar attended Newton High for two years and graduated from Mount Hermon School in Northfield where he was captain of the hockey team. Blue Key members are selected on the basis of leadership, sportsmanship and manhood.

Special Performance To Benefit Central Little League

A special benefit performance of "The Man in the Gray Flannel Suit" will be held at the West Newton Theatre Wednesday evening, May 30. The Mothers' Auxiliary of the Newton Central Little League is sponsoring this gala opening night to raise funds for the activities of the League's four baseball teams, the Cardinals, Cubs, Red Sox and Yankees.

An outstanding highlight of the evening will be the personal appearance of Mr. Sloan Wilson of West Newton, author of the best selling novel from which the film was made. He will speak briefly about some of the interesting stories in connection with writing his novel and will autograph copies of the book. The film stars Gregory Peck, Jennifer Jones and Frederic March.

Mrs. William P. Nelson and Mrs. A. M. Chasson, Jr., of West Newton are chairmen of the committee planning the benefit. Mothers of boys on all four teams are assisting them including Mrs. Leon S. Fentin, Mrs. Edward Walker, Mrs. Burton M. Johnson, Mrs. W. Raymond McCann, Mrs. Edwin J. Carolan, Mrs. Robert S. Kretschmar, Mrs. H. M. Lockwood, Mrs. Herbert H. Cohen, Mrs. Lewis S. Pilcher, Mrs. Albert Devore, Mrs. Joseph Skinner, Mrs. Earle W. Wilkins, Mrs. Daniel A. Lombard and Mrs. John L. Tullis.

Mrs. Kenneth Andersen is president of the Mothers' Auxiliary, Mrs. Joseph T. DeBettencourt is vice-president, Mrs. John P. Nixon secretary and Mrs. Charles A. Connor treasurer.

Orange and Black 9 Wreaks Vengeance on Brookline 11-2

After a Thanksgiving loss on the football field, and two losses on the basketball court, the Orange and Black came fighting back to rout Brookline, 11-2.

Russ Halloran, Newton ace, opened the game on the hill. He fanned the first two batters to face him, but yielded a base hit to football star, Dick Steele. Steele tried to steal second, but was thrown out on a fine peg by Johnny Beggs to end the frame. Newton went down in similar fashion, as two batters struck out, and another was thrown out attempting to steal.

A McNulty single gave Brookline its second hit of the game in as many innings, but they couldn't bring him around. Walsh, the crafty Red and Blue ace posed a challenge to the Tigers, for he had shut them out last year with a brilliant performance as Brookline won 2-0. This year, however, was different.

Russ Halloran walked, but was thrown out attempting to steal second. Ronny O'Laughlin popped to the pitcher, and with two down and none on the Tigers unloaded. Bergman and Connerney walked, and Johnny Beggs sliced a single. Jackie McCree, who cracked out three hits, banged a single, and Bobby DelGizzi reached on an error by the sophomore third baseman of Brookline. Del stole second, and scampered home on two more Red and Blue errors. Five big runs scored in this inning, and things looked bright as Halloran took the mound.

Brookline belted one more hit in the inning, but as in the two previous frames, Russ calmed down and allowed no runs. Never satisfied with a lead, the Tigers went to work to increase it in the third. A blazing fast ball nailed Russ Halloran on the elbow, and forced him to re-
A toughsa etaoin shrdlu uuuu
tire from the hill. A tough competitor, Russ stayed in the game, and took his base. O'Laughlin walked, and Walsh apparently shaken, hit Bergman to load up the bases. Connerney walked to force in a run, and Beggs lined a sacrifice fly to the outfield. McCree came through with hit number two, and then DelGizzi rifled another base hit. Kenny Keyes kept the rally going with a single, and Martin walked. Cole came on to pitch and fanned Halloran, and got O'Laughlin to ground out and end the inning, which produced five more runs for the Tigers.

Al "Fuzz" Martin took over the mound chores in the fourth and stayed 'till the seventh. Steele greeted Martin with a booming double, and Pons drove him in with a blistering base hit. Al settled down to work his way out of the inning without further trouble. After fanning the side to close out the fourth, and sending Brookline down in order in the fifth, he ran into trouble again. With one down, and none on Steele reached base for the third time; this time via the base on balls route. Pons singled, but was thrown out at second, Halloran - DelGizzi. McNulty reached on the fielder's choice and Early belted a single. Martin then fanned Varnum to end the frame. Dana Johnson took over the pitching and shut out Brookline the rest of the way, in a creditable performance. The game ended in a thrilling double play, Johnson to Keyes to Walker.

The Tigers belted eight hits, and fielded very well, as they took their rivals in a big league game. A combined seven hitter, by Halloran, Martin, and Johnson, displayed the fine pitching that Newton is capable of getting rather consistently. The Orange and Black stole three more bases, as their lightening speed has been giving opponent receivers plenty of headaches.

Mrs. Locke Talks on Taxes at Framingham

Mrs. John W. Locke, economic policies chairman of the League of Women Voters of Newton gave an informal talk to members of the Provisional League of Women Voters of Framingon the subject of "The Tree of Tax Knowledge" in which she described the start of interest in taxes and how they developed.

Mrs. Locke is the author of a series of articles entitled "Judging Our Taxes," which appeared in recent issues of the bulletin of the League of Women Voters of Massachusetts.

Accompanying Mrs. Locke to Framingham was another member of the Newton League, Mrs. Harvey Karp. Mrs. Karp, a member of the Massachusetts League's Organization Committee, is serving as adviser to the Framingham League, while it is a provisional league.

Annual Bazaar to Be Held in New Trinity Parish House

Of great interest to the members and friends of Trinity Parish, Newton Centre, is the announcement that the annual bazaar will be held this year in the New Parish House which is due to be completed in the late fall. The bazaar, scheduled for Friday and Saturday, November 16 and 17, will mark the first large parish activity held in the long-awaited parish building, according to Rev. Howard R. Dunbar, rector.

Co-chairmen of the bazaar, Mrs. Helen Estabrook Grove and Mrs. H. Kempton Parker, have made a unique introduction by announcing a contest for the name of the fair, and are urging all members of the parish to send in their entries. Prizes for the winner and for runners-up will be awarded at the parish dinner on Friday, November 16. The judges: Mrs. Ward I. Cornell, Mrs. Worthing L. West, Dr. George W. VanGorder and Mr. Donald C. Root, will announce the winning name on June 17. Already at work on the Planning Committee with Mrs. Grove and Mrs. Parker are Mrs. Howard R. Dunbar, secretary; Mrs. Harry F. Morse, treasurer; Mrs. Harry S. Cross, assistant treasurer; Mrs. Harry W. Sutton, tickets; Mrs. Samuel B. Senior and Mrs. Arthur M. Stewart, decorations; Miss E. Nancy Cobb, properties. Mrs. D. Alan Smith and Mrs. A. Stephen Pierce are members-at-large.

Special and new attractions as well as traditional features will be found and already the following committees have been formed under the chairmen: Candy, Mrs. Walter J. Kreske; coffee and doughnuts, Mr. and Mrs. Alan J. Young; cold drinks, popcorn and hot dogs, "Pairs and Spares" Club; children's activities, Mrs. Robert Hill; evening entertainment (this year a double-feature) with the Mystery Magician and a one-act play by the "Pairs and Spares" under the direction of the curate, Mr. Frank N. Johnson; flowers, Mrs. Guxtave R. Breitske; gifts, the Oak Hill Group, Mrs. D. Alan Smith, chairman; grandmothers' corner, Mrs. Stewart Holmes, assisted by Mrs. Clarence King and Mrs. Robert Webb; handicrafts by the younger boys, under the direction of Mr. Richard Riley and Mr. Samuel Senior; homemade donuts, Mrs. Howard R. Dunbar; household table, Mrs. Henry S. Cross and Mrs. F. Hopewell Underhill; luncheon, Mrs. E. K. Mentzer; Midway, Trimarco, with Mr. and Mrs. Robert B. Purinton.

Robert B. Purinton as chairmen; Supper, Mr. A. Stephen Pierce assisted by Mr. Henry S. Cross and Mrs. Donald C. Root; Tea, Mrs. W. F. Fullerton and Mrs. B. Chester Heyman; Textiles, Mrs. M. D. Liming and Mrs. Joseph B. Jamieson; Tinsel Table, Mrs. Edmund W. Perry; Fleur-de-Lis, Mrs. Frank N. Johnston. And in the plans are also included a Pastry Corner, the Country Store, Silhouettes and the always attractive "Sara's Attic", run by Sara Herself — Mrs. Harry Ross, Jr.

Political Overtones

(Continued from Page 1)

Some political observers believe that the comparatively polite, well mannered conflict which has been waged in the Republican State Committee will do no more actual harm to the GOP than the Democratic battle royal will cause in that party.

That seems a little hard to believe at this point, but it is a fact that a few sharp words sometimes do leave a greater mark upon the GOP than a near riot does upon the Democratic party.

In the midst of the Democratic war, Chairman Burke, a seasoned politician who bears the scars of many political battles, has at least retained his sense of humor. Burke declares that the only accurate thing the Republican columnists have reported about his now famous breakfast meeting at the Hotel Northampton with Senator John F. Kennedy is that he, Burke, paid the $1.90 check for the breakfast.

Oregon Test for Stevenson and Kefauver.

Meanwhile, the eyes of the nation will be centered tomorrow (Friday) on Oregon where Adlai E. Stevenson and Senator Estes Kefauver will engage in a battle that may give one of them a psychological advantage for their important tests to come in Florida and California.

At issue in their contest will be Oregon's 16 votes at the Democratic national convention, but the effects of tomorrow's outcome will extend well beyond the borders of the Beaver State.

In some ways, tomorrow's Presidential primary in Oregon will be similar to that held last month in Massachusetts. The fight between Stevenson and Kefauver will be strictly a battle of write-in votes. The names of the two Presidential contenders will not be printed on the ballot. Persons who desire to vote for them must write in their names.

One big difference, however, is that the write-in vote, whether large or small, is binding upon the delegates, as many experts believe it should be in Massachusetts. Oregon delegates must carry out the mandate expressed by the voters in their polling places. That is why the vote in the Beaver State will be far bigger than it was in Massachusetts on April 24.

An unusual aspect to the situation is that Stevenson and Kefauver originally had some kind of gentlemen's agreement that they would stay out of Oregon and engage in no contest there.

Then it was discovered that under Oregon's law the State's 16 convention votes would go to the candidates who polled the most write-in votes, even though only a handful were cast.

That sent both Stevenson and Kefauver scurrying into the State and set the stage for the contest to be decided tomorrow.

The crucial battles between the two top Presidential aspirants will be fought in Florida and California, but there is no question that the man victorious tomorrow will be helped substantially by his win and that the man who loses will be slowed down in his quest for nomination.

This comes close enough to the Florida primary so that tomorrow's winner will be riding a wave of optimism that should buoy his supporters and workers for the coming tests.

Kefauver is regarded by most of the experts as having a slight edge over Stevenson in the State, but the contest started so late and the vote is expected to be so light that the observers are not allowing themselves to get very far out on a limb in their predictions.

Neither Stevenson nor Kefauver can afford a defeat. If one of them wins tomorrow in Oregon and then goes on to capture Florida and California, the other will be just about eliminated.

An interesting clash also will be settled tomorrow in Oregon for the right to oppose Senator Wayne L. Morse in the November election. Morse, of course, is one of the pet hates of the Republican party as a result of his action in shifting to the Democratic ranks after winning election as a GOP standard-bearer.

Douglas McKay resigned from his position as Secretary of the Interior in President Eisenhower's cabinet to make the fight against Morse, but McKay has received surprisingly stiff primary opposition from former State Senator Phil Hitchcock.

Recent polls have indicated that McKay held a fairly comfortable lead over Hitchcock, but the latter has been receiving expensive support from Republican leaders who feel that he might make a stronger candidate against Morse than would McKay.

One thing that Oregon indicates is that we do not have a monopoly on political confusion here in Massachusetts.

McDonough and Furcolo Top Democratic Contenders

Although it has been overshadowed by the State Committee imbroglio, stiff battles are being waged for the Democratic nominations for the top Statewide offices.

Executive Councillor Patrick J. McDonough appears to be leading in the race for endorsement for Governor by the Democratic State Convention to be held in Worcester on June 8 and 9.

His principal opponent is former State Treasurer Foster Furcolo, the nominee for U. S. Senator in 1954.

Furcolo's political strategy is heavily veiled with uncertainty. Reports have been circulated that he would bypass the State convention and make his big bid in the primary next September. Recently, however, Furcolo has been staging an intensive drive and has furnished all the outward signs that he is working toward the convention.

Some time ago, he announced that he would issue a statement making known his attitude toward the convention. As yet he has not done so. Possibly, he is awaiting the outcome of Saturday's Democratic State Committee meeting to determine the settlement of a probable fight to call off the convention entirely.

From this distance it does not appear that the State Committee can cancel out the convention. If it should do so, the Democratic Presidential electors from Massachusetts would be designated by Republican Governor Herter and ratified by a joint convention of the two branches of the State Legislature.

It would be a remarkable situation, indeed, if a Republican Governor were to pick the Democratic electors, one that is probably without precedent, and responsible Democratic leaders are hardly likely to permit it to occur in Massachusetts.

A third candidate in the gubernatorial field is Thomas H. Buckley of Abington, former chairman of the State commission on administration and finance, who says he is going to run in the primary, irrespective of what happens at the Worcester convention.

RANDOM CLIPPINGS

Here's a tip for local parking authorities. Out in Great Bend, Kans., the Rev. Raymond Knowles of the East Methodist Church solved a parking problem around his church by removing the ordinary no-parking signs and replacing them with signs which read: "Thou Shalt Not Park."

Specially trained, ferocious dogs are being used on sentry duty on Okinawa. Experts can convert a gentle dog to man-hating fury in six weeks of intensive training, but the animals never can be reconverted. Soldiers in heavy space suits are occasionally used to test the dogs which are mostly German Shepherds.

A woman telephoned the police in Butte, Mont., to report that her husband and pet chow dog had disappeared. "I don't care about my husband," she told the officer on duty. "It's the dog I'm worried about. He's under a doctor's care."

World travelers report that this is the hot season in India. In New Delhi, for example, the average daily temperature is 115, and it will remain about there until the rains arrive in July. It is a mark of social distinction in India to own an electric fan. A few really top persons have so-called desert coolers, a sort of primitive air-conditioner.

Mrs. James H. Burns Heads Council of Church Women

Mrs. James H. Burns, a member of the First Baptist Church, was elected president of the Newton Council of Church Women at the annual meeting held at Trinity Church, Newton Centre. Other officers elected were Mrs. R. Curtis Reed, Church of the Messiah, vice president; Mrs. C. L. Southmayd, First Church, Congregational, recording secretary; Mrs. Henry Beukelman, First Methodist Church, corresponding secretary; Mrs. Herbert Waterhouse, Union Church, treasurer; and Mrs. LeRoy B. Gould, First Baptist Church, auditor. Over 125 women from 19 parishes were present. Curate Frank N. Johnston welcomed the group in the absence of the Rector, the Rev. Howard R. Dunbar.

The theme of the day, which, as May Fellowship Day, was observed in more than 1000 Protestant churches in the state, was "Who Forms Your Opinions"? Mrs. Homer G. Bean, chairman of Spiritual Life, in leading the devotions stressed the importance of analyzing oneself to see what, in facing the issues of the day, one's standards are under the pressures of scores of opinion-makers such as the radio, newspapers, TV, and neighbors.

A proposed budget for 1956-1957 as recommended by the Cabinet was accepted by the delegates from the twenty-three member churches representing six denominations. This included $75.00 to the United Church Women of Massachusetts for use in state-wide work; $25.00 to the Massachusetts Council of Churches; $15.00 to the Japan International Christian University; $10.00 to the Protestant Monks Memorial Chapel at City Hospital. It was recommended by the group that these amounts be increased if additional funds are sent to the Council by individual churches.

Mrs. Elinor B. Widger, recording secretary, read the combined reports of the officers and committee chairmen. Outstanding among the reports was that of the Christian World Relations Committee under the chairmanship of Mrs. George Brookhiser. Included in their activities of the year were the taking of over 150 books and decorated containers of crayons to the Christ Child Society, Framingham Reformatory, Morgan Memorial, and an Episcopal City Mission; the donating of several dozen plants and cakes to the nursing homes in Newton; and the shipping of several hundred pounds of clothing to Church World Service to be distributed throughout the world.

The Rev. Sydney Adams, Executive Secretary of the Newton Council of Churches, in presiding at the installation of the officers and committee chairmen, stressed the value of pledging selves to "togetherness." He cited some of the accomplishments of a unified church effort in the city, such as the Hospital, Scout, and Nursing Home Chaplaincies, the United Canvass, and the Daily Vacation Bible School; and mentioned the possibility of a Youth Council and a Clergy Staff at the Newton-Wellesley Hospital, which are being planned by the Newton Council of Churches, as further indications of the value of co-operative work among the churches.

Committee Chairmen, appointed by the president, were named as follows: Miss Mary Barbour, chairman of the Nominating Committee; Mrs. Arthur T. Gregorian, chairman of Publicity; Mrs. George Brookhiser, chairman of Christian World Relations; Mrs. Wallace M. Ross, chairman of Christian World Missions; Mrs. Harvey F. Kazmier, chairman of Christian Social Relations; Mrs. Homer G. Bean, chairman of Spiritual Life; Mrs. Hugh L. Robinson, chairman of Leadership Education; Mrs. E. Tyler Parkhurst, representative of "The Church Woman" and "The Massachusetts Church Woman"; Mrs. Leonard A. Monzart, member-at-large.

Tax Rate-

(Continued from Page 1)

afford to take $900,000 from the surplus account.

If this were done, the city's rate would be $47.50, he said.

Neither Muther nor anyone else closely watching city finances expects the Aldermen to let this much come out of surplus, however.

Last year the city picked the surplus account for $450,000. It is expected that more will be taken this time but not as much as Muther recommends.

By taking from the surplus account, the city keeps the tax rate from climbing that much more.

Fiscal experts approve of "taking from surplus" — although just how much should be taken is a matter of dispute.

The taxpayers' association, interested in a low rate, maintains that leaving $300,000 in the account is safe. Brookline has less than $100,000 in its surplus account.

Based on an expected total valuation of $253,000,000, each $253,000 of the city's $14,679,268 budget adds a dollar to the tax bill.

Thus, for each $253,000 taken from the surplus account the city can reduce its tax rate $1. Muther's recommendation would mean almost $4 saved on the rate. Taking $500,000, a likely figure, would mean $2.

All such calculations will take another turn, however, if it is discovered this week that the city has more than $1.2 million in its surplus account as of March 31.

If it should have $1.5 million, a figure also rumored, it could take $800,000 from the account and leave $700,000 left in the account, a figure said to be favored by the city fathers. This would make the rate approximately $48.

The city is allowed to add to its year-end surplus account all collections from prior years on poll, real and property taxes, sale of tax titles possessions and redemption of tax titles. This figure is unknown.

Adult Education Center Campaign

What is so important and special about the adult education courses which are attracting millions across the land? The spiritual, creative, and practical all wrapped in one, said Dr. Amiya Chakravarty, former member of the Indian Delegation to the United Nations, at a campaign report meeting of the Boston Center for Adult Education yesterday.

Now a professor of comparative Oriental Religions and Literature at Boston University, Dr. Charkravarty said that "the Boston Center provides an adventure for each individual to refresh and reinstate himself by re-lighting his own lantern of knowledge shared together."

The mark of $11,000 towards the Center's goal of $128,000 was reported by the campaign workers. The Center is in its 23rd year, with an enrollment of over 100,000 during its history. Courses in 70 subjects are provided in living room style in an old Boston home.

Active at the Center from Newton are Miss Ann Field of Auburndale, campaign captain; Mr. Nathan Bugbee, of West Newton, campaign worker; Mrs. Frederick S. Bacon, of Newton, Director; Prof. James Constantine, of Newton Leader in courses Traveling through Europe; Mrs. Hilda Dewsnap, Newton Center, Advisory Committee; Marion Frost, West Newton, campaign worker; James H. Lewis, Newtonville, Director; Elizabeth McCarthy, West Newton, campaign worker; Charlotte Martin, Newton, campaign worker; Alfred Minshall, Newton, Advisory Committee and campaign worker; David Rost, Newton Highlands, campaign worker; Mrs. James Sullivan, Newton Center, campaign worker; Prof. C. Wroe Wolfe, Leader in course Geology for the Traveler.

Sisterhood To Hold Luncheon

At home in their new Temple building, the Sisterhood of Temple Shalom of Newton will be hostess at their Sixth Annual Luncheon to be held on Wednesday, Mary 23 at 12:00 o'clock. The program of the day will feature Herb and Betty Warner, one of the most original and exciting song duos in the country. This young husband and wife team perform with extraordinary freshness and charm, and have delighted audiences wherever they have entertained.

Mrs. William Kroner, chairman of this Spring Luncheon and her co-chairman, Mrs. Milton Schneider have been ably assisted by the following committee: Mrs. William Waldman and Mrs. Samuel Freeman, hostesses; Mrs. Maurice Bean, reservations; Mrs. Ben Dorson, decorations; Mrs. Bernard Hootstein, publicity, and Mrs. Ralph Karol, treasurer.

Hostesses were feted on the afternoon of April 30 at the home of Mrs. Bert Rabinowitz, 165 Cliff Road, Wellesley Hills.

Honored For Hospital Service

In a recent impressive ceremony, the Massachusetts Memorial Hospitals paid tribute to long time hospital employees. Among those honored were the following Newton residents:

Edward Murphy, 303 Tremont street, Newton, 10 years of service as senior technician; Worthing L. West, 56 Tyler terrace, Newton Centre, 10 years as comptroller; Dr. Bernard Zonderman, 42 High Rock terrace, Newton, staff physician for 10 years; Dr. Harry R. Mushlin, 58 Parker street, Newton Centre, staff physician for 15 years; Dr. Hollis L. Albright, 167 Dudley road, Newton Centre, staff physician for 20 years.

Reps. Thresher and Heaney Seek Re-election to House

REP. ARTHUR HEANEY

REP. IRENE THRESHER

Representatives Irene K. Thresher and Arthur G. Heaney announced this week that they will seek the Republican nomination for the House seats in the Fifth Middlesex District (Newton wards 4-6).

Mrs. Thresher will be seeking her fourth term and Heaney, who succeeded Mayor Howard Whitmore Jr. in early 1954, his second full term.

No Republican contests are slated in this district so far. In the Fourth District three Republicans have filed for the two seats, assuring a primary fight in September.

Mrs. Thresher, the mother of four children, three of whom are now married, has been active in Newton civic affairs for more than 25 years, in Girl Scouts, Red Cross, Community Chest and others.

She is a past president of the All Newton Music School, the Newton League of Women Voters, and the Waban Woman's Club. During the past two years, she acted as special gifts chairman for the Heart Fund in Newton.

Mr. and Mrs. B. Alden Thresher, who are members of the Union Church in Waban, have always been particularly interested in education.

Thresher is director of admissions at the Massachusetts Institute of Technology. Mrs. Thresher served as a member of the Newton School Committee for nine years, before her election to the General Court in 1950.

Last November she was one of the 40 delegates from Massachusetts to the White House Conference on Education.

In the General Court, Rep. Thresher has served on the committees on Education and on Public Welfare. In January 1954, the speaker of the House appointed her to the important Ways and Means Committee, the first woman ever to be appointed to that committee.

On this commitee she was instrumental in helping to further appropriations in regard to the problems on aging, the education of mentally retarded children and other educational and social legislation. Mrs. Thresher has had an excellent roll call attendance record.

In addition to her regular legislative duties, Mrs. Thresher has been active on recess commissions studying public welfare problems, child guardianship and adoptions, hospital reimbursements for welfare patients, educational television, state teachers colleges, and is at present on a commission studying the problems of the blind.

Last October, Mrs. Thresher was elected to the vice chairmanship of the Republican State Committee and president of the Massachusetts Federation of Women's Republican Organizations. In that capacity she has filled many important speaking engagements.

In the primaries on April 24, she was re-elected to the Republican City Committee and also elected as a delegate to the Republican National Convention in San Francisco, from the 10th Congressional District.

Heaney's legislative record is one of faithful attendance and consistent support of the policies of Governor Herter.

It includes membership on the committees on Public Service, Pensions and Old Age Assistance, and Municipal Finance, and an assignment as a legislative member on a Special Commission to study possible future use of the Newton water lands located in Needham.

He also sponsored a number of successful pieces of legislation, including a bill designed to protect purchasers of motor vehicles which have been submerged in water, and an act increasing the amount to be received outright by a surviving spouse in the case of a husband or wife dying intestate.

In 1955 he led a successful fight before the Department of Public Utilities against elimination of the station stop at Woodland station on the Highland Branch.

A resident of the Highlands since 1941, he has been constantly active in church, charitable and civic affairs.

He is a past president of the Oak Hill District Improvement Association, former treasurer and vestryman of St. Paul's Episcopal Church, lieutenant in the Newton Auxiliary Police, and is a member of the Newton and Massachusetts Republican Clubs, Republican Ward and City Committees, Newton Civic Association, Newton Highlands Men's Club, Newton Highlands Athletic Association, the Massachusetts Legislators' Association and Dalhousie Lodge, F.&A.M.

He has an expensive background in business administration and finance and is now conducting his own accounting practice.

For many years he was associated with Draper & Company, wool dealers, and more recently was assistant treasurer and controller of the American Conditioning House, Boston.

Business memberships include the National Association of Cost Accountants, Boston Wool Trade Association and Newton Chamber of Commerce.

Representative Heaney was educated at Oldershaw School, Wallasey, England and Boston University. He resides with his wife, the former Dorothy Clifford McClellan of Brookline, and their two sons Roger and Robert at 70 Shady Hill road, Highlands.

Emily Burdon Renamed at St. John's Church

Emily Burdon was elected for a second term as chairman of the Church Service League of St. John's Church, Newtonville. Other officers:

First vice chairman, Mrs. John R. Clark; second vice chairman, Scott Brent; recording secretary, Mrs. J. D. McMahon; corresponding secretary, Mrs. Leigh Packer; treasurer, Elizabeth Gordon; assistant treasurer, T. Arnold Joyce; church periodical club, Mrs. Elmer H. King; social activities, Mrs. Raymond Church.

Diocesan representative, Mrs. Ward Funk; ways and means, George Ferran; assistant ways and means chairman, Justin Allen; properties chairman, Mrs. Robert Erwin; publicity, Dr. and Mrs. Harold C. Martin.

Other leaders are: neighborhood groups, Walter Chase; Women's Guild, Mrs. Ella Frost; St. Elizabeth's Circle, Mrs. Stanley Griswold; St. John's Evening Group, Eleanor Bartlett; United Thanks Offering, Mrs. Herbert Smith; and youth activities chairman, George Briggs.

Newton Cleric Unitarian Group

Rev. John Ogden Fisher, minister of the First Unitarian Society in Newton, is the new president of the Suoth Middlesex Conference of Unitarian Churches, succeeding Rev. Robert A. Storer, Winchester Unitarian Society. Rev. Harold K. Shelley, Melrose Unitarian Congregational Society, was elected secretary-treasurer, succeeding Rev. Robert D. Richardson, Concord. Charles S. Bolster, Cambridge, was renamed vice president.

Two new conference directors named for three years are Mrs. Norris H. Hoyt, Arlington, and Mrs. A. A. Adams, Wellesley, who succeed Mrs. Edwin B. Goodell, Wayland, and Norris H. Hoyt, Arlington.

New officers of the South Middlesex Federation, Liberal Religious Youth, include Peter H. Cobb, West Newton Unitarian Church, president; Bessa Whitmore, recording secretary, also West Newton; Judie Lewis, Arlington, vice president; Kenneth Brown, Winchester, treasurer; and Nancy Getting, Belmont corresponding secretary.

David Ellis has been named to succeed Peter Cobb as president of the Jaynes League, LRY group at the First Unitarian Society in Newton, with Tom Salzer, vice president; Judy Skinner, secretary, and Jonathan Fisher, treasurer.

City Agencies Told of New Juvenile Aides

William E. Byrne, community consultant in Middlesex County for the State Youth Service Board told the Newton Agency Executives Group last Friday at the Newton-Wellesley Hospital that recent legislation has brought this consultant service in the field of delinquency prevention into nine areas throughout the State.

The Bureau of Research and Delinquency Prevention, he said, conducts research in all areas encompassed by the responsibility of the Division of Youth Service, both in rehabilitation and prevention and works closely with local community and private agencies in the prevention of juvenile delinquency, maintaining a consultation service which is available to any community in the Commonwealth through official request of its municipal government.

The nominating committee, headed by C. Evan Johnson, presented the following officers: chairman, Elizabeth Richardson; vice chairman, John A. McCarthy Jr.; secretary-treasurer, Eugenia T. Copeland.

Harold Wooster, out-going chairman, presided.

Robert E. Shillady of 31 Nehoiden road, Waban has been elected a vice-president of the National Association of Purchasing Agents representing the N. E. district of that association. Mr. Shillday is vice-president of the N. E. Power Service Company.

MRS. WILLIAM KRONER, 21 Tennyson road, Newton, who will serve as chairman of the sixth annual spring luncheon given by the Sisterhood of Temple Shalom of Newton.

Newton Girl Unhurt in Mountain Mishap

A Colby Junior College student from Newton Centre escaped injury Sunday in a New Hampshire mountain - climbing incident which resulted in an injury to a companion climber.

Sybil Sutton, 20, of Newton was among those who flashed word to a mountain lookout on Mount Kearsarge when a friend, James Moore, 20, from Rensselaer Polytechnic Institute in Troy, N.Y., fell about a quarter of a mile down the 2937-foot mountain..

Quick rescue operations were carried out via stretcher and Moore was treated for a dislocated shoulder and discharged from the hospital in New London, N. H. He had slipped on ice.

Newton Woman Escapes Injury in Car Upset

A 77-year-old Highlands woman escaped injury Sunday when her car was overturned in a two-car collision on Worcester turnpike.

Mrs. Katherine L. Goddard of 154 Lincoln street, Prohibition Party candidate for U.S. Representative in 1954, was treated at Newton-Wellesley Hospital and released when she was found to be uninjured.

David B. Fleury of 29 West Main street, Warren, operator of the other car, told police that he was proceeding east on Boylston street when the other car came out of Meredith avenue. Both cars were towed away. Sgt. Paul Donahue and Patrolmen Robert F. Mahoney who investigated the accident, said Fleury was also unhurt.

Your Cadillac Dealer
Proudly Joins in Celebrating the Dedication of the
GENERAL MOTORS TECHNICAL CENTER

The 1956 Cadillac Coupe de Ville in the dramatically beautiful lobby of the new Styling Section at the General Motors Technical Center

We cordially invite you to visit our showroom this week to celebrate the formal opening of this great institution—and to see and drive the magnificent 1956 Cadillac.

The opening of the fabulous new General Motors Technical Center in suburban Detroit heralds a new era of automotive advancement. No ordinary manufacturer's laboratory, the Technical Center is the world's largest establishment devoted to research in the industrial arts and sciences. More than ten years in the building, it occupies over 330 acres and employs four thousand engineers, scientists, researchers and stylists.

We hope that you will visit our showroom to help us celebrate this historic opening . . . and to see, inspect and drive one of the most brilliant examples of General Motors progress in styling and engineering—the 1956 Cadillac.

In beauty . . . in luxury . . . in performance . . . in everything that makes a motor car a joy to own and to utilize . . . it is unmistakably the "car of cars".

We will be happy to see you at any time—to give you the keys for a personal demonstration drive—and to acquaint you with some news about cost and delivery that we think you will find difficult to resist.

We'll be looking forward to seeing you!

Newton Woman Graduates From Advanced WAC Class

MAJ. ANN CUMMINGS

Major Ann Cummings of 51 Vernon street, Newton, was graduated today from the WAC Officer Advanced Course at The Women's Army Corps Center, Fort McClellan, Ala., and will be transferred to Europe for assignment.

Lt. Col. Emily C. Gorman, Deputy Director, Women's Army Corps, Department of the Army, presented the certificates of completion of the five month course to Major Cummings and the other 25 officers during the graduation exercises.

The daughter of Mrs. Jeannette H. Cummings, who is temporarily living at 920 Maplewood street, Anniston, Ala., Major Cummings entered service in November 1943, at Boston and served as an enlisted woman until entering officer candidate school in February 1945. Mrs. Cummings was a graduation guest of her daughter.

Graduating in May of the same year, Major Cummings was first assigned as physical training officer at Fort Des Moines, Ia., the first training center for the corps.

For three months in early 1946 she served with the Fort Dix, N. J., WAC Detachment prior to being transferred overseas where she first served as WAC Detachment executive officer for the Office of Military Government, U. S., in Berlin from June to October 1946. Named chief of WAC athletics in October, Major Cummings next served with the Officer of the Chief of Special Services, Headquarters United States Forces, European Theatre, she continued in that military field as assistant special services officer at Headquarters First Military District, European Command, in Badtolz, Germany, until June 1948.

In November 1950, Major Cummings was assigned to the WAC training center at Fort Lee, Va., first as chief of training aids branch for 16 months and then as a basic company commanding officer for 13 months.

Major Cummings moved to Fort Leavenworth, Kans., and saw duty as WAC detachment commanding officer from November 1950 until June 1952 when she was reassigned as information and billeting officer. Transferring to the Michigan Military District in Detroit in March 1953, Major Cummings was personnel management officer until November, 1955, when she reported for the Advanced Course.

Receiving a promotion from second to first lieutenant (temporary) in December 1946, Major Cummings became a permanent captain in July, 1949, and in November of the following year received the temporary rank of major. In August, 1952, the temporary rank was changed to permanent. During her 12 and a half years military service, Major Cummings has been awarded the Good Conduct, American Campaign, World War II Victory, Army of Occupation (Germany) and National Defense Medals.

A graduate of Newton High School, Major Cummings earned a B.S. degree in physical education at William and Mary College, Williamsburg, Va., in 1936 and is a member of Kappa Alpha Theta, national physical education fraternity.

In addition to formal classroom instruction during the WAC Officer Advanced Course, Major Cummings attended the Joint Civilian Orientation Course, a two-day demonstration of Infantry firepower, conducted at Fort Benning, Ga. She also participated in LOGEX-56, a six-day logistical exercise and map maneuver conducted by the Army at Fort Lee, Va., to stress the importance of maintaining continuous logistic support. More than 5,000 military personnel from all branch service schools of the Army participated in this annual exercise.

FOUR ATTRACTIVE SENIORS at Lasell Junior College, all members of its 200 voice chorus, the Orphean Club, take time out from a recent dress rehearsal to announce the 26th annual "Lasell Night at the Pops," scheduled this year for tomorrow night (Friday) in Symphony Hall. The girls are, left to right, Joan Showers, Pelham Manor, N. Y.; Nancy Ahlgren, Maplewood, N. J.; Carolyn Whitford, Belmont, and Cynthia Swett, Dedham. The Orphean Club, which has one of the longest continuous histories of any college singing group in this area, is under the direction of James H. Remley, supervisor of music in the Newton public schools.

Mrs. Getter Named Head of L. of W.V.

Mrs. Seymour S. Getter of 1 Cobb place, Waban, was reelected president of the League of Women Voters at the annual meeting on May 11 at the home of Mrs. George Bernat, 160 Dartmouth street, West Newton.

As a result of the past year's study of the Newton city charter, members voted for the following first item on the Current Agenda, as presented by Mrs. Lloyd Fogg, Local Affairs Chairman:

Study and support of sound community planning:

a. Strengthening of Planning Board, with emphasis on professional direction.

b. Protection and expansion of recreational facilities.

Mrs. Abraham Karff, Education Chairman, presented the second item of the Local Current Agenda, as a two-year study item. The League has been studying the needs of Newton youth and voted to continue this by concentrating on "A long-range study of the Guidance needs of Newton's youth".

A report of the past year's League activities was presented by Mrs. William Knickerbocker, recording secretary. She described the varied work of the League on the three levels of government. This ranged from big and little meetings on subjects such as Taxation, State Aid to Education, Remedial Reading, the United Nations, Individual Liberties, City Government, to visits to the Lyman School and Women's Correctional Institute at Framingham, conferences with city officials, and Voters' Service activities.

Mrs. James H. Zimmer, who with Mrs. Getter represented Newton at the convention of the League of Women Voters of the United States, described the four and one-half days spent earlier this month in Chicago as "a magnificent experience in democracy". In choosing the national program for the next two years, the delegates representing 1004 Leagues in every state, Alaska and Hawaii chose the areas for future concentration on the basis of total membership interest, rather than regional interest.

Massachusetts wrs also represented at the convention by a unique display in the "States' Fair" exhibit. The League of Women Voters of Massachusetts presented for the first time its new publication, "Massachusetts State Government—A Citizen's Handbook". This is the result of intensive research by members of the Massachusetts League, and has been called "a pioneer work in an unexplored field". Publisher of the new book is the Harvard University Press and publication date is June.

Elected to serve with Mrs. Getter were: Mrs. James Zimmer, first vice-president; Mrs. Isidor Slotnik, second vice-president; Mrs. Chester Lipsett, treasurer; Mrs. William Knickerbocker, recording secretary; Mrs. Richard Mitchell, corresponding secretary. Elected to the Board of Directors were: Mrs. David Cooper, Mrs. John Locke, Mrs. Joseph Nathan, Mrs. Charles Ryan, Mrs. J. Ernest Smith and Mrs. Maurice Strauss. Mrs. James Currens was elected chairman of the Nominating Committee with Mrs. Charles Worthen and Mrs. Joseph Miller.

Mrs. Getter announced the following appointments to the Board of Directors: Mrs. Morris Brown, Mrs. Milton Cohen, Mrs. Stanley Ebb, Mrs. Harold Isaacs, Mrs. Leo Jacobs, Mrs. Abraham Karff, Mrs. Harvey Karp, and Mrs. Jesse Stam.

Mrs. Jack Fisher was in charge of the hospitality committee.

Temple Emanuel to Fete President at Annual Dinner

Joseph Greenbaum, outgoing president of Temple Emanuel will be honored at the annual congregational dinner meeting next Wednesday at 6:30 p.m. at the Community Hall. Joseph G. Deitz, chairman of the board and president-elect will make a presentation on behalf of the Board of Trustees.

During Greenbaum's incumbency Temple Emanuel has increased in size by over 300 families so that at present it consists of 1162 member families. The Youth Activities program of the Temple has been greatly expanded and includes 950 young people who are enrolled in this program under professional guidance.

The Temple's Hebrew School program has grown so that it now comprises a student body of 974, of whom 715 are in the Hebrew School three 2 and five 2-day week afternoon program.

Temple Emanuel is a Conservative Jewish Congregation affiliated with the United Synagogue of America. Its spiritual leader is Dr. Albert I. Gordon.

Norman L. Cahners, 14 Prentice Rd., Newton Centre, has been elected a trustee of the Young Presidents' Foundation, recently established by the Young Presidents' Organization. He is a president of a firm that publishes industrial magazines.

Visiting Nurses Hear Talk on Cancer Detection

Dr. Gerald G. Garcelon, physician and surgeon with the Newton-Wellesley Hospital, spoke to the board members of the Newton Visiting Nurse Association and their guests on the subject of "Cancer Detection" this week.

Preceding Dr. Garcelon's talk two films were shown. The first one, "Man Alive" a film on prevention of disease that tied in closely with one of the major objectives of the Visiting Nurse organization. The second film was on "Cancer Detection of The Breast."

Both films emphasized the importance of safeguarding the health by regular physical examinations and competent medical care whenever disturbing symptoms appear.

NHS Gets Boost in Life Magazine

Newton High School got a nationwide boost in Life magazine last week.

Interviewed at M.I.T. where he is a senior, Robert Pollard ('52) touted N.H.S. at the finest secondardy school I know of." Pollard was pictured in Life at an intervew with representatives of leading industrialists. His advice to NHS students was:

"Don't worry about graduating from high school. College is nothing to be feared. It's just higher-powered, rougher and faster than high school."

Pollard will work with Proctor and Gamble this summer and return to M.I.T. in the fall for graduate work in chemical engineering.

Gartland Jr. AgainHeads Jaycee's

At the annual meeting of the Newton Junior Chamber of Commerce, held at Chef's Restaurant, Edward V. Gartland, Jr., was re-elected president for the years 1956-57.

Mr. Gartland, who is Chief Engineer of the Star Market Co., resides at 29 Gamber street, Auburndale with his wife Connie and twin daughters Pam and Sue.

In making the nomination of Mr. Gartland, Carleton Merrill-Past President and chairman of the nomination committee, paid tribute to the leadership that the president had given to the Jaycees during the past year. This leadership, Mr. Merrill stated, had accounted for the continued growth of the Junior Chamber of Commerce as well as the expansion of the number of projects and activities that the Jaycees had undertaken. These factors were the prime considerations that prompted the nomination committee to again seek the leadership of the president, Mr. Merrill concluded.

In accepting the nomination and re-election, President Gartland thanked the members and out-going officers for the support and co-operation that he had received during the past year. He stated that the Jaycee record of accomplishment was not the record of any one individual, but the record of an organization that had been bonded together by the true spirit of Junior Chamber purposes and meanings. Without the efforts of members and officers we could not have undertaken the number of projects that we did and with the same continued interest and support as well as the continued increase in members, the record of accomplishment this year will be broken next year, Mr. Gartland stated.

Other officers elected were: Albert C. Horton, internal vice president; John Stevens, external vice president; Dixon C. Matthews, treasurer; James T. Y. Chin, Nathan S. Clark, Richard E. Eagan and Robert Shaw as members of the board of directors. At the conclusion of the elections, President Gartland announced that William Bowers had been appointed secretary of the Jaycees.

At this annual meeting outgoing vice president, Robert Vaughan gave a summary of the year's activities of the Jaycees. These activities included Get Out the Vote, Olympic Fund Drive, Christmas Candy for the Walter Fernald State School, distribution of Safety Calendars, Distinguished Service Award Dinner, March of Dimes Record Hop, Teen Age Road-e-o Safe Driving test, Junior Golf, Junior Tennis, Miss Newton Pageant, assistance to Christmas Party for children of the Rebecca Pomroy Home, assistance to the White House Conference on Education and assistance to the Tenley Albright Home-coming celebration and parade where the Jaycees were the only civic or service organization to enter a float. Mr. Vaughan also mentioned the number of social functions held for the Jaycees and their wives as well as the attendance of some of the members to the State Jaycee Board meetings and State Jaycee Convention.

At the conclusion of the meeting the members of the nominating committee Prescott Brown, Thomas Fazio, Harry Hofford and Robert Vaughan were given a vote of thanks by the members for their efforts in making the annual meeting the most successful ever held by the Newton Jaycees.

Miss Newton to Be Chosen at Totem Pole Tonight

Selection of the "Belle of the Newtons" will be made tonight at the Totem Pole Ballroom at the Miss Newton Pageant which will feature entertainment by the 11 girls competing for the title and others.

Mayor Howard Whitmore Jr. will crown the lucky winner "Miss Newton of 1956" at the conclusion of the evening's entertainment bill. This is an official title bestowed by the city, enabling her to "reign" for the coming year.

Nelson Bragg of WBZ's "Swan Boat Show" will be master of ceremonies while an illustrious board of judges headed by Neal O'Hara, Boston Traveler columnist, will select the girl who will go on to compete for the Miss Massachusetts — and, it is hoped — the Miss America titles.

Each girl will be given an opportunity, through skits and other entertainment, to show her talent, poise and beauty..

Tickets are available at the Totem Pole box office.

Among the board of judges are Harold Anderson, principal of Claflin School, Joan MacArthur of the John Robert Powers School in Boston, Phyllis Haines, Herald - Traveler Fashion Editor, Mrs. Dolan, mercshandise buyer at Bonwit Teller, and Ralph Vandewild and Anthony Leon, residents of the Garden City.

Rapid Expansion Of One Hour Cleaning Service

Rapid expansion of the one-hour dry cleaning business "Martinizing" the most in dry cleaning, at 321 Washington street, Newton Corner, has resulted in the taking over of two additional store spaces on Peabody street, Mr. Spiegel announced this week.

Mr. Spiegel's "One Hour Martinizing" plant provides the latest in dry-cleaning methods.

Plant facilities and free parking in front for quick receiving and pickup are features of the bigger store that make speedy service possible, Mr. Spiegel said. Municipal parking areas are nearby.

He described the "martinizing" process as being "cleaner, brighter, odorless, more sanitary, leaving the clothes better pressed longer than ever before." Mr. Spiegel stressed the value of his scientific demothing methods in announcing the expansion.

Newton Man Seeks Maine Radio Permit

Sherwood J. Tarlow, 432 Chestnut street, Newton, has applied to the Federal Communications Commission in Washington for a new daytime radio station at Portland, Me.

An application by Tarlow is pending approval in Beverly. Tarlow is the owner of radio station WHIL in Medford and WGUY in Bangor, Me., president of the Mystic Disposal Corp. of Medford, and secretary and counsel for the Massachusetts State Broadcasters Association.

Shown above, following exercises held at Allen Riddle Hall at the Newton-Wellesley Hospital on Thursday, May 10, are the following recipients of 10-year merit awards: Seated, left to right: Mrs. Ward I. Cornell, Mrs. Benjamin Deming, and Mrs. Worthing L. West, aid president; rear row, left to right: Mrs. Mabel L. Hobbs, director of volunteers; Mrs. Riley J. Hampton, chairman of volunteers for the aid, and 10-year recipient; Mrs. Ethel Strater, Miss Mabel Rhoades, Mrs. Hugh Munro and Mrs. James Gibson. (See story on Page 3.)

Volunteers Honored by Hospital

At a special party held under the auspices of the Newton-Wellesley Hospital and the Hospital Aid Association last Thursday evening, at Allen Riddle Hall at the Hospital, awards were presented to 73 volunteers. During the dessert-coffee hour at which members of the Junior Aid served as hostesses, special music was provided by a trio from the All-Newton Music School.

Mrs. E. Stanley Hobbs, Jr., Director of Volunteers, made the presentations to Red Cross and independent Hospital Workers, while Mrs. Riley Hampton, Chairman of Volunteers, for the Hospital Aid, presented the certificates to Hospital Aid volunteers.

Greetings were extended by Mark C. Wheeler, President of the Hospital, who noted that the gift of some 41,000 volunteer hours on the part of more than 1100 individual volunteers, representing the equivalent of an entire cost of operating the Hospital for a period of 8 days, or a sum equal to the salaries of 14 staff nurses for a whole year. Mr. Wheeler expressed his very real appreciation to the volunteers for this outstanding contribution. Mr. William S. Brines, Hospital Director, also spoke briefly on the significance of the volunteer effort. Colored slides were shown of volunteers engaged in thie activities at the Hospital.

Dr. Morris Courtiss of the Department of Obstetrics at the Hospital, presented the principal address of the evening on "The Importance of a Good Community Hospital", in which he outlined the services of the various professional departments of the Hospital. Dr. Courtiss stated that the Newton-Wellesley Hospital was second to none as a community Hospital, and that it was equipped with the majority of the devices found in the modern teaching hospital.

4 Newton Men To Face Court In 'Bomb' Case

Four Newton men accused of taking part in the hurling of a fake bomb into a truck in Waltham two weeks ago will appear in Waltham District Court next Monday for a hearing.

All four denied throwing the article and were released without bail by Judge Frederic A. Crafts at their arraignment last week.

The men are:

Albert A. Proia, 19, of Joseph street; Robert C. Bove, 21, of Cook street, Army Pvt. Donald P. Adams, 18, of Emmons street and Pfc. Percy L. Sapp, also of Emmons street.

The men were charged with assault upon the truck driver, William P. Doucette, 21, a driver for Barry Controls, Inc., of 700 Pleasant street, Watertown, which has had labor trouble since early this year. A "bomb" constructed to look like two stick of dynamite was thrown into a Barry truck, police said. Only Proia is a striker at the Barry plant.

Paramount Home Improvement Expands Offices

Kurt H. Theophile, president of the Paramount Home Improvement Corporation announced this week a three-point improvement program for the Lower Falls firm located at 2300 Washington street.

Construction of a modern building with showrooms and offices for occupancy on Sept. 1.

Creation of a construction division to handle sales of room additions, interior finishing, basement and attic rooms with Walter A. Fuller Jr., formerly general manager of the Home Improvement Division in charge and Daniel Cadiff, divisional sales manager.

Appointment of Walter L. Reed as general manager of the Home Improvement division which specializes in porch enclosures and sales of nationally famous aluminum doors and windows, jalousie doors and metal awnings. Reed brings to Paramount more than 20 years of industrial sales, manufacturing and administrative experience.

Stapleton to Head Stowe-Woodward

Stowe-Woodward, Inc., of 181 Oak street, Oak Hill, has announced the election of David W. Stapleton to the position of president.

Stapleton, who has been executive vice president since 1954, succeeds E. W. Peterson, who will become chairman of the board.

In making the announcement, Stowe-Woodward said this appointment was the culmination of long range plans designed to insure continued capable management of the business while providing Peterson with more time to devote to policies attendant upon the rapid growth of the company.

Stowe-Woodward, Inc., with plants at Newton, Neenah, Wisc., and Griffin, Ga., manufactures custom rubber-covered rolls and mechanical rubber products for the paper and textile industries, and Ebonite Bowling Balls.

150 at Testimonial to Joseph Scrooe

About 150 persons attended a testimonial dinner for Joseph Scrooc, retired Newton Recreation Department foreman, at the Normandie room, Auburndale, last week.

Recreation Commissioner C. Evan Johnson presented a gift and Street Department Foreman Alfred R. Guzzi was master of ceremonies.

Entertainment included a piano duet by Joseph and George Delaney and music for dancing by John Ratta's Orchestra. Arrangements were made by John Nazzaro, Joseph Delaney, Frank Shea and Thomas Timmons.

Scrooc, a city worker for 36 years, had one of the longest service records in the city's history.

Woman Killed in Crash, Husband Gravely Hurt

A Newtonville grandfather whose wife was killed in a Sunday crash that injured their grandson was still in a critical condition at Massachusetts General Hospital at press time today.

Dead in the Sunday crash on Memorial drive, Cambridge, was Mrs. May R. Peltier, 47, of 22 Colonial avenue.

Still in a critical condition with head and chest injuries is Milton H., 49.

His grandson, Robert J. Peltier, 20 months, was reported in a good condition at the hospital.

The fatal accident occurred as the Peltiers' car swerved into a tree as they were taking their grandson from his home to those of relatives. Mrs. Peltier was pronounced dead on arrival at MGH.

Mrs. Peltier was driving when the car shot off the drive between Massachusetts avenue and Boston University. Both passengers were in the front seat, the child in a suspended "auto seat." The child is the son of Mr. and Mrs. Milton H. Peltier Jr. of 42 Oakland avenue, Newtonville.

The funeral will be held today from the Martin E. Conroy Funeral Home, 439 Washington street, Newton, with a mass at 9 in the Church of Our Lady, Newton. Burial will be in Calvary Cemetery.

Born in Brighton, Mrs. Peltier lived in Newton for several years. Besides Milton Jr., she leaves another son, Owen at home, and a mother, Mrs. Minnie Conant of Newton.

MRS. GEORGE ALLEN SMITH

MISS JEANNE GORMAN WED IN NEWTON TO GEORGE A. SMITH

Jeanne Louise Gorman, daughter of Mr. and Mrs. Raymond E. Gorman of 41 Gardner street, Newton, was married April 28 to George Allen Smith of Port Jefferson, Long Island, N. Y., son of Mr. and Mrs. Arthur A. Smith.

Rev. Ray A. Eusden, minister of Eliot Congregational Church, performed the double ring ceremony before an altar decked with snapdragons and carnations in Grace Episcopal Church. The reception was in the parish hall.

Given in marriage by her father, the bride wore a floor-length gown of embroidered nylon tulle and a blush pink illusion fingertip veil. She carried shell pink baby camellias and stephanotis.

The matron of honor, Mrs. Richard C. Schluter, sister of the bride, wore a pink nylon organdy and taffeta gown with a ballerina-length skirt, and a pink flowered head band with a veil. She carried feathered pink carnations in cascade.

The bridesmaids, Miss Patricia Broyer and Miss Betty Burke, wore similar gowns of blue organdy and taffeta and carried feathered carnations in cascade.

The bride's mother wore a mauve taffeta with lace inserts and the bridegroom's mother wore pale blue lace and net.

Richard C. Schluter, brother-in-law of the bride, was best man, and Gordon Davis and Archie H. Fraser, brother-in-law of the bridegroom, were ushers. Mrs. Earl Weidner played the wedding march.

Pink snapdragons and blue iris decorated the church parish hall for the reception.

After an air trip to Miami Beach, Fla., the couple will live in Georgia, where the bridegroom is stationed with the U. S. Army.

RECIPIENTS of the Silver Beaver awards at the Norumbega Council, Inc., annual meeting and banquet were, left to right, George M. Shannon, Philip VerPlanck, C. Howard Wilkins and Amos Kent.

Four Leaders Are Awarded Silver Beaver By Scouts

Four Silver Beaver Awards were presented to outstanding Scouters in Norumbega Council, Inc., Boy Scouts of America, held at the Normandie Room, cil at the annual meeting and banquet of Norumbega Coun-Norumbega Park last week.

The Silver Beaver is awarded to a registered Scouter for "distinguished service to boyhood." It is the highest award that a local Council can give.

Recipients of the award at the affair were Amos E. Kent of Newton Centre, George M. Shannon of Newton, Philip VerPlanck of Waban and C. Howard Wilkins of Newton Highlands.

Mr. Kent has been active in Scouting for many years. He has been primarily interested in the camping program of the Scouts of Norumbega Council, starting with his own training program sponsored by the Camping Committee. Since then he has been an instructor many times at camping courses, Judge and Chief Judge of Camporees and at all times his primarily been interested in showing by actual demonstration a better camping program to our Scouts.

Mr. Shannon has held almost all of the Pack, Troop and Explorer administrative posts. His work has been primarily with the Scouts themselves through all of these three programs, working with his four sons. As an executive, he has served as most of the Council officers, including President of Norumbega Council. His primary interest has been with the Scouts of the Council, particularly towards the Camping and Advancement program.

Mr. VerPlanck has been active in the Scout Movement since 1935. He has been active in Troop work with his sons, as well as local Twilight League Association, Civil Defense Organization, his local youth activities and the unit sponsored by his civic and church clubs.

Mr. Wilkins is a Scouter of Norumbega Council whose primary interest has been in the short-term and long-term camping program at Nobscot Reservation. Coming through the earlier Scout Movement with his son and his long association with the Camping Committee, his interest and effort in connection with Nobscot cabin and outside camping has been outstanding. Often a judge at a camporee and ever helpful as an instructor at many of the training courses, this man's outstanding contribution to the Scouts of Norumbega Council makes a fine record.

Boy Scout statuettes were presented in recognition of jobs well done. Recipients were Dana S. Hanson, Talmadge Fletcher, Robert Clinton, Andrew Rosenberger, Salvatore DeFazio, Jr., Edward T. Heckman, George M. Low, James R. Campbell.

Frederick K. Craig, Ranger at Nobscot Reservation, was presented the Wood Badge award. The Wood Badge is given to those who successfully complete the Wood Badge training experience which was instituted by Lord Baden-Powell in 1919. The experience consists of an eight day training experience. Learning-by-doing motivates all activities. Then the Scouter must have at least six months practical experience before he receives his final certification.

The Scouter's Key was presented to Robert Clinton. The Scouter's Award was presented to Warren Bjorn.

Veteran awards were presented as follows: ten-year, Frederick A. Newcomb, Neil W. Swinton; fifteen-year, Stanley W. Merrill, Curtis B. Forbes, Felix W. Knauth, John B. Starkweather, Carl N. Hamilton, Robert Clinton; twenty-year, Stanley W. Merrill, Jr., F. C. William, C. Howard Wilkins, Daniel Mordecai, Frank Dowcett, Percy E. Eden; twenty-five-year, W. Bradford Gove, Robert Austin, Richard B. Peirce, Winthrop Rhodes; thirty-year, George K. Sauerwein, Worthington L. West, Henry White, Franklin P. Hawkes; thirty-five-year, Richard F. Schroeder; forty-year, Albert C. Blunt, Jr.

McKay Is President of Homestead

Donald D. McKay of Newton Highlands was re-elected President, and Miss Adelaide B. Ball of Newton, Vice-President of the Friends of the Jackson Homestead at the annual meeting of the Friends held last Thursday at the Newtonville Library. Elected Secretary and Treasurer respectively, were Miss Loraine Cotting and Mrs. Edna M. Hammell.

A report on the activities of the committees through which the Friends of the Jackson Homestead function, was given by Miss Adelaide B. Ball, Vice-President, who paid tribute to the accomplishments of Mrs. W. R. Sears, Director and Curator, of the Board of Trustees, and of the committee chairmen, whom she likened to the "family" of the Homestead, with their varied responsibilities for the care and upkeep of the house, its furnishings and gardens, and entertainment of guests. She cited the special exhibitions of old china, choice samplers and sewing implements, and dolls, provided for the interest and entertainment of visitors to the Homestead, as well as the monthly Sunday open house afternoons, in which members of the local Girl Scout troops have participated as Junior hostesses. Outstanding among these was the Christmas party, featuring decorations by the Newtonville Garden Club and the Bell Ringers of Needham, and attended by over 500 persons.

Miss Ball announced the publication of a new pamphlet, No. 3 in the series of Jackson Homestead publications. "The Author's corrections to Francis Jackson's History of Newton" on sale now at the Homestead. These were compiled by Mr. George S. Fuller and Mr. Harold A. Wooster, of the Historical Committee, from handwritten notes by the author on his copy of the History which is now in the Library of the Homestead.

Miss Ball also announced that Mr. Fred C. Alexander will again offer next year for clubs and organizations, his illustrated lecture on old houses and historical sites in Newton.

The Nominating Committee, headed by Mrs. Alexander I. Peckham, Chairman, assisted by Miss Florence C. Bacon and Mrs. Henry R. Bankart presented the slate of Officers and Directors at Large. Mrs. F. Leslie Ford, Dr. Harold B. Gores, Miss Mary Lee, Mrs. Harry S. Middendorf, the Honorable Thomas Weston and Mr. Harold A. Wooster were elected Directors at Large, and Mrs. E. Graham Bates, a member of the Executive Committee.

Committee Chairmen for the year ending April 30, 1957 were appointed by the President as follows: Historical Committee, Fred C. Alexander, Editor of the Jackson Journal, Miss Elizabeth Allen; Ways and Means Committee, Miss Adelaide B. Ball; Co-Chairmen, Costume Committee, Mrs. Paul A. Chandler and Mrs. Harold A. Carnes; House Committee, Mr. George S. Fuller; Membership Committee, Miss Jean F. Howard; Flowers for Open House, Mrs. Ralph E. Keyes; Exhibits Committee, Mrs. Alexander I. Peckham; Publicity Committee, Miss Marjorie R. Phelon; Antiques Committee ,Mrs. Edward J. Sawyer; Grounds Committee, Mrs. Howard C. Thomas. These committee chairmen are also members of the Board of Directors, as well as the seven members of the Board of Trustees; Mr. Fred C. Alexander, Mrs. E. Graham Bates, Prof, Arthur S. Dewing, Dr. Sterling N. Loveland, Mr. Donald D. McKay, Mrs. Newel J. Trask and Mrs. Albert N. Walker. Mrs. W. R. Sears, Director and Curator, is also a Director.

Community Aid By Boys Of AZA

Newton AZA 947 has been in existence a little over a year. In that time the affiliate of the Newton lodge of B'nai B'rith has grown to include over 40 boys.

The boys have conducted an energetic community service program, including giving money to the Eliot Church, working with the Boston Aid to the Blind and the Boston Association for Retarded Children.

It is to the latter that the profits of the adbook, which came out May 12 at their dance at the Normandie Ballroom, were given.

Garden Festival to Take Place Next Wednesday

Nine of Waban's lovely gardens will open Wednesday, May 23, for the Garden Festival of The Union Church in Waban. Whether their interest in gardening is highly scientific or purely aesthetic, flower-lovers need only an admission ticket and low-heeled shoes to take them through the gardens of Mr. and Mrs. James S. Barrie, Dr. and Mrs. William P. Beetham, the S. Bruce Blacks, the Lawrence E. Blenheims, the John M. Powells, the David W. Skinners, the Frederick C. Steglichs, the Clifford H. Walkers, and the Hubert W. Younts, which will be open that day from 10 a.m. to 4 p.m.

A "Vestry Festival," held during the same hours, will feature a Garden Mart, where those who hanker to try their own green thumbs will find plants and garden equipment for sale. The Bake Shop will offer delicacies for dinner, and the Gift Shop will be stocked with attractive hand-woven table mats, garden books and accessories. A cafeteria luncheon to sustain the garden walkers will be served from 11:30 a.m. to 2 p.m.

In case of rain, the Garden Walk will be postponed until Friday, May 25, from 10 a.m. to 1 p.m. The Vestry Festival will be held Wednesday, May 23, whatever the weather.

The Garden Festival will benefit the church kitchen fund, and is being organized by Mrs. Shepard F. Williams. Her committees are:

Advisory Committee: Mrs. James S. Barrie, Mrs. Joseph C. MacDonald, Mrs. Alex R. Miller.

Treasurer: Mrs. Raymond W. Blaisdell, assisted by Mrs. Darthea T. Wells.

Luncheon: Mrs. Arthur S. Fairbanks and Mrs. Edward R. Chapin, co-chairmen, assisted by Mrs. Earl B. Colvin, Mrs. Richmond K. Fletcher, Mrs. Edward E. Landers, Mrs. William B. Marquis, Mrs. Alex R. Miller, Mrs. H. Donald Norstrand, and Mrs. Herbert R. Stewart.

Decorating: Mrs. Clarence I. Drayton, Jr., and Mrs. Charlesworth K. Neilson, co-chairmen, assisted by Mrs. W. W. Christmas, Mrs. Lytton H. Dowson, Mrs. H. Donald Norstrand, and Mrs. Ralph I. Schoonmaker.

Margaret Rich, Pioneer Social Aide Here, Dies

Margaret E. Rich, 72, author and social worker who for three years prior to World War I helped organize and direct the Newton Welfare Bureau, died recently in University Hospital, New York City.

An author, editor and specialist in the field of family social work for 47 years, she was a 1907 graduate of Radcliffe College and from 1909 to 1915 she served as a caseworker for the Boston Associated Charities at which time she became general secretary in Newton.

She served in France in World War I and received the Medaille de la Reconnaissance Francaise for her work with French refugees. After the war Miss Rich served in a number of positions with social work groups and was editor of a publication, "The Family," devoted to casework problems.

After retiring in 1952, Miss Rich wrote a biography of Josephine Shaw Lowell, a pioneer social worker and recently completed a history of the family social work movement in this country to be published later this year.

Temple Mishkan Tefila Is To Open For Holidays in '57

Completion of the Temple Mishkan Tefila in time for the 1957 High Holidays season has been assured, it was stated this week with the announcement that construction would start by Fall.

With $650,000 of the $1,000,000 building fund in hand, the temple is accepting new memberships, it was also announced.

Nathan Yamins, temple president and campaign chairman, said the land area on Hammond Pond parkway has been cleared for construction and that the proximity of the fund goal made an enlarged membership possible.

Percival Goodman, renowned synagogue architect, has completed plans for the buildings. Having designed many of the country's most admired religious edifices, Mr. Goodman states with authority, that this site is the most beautiful he has ever developed, and the structure combined with the surrounding natural landscape should provide the community with a Temple of unsurpassed beauty.

Provided for in the plans, are the main sanctuary, with a regular capacity of 1000, and an expandable capacity for the holidays of 2000, a social hall seating 1000, a schoolhouse of 14 classrooms, playground for children with necessary equipment to insure the latest recreational facilities, and parking facilities so planned as to maintain the beauty of the surroundings yet adequate for all temple needs.

The following endowed portions of the new buildings have been announced with additional endowed portions to be announced later:

The Yamins Chapel, the Selib Foyer-Entrance, Burg Rabbi's Study, Gondelman Gift Shop, Rosen Check Room, Goldberg Lounge, Stern Music Study, Freedman School Entrance, Izenstatt Officer's Room.

Pews and rooms and other areas offer attractive perpetuating opportunities for the temple family membership and information is readily available from the campaign office.

Here's Where the New Ideas Come From...

General Motors' new Technical Center—largest of its kind in the world—employs 4,000 engineers, scientists and stylists. These vast resources combine with Pontiac's own ultramodern engineering facilities to bring you America's greatest automobile value—Pontiac, a General Motors Masterpiece.
Watch "Wide, Wide World"—NBC-TV, Sunday, May 20 —report on GM's new Technical Center.

...and Here's Where they GO!

"CAN YOU SEE, STEER, STOP SAFELY?... CHECK YOUR CAR—CHECK ACCIDENTS."

You'll know the engineers have been up to something special the first time you ask this long, low beauty for action, for here's "go" you can't get anywhere else.
The "go" of the newest in high-compression, high-torque engines—Pontiac's Strato-Streak V-8, so advanced and so efficient it delivered more actual miles per gallon than any other "eight" in the Mobilgas Economy Run!
The "go" of the newest in automatic transmissions—Pontiac's Strato-Flight Hydra-Matic*, specially engineered for Strato-Streak power and smooth as silk at any speed!
Come on in and bring yourself up to date fast!

They're not subject to market fluctuation, there

Many people keep really large sums at Watertown Federal. They're glad to get fair dividends on what they have instead of trying for $64,000 on something risky.

They might make a bigger return on some investments, but most investments are subject to market drops and dips—some of which can wipe out several years of larger returns.

Just put your pile in Watertown Federal—"leave it lay" there peacefully earning that happy 3%, and count on getting every penny back when the time comes.

Girl Scout Area Meeting Is Held for Girl Scout Camp Project

"A camping experience is a dream which should come true at some point in the lifetime of every child," Mrs. Thomas S. Derr, President of the Newton Girl Scout Council told workers at area meetings of the Newton Girl Scout Camp Fund Project this week.

Announcing that the goal for the Project is $50,000 which will help toward the purchase of a new established camp site in southern New Hampshire for Newton Girl Scouts, Mrs. Derr asked for the cooperation of parents of active Brownie, Intermediate and Senior Scouts, parents of former Scouts, parents of future Brownies and community minded citizens with an interest in the youth of Newton.

"No other youth agency recognizes the need for a camping experience to a fuller extent than the Girl Scouts and nowhere is greater value received," said Mrs. Derr.

"Because of the emphasis on living the Girl Scout promise and laws in daily sharing with good companions, and concentrating on a program of progression in skills, especially in the arts and in nature, girls have an unequalled opportunity to learn tolerance, appreciation of their fellow campers, self reliance and the rewards of nature study, including the art of survival in the out of doors."

"Now, through the new camp fund," Mrs. Derr concluded, "everyone has a chance to share in making fondest dreams come true for the Girl Scouts, a camp which will serve more girls in more ways than ever before possible for Newton."

The Newton Girl Scout Council has received permission from the Newton Community Chest and the United Community Services of Metropolitan Boston to conduct the camp campaign. The drive runs from May 15 to June 15. Mrs. Arthur T. Gregorian, past President of the Newton Girl Scouts is general chairman of the Camp Fund Project.

As the camp drive began last week, Mrs. Derr received a contribution from a "Fly-Up" Brownie troop, (girls of the fourth grade preparing to become Tenderfoot Scouts), who wrote: "Dear Mrs. Derr, We would like to contribute $10.00 to the camp fund because we think it would be nice to have a new camp. We are all excited about going, the summer of 1957."

Sincerely Fly Up Troop 191, Phyllis Shapiro, scribe.

Harvard-Newton Expands Summer School Programs

Folk dancing has been added to the "arts festival" classes of the Harvard-Newton Summer School and the program itself has been expanded to include 10th and third graders.

This was announced yesterday by Director Raymond W. Blaisdell, principal of Weeks Junior High School, who said the program may expand next year to include 11th graders as the need for more secondary school teachers increases.

ABOUT 80 vacancies for the regular Harvard-Newton program are left, Blaisdell said. From the more than 400 students from nine towns in the regular program will be chosen the 75 pupils in the arts classes.

Elementary level courses in the arts program have been discontinued this Summer, Blaisdell said. Pupils on the upper level will receive instruction in art, the dance, choir, orchestra, band, French, industrial arts and recreation. The arts tuition is $12 for the first or last three weeks or $20 for the full six weeks.

Efforts to induce more youngsters to register for Summer courses led this year to union with the Newton Summer High School program in offering to ninth and tenth graders biology course for credit, Blaisdell said. Tuition is $17 for Newtonites and $20 for outsiders in the regular summer program.

The arts festival will run from July 2 to Aug. 10, and students will be able to enroll for three-week and six-week periods.

Teachers in the arts festival, and their subjects, include:

Arts workshop, covering painting, modeling, and ceramics: Eleanor F. Eliott, art supervisor in the Newton public schools.

Choir, part-time singing: John Corley, director of instrumental music in Brookline public schools, director of the M.I.T. Symphony Orchestra and Concert Band.

Dance workshop: Sandra Bowman of the dance department of the Boston Conservatory of Music. Creative and folk dancing.

Conversational French: Dr. Rose-Marie Daele, chairman of the modern languages department, Hunter College High School, New York.

Industrial arts: training in uses of wood and plastics, with machine tools: Joseph Sylva, teacher and consultant for industrial arts, Newton public schools.

Orchestra and band, training in small groups: John Corley.

Recreation: supervised games, swimming and tennis between classes.

Sacred Heart H.S. News

Gail Stephenson is the recipient of partial scholarships to Regis College and to Good Counsel College. This makes four for our Senior Class secretary. Congratulations!

Larry Welch, WCOP, was the guest disc jockey at the CYO Caravan Dance on April 20 in the High School auditorium. Father McElroy, the new CYO and athletic association director, presented the CYO award to Winifred Murphy, senior vice-president and girls' basketball star, and to James Fitzpatrick, sophomore star pitcher of the baseball team. Winnie and Jimmie were chosen the pupils best exemplifying the standards of the CYO in the school. This choice was unanimously made by the students, sisters, priests and coaches.

Edward Mulhern and Francis Garrepy, seniors, placed first and second, respectively, in the City of Newton teen-age Road-e-o Driving Contest. On May 14, they will compete for the State Championship in Holyoke. Congratulations and Good Luck, boys!

The First Communion of the Sacred Heart parish children was held Saturday morning, May 12.

The S. H. S. May Procession was held Sunday afternoon, May 13, in the Sacred Heart Church. Ann Marie Haley, a senior, has been chosen the May queen.

On Thursday, May 10, the seventh through the 12th grade pupils and their parents attended the annual athletic banquet in the school hall. Jimmy Piersall, Red Sox star outfielder, was the guest speaker. The sports awards and jackets were given to our own school stars. We are glad to report it was an enjoyable event!

Last week, the S.H.H.S. student body elected next year's officers of the Athletic Association and the captains of the basketball teams. The A. A. officers are Bob Barry, presidnet; Jim Fitzpatrick, vice-president Connie Crean, treasurer, and Liz Hoppe, secretary. The boys' basketball co-captains are Bob Barry and John McNeil. Janet O'Keefe and Marcia Papineau were elected the girls' basketball co-captains. Paula McMinn replaces Brenda Murphy as head cheerleader.

Fun Day, May 12, was held in the parking area on Crescent avenue, Newton Centre. The Guild of Saint Francis sponsored a food sale for the grown-ups. For the children there were pony rides, games, all sorts of candy, ice cream, hot dogs, drinks and many, many prizes. Everyone come and have fun!!

The baseball team has won five games and lost one. Keep up the good work, boys!

Jervais Long won first prize in the Diocesan Art Exhibit. She received a gold medal certificate for her work! Congratulations and Good Luck in future competitions!

The Senior Prom will be held June 1, in the S.H.H.S. hall. Preparations are being made now for a gala event.

On Sunday evening, June 3, Bishop McKenzie will preside at the graduation of the Class of 1956.

Bits From Bigelow

LIBRARY NEWS

Bigelow's library is proud to report that the circulation of books in April topped that of April, 1955, with about 600 books in circulation. Last January, 1956, more than 925 books were taken from the library, which exceeds that of any other month in Bigelow's history. The need for more references for the many reports has been apparent. Therefore, many new pamphlets have been added to our criculation.

Doris Axelrod, Gr. 8.

TENNIS

The girls at Bigelow have tennis classes during the day, with Miss Martha Mitchell, gym teacher. After school tournaments are being held between individuals of the 7th, 8th and 9th grades. About 125 pupils have signed up for the singles tournament. Miss Elizabeth Myer is in charge. Also there will be coaching and tennis instruction on Monday through Thursday after school with Miss Myer.

Carol Wenstrom, Gr. 7

SOFTBALL TEAMS

Bigelow Junior High School girls have just started their softball tournaments. These games will be held the following days after school:

7th grade on Wednesdays.
8th grade on Mondays.
9th grade on Thursdays.

Weather permitting, these games will be played through the whole season. There was a turn-out of 165 girls, with three teams from the 9th grade, five from the 8th grade, and seven from the 7th grade. The students choose their own teams and captains. Many teams have unusual names. Miss Mitchell, Bigelow's gym instructor, was very pleased with the large turnout.

Jackie Zebal, Gr. 7

VOLLEYBALL GAME

The Student-Faculty volleyball game was played on April 5th, after school. The men teachers wore what they considered to be athletic outfits, topped off with aprons. The students wore they gym clothes. They played several games of volleyball, complete with hi-jinks. The games were interesting and amusing. (P.S. The teachers won most of the games! !)

To Make Awards

At the May meeting of the Joshua Loth Liebman Lodge and Chapter of B'nai B'rith, to be held Tuesday, May 22 at 8:30 p.m. at Temple Emanuel, Ward street, Newton Centre, Dr. Lawrence Perlmutter, chairman of the Americanism and Civics Affairs Committee, will make the following awards:

The annual scholarship award will be given to Lawrence Lipson, a senior at Newton High School, for outstanding scholarship, leadership and character. The selection was made possible through the cooperation of Miss South, in charge of scholarships, and Dr. Barry, principal, of the Newton High School.

The annual Americanism Citation for Meritorious Service, will be awarded to Mr. Kenneth Prior in recognition of outstanding service in community and civic affairs. He is a former alderman, of the City of Newon, and has been active in civic and fraternal affairs.

filene's

high school seniors!
high school graduates!

Do you like to work with people? sell? buy? type? decorate? paint? keep books? work with figures? with your hands? or your head?

we're looking for help!

filene's has openings at the main store and its seven branches . . . openings that we want filled by you!

Maybe you'd like to sell . . . we need salespeople. Or maybe you want to work behind the scenes with buyers, doing clerical work, keeping count of stock. If you're handy with tools, like to work with your hands, we want you in our operations division . . . helping to keep our stores shining clean and in good repair.

Or maybe you prefer working with figures, making bill adjustments, sending out bills, typing, reading reports and the story they tell.

but whatever it is you like to do, filene's is likely to have that kind of job for YOU!

Perhaps you're Sally who plans to be married and doesn't want to work for more than a year. We have work for you!

But perhaps you're Bill, who either can't or doesn't want to continue school. We have a wide variety of training courses leading to a fine future, a chance to get ahead. We have on the job training and work for pay at the same time!

You know, filene's is the world's largest specialty store. And within our walls there are 700 different KINDS of jobs . . . jobs filled by 4,000 people. Yet we need more. We seem to grow in leaps and bounds . . . our branch stores are always bursting at the seams with progress and we're now planning two other stores in large shopping centres on Boston's North and South shores. So, you see, we are growing and we need help. Especially as our people are promoted, new vacancies appear. (We believe in promoting from within. You show us what you can do, and we'll see you have the chance to do it!)

Perhaps you haven't done too much thinking about what you want to do come June and graduation. Or you're dissatisfied with the job you now have but aren't really certain what you do want. That's all right. Our personnel office wants to see you, to talk with you, to tell you about the many jobs we have . . . jobs we want filled by you. It's friendly interviewing and you may learn a lot about yourself . . about abilities you didn't even know you had!

Come in and talk with
our personnel representative in filene's Chestnut Hill
any time during store hours

We're interviewing for jobs in filene's Boston, Chestnut Hill, Wellesley, Winchester, Belmont stores, and Needham Service Bldg.

Mrs. Jacqueline Cooke was elected recording secretary and Mrs. Susan Rothenberg was elected corresponding secretary. John P. Barton, former candidate for alderman-at-large in 1955 and for State Representative in 1954, was re-elected treasurer.

Representatives for the wards elected are Mrs. Ruth Shapiro, Ward 1; Miss Patricia Brennan, Ward 2; Mrs. Betty Taymor, Ward 3; Mrs. Mary Snyder, Ward 4; Harold Hurst, Ward 5; Milton Cook, Ward 6, and Francis P. Conroy, Ward 7.

Nominating committee members for next year are Mrs. Sally Corwin and Francis P. McGuinness.

In his acceptance speech Mr. Scheff paid tribute to the work done in the past year by retiring president Robert S. Lesberg. About 70 persons attended including Alderman Leo M. Cannon, MDC Comissioner Milton Cook and Warren Griffin candidate for county commissioner.

Zoning-

(Continued from Page 1)

Public Works Department said that since there had been only six minor accidents at the site in six years, a rotary is not warranted there.

In the end, observers agreed, this may prove to be the greatest obstacle to those who want to zone the 30,400 square feet of land as Residential E.

On the other hand, Harris L. Reynolds, representing the zone-change petitioners, said that based on previous decisions, the courts would uphold a zoning change if it had been ordered by the Board of Aldermen.

He stressed the traffic hazard in pointing up his argument for the zone change. He said 136 petitioners were behind the move.

Reynolds denied that such a change would be "spot zoning," since most of the land on the south side of the site (on Winchester street) contains houses.

But Alderman Ernest G. Angevine, representing Thomas Gallinelli of 28 Surrey road, Newton, owner of the land, said the lot is an "integral part of the Miracle Mile" of industrial sites on Needham street.

Zoning laws, he added, have to meet the physical character of the surrounding area.

Gallinelli himself maintained that in his 43 years in the city the land had always been used for industrial purposes, even before many of the homes on Winchester street had been built.

Ellis Gates, a real estate expert, said the site's location on a main street with other industrial plants nearby, indicated that its most valuable use would be industrial.

Opponents claim that congested traffic conditions at the junction would be worsened with the addition of a 10-car laundry.

Pending before the Board of Aldermen is a request for a laundry permit. It is not expected to be acted upon until the Board has ruled on the zoning petition.

Laundry proponents have threatened to take the case to court if the land is rezoned after 34 years as industrial property.

Others who urged the change to Residential District were Spencer F. Deming of 67 Carl street, Highlands, representing the Charlemont Improvement Association, Ian Malcolm, 118 Wiswall road, Oak Hill Park, president of the Oak Hill District Improvement Association; Richard M. Payne, 112 Winchester street; Henry Allen 174 Winchester street, and Jules Sherman, 142 Winchester street.

Mr. Bowen points out that in no field has technological advancement been more swift and far reaching than in the field of weights and measures, well illustrated by the importance of this science in forthcoming automation projects. Featured will be manufacturers' displays of the latest in weighing and measuring equipment including recently unwrapped electronic scales. Motion pictures and lectures bearing on the newest techniques of testing and of enforcement of weights and measures laws will be presented to the attending officials. Included in the program will be a visit to the National Bureau of Standards to view their current activities and to participate in technical discussions.

Health officials described the program's opening days as running "very smoothly."

Plans are made for children who miss their shots when given at their own school to receive them at some other city school as the program progresses.

State Health officials say there will be enough vaccine for second shots by Aug. 1, but this does not mean that pupils will receive the second inoculation this Summer since the advent of the polio season in July may preclude any vaccine program until the Fall.

A decision on "summer shots" will be made sometime next month by the State Polio Advisory Committee, made up of some of the world's leading authorities on infantile paralysis.

The local program is directed by Dr. Henry W. Godfrey, acting health commissioner. Two teams of four doctors, assisted by six city Public Health nurses and six Red Cross volunteers apiece, are carrying out the program in the schools.

Plan Dedication of Temple Shalom

This is a new Temple — a modern Temple — in an old community. It is Temple Shalom of Newton, — a schoolhouse and sanctuary recently completed for a congregation newly established in 1950. Of contemporary design, the new Temple has been erected at 185 Temple street in West Newton and will be dedicated with servics and festivities which started Tuesday of this week and will continue through May 23.

The Temple and some of its contents combines the talent of three Greater Boston artists of international fame — Samuel Glaser, of Newton, the architect; George Aarons of Brookline, the sculptor; and Napoleon Setti of Boston, who designed the stained glass windows

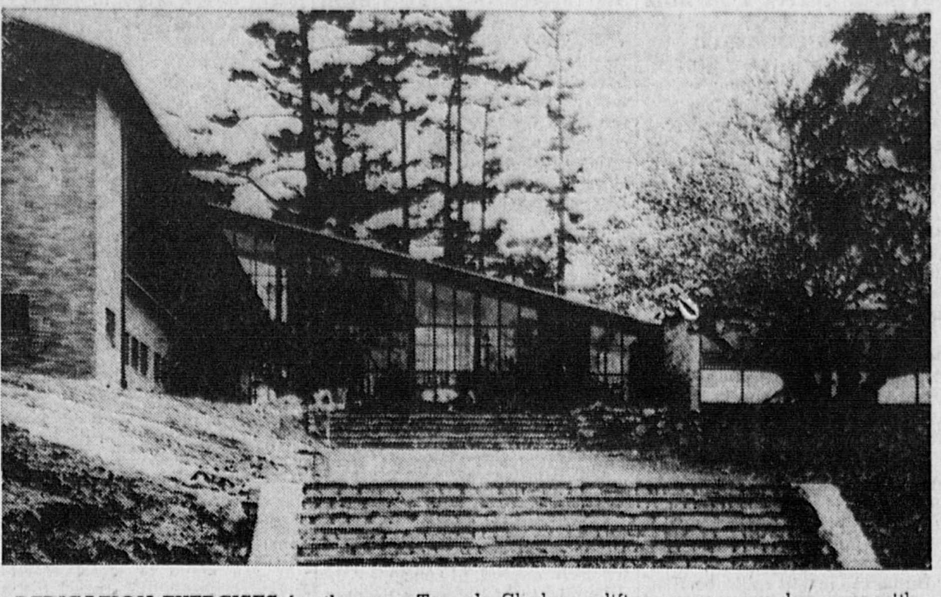
Spiritual leaders of Newton churches will participate at the Sabbath Eve of Dedication tomorrow evening (Friday). The dedication ceremonies will include responsive readings led by the Rev. Sydney Adams and greetings extended by the Rev. Dr. Ross Cannon. Greetings will also be sent from the Hebrew Union College by Abram Berkowitz. A presentation of the Key to the Temple will be made by Howard Rubin, chairman of the Building Fund and accepted by the president of the congregation, Bernard D. Grossman with the dedication message given by Rabbi H. Bruce Ehrmann. Rabbi Murray I. Rothman, spiritual leader of Temple Shalom will deliver the Dedication sermon. Services will begin at 8:00 p. m., and will be followed by a reception in honor of Temple Shalom's distinguished guests.

This Saturday there will be a Dedication Banquet in the new Building with the dedication address to be delivered by Rabbi Solomon B. Freehof of Temple Rodef Shalom of Pittsburgh, Penn. Greetings from the community will be extended by Mayor Howard Whitmore, Jr., the Reverend Ray A. Eusden, and Rabbi Albert I. Gordon. Robert E. Segal, the first president of Temple Shalom will be the toastmaster.

An invitation has been extended to the Community of Newton to attend an Open House and Reception Sunday afternoon, May 20, from 3:00 to 5:00 p. m. Members of the congregation, their friends and neighbors in Newton have been invited to inspect the new Temple Shalom building. In addition there will be an exhibition of paintings, ceramics, sculpture and other hobbies by members and children of Temple Shalom on display. Ushers will be available for information about and guidance through the new building.

Confirmation services were held Tuesday evening, and a children's Dedication service was held yesterday (Wednesday). A luncheon sponsored by the Sisterhood on Wednesday afternoon, May 23 will complete the Dedication ceremonies. The officers and members of the Executive Board of the Sisterhood will be elected at this sixth annual luncheon the first "At Home" in their new building.

And "Thus all the work that Solomon made for the house of the Lord was finished."



DEDICATION EXERCISES for the new Temple Shalom edifice are now under way with proper observances. Photo above shows the main entrance on Myrtle street. (Photo by Gordon R. Wilk)

Liebman Lodge

The final meeting of the season of the Dr. Joshua Loth Liebman Lodge and Chapter, B'nai B'rith, will be held on Tuesday evening, May 22, 1956 at 8:00 p.m. at Temple Emanuel Vestry, Ward street, Newton Centre. Dr. Lawrence Perlmutter, second vice-president of the Lodge, will present the Americanism and Civic Affairs Award to Mr. Kenneth Prior, probation officer and former alderman of the City of Newton. The annual Scholarship Award will be presented to an outstanding senior of Newton High School.

A musical program will be presented by the AZA Boys and the Newton B'nai B'rith Girls, under the supervision of Mr. Myron Morse, Mrs. Irving Goodman and Mrs. Ralph Feldman.

Program chairmen are Mr. Milton Korngut and Mrs. Leo Becker. Mrs. Myron Morse, hostess for the evening, will be assisted by Mrs. Joseph Freshmen and Mrs. Manual Flashman.

Raymond Stevens Speaker At NHS Graduation June 9

Raymond Stevens, president of Arthur D. Little, Inc., Cambridge research firm, will be the principal speaker at the Newton High Graluation Exercises Saturday, June 9, at 7 p.m. in Dickinson Stadium adjacent to the high school.

A leader in industrial research, Stevens is also vitally concerned about the advancement of the nation's educational and training facilities.

His firm of research consultants, under Stevens' guidance, has pioneered a program of cooperation between school and industry, designed to get more mathematics and science specialists into the classrooms as teachers.

Stevens has long been concerned with extending the use of laboratory methods into new areas of industrial research. His has been the first of the consulting companies to use the new applied science of operation research for industrial problems. He also helped develop flavor and odor research, which has contributed to the solution of production and product problems.

Stevens' leadership in industrial research has been exemplified by his work with the National Research Council.

In 1939 he served as director of the Survey of Research in Industry. During World War II, Stevens was Chairman of the Committee on War Use of Research Facilities, and in 1955 he became chairman of the Advisory Board on Quartermaster Research and Development.

He has held important positions with the American Chemical Society and the Society of Chemical Industry, and is president of the Woods Hole Oceanographic Institution.

He has published numerous articles in the area of management and research and was editor of Volume II of "Research . . . A National Resource."

34 To Graduate From Sacred Heart

Monday, June 4, Dr. Karl Stern, M.D., will give commencement address to the thirty-four members of the graduating class of Newton College of the Sacred Heart, 885 Centre street, Newton Centre. Archbishop Richard J. Cushing will preside at the conferring of degrees at 5:30 p.m., and he will be followed by Dr. Stern who will speak on "The Idea of Womanhood in the World Today."

Dr. Stern is the noted German psychiatrist whose convertion from Judaism to Catholicism formed the subject matter of his best seller "The Pillar of Fire" which was awarded the Christopher Award in 1951.

Born in Bavaria, Dr. Stern studied medicine at the Universities of Munich, Berlin and Frankfort, and practised in Germany and England. He is now Professor of Psychiatry at the University of Ottawa and Chief of the Department of Psychiatry at the Ottawa General Hospital. He has recently published "The Third Revolution" Harcourt, Brace, which deals with psychiatry and religion.

The class of 1956 will be the seventh class to have graduated from this ten year old institution. The graduates represent ten states and one foreign country. There are 3 students from Milton; 2 from Chestnut Hill; 2 from Stratford, Conn.; 2 from Lowell; 1 from Boston; 1 from Brooklyn, N. Y.; 1 from Wyandotte, Mich.; 1 from Hancock, N. H.; 1 from Scarsdale, N. Y.; 1 from Norwood, Swampscott, Charlestown, Uxbridge, Belmont, Newton Centre, Arlington, Worcester, Mass.; 1 from Millburn, N. J.,; 1 from Detroit, Mich.; 1 from Neponset, Long Island, New York; 1 from Ardmore, Pa.; 1 from Providence, R. I.; 1 from Grosse Pointe Farms, Mich.; 1 from Cranston, R. I.; 1 from Evanston, Ill.; 1 from Grosse Ile, Mich.; and 1 from Ottawa, Ont., Canada.

NHS Choir Gives Museum Concert

The Newton High School Music Department celebrated another of its memorable "firsts" last Saturday when the 60-member A Capella Choir under the direction of Wesley Merritt performed at the Gardner Museum in Boston.

This appearance marked the first time any high school had ever been invited to sing at the museum which presents noted choral groups.

Newton Couple Burned to Death in N.H. Crash

Funeral services were held this week for a Newton real estate man and his wife who were burned to death in a truck-car collision in Boscowen, N. H., last Friday.

Mr. and Mrs. David A. Finn of 501 Beacon street, Chestnut Hill, were returning from Dartmouth College, where they had left their daughter, Judith, for the weekend, when their car collided with a gasoline truck.

The resulting fire claimed the lives of the Newton couple as the truck driver, Wallace M. Fisher, 35, of West Lebanon, was unable to rescue them as he leaped free of his truck.

Mr. Finn, 52, and his wife, Hilda J., 47, were identified by their son, Robert, a senior at Harvard University.

Mr. Finn was the owner of the Manor Hotel and of Dave Finn's Erin Cafe on Dartmouth street, the Back Bay.

The truck wgas en route from Revere to South Royalston, Vt., when it collided with the car on a hill in Boscowen. Fisher told police his trailer jackknifed when he attempted to avoid the Finn car.

Smoke from the accident was visible for more than 20 miles and traffic on heavily-traveled Rte. 4 was tied up for more than two hours by the accident.

Theological School To Graduate Record Class

A record graduating class of seventy-four will receive degrees from Andover Newton Theological School, Newton Centre, at Commencement exercises next Monday, the Rev. Dr. Herbert Gezork, president announced.

Seventy-nine degrees will be conferred on the 74 graduates who represent 23 states and two foreign countries.. The previous largest class was in 1954 when 57 received degrees.

Andover Newton comprises the oldest Baptist and Congregational seminaries in America. The two-day ceremonies this year, beginning with the baccalaureate on Sunday, May 20, will mark the 149th year of school activity. Elaborate plans are being made for the 150th anniversary observance next year.

The school has 500 graduates serving in New England, 781 more throughout the United States and 119 additional serving in 34 countries abroad.

The Rev. Dr. Herbert Gezork, president, will be the speaker at the baccalaureate service on Sunday night, May 20, at 8 p.m. in the First Church Congregational, Newton Centre. His subject will be "This Religious, Pagan America." A communion service will follow in the school chapel.

On Monday morning at 10 a.m. in the First Baptist Church, Newton Centre, the commencement speaker will be Dr. Julius S. Bixler, Ph.D., D.D., LL.D., president of Colby College, Maine. His topic will be "The Church and the God of Truth."

Newton 'Y' Day Camp Open for Summer Applicants Now

Camp Massasoit, 12-year-old day camp at the Newton Y. M. C. A. is accepting enrollments for this season's three camp periods, starting on Monday, June 25, and ending Aug. 17, according to Richard B. Simmons, camp director.

The camp is for boys eight years of age and through the junior high school ages. It serves the youth of Newton and the surrounding towns. It is a non-profit activity, with a minimum tuition fee necessary to maintain a staff and equipment.

Three age groups carry on separate activities. They are: cadets—boys eight and nine years of age; juniors—boys ten years of age; and boys in one of the three junior high school grades.

The Newton "Y" is unique in its facilities for the camp. Adjacent to the building there is the athletic field for baseball, softball, archery, track, and tennis. The building has a swimming pool, gymnasium, auditorium for movies, and the new youth division quarters just completed and dedicated.

The counselors are all experienced workers with youth. Besides Richard B. Simmons and Edward R. DiPersio, the directors of the camp and the directors of physical education at the "Y", there are members of high school and junior high school faculties, and two college students.

Newton Group Gives Machine to Beth Israel Hospital

The Newton Group, an organization of 13 women, has just given the obstetrical department of the Beth Israel Hospital a Cardiac Pacemaker and Monitor.

This machine, developed by Dr. Paul Zoll of the Medical Research Department of Beth Israel Hospital, acts as an artificial heart stimulator in certain types of illnesses. Through the generosity of organizations such as the Newton Group, these machines are being placed in important areas of the hospital.

The group grew out of a social bridge club about 20 years ago. Today their function is solely philanthropic. They give financial assistance to individual needy cases referred to them, and to special needs of institutions which could not be met in other ways.

Since 1950 they have been providing various lifesaving measures for the obstetrical department of Beth Israel Hospital.

The members of the group are Mrs. Irwin Benjamin, president; Mrs. James Axelrod, vice president; Mrs. Samuel Dingott, treasurer; Mrs. Samuel M. Sief. secretary; Mrs. Nathan Cohen. Mrs. C. Louis Isenberg, Mrs Louis Lederman, Mrs. Michael Lunder, Mrs. Reuben Peck, Mrs. Meyer Sacks, Mrs. Joseph Schwartz, Mrs. Samuel Skurnik and Mrs. Joseph Weinstein.

Dr. Harold Rosenfield, obtetrician-in-chief, and Dr. Cecil G. Sheps, executive director, accepted the gift for the Beth Israel Hospital.

-- Warren Ways --

A Maypole Dance sponsored by the PTA is the final dance of the Eighth Grade Series tomorrow night (Friday the 18th) at Warren Junior High School. The winner of the Door Prize will be given a $5 Gift Certificate Album of Music. Also, each ticket purchased at school entitles the bearer to refreshments at the Coke and Chocolate Milk Bar. A King and Queen of May will be chosen from among the dancers to preside over the evening's fun.

The Eighth Grade Dances have been in charge of Mrs. Hy Horwitz, and Mrs. E. H. Mara, Jr., Co-Directors, and a Student Committee composed of: Joel Reingold, President, Bobby Gallagher, Vice-President, Terry Segal, Treasurer, Margie Casselman, Secretary. Room Chairmen in charge of tickets and publicity are: Kathy Jepsen, Lee Kennedy, Gwynn Nicholson, Terry Reilly, Dick Shulman, David Fitts, Minnie Walsh, Arlene Schenk, Michael Hueston. The clever and decorative posters were made up by Jill Schofield, Louisa Schell, Sandy McCann, Selby Hickey, Pat Malone who comprise the Poster Committee.

Last Friday the Seventh Grades enjoyed their closing dance, The Cool-School-Blues. At this time, the Auditorium was attractively decorated with musical notes and staff, and a provocative mural of some sprightly cats dancing, this last the work of Dorothy Derick, Susan Kenney, Carol De Russo, and Gail Winkley, Poster Committee. Bobby Dangel was in charge of the Refreshment Booth, a busy place between dances. Mrs. Harry Thompson is Director of the Seventh Grade dances, and advises and participates in some of the art work.

The Warren Thrift Shop is open this month on only two more Wednesdays. Because its usual business day the end on the month falls on a holiday, the Thrift Shop will be open June 4th, a Monday instead. On the regular Wednesday business days during the month of June, merchandise will be offered at Rummage Sale.

This week, in addition to a good assortment of clothing on sale, there is a set of mahogany end-tables, and three musical instruments that some boy or girl might well enjoy playing. Why don't you give yourself a treat, and visit the Thrift Shop this week for a real bargain for some member of your family?

Memorial PTA

The most unique educational program of the school year will be presented by Memorial School students on Monday evening, May 21st, as a part of the Memorial School PTA meeting to be held at the school.

Youngsters from every grade — ranging in age from six to eleven — will present a science exhibit and a ballet demonstration to more than 300 parents expected at the PTA gathering, it was announce by program chairman Bert Harmon.

Unlike the science fairs which stress individual effort, the Memorial School exhibit is the result of outstanding cooperative effort by children in every grade working and learning together. More than 20 different scientific areas have been studied by these boys and girls who, under the guidance of their teachers, have produced interesting and unusual displays concerned with general science, natural phenomenon and outdoor education.

Among the science exhibits to be shown in the school gymnasium before and after the annual PTA meeting will be the following: astronomy, effect of seasons on tree growth, charts on snow and rain, water power, sounds from musical instruments, animal tracks, and many other science studies.

The dance group will give parents a backstage glimpse of modern and ballet techniques from the important toe and leg exercises to the execution of classically beautiful steps and creative dance methods

All Oak Hill Park residents as well as visitors from other Newton sections are invited to attend the science exhibit featured during the Memorial School PTA meeting. The program starts at 7 p.m. in the school gymnasium so that parents and children may visit the exhibits together. At 8 p.m., in the auditorium, the ballet and creative dance groups will put on their own demonstration. At 8:40 p.m., the annual PTA business meeting will be held under the direction of PTA president Richard Dwyer.

The election of officers for the 1956-57 school year will also take place at the meeting with the following nominees: Bert R. Harmon, president; William M. McGrath, 1st vice-president; Bernard Plotkin, 2nd vice-president; Annette Saltzman, recording secretary; Ruth Oser, executive secretary; Harold Hurst, treasurer.

Following this business meeting, the science exhibits will be open again, at approximately 9:15 p.m. Ushers from the sixth grade will conduct parents on a tour of the school library, established by PTA funds, and fifth grade guides will show the teachers' conference room and the furniture made by the students.

City Sifts Golf Club Appeal Court Fight Still a Threat

The Board of Appeals has taken under consideration the troublesome question of building changes at the Commonwealth Country Club which involved questions of throwing the club "open to business."

No date has been set for a decision.

Opponents of certain changes at the club said that in the event the city permit is upheld continued opposition would depend on the "manner of operation" of the club which has been under new management for several months.

Alderman Hirsh Sharaf listed the restrictions which the Board of Aldermen had placed on the property in granting the permit a month ago over the objections of 130 nearby property owners.

These restrictions limited bowling to members and guests only and specified that large functions could be held on no more than three nights weekly.

The question, which has been the subject of a hot dispute for several weeks, has involved what nearby residents termed "business use" of the property.

A spokesman for the opponents said court action would be taken up if operation of the club "becomes a nuisance." Paralleling the residents' appeal to the local board has been a threat to carry the question to the State Supreme Court.

Technically, the residents could not object to the so-called business use of the property on their appeal from the granting of a permit for certain permissive uses of the property. But they can act through the courts, which has led to considerable confusion on the question.

Residents said they did not object to the proposed swimming pool on the property at a hearing last Thursday at City Hall.

Benjamin White, representing the club, said the club favored a parking ban on Algonquin road to aid the traffic situation, another gripe of the opponents.

No opposition was expressed at hearings on the following requests:

Philip Tes_a for a variance to subdivide three lots to permit a 20-foot passageway to a rear lot at 45 Jackson street, Newton; Mrs. John J. Jackson of 723 Beacon street, Newton Centre, to have a dentist's office in her home, and Gordon Gifford, Jr., for a permit to construct a two-family house on Coyne road, Waban, a Residence "B" Zone.

The Board comprised Charles S. Grover, chairman; W. Cornell Appleton and Louis W. Ross. Also in attendance were Building Commissioner Arthur Campbell, Assistant Commissioner Malcolm A. Warren; City Engineer U. M. Schiavone, clerk of the Planning Board, and Chairman William R. Mattson of the Aldermanic Claims and Rules Committee.

Weeks Mineral Club Activities

The Weeks Mineral Club of Newton were invited by their leader, Mrs. James M. Dearborn, to join the Boston Mineral Club in their annual mineral collection trip to Strickland Quarry, Portland, Connecticut. Over 70 different minerals or varieties have been collected at this famous quarry at various times. It was a long and happy day, 6:30 a.m. to 9 p.m., and all came home with bulging knapsacks. There were about 75 people in the group.

Several members of the Weeks Club entered the Science Fair. John Shaner won first prize with his crystallography. Arthur Buddington grew some unusually fine crystals. David Chiriboga had an excellent exhibit of fluorescent minerals. Randy Sneider showed 10 to 12 physical properties of minerals and also built a fairly accurate beam balance for measuring specific gravity.

6 Newton High Seniors Win Honor Society Scholarships

Six Newton High School students are winners in the National Honor Society's 1956 scholarship competition.

This was announced by the Scholarship Board of the National Association of Secondary-School Principals, sponsors of the Honor Society.

Chosen on the basis of achievement test scores, total scholastic rating, and school leadership were David Horvitz, David Sachar, Dorothy Swanton, John Kelly, Richard Minear and Jeffrey Nason. Only 328 awards were made by the society.

Top awards went to David Horvitz and David Sachar who were two of 55 students who achieved records equal to the $500 scholarship winners, but who have sufficient financial resources or scholarships to assure their attendance in college.

Dorothy Swanton won an award of $50 which will be forwarded to her when she enters college this fall.

John Kelly, Richard Minear and Jeffrey Nason won certificates of merit.

David Horvitz, 17, is the son of Mr. and Mrs. Harold Horvitz, 63 Ridge ave., Newton Centre. He intends to study the humanities at college. At N.H.S. David is vice president of the Camera Club, serves on newspaper and yearbook, is a member of the orchestra and has appeared in dramatic productions.

David Sachar, 16, is the son of Dr. and Mrs. Abram Leon Sachar, 66 Beaumont avenue, Newtonville. He plans to enter college in September, majoring in chemistry. At N.H.S. David has participated in debating, school legislature, Drama Club, Math Club and Senior Play. He is the recipient of awards in the fields of mathematics and science and of the Harvard Book Prize. David ranks first scholastically in a graduating class of 800 students.

Dorothy Swanton, 17, is the daughter of Mr. and Mrs. John Reed Swanton, Jr., 27 George street, Newton. She plans to take a liberal arts course in college.

At N.H.S. Dorothy has been secretary of the senior class, concertmistress of the orchestra, secretary of the math and music clubs and literary editor of the yearbook. She is a member of the international club and of the girls' chorus.

John Kelly, 17, son of Mr. and Mrs. Frank B. Kelly of 60 William street, Newton, will concentrate on science in college. He will do graduate work in engineering or mathematics. John was a member of the Mathematics Club as well as the National Honor Society.

Richard Minear, 17, is the son of Mr. and Mrs. Paul S. Minear of 75 Pleasant street, Centre. He plans to do graduate work followed by a career in teaching or the ministry.

At N.H.S. Richard has been president of the National Honor Society, chairman of the Finance Board and a member of the Associate Council. He has been a member of the Music Club and the orchestra.

Jeffrey Nason, 16, son of Dr. and Mrs. Louis H. Nason of 25 Dolphin Road, Newton Centre, is planning to study mathematics in college and eventually do university teaching or research.

Jeffrey has been active in the Mathematics Club, on the senior class committee, and was chairman of the program committee of the Honor Society Assembly. He has won awards in the field of mathematics.

Name Kestle To Head Bank Group

Herbert W. Kestle, vice-president of the Newton-Waltham Bank and Trust Company was elected president of the Newton Bankers' Association last week at the Brae Burn Country Club, West Newton. He succeeds Edward B. Gray, president of the Auburndale Co-operative Bank.

Mr. Gray reported that gross assets of the nine Newton Banks have increased 6% or $10,777,279 in the last year, bringing the total assets of all Newton Banks to $191,857,743. Deposits of the member banks now total $165,163,111 and during the last year deposits have increased by 5.4%, or $8,398,806. The total mortgages held by all of the banks increased during the year by 9.4% and the total mortgage holdings as of March 31 aggregate $83,271,536, indicating that Newton Banks are doing an excellent job in providing home mortgage accommodation for Newton citizens.

Following a Newton Bankers' Association custom of many years, Mayor Howard E. Whitmore spoke briefly on city affairs. He reported on the constantly increasing costs of running a city such as Newton and pointed out that Newton now ranks fourth in the Commonwealth for school enrollment and total assessed value. Mayor Whitmore stated that the average tax rates announced to date in the Commonwealth has shown an average increase of slightly over $4, but he felt that the increase in Newton might be more modest than this average increase.

Ephron Catlin, Jr., vice president, First National Bank of Boston, spoke on the economic outlook for Massachusetts. From his experience in working with the Boston Chamber of Commerce and Massachusetts Development Corporation, he was able to bring the members up to date as to the progress that has been made in promoting the Boston area for industry. His remarks touched briefly on the Commonwealth of Massachusetts' tax structure as being a deterrent for the growth of new business. He urged members of the banking fraternity to take a more active part in public affairs to create a more favorable climate in Massachusetts to insure a constant growth of industry.

Others elected as officers of the association were vice president Charles E. Smith, cashier and trust officer Newton National Bank; treasurer Loomis Patrick, president West Newton Co-operative Bank; and secretary Robert P. Lurvey, treasurer West Newton Savings Bank.

Mrs. T. Arthur Gibbs (nee Mildred Beardsley) of Birmingham, Michigan, is visiting her mother, Mrs. Maurice E. Beardsley of 108 Crescent St., Auburndale.

Warren Junior H.S. Notes

CHAMPIONS

The winners of the annual intermural volleyball competition at the Warren Junior High were announced recently by Mr. Pennington and Mr. Moore, physical education teachers.

Room 117 was the winner of the Junior I competition. The team consisted of David Kallock, Peter Ingham, Steven Roser, Warren Yaffe, William McDonough, William Bourgeois and James Lawn.

In Junior II, Room 201 was the winning room. Playing for 201 were John Cannon, Tony Lavely, Alan York and Bill Skornik.

Room 206 won the Junior III championship. The players on this team were Randy Goodrich, Steve Dangel, Edward Moody, Bob Kelly, Larry Yeo, Robert Durbane, Jim Gifford, Tom Geary and Donn Springer.

UNDECIDED

After three month's delay, the championship is still undecided. On May 1, at the Warren Junior High School, the final spelling contest was held. The 10 best spellers from each grade participated. These 30 were the winners of an earlier schoolwide contest. The entire contest was under the direction of Miss Esther Pepin with the assistance of Miss Avis Walsh, Miss Geraldine Seaver and Mr. Paul Roberts.

Miss Avis Walsh stated the rules. She also explained that the words were taken from the 6th through 12th grade lists and the last 25 were picked at random from Webster's Dictionary. The bee then began with these people participating:

Junior I—Barbara Crowe, Patricia Deats, Helen Greenberg, Leslie Hart, Joan Hoops, Debby Isaacs, Margery Loewenberg, Peter Maher, Joan Ring, Eliot Sherman.

Junior II—Leonard Berman, Margie Casselman, David Gascon, Judy LaRue, Linda Lourie, Norman Saunders, Dick Schulman, Elizabeth Seidenberg, Carol Sudhalter, Marguerite Williams.

Junior III—Julie Bergmark, Genya Currens, Steve Glunts, Stephanie Grant, Sylvia Keiler, Robert Kelly, Hellmut Seidenberg, Frances White, Jeanie Winer, Sue Ellen Thurber.

One of the words that was a real sticker was "paraphernalia." Though many people were struck out, due to lack of time, a winner was not found. We hope that soon there will be another contest to determine the championship among these five remaining contestants: Stephanie Grant, Robert Kelly, Julie Bergmark, Linda Laurie, Helen Greenberg.

First Unitarian Society Names F. G. Fisher Jr.

Frederick G. Fisher Jr., West Newton, has been named chairman of the board of trustees, succeeding L. Fabian Bachrach Jr., West Newton, and four new trustees elected by the First Unitarian Society in Newton.

Albert K. Reed, Dorothy L. Simpson and George C. Thompson, all of West Newton, were named trustees for three years. Mrs. Julian K. Jackson, Waban, newly elected president of the West Newton Alliance, was elected trustee for one year, succeeding Margaret S. Ball, Newton, former Alliance president, now chosen clerk of the parish. Warren G. Hill, Newtonville, was re-elected endowment trustee for three years.

Daniel Needham, West Newton, was re-elected moderator for one year, along with Mrs. Katheryn M. Holgate, secretary-treasurer, and Edward W. Whorf, assistant treasurer.

Delegates to the annual May meetings of the American Unitarian Association from the West Newton parish will include Margaret S. Ball, Louis F. Bachrach, Mrs. Leonard A. Monzart, and William C. Loring. Alternates named were Mrs. Ernest W. Kuebler, Edward W. Whorf, Robert L. Townsend, and William L. Tisdal.

The annual parish dinner was served by the Couples Club under the joint chairmanship of Mrs. Hans Waine, Mrs. Edward Y. Walker and Mrs. Robert K. Burns, with the men in the Couples Club roster acting as waiters.

Highlands Congregational Choral Activities

Ninety young people comprising the Junior and Youth Choirs of the Newton Highlands Congregational Church, under the direction of Mr. Harold Schwab, will give a concert at 3:45 p.m., Friday, May 18th, in the main auditorium of the church for all members and friends, and Senior Citizens in particular. The Golden Age groups from Pomeroy House and the West Newton Community Centre have been invited and tea will be served in the Ladies' Parlor at 2:30 p.m.

In addition to the choral singing, Susan Maurer and Jean Chapple, Sally Morrison and Sally Everett will play violin duets; Randall Jacobs will sing a solo.

At 7:45 a.m. on May 21st the Youth Choir may be heard over Station WBMS on a program sponsored by the Morgan Memorial in Boston.

The Business and Professional Women of the Newton Highlands Congregational Church will meet at the home of Miss Clara Dillaway, 25 Endicott street, Newton Highlands. After a business meeting conducted by Miss Marjorie Parker, President, an auction will be held with Miss Elsa Badger as auctioneer. Refreshments will be served by Miss Marion Stratton and Miss Marjorie Phelon.

Spaulding PTA

The final meeting of the season of the Spaulding School PTA to be held on Monday, May 21 at 8:00 p.m. will be devoted to the topic "Life With Father".

This interesting and informative subject dealing with the role of the father in the home and community will be discussed by Dr. Carl Binger, world renowned psychiatrist. Dr. Binger is a member of the faculty of Harvard Medical School, a staff member of the Massachusetts General Hospital and author of many books on psychiatry.

An illuminating note on the subject has been provided by the Spaulding students, each of whom has drawn a picture of his father as he sees him. The drawings will be on exhibition.

During the business meeting, the nominating committee, headed by Joshua Guberman, will present its slate of officers for the coming year, after which elections will be held.

Miss Beatrice Louise Famiano of 57 Jackson street, Newton Centre, has been accepted for training as a student at the Aviation Training School.

Charles River Medical Society

The annual meeting of the Charles River District Medical Society was held on May 2nd at the Usen Auditorium at the Newton-Wellesley Hospital. The meeting which marks the first anniversary of this new medical district was presided over by Dr. Gerald Garcelon of Newton, the outgoing president.

The formation of this new medical district, now the fourth largest in the state, was the natural and almost spontaneous outgrowth of the needs and interests of the doctors in Needham, Wellesley, Newton, Waltham and Weston.

Centered as they are about the Newton-Wellesley, Needham and Waltham hospitals, all of which are institutions of the community type, the type of practice, medical skills and activities, cause the physicians in the district to be one of the most homogeneous groups in the Massachusetts Medical Society.

Reports of the various committees were received, after reading of the minutes by Dr. Knowles Lawrence of Needham, secretary. The nomination of Dr Conrad Bell of Waltham as general practioner of the year, was enthusiastically approved by the members present and the committee received approbation for their choice. The custom of selecting a general practioner of the year has attracted great interest and each district medical society nominates one of their members for this honor. From these nominations the general practioner of the year for Massachusetts is chosen at the annual meetings of the Massachusetts Medical Society.

Dr. Raymond McCarty of Waltham, chairman of the nominating committee, then submitted the slate of officers for the ensuing year which was unanimously approved.

At the close of the meeting the members gathered for an informal collation and the group discussion which are such an important part of district meetings.

Jackson Chapter

Mrs. Walter E. Holden, regent, presided at the annual meeting of the Lucy Jackson Chapter, D.A.R., held last Monday afternoon at the chapter house in Newton Lower Falls. A memorial service was conducted for members of the chapter who have passed away during the year, and reports of officers and committee chairmen were read. Newly-elected officers are Mrs. Edward H. Mendell, chaplain; Mrs. Paul L. Hutchinson, recording secretary; Mrs. George H. Norton, corresponding secretary; Mrs. Chester T. Scott, historian, and Miss Julia W. Kyle, librarian. Succeeding themselves, according to the by-laws, are the registrar, Mrs. Arthur G. Hoadley; the assistant registrar, Mrs. Holcombe J. Brown; the treasurer, Mrs. Paul E. Dutelle; the assistant treasurer, Miss Katherine Cutter. Elected as curator and chairman of the House Committee was Mrs. Herbert C. Moore, and as assistant curator and Vice chairman of house committee, Mrs. Holcombe J. Brown. Director whose term expires 1957 is Mrs. William C. Hill, and those whose terms expire 1958 are Mrs. Frank S. Larkin, Mrs. Malcolm F. MacNeil, Mrs. Frederick J. Warren, Mrs. Theodore J. Vaitses, Miss Edith Robinson, and Mrs. Allen M. Fay. House committee members until 1960 will be Mrs. Walter R. Amesbury, Mrs. Theodore J. Vaitses, Mrs. C. Norman Fay, Mrs. Gustav A. Hagen, Mrs. Walter E. Holden, Mrs. Antoine M. Gandin, Mrs. Arthur T. Gregorian, Mrs. George F. Howland, Mrs. Frank S. Larkin, Mrs. Paul L. Hutchinson, Mrs. Malcolm MacNeil, Mrs. Theodore Nixon, and Mrs. Peter M. Strong. Delegates and attendants were also chosen to attend the state conference in the fall.

Tea was served by Mrs. Clarence R. Bliss and Mrs. Harold C. Burnham and their committee with Mrs. Harold D. Billings and Mrs. Winfield S. Smyth as pourers.

Temple Emanuel to Honor Athletes

The basketball team of Temple Emanuel of Newton, winners of the Church League Championship, will be recipients of awards to each member of the team at the Annual Congregational Dinner Meeting, Wednesday, May 23, at 6:30 p.m., in the Community Hall.

Those receiving the awards are:

Michael Fleisher, Stephen Forman, Dave Gilfix, Marty Goldberg, Jeffrey Kowal, Al Rabinowitz, Ben Serkin, Abner Stein, Stephen Stearns, Barry Steinberg, Bernard Witten, Joe Nathanson, coach.

The presentation will be made by Lloyd Oppenheim, chairman of the Youth Activities Committee of Temple Emanuel. Chester Rubin is director of Youth Activities; Joe Nathanson is the Temple's director of the athletic program.

Church School Carnival May 26

A church school carnival for all children in the community will be held all day Saturday, May 26, beginning at 10 o'clock in the morning on the grounds of the West Newton Unitarian Church, 1326 Washington St., West Newton, complete with carousel, pony rides, pet show, archery contests, photographer, and other attractions. Robert L. Townsend is again general chairman for this second annual event.

The religious education committee of the First Unitarian Society in Newton met Monday evening, May 7, at the home of Mr. and Mrs. Robert L. Townsend on Balcarres Road, West Newton, to organize committees fo the chruch school carnival, and for the annual Children's Sunday and picnic to be held June 3.

Edward Y. Walker, chairman of the religious education committee, reported on the questionnaires sent to parents of the junior high school age group relative to a proposed organization to supplement the Jaynes League for the high-school youth group.

Men's Bowling League Meets

The bowling league of the Men's Club of Newton Highlands held its annual banquet at the Beacon Terrace in Natick on Monday, May 7th. Forty members were present.

After a fine dinner, the following prizes were awarded:

High average, Joe Cannon, 98.3. High single, Bob Foote, 142. High three, Win Oliverio, 337.

The inning team (No. 8) consisted of Captain Ed Prietz, Bill Higgins, Frank Fanara, Dunc Cotting and Warren Burns. According to bowling manager Jack Hodges, the team sent their captain to Florida for a rest while they proceeded to win the title for the second half of the season. Then they recalled Ed to help them win the roll-off from Frank Herlihy's experts.

There were additional individual and team prizes, perfect attendance prizes and a surprise gift for each member of the league.

After the presentation of prizes, past president Stuart Hills announced that at the April business meeting of the club, it was voted to award an annual scholarship of $200 to some deserving student selected by the Newton school department. This year the award will go to Kenneth Graham, of 18 Beaconwood road, Newton Highlands.

Officers elected for next season are: President, Jim Wynne; vice president, Frank Soule; secretary, Ralph Kellaway; treasurer, Elliott Abbott; auditor, Jack Storer. Committee Chairmen: Community Affairs, Allison Thompson, Special Events, Ed Prietz; Publicity, Allen Tailby, Jr.; Sports, Mike Carco; Meetings, Al Capabianco; Membership, Louis Gleim.

President Jim Wynne announced that a program has already been planned for next season's meetings, and with a new, reduced membership fee, the club should "go places" if the fellows get behind their committee chairmen.

Angier P.T.A.

The fine attendance of last fall's grade meetings at Angier School indicated strong interest in the informal type meeting.

The Angier P.T.A. is, therefore, pleased to present a Workshop in Child Development so that fathers, mothers and teachers can become better acquainted with some of the current thinking on problems in childhood.

The following introductory sessions will take place at the Angier School. The first two meetings have been well attended and stimulating question periods developed. The third session is looked forward to with equal enthusiasm.

Tuesday, April 24: Henry Wermer, M.D., Acting Chief of the Department of Child Psychiatry, Beth Israel Hospital; Associate Psychiatrist, Children's Hospital; faculty Harvard Medical School; Boston University Medical School. "The Aggressive Child."

Tuesday, May 1st: Joseph Weinreb, M.D., Director, Youth Guidance Center of Worcester; Professor of Psychology, Clark University. "The Shy Child."

Tuesday, May 22nd: John Whiting, Ph.D., Director, Laboratory of Human Development, and Professor of Education and Anthropology, Harvard University. "The Child in Our Culture."

Highlands Garden Club

The annual meeting of the Newton Highlands Garden Club will be held at the home of Mrs. W. E. Leidner, 275 Winter street, Weston, on Tuesday evening, May 22 at eight o'clock, for the election of officers and a discussion of plans for the ensuing year. The social hour will be in charge of Mesdames Thomas C. Curtis, Carol Smyth and Alice Walen.

Officers Elected By N.E.W. Group

The annual meeting of the N. E. W. Chapter of the Hebrew Teachers College was held Tuesday evening, May 8, at the college.

The program, under the direction of Mrs. Norman Rosenberg, included a short portrayal of Israel as seen by a Hebrew Teachers College student, Miss Libby Rotman, who has recently returned from a six month study tour of Israel.

Phyllis Marshall, fashion consultant, fascinated the women with her talk on individualism in fashion.

An election of officers was held. The slate as elected follows:

President, Mrs. Theodore Silverman of Newton; first vice-president, Mrs. Norman Rosenberg of Oak Hill; second vice-president, Mrs. Warren Abrams of Newtonville; third vice-president, Mrs. Ellis Gordon of Newton Centre; treasurer, Mrs. Merrill Goldstein of Chestnut Hill; financial secretary, Mrs. David Kahn of Oak Hill; recording secretary, Mrs. Frances Leve; corresponding secretary, Mrs. Leo Tarutz; social secretary, Mrs. Morton Grossman all of Chestnut Hill.

Board members included:

Honorary member, Past President Mrs. Mitchell Marcus of Waban and the Mesdames Arthur Bloom, Penneth Cline, Allan Cohen, Louis Cole, Robert Friedman, Clarence Jacobson, George Kaplan, Murray Koplow, Bernard Lichter, Sylven Linn, Bertram Petkun, Samuel Resnick, Benjamin Schwartz, Philip Shore, Harold Starr, Gerald Volk, Carl Witten and Joseph Wolfe.

The N. E. W. Chapter's usual coffee hour and social under the direction of Mrs. Clarence Jacobson, hospitality chairman, concluded the evening's program.

Service Club Holds Elections

Mrs. Daniel Ricker was elected president of the Community Service Club of West Newton at the annual meeting at the 1775 House, Lexington.

Mrs. Alfred O. Weaver, president, conducted the short business meeting at 11:30 a.m. Mrs. Theodore C. Danker and Miss M. Elizabeth Kilburn were co-chairmen of the luncheon at 12:30 p.m. The tables were most attractively decorated with spring flowers. Seated at the head table were officers of the club and the following past presidents of the Community Service Club of West Newton: Mrs. Fletcher P. Osgood, Mrs. Walter S. Railsback, Mrs. George S. Fuller, Mrs. Phister Covin, Mrs. Austin H. Decatur, Mrs. Leslie P. Phinney, Mrs. Clarence M. Glazier and Miss Theresa L. Cram. The president, Mrs. Alfred O. Weaver, presented the guest of honor, Mrs. Earl Ham, president of the West Newton Women's Educational Club who brought the greetings and best wishes of that group.

The 36th annual meeting was held at 2 p.m. All reports of the various officers and committees for the past year were submitted. Mrs. Theodore C. Danker, chairman nominating committee, presented the slate of officers for 1956-1957. The president appointed Mrs. George C. Thompson, chairman of tellers. The assistant tellers were Mrs. Raymond J. Grenier and Mrs. John G. Learmonth.

The new officers elected for the year 1956-1957 were: president, Mrs. Daniel Ricker; first vice-president, Mrs. John B. Naylor; second vice-president, Mrs. George C. Thompson; treasurer, Mrs. O. Sidney Parker; assistant treasurer, Mrs. Ernst O. Seyfarth; recording secretary, Mrs. Albert E. Westwood; corresponding secretary, Mrs. Fletcher P. Osgood; auditor, Miss Marion True; standing committee chairmen; budget, Mrs. Theodore Potter; membership, Mrs. John G. Learmonth; hospitality, Mrs. Fred H. Fowle; nominating committee, Mrs. C. Wilson Dort; press and publicity, Mrs. Sydney P. French; social, Mrs. Alden W. Read; ways and means, Mrs. John B. Naylor.

The retiring president, Mrs. Alfred O. Weaver, thanked all the club members for their loyalty and co-operation during her two-year term as president of the club. The incoming president, Mrs. Daniel Ricker graciously accepted the office and said it would be an honor to serve as president of the club.

Mrs. John B. Naylor, chairman of the ways and means committee, announced that the committee will hold a fair and bridge in the fall.

Thrift Shop Clearance Sale

On May 23, the Bigelow-Underwood Thrift Shop will hold its half-price sale with many excellent values available. June 6 the annual rummage sale will be held and all proceeds of this will be given to the Bigelow-Underwood P.T.A. fund.

All articles which the owners do not want included in these two sales should be picked up from the shop before May 23.

World's Fair At Bowen

Bowen School's annual field day will be transformed to a World's Fair at the Bowen Playground on Saturday afternoon, June 2. Parents and children eagerly await this annual event which promises to be more colorful than ever. Gay decorations and booths in the theme of a World's Fair are being planned by Mr. and Mrs. Alfred Bickelman and their committee.

Parent participation games are being arranged for the very young under the chairmanship of Mrs. Nancy Rudolph. Races, relays, and room tugs-of-war will be held with Mr. and Mrs. Arthur Bloom as chairmen. Many varieties of penny games are planned by Mr. and Mrs. A. W. McGrath, and Mr. and Mrs. John Harrer are in charge of the photographers who will take photos all afternoon. Chairman of "Fish for the Grab" are Mr. and Mrs. Louis Pagano. Balloon chairmen are Mr. and Mrs. Martin Boermeester, Jr. Ponies and carnival event chairmen are Mr. and Mrs. Henry Portnoi.

A luscious cake and preserve sale, one of the outstanding features of the fair is under the co-chairmanship of Mmes. L. Paul Lipman, Jackson Saltz, George Applebaum. Other chairmen are: Ice cream truck, Mr. and Mrs. Saul Primack; food, Mr. and Mrs. Jack Fisher; tickets, Mrs. Joseph DiCarlo; publicity, Mr. and Mrs. Milton Cohen; construction, Dominic Taglienti and Joseph DiCarlo; first aid, Dr. Lawrence Morse.

Mr. and Mrs. Paul Melrose, general chairmen of the fair, are looking forward to an afternoon of fun for all. Each committee is actively planning its arrangements with enthusiasm and invite all to attend. Program starts at 1 p.m.

Meadowbrook PTA

A PTA meeting of unusual interest will take place next Wednesday evening, May 23, at the new Meadowbrook Junior High School, when Newton parents will have their first opportunity for open public discussion on the question, "Will there be room for your child in High School?"

With Newton's one high school becoming over-crowded, and our teen-age population rapidly expanding, the problem of more room for our high school students is of utmost importance and timeliness.

A panel of top Newton experts will be at the meeting to answer any and all questions coming from the public. Moderator of the meeting will be Mr. Haskell Freedman, a member of the School Committee. The guest panel will include Dr. Harold Gores, Superintendent of Newton Schools; Mr. William Clark, Administrator of Services of the School Departments; Dr. Leo Barry, Principal of the Newton High School; and Mr. William Powers, of the Board of Aldermen.

This provocative PTA meeting will start at 8:15 p.m. next Wednesday at the New Meadowbrook Junior High School. All parents are urged to attend. Refreshments will be served by the Hospitality Committee following the evening's discussion.

Burr School Rummage Sale

The Auburndale P.T.A. Trade Shop, Burr School, Auburndale, will close its season on Monday, May 21, with its annual Rummage Sale. Donations are requested. Call Mrs. Hill at LA 7-3420 or Mrs. Totaro at LA 7-6868 for pick-up service.

Infant Son

Douglas Allan Cogswell, infant son of Mr. and Mrs. Donald A. Cogswell, Brookline, was christened on Mother's Day Sunday, May 13, 1956, by the Rev. John Ogden Fisher at the First Unitarian Church in Newton. Mrs. Cogswell is the former Isabel Monzert, daughter of Mr. and Mrs. Leonard A. Monzert of Highland avenue, West Newton.

Art Festival

Details for the West Newton Temple Shalom Second Annual Art Festival have just been completed, according to Sumner Greengross, chairman of the affair.

The Art Festival will open May 16 (Wednesday) at Sherry Hour at 7 p.m.

Albert Alcalay and Barbara Swan, two well-known Boston artists will give a demonstration of portrait art on Wednesday, May 16 at 9 p.m. at the Temple, Mr. Greengross also announced.

Judges of the Art Festival entries will consist of Boris Mirsky, Barbara Swan and Arthur Polonsky.

The Festival will end on Sunday, May 20.

Mrs. Mathew Waldstein of 125 Waban street, Newton, has been invited to Cincinnati to meet with a group of doctors and laymen in the interest of Homoeopathic medicine and to be their guest speaker.

To Graduate Mt. Holyoke

Two girls from Newton are among the 260 candidates for graduation from Mount Holyoke College June 3.

The commencement address by Dean Edmund W. Sinnott of the Graduate School, Yale University, will climax the events of the graduation weekend which begins Friday, June 1.

Mrs. Abbott Miller, the former Paula Shoolman, has majored in English at Mount Holyoke. She accelerated her courses in college and finished her requirements in January of her senior year; she will however receive her diploma in June. Mrs. Miller, the daughter of Mr. and Mrs. Eliot B. Shoolman of Prentice Rd., Newton Centre, is now living at Commonwealth Ave., Brighton.

Miss Marianna Murphy, daughter of Mr. and Mrs. Herbert A. Murphy of Pulsifer St., Newtonville, is a graduate of Newton high school. While majoring in philosophy at Mount Holyoke, she has done independent work on Plato. She was a freshman class member of the student government, sophomore member of her class nominating committee, and chairman of the committee for welcoming freshmen as a junior. In her senior year she was editor-in-chief of the class yearbook, "Lamarada", and was also chosen a candidate for the annual May Queen contest.

Hospital Aid

The May meeting of the directors of the Newton-Wellesley Hospital Aid Assn., Inc., was held Tuesday morning, May 8, at Allen Riddle Hall at the Hospital.

Mrs. Worthing L. West, as President, welcomed many members of the Aid from Auburndale and from Upper and Lower Falls, who attended, in response to a special invitation from the Membership Committee, Mrs. George W. Hinman, Chairman. This invitation is part of a new program of membership recruitment, which has as its purpose the familiarization of the membership of the Aid with the work of the Directors. It is also hoped that this program will encourage new memberships. In order to facilitate recognition, both Directors and guests wore name cards. Mrs. John F. Fitzpatrick was in charge of the Coffee Hour, with Mrs. Winslow H. Adams, Mrs. Vincent Bernajozzi, Mrs. Robert C. Casselman, Mrs. Alvah Ring, and Mrs. Charles Shipley, Jr., as hostesses.

Under the direction of Mrs. Paul T. Babson of Wellesley, and Mrs. John D. Fox of Newton, the "Pinky Project" is well underway, with many groups and individuals busily engaged in their manufacture. It is hoped that other members will volunteer to aid in this project. "Pinkies" are little pink puppets which will be given to every patient in the Children's Ward, to serve as a companion during their Hospital stay. The youngsters will be able to take the "Pinkies" home when they leave the Hospital.

Mrs. Riley J. Hampton announced that the volunteer party will be held in Allen Riddle Hall on Thursday, May 10.

Mrs. Herbert G. Dunphy announced that all plans are complete for the Fall bridge parties to be held on Wednesday, October 24, in private homes throughout Newton and Wellesley. Her committee is as follows: Assisting Mrs. Dunphy are Mrs. Edward P. Garland, Mrs. Paul T. Babson, Mrs. P. Edward Eden, and Mrs. Lewis S. Pilcher; Tickets and Reservations: Mrs. Riley J. Hampton and Mrs. Robert E. Cook; Prizes, Mrs. Francis F. Munroe; Refreshments, Mrs. Roger E. Hall; Publicity, Mrs. Gordon B. Gifford; Village Chairmen: Auburndale, Mrs. Henry F. Keever; Newton, Mrs. Edward J. Sawyer; Newton Centre, Mrs. E. K. Mentzer; Newton Highlands Mrs. Martin P. Luthy; Newton Lower Falls, Mrs. Alvah Ring; Newton Upper Falls, Mrs. Vincent Bernagozzi; Newtonville, Mrs. Theodore D. Clark and Mrs. Marshall S. David; Oak Hill, Mrs. Harvey Kazmier; Waban, Mrs. Frederick J. Warren; Waban Hill, Mrs. Morris Courtiss; Wellesley, Mrs. Charles L. Alden, Jr.; Wellesley Hills, Mrs. Mark C. Wheeler; West Newton, Mrs. Charles M. Cutler.

Dr. Egon E. Kattwinkel, speaker of the day, gave a most interesting talk on "The Prevention of Heart Disease."

Newtonians

Miss Virginia F. Stiles, daughter of Mr. and Mrs. Carl M. Stiles of Newton Centre sailed on the Queen Elizabeth for a six week's tour of France, Italy, Austria, Switzerland, Germany, Holland and England.

Miss Carol Sue Smith of 700 Commonwealth avenue, Newton Centre and Miss Patty Merrill of Cedric road, Newton Centre returned from the Virgin Islands this week where they had a severe automobile accident while in St. Thomas Island. Miss Smith suffered a skull fracture and Miss Merrill sustained a broken arm, but both are recovering.

Permanent Underground Sprinkling System Is Budget Priced Now

"Gone are the days when it took a small fortune to equip a lawn or garden with a permanent underground sprinkling system," according to Joseph H. Ward, president of Noma Spray, Division of Noma Lites, Inc.

"Old-Fashioned methods of tearing op a lawn, disrupting the landscaping and using copper or galvanized pipe with cemented sprinkler heads plus the enormous costs of such installations are now obsolete," stated Mr. Ward.

Until now there has been no inexpensive underground sprinkling system. The new plastics have made the inexpensive sprinkling system possible. Indestructible, rot proof vinyl plastic tubing takes the place of the pipes. The riser tubes and sprinkler heads are made of corrosion-resistant bronze.

Many builders are planning to install the Noma Spray system as part of the overall plan for new homes. They recognize the fact that the homeowner looks forward to having a beautiful lawn and garden without holding a garden hose half the night. So, to the homeowner, Noma Spray is a decided asset. Up to now, the cost of such an installation would be prohibitive; however, since the invention and development of Noma Spray, every home can be thus equipped.

The factory franchised distributor-installers of Noma Spray is SUBURBAN HOME SPECIALTIES, Harvard Building, Brookline, Mass. Members of the firm are: Mr. Jason Finn, Natick; Mr. Norman Grocer, Newton; and Mr. Al Paeff of Brookline. Mr. Paeff is well known for his copper installations.

Spokesman for SUBURBAN HOME SPECIALTIES stated that the company will make free estimates without any obligation for homeowners interested in the Noma Spray.

Don't throw away the garden hose: It's still handy for washing the car.

Shalom Sisterhood To Hold Luncheon

At home in their new Temple building, the Sisterhood of Temple Shalom of Newton will be hostess at their sixth annual luncheon to be held Wednesday, May 23, at 12:00 o'clock. The program of the day will feature Herb and Betty Werner, one of the most original and exciting song duos in the country. This young husband and wife team perform with extraordinary freshness and charm, and have delighted audiences wherever they have entertained.

Mrs. William Kroner, chairman of this Spring Luncheon, and her co-chairman, Mrs. Milton Schneider, have been ably assisted by the following committee: Mrs. William Waldman and Mrs. Samuel Freeman, hostesses; Mrs. Maurice Bean, reservations; Mrs. Ben Dorson, decorations; Mrs. Bernard Hochstein, publicity, and Mrs. Ralph Karol, treasurer.

CHURCHES

Saint Mary's Church, Newton Lower Falls, Reverend William Gardiner Berndt, Rector. Whitsunday: 8:00 a.m. Holy Communion; 9:30 a.m. Family Service and Church School; 11:00 a.m. Holy Communion and Meditation; 7:00 p.m. Senior YPF.

The Eliot Church of Newton, Dr. Ray A. Eusden, Minister. Sunday, May 20th: 9:00 a.m. Morning Service of Worship with sermon by the minister; 9:00 a.m. Nursery, Kindergarten and Primary Departments of the Church School; 10:15 a.m. Junior, Junior and Senior High Departments of the Church School; 5:00 p.m. John Eliot Fellowship; 7:00 p.m. Pilgrim Fellowship.

Church of the Messiah, West Newton and Auburndale. Sunday, May 20: 8:00 a.m. Holy Communion; 9:30 a.m. Upper Church School; 11:00 a.m. Family Service, Lower Church School; 4:30 p.m. Junior High YPF; 6:30 p.m. Senior High YPF.

The Guild of St. Philip Neri, Waban, Saturday, May 26: St. Philip Neri Feast Day, 8:30 a.m. Mass, Communion Breakfast.

The First Church in Newton (Congregational), 1115 Centre street, Newton Centre. The Rev. Nathanael M. Guptill will preach at the usual 11 o'clock service Sunday morning, May 20th, on "United by a Common Plight." Music will be by the Adult Choir, Mr. D. Ralph MacLean, Minister of Music.

First Church of Christ, Scientist, Newton, 391 Walnut Street, Newtonville. Sunday morning service 10:45. Sunday School at the same hour. Wednesday evening testimony meeting at 8:00. The vital importance of understanding the true nature of God and man will be emphasized at Christian Science services Sunday in the Lesson-Sermon "Soul and Body." The Scriptural readings will include Paul's statement to the Philippians (3:13,14): "Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (203:13) "Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his Maker in deed and in truth."

Service Notes

Lawrence Cugini, son of Mr. and Mrs. Carlo Cugini, 92 Dalby street, Newton, Mass., recently promoted to specialist third class in Germany, where he is assigned to the 225th Station Hospital.

MALE MALE

ENGINEER
CONTROLS ENGINEER

A few openings have developed in General Electric's Small Aircraft Engine Department for well-qualified engineers who can participate in, and lead, in these areas:

- analysis and development of controls sytems and components
- control testing of systems and components

Mature engineering judgment is essential and at least 3 to 5 years' experience in control systems, servo-mechanisms and mechanical servos, with emphasis on the latter, and in some cases, proven ability in supervision.

These are not typical engineering positions. The work is of an advanced nature and opportunities for promotion are clearly outlined. The starting salary indicates a desirable economic level in the community and is coupled with many additional benefits.

The operation offers stability in its product appeal to both commercial and military markets.

Holiday Necessitates Early Copy

Although Memorial Day (next Wednesday) is a legal holiday, The Graphic will be delivered to the homes as usual next Thursday morning.

However, the holiday will necessitate receipt of all copy, both news and advertising, earlier than is customary.

The deadline for news copy for insertion in next week's edition will be 10 a. m., Tuesday. The deadline for display advertising copy will be 3 p. m. next Tuesday.

Correspondents and advertisers who can possibly do so, are urged to send their copy to The Graphic office on Friday and Saturday of this week.

The deadline for Classified Advertisements will be Tuesday at 5 p. m.

Herter, Reynolds Split on 'Influences'

Christian A. Herter Jr. and Harris A. Reynolds clashed this week over alleged behind-the-scenes pressures involved in their race for the GOP nomination for Governor's Councillor from the Third District.

Reynolds told the Women's Republican Club in a candidates' night speech that prominent state officials had urged him to quit the race in favor of Herter Jr.

SAID HERTER: "Reynolds may well have been approached by state officials but if he has, I know nothing of it. In fact, I welcome him and anyone else in the primary fight for this position of trust."

Reynolds said 17 Republican members of the Newton Board of Aldermen had reaffirmed last week their support of him for the post and added that these men and Mayor Whitmore, another backer, had known at the time of their endorsement in March that Herter Jr. would be Reynolds'

$176,751 Raised To Date in Eliot Church Drive

The first week of the financial campaign to raise money for rebuilding Eliot Church ended on Sunday. The fifty men who have been conducting the canvass reported pledges totaling $176,751. They bore witness to the great interest which exists among members of the Church in the drive and a generous response, whether the gift be large or small.

$48-Plus Tax Rate in Works

Record Dip Into Surplus Aids Levy

A tax rate of slightly more than $48 for Newton was expected to be announced today or tomorrow.

Last year's rate was $46.80.

Settling of the 1956 levy close to $48 became a virtual certainty Monday with the authorization of $900,000 to be taken from the city's surplus account to meet current expenses.

This figure, forecast in last week's Graphic is double the $450,000 authorized by the Board of Aldermen last year, and is a record amount to be taken from the surplus kitty.

This still leaves $471,000 in surplus.

Asked for comment on the Board's action, Lorenz F. Muther, Jr., executive director of the Newton Taxpayers' Association, said the association felt that $900,000 authorized by the Board was "a reassuring amount which the association hopes will enable the rate to be held down."

Mayor Howard Whitmore, Jr., and the Board of Tax Assessors asked the Aldermen to authorize $800,000 to be taken from surplus for current expenditures and $100,000 to pay for additional snow removal costs this year.

This request was met by the Board, thus enabling a rate in the neighborhood of $48 to be set.

It is probable that the rate will be slightly above $48 so as to assure the city of adequate funds in the event of emergencies which have been happening with frequency of late.

The key to the rate lies in the estimates of expenditures from the state in motor vehicle excises, corporation and income and poll taxes. It is possible that a conservative estimate,

Democrats Elect Woman Chairman

Mrs. Jean LeCompte of 125 Jackson street, Centre, has been elected chairman of the Democratic City Committee to succeed William O. Halloran, the first woman to hold the top office.

Other officers are Alvin S. Hochberg, again vice chairman; Leon J. Kowal, treasurer; Mrs. Sally A. Corwin of Highlands, secretary.

Mrs. LeCompte, formerly secretary of the city committee which now comprises more than 200 members, is an alternate-at-large to the Democratic National Convention in Chicago.

Mrs. LeCompte holds a B.A. degree, cum laude, from Mt. Holyoke College and an M.A. from Smith College. She is a member of Phi Beta Kappa.

Mrs. LeCompte was for some years a teacher and research worker in the Psychological Research Department at the Clarke School for the Deaf in Northampton. Later she was assistant to the principal of Dana Hall in Wellesley.

Following her marriage to Dr. Phillip M. LeCompte she worked for a time as an Editorial Assistant on the journal, "Cancer Research." The LeComptes have made their home in Newton for 10 years. They have three children.

City Parking Lot in Auburndale Near

Location of an off-street municipal parking area in Auburndale Square became much more of a possibility this week with authorization of parking meters in the area.

The Board of Aldermen voted to install meters on nearby streets, receipts from which will make possible the construction of a first class lot.

The city has already taken land at the rear of Auburn street.

Installation of parking meters and eventual location of a municipal lot is expected to give businesses in the area a "shot in the arm" which they have been seeking for some time.

Their argument is that added parking facilities will make it possible for them to realize their full business potential.

On the recommendation of Chairman Hirsh Sharf of the Street Traffic Committee, the Board voted to refer to the Claims and Rules Committee proposed amendments to the traffic laws to install parking meters at the following locations:

Lexington street, from Auburn to Commonwealth avenue; Commonwealth avenue south side, from Lexington to Melrose; Melrose street, east side, in the square; Auburn street, south side of the square.

Crystal Lake To Open June 16

Swimming at Crystal Lake will begin Saturday, June 16, according to Recreation Commissioner Evan C. Johnson who announced this week that plans are complete for construction of a new landing pier and raft for the area.

The pier will be 50 feet long, six feet wide, extending from the end of the walk and a new walk, 36-by-four-feet will be built from the shore to the end of the pier. The 30-year-old raft will be replaced. Bids for the work will be opened this week.

Gallagher To Seek Democrat Nomination

Robert W. Gallagher of West Newton, entered the contest for the Democratic nomination for the State Senate today. The district Mr. Gallagher hopes to represent, is made up of all the City of Newton; Ward 22 (the Brighton section) in Boston and Ward 5 in the City of Cambridge.

Mr. Gallagher is a member of the Jefferson Jackson Day Dinner Committee and has been since its inception. He has been an active worker for the Democratic party for the past 20 years, mostly engaged in fund raising activities. For six years he was an attache in the House of Representatives, for two years secretary in the Governor's office.

After leaving the state employ, Mr. Gallagher became engaged in the petroleum business and today is a partner and

Toll Road Feeders Seen as Aid

Construction of a six-lane MDC parkway and two underpasses in Brighton will mean wholesale changes in Newton Corner traffic routes within the next three to five years.

This became certain this week on the basis of information learned by the Graphic.

CERTAIN to cause variations in the pattern but not to offset it is the prospect of the in-town Toll Road route passing along or near the Charles near the Corner, a possibility under three of the feasible in-town routes.

A decision on the Toll Road route is expected soon — perhaps within the next 10 days to two weeks.

Construction of the route along Rte. 16, the Boston & Albany roadbed or along the Charles would cause some changes in MDC plans for the Brighton Abattoir road and in State Department of Public Works plans for elimination of the Watertown Square bottleneck.

Memorial Day Warning Issued

Memorial Day is no less dangerous to state motorists this year, coming as it does, in midweek.

This was the warning posted yesterday by Registrar of Motor Vehicles Rudolph F. King, chairman of the state highway safety committee, who urged motorists to be extra careful next Wednesday on the traditional journey into the country.

The traditional solemnity of the day should not be marred by wilful or careless disregard for highway safety, King pointed out. Watching the traditional parades and motorists will be the usual complement of King's men, alerted to tag the careless motorist.

POLITICAL OVERTONES

Both Political Parties Oust Respective State Chairmen With Victories for Kennedy and Whittier

Now that the State Committees of both parties have given a vigorous heave-o to their erstwhile chairmen and have voted in new heads in their places, at least temporary calm and quiet will be restored to the two embattled political organizations, with attention turning to the two pre-primary State conventions to be held next month.

Lieutenant Governor Sumner G. Whittier accomplished the ouster of Elmer C. Nelson from the Republican State Committee, and Senator John F. Kennedy was responsible for the dropping of William H. Burke, Jr., on the Democratic side.

To some extent the political futures of both Whittier and Kennedy will be affected by the removal actions they promoted, and both stand to gain or lose politically, depending on whether the passing of time reveals the decisions they made to be sound or otherwise.

Whittier's test will come the more quickly unless Kennedy should be nominated as the Democratic candidate for Vice President, since Kennedy's term as Senator runs through 1958.

NEWTON SPORTS

Tiger Win A Big Step Toward Suburban Title

The Newton nine took a big step forward toward the state title by clinching the Suburban championship with a 4-0 victory over Arlington.

Russ Halloran handled the pitching chores and turned in a brilliant performance. With a hopping curve, fine control, and his usual fast ball, the lanky right-hander fanned eleven and walked but two. Russ scattered three hits, with Limerick, the hard hitting Arlington outfielder getting two of them.

Joe Jablonski worked the hill for Arlington, and except for a shaky start in the second inning was death to the Tiger bats. He shut them out on three hits for the last seven innings. Jablonski fanned nine and walked three.

Arlington went right to work in the first inning, and threw a real scare at the Tigers. Cronin, the lead-off hitter fanned, but the ball broke through catcher Beggs, and Cronin took first base. Lamacchio sacrificed him to second, and Limerick drilled a single to right. Dixie Bergman, who was the defensive star of the game, grabbed the ball on the hop and fired a strike to home plate and threw out Cronin. As the throw sailed home, Limerick tried to grab an extra base, but Johnny Beggs fired down to second base and nabbed him.

Halloran led off the Tiger second by reaching on an error, and after Ron O'Laughlin fanned, Manny Connerney smashed a single, his first of two hits. The Arlington shortstop booted Bergman's grounder and Beggs worked the rattled Jablonski for a walk. DelGizzi walked to force in a run, and Kenny Keyes lined a single through the box, to put the Tigers out in front by four big runs. After this big second inning, the Tigers had trouble getting to Jablonski. O'Laughlin walked and Connerney followed with his second straight hit, but Bergman fanned and Beggs popped out. Once again in the eighth Fergy's boys threatened. Martin got a broken bat single, and Russ Halloran belted a tremendous smash to the base of the center field fence but the Arlington center fielder made a fine grab, to take an extra-base hit off the bat of Halloran. O'Laughin kept the rally going with a pop single to right, but nothing came of this uprising.

An error and a double put Russ in a hole in the sixth, but he bore down and struck out the next two batters. Although the Tigers were held hitless through middle four frames, Russ protected his lead with care and clinched the league title. Russ ended the game on a beautiful pick-off play to DelGizzi.

The Tigers will now go to work preparing for the state tourney, where the marbles are waiting for the top team in the state. Rindge, Exeter, and Waltham are scheduled for the next three games. These games will have no bearing on the Tigers position for they have already clinched a berth, but they will be experimenting and working to develop into top form.

Big First Inning Gives Tigers 5 to 1 Triumph

A big first inning rally and brilliant pitching by Howie Whitmore, led the Tigers to a 5-1 triumph over Cambridge Latin, May 7.

Howie, who consistently has trouble with the first hitter, yielded a double to Latin's brilliant shortstop, Chesney. He settled down to mow down the next three batters, getting the side out, and then came the big Newton first frame.

Bobby Del Gizzi drew a walk to lead off the inning and stole second. Kenny Keyes drilled a double, and Alan Martin followed by spanking a bingle and stealing second. Russ Halloran, who has been red-hot with the bat, lined a base hit and stole second. Things were really rolling when Ronny O'Laughlin hammered out the fourth straight hit for Newton, and getting a big jump on the Latin pitcher, stole the fourth base of the inning. Jimmy Collentro walked, stole second, and Dixie Bergman smashed one deep enough to left, to bring in the fifth run of the inning.

After this hectic frame, Ianvelli the Latin hurler, settled down and pitched two hit ball the rest of the way. However, this was Howie's day and this inning was all he needed to work with. He fanned four batters in a row and didn't give another base hit until the sixth, when Latin scored their lone tally.

Martin banged a single, and after Ianvelli became Howie's eighth strike-out victim, infielder Sheehan, clouted a long two bagger bringing in the run. That was all the trouble that Howie had as he went the route in a fine performance. He tossed a sparkling four hitter, fanned thirteen and sent the side down on strikes twice, walking just four. His curve was really working and it appears as if Howie has partially curbed his control problem.

After the big first inning rally, the Tigers looked like anything but a top rate squad. Singles by Martin and Keyes were the extent of their offense the rest of the way. Both these boys had two hits each to lead the attack.

Most impressive for Cambridge was their shortstop Chesney, who doubled, reached on an error and fielded brilliantly.

Robin Hood Shoot May 30 at Playground

A Robin Hood (archery) tournament for youngsters will be held Memorial Day (next Wednesday) at the Centre Playground at 2 p.m.

Preparations will be made at an instruction period this Saturday at 2 p.m. at the playground under the joint sponsorship of the Newton Archers and the City Recreation Department.

There is no entry charge for the youngsters from Newton, Westwood, Framingham, Holliston, Worcester, Leominster, Lowell and the North Shore but each contestant should have a bow, six arrows, arm guard and fingertab or shooting glove.

Further information may be obtained from Mrs. Robert Oxnam, secretary of Newton Archers at DE 2-4597 or Recreation Commissioner C. Evan Johnson at BI 4-4700. Entry blanks are available at the playground Saturday.

'Spring Frolic' Friday at Newton Meth.

"Spring Frolic of 1956" will be presented by the Men's Club of the Newton Methodist Church in Fellowship Hall tomorrow at 8 p.m. Dick Blue, popular senior student at Newton High will be master of ceremonies and will give several vocal solos.

Jean Latona, another Newton senior, will lead a group of majorettes in formation drills. Sandra Douglass will give monologues, Connie Cleveland will present several novelty numbers and Lewis Martin and Matt Hallett will give humorous skits, using the piano and violin, Thomas Silliker, club president announces.

Tickets (60 cents for adults, 30 cents for children) will be available from club members or at the door.

Fifteen Hit Attack Defeats Watertown

A fifteen hit attack and some fine relief pitching from Dave Kirby and Howie Whitmore, gave the Newton Tigers a 14-6 slugfest victory over Watertown.

Dana Johnson started the game for Newton, but it was obvious from the beginning that he didn't have his stuff or control. He walked two of the first three batters to face him, and yielded run producing singles to Filichia and Yazejian. Momentarily he recovered to fan football star, Basile, but when he walked Blake and Bettencourt, that was all.

Al Martin wasn't ready to pitch, and Russ Halloran's arm was still too sore to hurl. So workhorse, Howie Whitmore, worked another game. He pitched the Tigers out of that rough inning which accounted for a three run Watertown lead, as the Orange and Black came to bat in the second.

Halloran walked and went to third as Ronny O'Laughlin smashed a long double. Manny Connerney lined a sacrifice to the outfield, and Beggs walked. McCree then batted in two runs with a line drive into the left field corner which was good for three bases as he really opened up on the basepaths. Howie Whitmore who has been a big sticker the last few games, lined a single to keep the inning going. When the dust had cleared the Tigers had regained the lead, 4-3; they had knocked Burns out of the box, which in it self was a moral victory, as he had given them a rough time his last start.

Howie lost his control in the third, and allowed the Watertown boys to tie the score. Basile, Blake, and Bettencourt walked, and DelGizzi let a ground ball roll through his legs. Howie then buckled down to shut them out for three innings. He fanned seven and walked five in his stint.

Two walks, and a Basile single, coupled with an error by Kenny Keyes around the second base bag, allowed Watertown to score twice more. With the possibility of Howie's arm going dead from too much work, Dave Kirby was called in, and pitched two scoreless frames, allowing one hit in each.

Two base on balls, a sacrifice, and a sacrifice fly by Bobby DelGizzi scored two runs for Newton in the fourth. They really unloaded in the fifth. Fuzz Martin got things started with a long double and came around as Halloran lined his first of four hits into the seats in center field for a ground rule double. O'Laughlin reached on an error, and Connerney reached on a walk. Johnny Beggs then wacked a two-bagger to close out the hitting for this frame. Four runners crossed the plate that inning, and just about wrapped up the ball game, and at least a tie in the league title. A walk, sacrifice, and a single by Russ Halloran scored one more in the sixth.

Jackie McCree opened up the seventh inning scoring, when with one out, he doubled. Howie Whitmore then singled him to third, and Dixie Bergman socked a sacrifice fly. In the eighth the Orange and Black continued to put on the pressure, as Martin singled and Halloran followed suit. A walk to Connerney and a Beggs single added one more tally. Once again in the ninth the Tigers put across a run. Keyes walked, Martin sacrificed, and Halloran and O'Laughlin singled. Newton scored in all but two innings as they gave Watertown a solid beating.

Halloran, McCree, Whitmore and Martin, were the big guns at the plate, while the defensive play of Manny Connerney in left field is improving with every game. Along with McCree and Bergman, the Tiger outfield is in top shape.

The Tigers stole three more bases, as they continue to run wild on the diamond.

Orange and Black Track Team Dominates Meet

A powerful Orange and Black track team, completely dominated the GBI meet at White Stadium as they came in twenty points ahead of their closest rival. The Tigers carried off the over-all title, and the Junior Division title. They earned second places in both the Senior and Freshman-Sophomore divisions.

Eight records were broken in this meet, but because of the gusty winds, only one of them was accepted; that of Larry Lambert of Malden who broad jumped 21ft. ½ inches.

In the senior division the Tigers placed or won in the following events:
4th, Steve Berger, 110 high hurdles; 2nd, Barry Gilvar, broad jump; 4th, Brad Gottschalk, broad jump; 2nd, Charles Crones, 180 low hurdles; 4th, Brad Gottschalk, 100 yd. dash; 2nd, Barry Gilvar, 220 yd. run; 4th, John English, 220 yd. run; 1st, Gottschalk, Yobaccio, Gilvar, English, 220 yd. relay.

In the Junior division, which the Boylermakers won, here is how the scoring went: 3rd, Shot put, Jimmy King; 2nd, high jump, Peter Nelson; 4th, broad jump, John Head; 1st, low hurdles, John Head; 1st, 880 yd. run, Peter Nelson; 2nd, mile, Brian Havey; 2nd, 880 relay, Newton (runners not known); 2nd, medley relay, Newton (runners not known).

In the Freshman-Sophomore division the Tigers earned a second place. Here is how the scoring went: 2nd, Shot put, Kenny Winston; 1st, high jump, Marty Beckwith; 4th, broad jump, Jimmy Yancey; 3rd, 180 low hurdles, Marty Beckwith; 3rd, 100 yd. dash, Hubberman; 1st, 440 yd. run, Charles Stewart; 1st, medley relay, Buchanan, Zelli, Rust, Kattwinkle.

Overall scoring went as follows: Newton, 61½; Malden, 43; Watertown, 40½; Rindge, 33½; Belmont, 29½; Brockton, 24; New Bedford, 20½; St. Johns, 20½.

Medford, Somerville, Lawrence Central, Cam. Latin, Melrose, Everett, Malden Catholic, Attleboro, Somerset, Chelsea, B. C. High, Arlington, N. B. Voke, Marlboro, also entered in scoring.

Next Saturday is the big meet of the year; the state meet at White Stadium. It will be highly contested and the Tigers must be at their best if they want to pull this one out. The guess here, is that they will add another scalp to their belts—fifth straight championship.

West Newton Unitarian Church Activities

Dr. Ernest W. Kuebler of West Newton, acting administrator, Council of Liberal Churches (Universalist-Unitarian), was director of the educational conference held Saturday in connection with the American Unitarian Association Anniversafy Week, May 17-22, in Boston. As director of the Division of Education, Dr. Kuebler was in charge of the Division of Education Workshops held Saturday morning at Burdett College, with ten principal leaders discussing various phases of church school religious education. Delegates to the Division of Education held a luncheon at Hampshire House. A general session of the Division of Education followed at the Charles Street Universalist Meeting House, with Dr. Kuebler leading "Conversations with the Division of Education Staff." Prof. Ira DeA. Reid, Department of Sociology, of Haverford College, Pa., spoke on "Social Problems: Proving Ground for Religion."

Rev. John Ogden Fisher, minister of the First Unitarian Society in Newton, was the leader of group discussions of A.U.A. resolutions on denominational affairs Saturday afternoon in Hale Chapel, First Church in Boston.

Miss Margaret Ball of Newton attended the board meeting of Senexet House Thursday at First Church in Boston. The West Newton Alliance was represented at the General Alliance dinner Thursday evening at the Old South Church, and at the 66th annual meeting of the General Alliance of Unitarian and Other Liberal Christian Women, held all day Friday at Arlington Street Church.

Many from the Newton-Waltham area attended the Ware lecture Friday evening at John Hancock Hall, when Dr. Howard Thurman, dean of chapel at Boston University spoke on Freedom and Responsibility."

The Fellowship Party in the Dorothy Quincy Suite, with a reception and dancing, also attracted suburbanites as well as visiting delegates.

West Newton Unitarians attending the Saturday afternoon annual meeting of the Unitarian Service Committee at the Women's City Club, Boston, included Miss Lilley Owen Smith, retiring local chairman; Miss Fanny Garrison, new chairman; Mrs. William L. Tisdel, and Mrs. George G. Ballard.

The large West Newton delegation at Saturday evening's Unitarian Service Committee dinner at the Hotel Somerset, to hear Prof. Kenneth B. Clark speak on "The Present Crisis in Race Relations," was headed by the Rev. and Mrs. John O. Fisher. Also attending were Dr. and Mrs. Ernest W. Kuebler, Mr. and Mrs. Harry B. Taplin, Mr. and Mrs. Robert H. Loomis, Mr. and Mrs. A. Bela Sziklas, Dr. and Mrs. Lloyd E. Morris, Mrs. Woods Coty, Miss Eleanor Cox, Mrs. John A. Stackpole, Mrs. George G. Ballard, Miss Lilley Owen Smith, and Mr. and Mrs. William L. Tisdel.

The West Newton Unitarian Church had four delegates attending the 131st anniversary of the American Unitarian Association at the all-day sessions Tuesday, May 22, at John Hancock Hall, including Miss Margaret S. Ball, Louis F. Bachrach, Mrs. Leonard A. Monzert and William C. Loring. Alternate delegates were Mrs. Ernest W. Kuebler, Edward W. Whorf, Robert L. Townsend, and William L. Tisdel.

For Anniversary Sunday, May 20, under the Fellowship Pulpit Plan, sponsored by the New England Ministers' Association, Dr. Leslie T. Pennington, of the First Unitarian Church, Chicago, formerly of Cambridge First Parish, was guest preacher at the First Unitarian Church in Newton, with the Rev. Mr. Fisher conducting the morning service.

Annual Claflin PTA Award Goes To Geraldine Soule, Newtonville

A capacity audience attended the annual Claflin PTA meeting, Tuesday evening, May 22, in the Claflin School auditorium. Mrs. Meyer Gillvan, president, welcomed parents, teachers and friends and extended appreciation to all for an outstanding year.

The Claflin School Orchestra, under the supervision of Mr. Alvin Parker, opened with musical selections. Following the orchestra's performance, a musical interpretation of Hansel and Gretel was presented by the 4th and 5th grades under the direction of Miss Marian Griffin and Mrs. Judith Cohen.

Mr. Harry V. Anderson, principal, announced the retirement of Miss Marian Griffin after many years of teaching in the Claflin School. In recognition of her service, presentation of a gift was made by Mrs. Gillvan. Her friendship, sincerity and understanding have been a constant inspiration to all who know her.

The annual Claflin PTA Scholarship award was presented to Geraldine Soule, 19 Park place, Newtonville. A former student at Claflin School, she has been an outstanding student at Newton High. She is planning to attend Boston University, School of Music.

The slate of officers for the 1956-57 season was nominated and elected. They were: President, Mr. and Mrs. Lawrence Sullivan; 1st Vice President, Mr. and Mrs. William Glovsky; 2nd Vice President, Mr. Harry V. Anderson; 3rd Vice President, Dr. and Mrs. Ronald Lovell; Secretary, Mrs. Louis Weinstein; Treasurer, Mr. Joseph Hallett; Auditor, Mr. Ralph Werman; Advisor, Mrs. Meyer Gillvan.

At the conclusion of the business meeting a reception in the playroom under the chairmanship of Mrs. William A. Overholt and Mrs. William Paul, was tendered Miss Griffin. The best wishes of a large group of friends go with her for many happy years ahead.

Joseph Dietz Heads Temple Emanuel

Joseph G. Deitz was elected President of Temple Emanuel of Newton at the Annual Dinner Meeting of the Congregation held in the Community Hall last night (Wednesday). Mr. Deitz, who has been closely associated with the Temple since its inception twenty years ago, has previously served as Secretary of the Congregation and, more recently, as Chairman of the Board of Trustees. A dedicated worker in the field of Jewish communal affairs, Mr. Deitz comes to the Presidency well equipped to serve the Congregation, which has become one of the largest in the Greater Boston area, with a membership of 1162 families.

Among the highlights of the evening were the presentation of an inscribed watch to Mr. Joseph Greenbaum, retiring President of the Temple and the presentation of jackets to the Temple Emanuel Basketball Team, which this year won the championship of its class in the Newton Church League. Dr. Albert I. Gordon, spiritual leader of the Congregation, delivered his annual message. Reports were also drawn indicating the financial, cultural and religious development of the Congregation.

Other officers elected were the following: 1st Vice President, Irwin Benjamin; 2nd Vice-President, Benjamin M. Sriberg; 3rd Vice President, Meyer Armet; Treasurer, Arthur Rosenberg; Recording Secretary, Nissie Grossman; and Financial Secretary, Leonard L. Kabler.

Newly elected to the Board of Trustees are Samuel Black, Morris Finkelstein, and George J. Roberts. Re-elected for a period of three years are the following: Messrs. Nathan R. Angoff, Joseph G. Deitz, Mark A. Edison, Dr. I. A. Finkelstein, Sol Finkelstein, Clarence N. Jacobson, Leonard L. Kabler, Abraham I. Kaye, Leonard L. Matthews, Lloyd B. Oppenheim, Arthur Rosenberg and I. J. Silverman. The out-going President, Mr. Joseph Greenbaum, was elected an honorary member of the Board.

Political Overtones

(Continued from Page 1)

In executing his successful operation to have Nelson fired, Whittier broke away completely from one of the customs of his own political party. Ordinarily, a Republican candidate for office does not attempt to dictate the selection of a State Committee chairman.

Traditionally, a GOP Governor is conceded the right to name the State Committee head, but after he is elected, not while he is running. Sometimes his wishes are disregarded even after he is in office. That was so in the case of Robert F. Bradford.

The circumstances in the Whittier-Nelson feud were extraordinary. Whether they will impair Whittier's chances of achieving the Governorship is a question that only events to come will determine.

Nelson was the most dynamic chairman the Republican party in Massachusetts has had in many years. A veteran, professional politician, he knew all the campaign tricks, was an excellent organizer, has built up the GOP out at the grass roots and was a terrifically hard worker.

He was also blunt and did not hesitate to say what he thought. For some reason he and Whittier do not like each other. Perhaps that is due to a clash in temperament. Possibly, it goes back to the 1952 State convention, when Nelson was running Herter's campaign, and Whittier's supporters made a surprise fight against the present Governor at the Worcester conclave.

Whatever the reason, Nelson let it be known that he personally wished that someone other than Whittier was going to be the Republican nominee for Governor next fall. When Whittier tried to assert himself on how things should be in the State Committee, Nelson took the position that he was running the organization for the entire Republican party, not any one individual.

Nelson is an old pro who undoubtedly would have worked effectively with Whittier, once the party battle lines were drawn, but he was just stubborn enough not to recognize Whittier's right to be boss until after he was endorsed by the convention.

A majority of the Republican legislators were solidly behind Nelson. For a time it appeared they might be able to marshal enough support for Nelson to keep him in the chairmanship, despite Whittier's attempts to oust him.

One outspoken Senator summed up their attitude. "Nelson is not a friend of mine," he said. "The fact is that I don't like him, and we don't get along. But he has been a very effective chairman. He is a good organizer. The people out in the grass roots like him and will work for him. I think he can help me win next November. That's what I am interested in, not whether he's tactless and ungracious at times. He gets things done."

If Nelson's ouster does prove a mistake and the GOP suffers next fall because of the lack of his organizational talents, the one who stands to lose the most by it is Whittier himself. He's standing for the Governorship. That is his goal. It is the one he has been working toward for years. He obviously believes he is improving his chances of reaching it by dropping Nelson.

Should Whittier be defeated next November, the experts will look back upon the ouster of Nelson as a serious mistake. If the Republicans sweep the State, it will be regarded as a shrewd strategical move. Should Whittier be elected and his party lose either branch of the Legislature, he is likely to come in for some strong criticism from legislators who wanted Nelson to stay on and run the campaign.

At the moment Whittier has established himself as the boss in the party. He reached out in strong man fashion and displaced Nel[illegible] to say that he gave away something in N[illegible]son's organizational [illegible]der to accomplish greater working harmony.

Chairman Bonnell is extremely popular in Republican circles. Where Nelson is fast-moving, blunt and tactless, Bonnell is deliberate, considerate and highly diplomatic. Where Nelson stepped on any toes that were in his way, if he could achieve greater speed, Bonnell treads carefully and politely and offends nobody.

Bonnell lacks Nelson's political experience. Strictly speaking, he is an amateur in politics, while Nelson is a professional. But he will maintain a greater air of party unity than did the at times stormy Nelson.

Neither Bonnell nor Nelson was particularly concerned about the $12,000-a-year salary paid to the GOP chairman. Both have successful automobile agencies. Nelson probably spent his salary and more on Republican activity. Bonnell plans to serve only as chairman until after next November's election and then turn the job over to someone else.

Our guess is that after the initial bitterness caused by the ouster fight subsides, Nelson will resume an active role on the Republican firing line. It would not be at all surprising if he is requested to take a leading part in President Eisenhower's campaign next fall. He is too able a politician to be left idling on the sidelines.

Kennedy's Fight Not Quite the Same

In some ways Senator Kennedy's fight against Burke was similar to that waged by Whittier against Nelson. There are, however, some marked differences between the situations in the rival political parties.

One of them is that Kennedy will not be running for office this year unless, as stated, he is placed on the Democratic national ticket. A second is that relations between Burke and Kennedy were reasonably friendly until Burke took a public and prominent part in last month's Presidential primary and solicited write-in votes for Congressman John W. McCormack.

Until last January, Burke's fight had been principally with ex-Governor Dever. But when Burke achieved election to the chairmanship, the two buried the hatchet, worked together on the Jefferson-Jackson dinner and on the selection of the so-called official slates of candidates for election as delegates to the Democratic national convention.

Burke sat down in conference with Kennedy, Dever and McCormack to work out the makeup of the delegate slates, and for all practical purposes the delegates were picked by the three top leaders.

Now it appears in retrospect that was merely an armed truce. Burke has been a close friend of years of Congressman McCormack. It was McCormack who was responsible for having him appointed as collector of the Port of Boston late in the Roosevelt regime and reappointed by former President Truman.

As Democratic chairman, Burke would have been most responsive to McCormack. That, however, would have been largely true at the Democratic national convention in August, for McCormack is so absorbed and occupied by his congressional duties that he could not possibly attempt to be the Democratic boss at a State level.

McCormack wanted Burke reelected as chairman, as he made plain in statements issued in Washington. Kennedy and Dever engineered the ouster of Burke, with Kennedy playing the more prominent part. To that degree, at least there is a conflict between the top party chieftains, although McCormack never has sulked in his tent during a Democratic campaign. Neither, for that matter, has Burke.

In winning the fight to determine who should be the chairman of the Democratic State Committee, Kennedy scored a decisive victory, but in doing so he also assumed new responsibilities.

Burke took over a slumbering Democratic organization that had done nothing whatever in the 1954 campaign. The committee did not even hold a meeting during the last six months of that year. It made no registration effort. Whatever else Burke did or didn't do, he did awaken the Democratic State Committee, injected new life and enthusiasm into it, and restored it to an active basis.

If that committee now becomes an even more active and energetic organization and a more effective Democratic campaign instrument, it will reflect favorably on Kennedy. If it lapses back into a state of political coma, as in the last half of 1954, it will reflect adversely on Kennedy. There can be no dispute about those two statements. Every politician recognizes that situation.

Guided Missives . . .

SAFETY THIRST: Couple of friends of ours went in to that safety conference at the Statler Monday. The company was genial, they report. The conversation of the type that goes well with filet mignon. Good thing to get together on safety now and then, everyone agreed.

Dessert was served and eaten. Guests began to smack their lips, came up with one conclusion: That ice cream was rum-flavored . . . and how. Ahhh safety.

• • •

VOTERS COUNCIL: We wonder how many of you noticed that Alderman Charles H. Cosgrove took time Tuesday to meet his Ward 3 constituents at City Hall to talk over civic issues. As we understand it, this is the first time any Alderman has had office hours. Bears looking into.

HONORED. Dr. Roger S. Hamilton of Bound Brook road, Oak Hill, dean of the College of Business Administration at Northeastern University, was honored for 25 years' service at Northeastern last week.

That's a long time in educational work. And Dr. Hamilton is known here for his interest in educational affairs. He is retiring as president of the Newton PTA Council this year.

A UNIQUE SLUD: If one more radio-TV advertiser tells us that his product has a "new innovation" we think we're going to become dangerous. That and "most unique" are our two favorite peeves of all the radio-TV commercialese that assails us.

There must be something special about broadcasting. Ever notice the interesting variety of goofs that seem to pop up there with such frequency . . . like "bedroom suits?"

One of our favorite (well, not quite) baseball announcers informed us recently that, "Every one of those Yankees can hit the ball out of the park on one swing of the bat." Amazing. His predecessor assured us some years back that the Yankees . . . every one of them . . . could "hit the ball on the ground or in the air." Dunno. Maybe it's the Yankee hex that gets them.

No one ever hexed Dizzy Dean in his announcing days. With Diz the batters "swang and missed," the baserunners "slud into second" and the last of the ninth "could be disastrous . . . or maybe goodastrous."

Not to prolong it, but we think the best of the lot was the super-animated sports announcer we heard years ago who, dramatizing the death of a wealthy sponsor of a teen-age baseball league, shouted into the mike: "Yes, Senator —— rounded third and slid into home tonight."

• • •

WHO'S BORING? We noticed recently that one of our Newton High columnists referred to something or other as "boring as Congressional Records."

Hold on there. Now, we don't presume to tell youth anything. But we'd like to suggest, at least, that that statement "ain't necessarily so."

True, even when new, the CR, as we like to call it, has a small akin to mustiness. And its close-packed agate type is no aid to easy reading. But listen here: Senator George got his start just reading through his father's collection of CR's. Mighty smart man and a good speaker.

So you don't want to be a Senator George—have you thought of the humor there? Of course, anyone knows that when you spot some phrase like,, Does the honorable gentleman from Texas mean to imply . . . ?" that you've probably stumbled on a mint of Congressional humor that's so good that even the newspapers are quoting excerpts from it weekly — just for entertainment. It's good, too.

While you're waiting for a date in the library sometime, we'd like to suggest you thumb through any late issue and check off the number of articles you'd been meaning to read that turn up there — not in Readers Digest capsules but in full, as any well-trained Newton student would like them.

It's a daily library of good reading. We catch up on what we should have read regularly in CR.

You find material from all corners of the nation, from all kinds of publications . . . Well, we won't run on in endless details. Plenty of material for school assignments. Ooops, we forgot! School's practically out. Well, tuck it under your hat for next Fall. And don't sell CR short.

BACKWARD MARCH: P. G. Wodehouse has come up with a parody on Time's unique style:

Alas I never learned the knack
(And on Time's staff you need it),
Of writing English front to back
Till swims the mind to read it.

As Time would say, that "touches off" another parody, that of Wolcott Gibbs who concluded a New Yorker piece on Henry Luce thus:

"Certainly to be taken with seriousness is Luce at 38, his fellow man already informed up to his ears, the shadow of his enterprise long across the land, his future plans impossible to imagine, staggering to contemplate. Where it all will end, knows God!"

Recent Deaths

The funeral of John Pope, 85, who died Saturday at his home, 58 Auburndale avenue, West Newton, was held Tuesday with a high mass of requiem at St. Bernard's Church with interment in St. Joseph's Cemetery, West Roxbury. He was a retired foreman of the City Forestry Department.

Born in Ireland, he had been a resident of Newton for 70 years. He was the widower of Katherine (Welch) Pope.

He leaves a daughter, Miss Helen L., with whom he lived.

J. EDWARD HEALEY

The funeral of J. Edward Healey, retired director of the Kyanize Paint Co. and former Newton resident who died Saturday at Massachusetts General Hospital, was held Tuesday with a solemn requiem mass at Our Lady's Church. Burial was in Newton Cemetery.

Living at the Hotel Canterbury in Boston, he had lived in Newton most of his life and was prominent in New England paint distributing circles.

He was a past president of the Paint, Varnish and Lacquer Association of New England, the National Paint Trade Salesmen's Club, the New England Hardware Dealers Association and a member of the Boston College Alumni Association. He was also a member of the Our Lady's Holy Name Society.

Besides his widow, Margaret (Wyatt), he leaves a son, John E. of Wellesley; a daughter, Mrs. Edward Hendrikus of Waltham; a brother, William of Newton; two sisters, Laura and Esther, both of Newton, and four grandchildren.

ROBERT KEENE

Funeral services were held last Saturday for Robert Keene, 34, who died the previous Thursday of a heart attack at his home, 584 Grove street, Lower Falls.

Mr. Keene had lived all his life in Newton and was an active member of the Lower Falls Methodist Church.

He leaves his wife, Phyllis (Mullane); a daughter, Linda; his father, Robert E. of Tampa, Fla.

Woman's Club of Newton H'lands

Thursday, May 17, about 40 members of the Executive Board for the last 2 years attended a luncheon at the Manning Manse in North Billerica in honor of Mrs. Stephen C. Hung who has just completed her term as president. The newly elected president, Mrs. James Zimer, extended greetings and presented a past president's pin and a jewel case as tokens of affection to Mrs. Hung. In charge of stunts, games and singing were Mrs. Kenneth Lynde, chairman assisted by Mrs. Francis Rugg, Mrs. Ralph Shaw and Mrs. Kenneth Waite.

Miss Norma Solimene, Executive Director of the Newton Tuberculosis and Health Association is currently attending the Annual Meeting of the National Tuberculosis Association at the Hotel Statler in New York City. The program for the Annual Meeting includes special interest sessions for nurses, sanatoria directors, doctors, and tuberculosis association workers. Joint sessions will be held with the American Trudeau Society and the National Tuberculosis Nursing Advisory Service. Some of the main topics to be considered include The Voluntary Agency in the American Scene, The Growing Importance of Adequate Tuberculin Testing Programs, The Chronicity of Tuberculosis, and The Non-Hospitalized Tuberculosis Patient. There will also be special sessions on Board Meetings, Telling the Tuberculosis Story, Developing a Sheltered Workshop, and Establishing Patient Relationships.

Sessions of the Annual Meeting began Saturday, May 19 and will continue until Friday, May 25.

Prof. Caners to Get Ph.D at U. of Ottawa

Prof Leonard A. Caners of St. Michael's College in Winooski, Vt., will receive his Ph.D. from the University of Ottawa on Sunday, June 3.

Prof Caners, acting head of the mathematics department and associate professor of French at St. Michael's, is married to the former Eleanor Leone of Newton and is a frequent visitor here.

Caners will receive his doctorate for his work in French, writing on "Woman in the Life and Poetic Works of Charles Peguxy."

A native of Holland who earned his bachelor's degree magna cum laude in 1928 from the University of **Manitoba**, Dr. Caners has two master's degrees from the University of **Manitoba** in 1937 and in 1949 from the University of Minnesota.

Dr. Caners has taught at all levels, starting with a one-room school in Canada, acting as principal of a grade school, teaching in a junior high and a high school. At Winnepeg, he taught four years at the Laura Secord Junior High School and six years at Kelvin Technical High School.

A member of the American Association of Mathematicians, Dr. Caners has published frequently in its journal, most recenly on his method of facilitating the finding of prime numbers beyond the range of ordinary tables.

Wins Chevrolet In Nation Wide Contest

Albert B. Merrill of 337 Waban avenue, Waban, who has driven Chevrolet automobiles since 1923, found himself the owner of another Chevrolet today—this time for free.

Mr. Merrill, who retired in 1949 after more than half a century with the Boston Five Cents Savings Bank, was told by John H. Moye, vice-president of Moye Chevrolet Company of Newton, that he is the winner of a 1956 Chevrolet in a a nationwide contest. Mr. and Mrs. Merrill selected a Bel Air Sedan.

The Waban man was chosen as one of a number of national winners on the basis of his suggestion for a final line to a new chorus of the Chevrolet theme song, "See the U.S.A. in Your Chevrolet." The contest was sponsored by the Chevrolet Motor Division of General Motors, in cooperation with local dealers.

Moye Chevrolet Company, where Mr. Merrill purchased his present 1951 Chevrolet, presented the new car to the Merrills at their home. The couple plan to see more of the U.S.A. in their Chevrolet this summer. They have already toured much of the country in Chevrolets.

Named Assistant Manager of Bank Mortgage Dept.

The Newton Savings Bank announces the elevation of W. Henry Harris, Jr. to the position of assistant manager of the mortgage department. Mr. Harris who resides in Framingham has been with the bank since 1947 and for seven years was the assistant manager of the savings bank life insurance department of the bank.

The appointment of Mr. Harris will enable the bank to better serve its 4,201 mortgage customers whose mortgages total over $33,000,000.

Newtonite of the Week

LEWIS PAUL SIMONS

MRS. HARRY M. MYERS

HARRY M. MYERS

This week the Graphic is proud to salute Mr. and Mrs. Harry M. Myers of 105 Country Club Road, Oak Hill. Through the years Mr. and Mrs. Myers have generously lent themselves to civic organizations. Each on his own initiative has made a distinctive contribution to the welfare of our community.

Mr. Myers is very interested in the success of Newton's Red Feather sponsored groups. He has worked as a collector, captain, and Oak Hill general chairman for the Community Chest campaigns. Currently he is chairman of the Worker Information Committee of that organization.

During World War II, Mr. Myers put his intense interest in amateur photography to work for our servicemen. He took over the Chairmanship of the Photography Committee for the U. S. O. House in Boston. Mr. Myers and his men took pictures of the boys who patronized the club and sent them home to their families. Later Mr. Myers and his group went to Camp Edwards regularly to photograph the returning wounded. These pictures were also sent to the families, many of whom had not seen their sons for months or years.

Mr. Myers was recently elected to the Ward 5 Republican Committee. He has served on the House and Building Committee of the newly completed Temple Shalom.

Mrs. Myers' heart belongs to the Girl Scouts. In the past she has been the leader of a Brownie Troop, the Treasurer of the Oak Hill Girl Scouts, Assistant Treasurer, Treasurer, and finally Deputy Commissioner of the Newton Girl Scout Council. Currently she is a member of the Finance Committee of the Massachusetts Girl Scout Council.

Mrs. Myers is presently engaged in a campaign to raise $50,000 which will provide a new overnight camp for the Scouts. Unfortunately the old camp provides part of the road bed for the new super highway which will empty into Newton.

Along with her Scout work, Mrs. Myers has managed for the past 12 years to successfully serve as Oak Hill's Woman Chairman for the Combined Jewish Appeal.

At a result of their spirit and organizational ability, Mr. and Mrs. Myers have just been elected Co-Chairmen of the Newton High School Parent-Teacher, Student Association. This affiliation is dedicated to increasing the understanding of school problems. The PTSA is unique in that the students play an active part in its affairs. For example, each of the 99 committees comprising the PTSA has a student serving as Vice-Chairman. This type of union not only allows the high schooler a voice in his own affairs but also encourages him to shoulder responsibilities. As Co-Chairmen of this very wonderful organization, the Myers will be guiding PTSA through its fourth year.

If the past is any key to the future, PTSA as well as many other organizations, cannot help but prosper under the Myers' leadership.

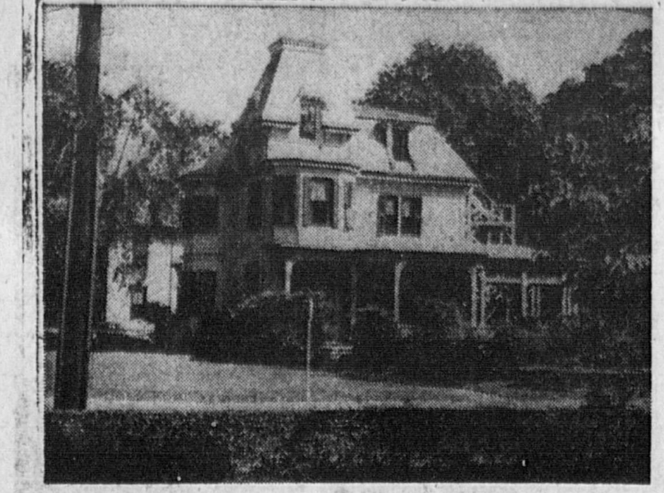
5 W. Newton Cubs Feted at Cookout

A cookout at the Auburndale Playground was held recently by Cub Pack 55 of St. Bernard's parish in West Newton and their parents.

Planned by den mothers Mrs. Gerard Matthews and Mrs. William Paul, the cookout was climaxed by awards to five Cubs. Cubmaster Frank Bemis rewarded Lawrence Balboni, bobcat pin, wolf badge, one gold and two silver arrows; Richard Betts, one gold and three silver arrows; Terry Morris, one bear badge and one gold arrow; Robert Publiese, lion badge and Michael Treacy, one gold and one silver arrow.



HOME OF ALL-NEWTON MUSIC SCHOOL

All Newton Music School Sparks 'Johnny's' Talents

"What's With Johnny's Music Lessons?" This was the caption on a recent flier inviting parents to confer with their children's teachers at the All-Newton Music School in Newtonville.

In a large, old house on the corner of Cabot and Walnut streets, 10 studios are in constant use; and at the Pierce School in West Newton lessons in violin and piano are given on Tuesday and Thursday afternoons.

The music school has over 600 students with instruction in piano, violin, cello, bass, flute, clarinet, and voice.

Classes are also held in theory and solfege, and experience, is given in orchestra, trio, and quartet playing.

The school's annual Pop Concert at Symphony Hall will be held Monday, June 4, with Constance Cover Wurster of the faculty, as quest piano soloist playing Cesar Franck's "Symphonic Variations for Piano and Orchestra."

Proceeds will go toward the school's scholarship and mortgage funds.

On Friday afternoons, there are music hours at which children may play whatever pieces they have ready. Besides gaining experience in playing for others, they benefit from suggestions made by teachers.

The playing class, an informal name for each teacher's own recital, usually takes place on a Sunday afternoon or evening. These are cozy affairs with parents in attendance and talent ranging from the young beginner whose chubby fingers ply the keys determinedly to the advanced students who perform with individual style and professional accomplishment.

The annual spring concerts, to which the public is invited, is the high point of each year's work, for it demonstrates effectively the variety and extent of musical achievement.

This year, visiting artists and members of the Boston Symphony were called in to coach advanced students as they prepared for the Spring Concert or their own Diploma recitals.

Trio, quartet, and orchestra groups were also inspired by special professional coaching. These student groups perform frequently for community organizations such as the Stone Institute, Y.M.C.A., Community Chest, Hospital Aid, Churches, etc.

Since the Music School operates as a non-profit organization and is supported in part by the Community Chest, it establishes minimum tuition rates, but its facilities are open to children of all sections of Newton and of all economic levels. Contributions and bequests make possible a limited program of student aid and scholarships. There are special advantages and opportunities for children in a community music school which make for a richer life and not infrequently point the way toward a career in music.

The All-Newton Music School was founded 45 years ago by Elizabeth Fyffe. Today, at the age of 89, Miss Fyffe still attends Music School events. This year's Annual Spring Concert made her feel "very proud," she said.

Since 1937, Mrs. Mabel B. Worth has served the school ably as executive director. Aided by an active Parents Association and an interested Board of Trustees, the school plays an important role in the community.

AT THE RECENT capping services of the Catherine Laboure School of Nursing held at the Basilica of Our Lady of Perpetual Help in Roxbury, the Misses Linda Barrett, Newton; Margaret O'Neill, Newton; Eleanor Murphy, Newton; Carol Van Wort, Lexington, formerly of Newton, and Dorothy Flynn of Natick, received their caps. His Excellency, Richard J. Cushing, presided at the ceremony.

2 Newton Women to Attend State Legion Parley

Jeanne T. McPherson, president of Newton Unit 48, American Legion Auxiliary, and Mrs. Anne L. McPherson, will be delegates to the state auxiliary's 37th convention Thursday, May 31, to Saturday, June 2 at the New Ocean House, Swampscott.

Scholarships for 11 orphans of veterans will be presented and a salute to 25-year members at a special luncheon will highlight Friday events.

A testimonial dinner will be given to the department president, Mrs. John L. Manuel of Milford, Friday evening with past department presidents of Massachusetts as special guests.

The national president's banquet will be held Thursday evening. Representatives of various patriotic organizations will be guests Friday at a convention tea.

Prelate Hails Newton K. of C. At 60th Anniversary Dinner

Tribute to Newton Council, Knights of Columbus was paid by Archbishop Cushing last week at the 60th anniversary dinner at Robin Hood's Ten Acres in Wayland.

The prelate praised the local council for leading all other councils in the archdiocese in contributions to the Guild for Exceptional Children organized several years ago by the K. of C.

More than 400 guests heard the archbishop tell that for every child accepted at institutions supported by the guild more than 40 must be turned away. The guild helps support institutions like St. Coletta's in Hanover, where a fireproof dormitory is being erected.

Edward Smith of Auburndale, only charter member still active in council affairs, was introduced and Toastmaster James M. Purcell gave a resume on the council's activities since 1896.

The welcoming speech was given by Frederick Brasco, general chairman of the event. Grand Knight Wilfred T. Dery also welcomed members and paid tribute to the wives of members who had co-operated in planning the celebration.

The Council presented the Archbishop with a purse for his charities.

Headtable guests were:

Rt. Rev. Walter J. Furlong, P.A., Pastor, Church of Our Lady, Help of Christians; Rt. Rev. Bernard S. O'Kane, Pastor, St. Bernard's Parish, West Newton; Rt. Rev. Christopher P. Griffin, State Chaplain, Knights of Columbus; Rev. Sylvio W. Barrett, Pastor, St. John the Evangelist Parish, Nonantum and Chaplain of Newton Council; Rev. John R. Wall, Pastor, Mary Immaculate of Lourdes Parish, Newton Upper Falls.

Rev. John J. Johnson, Pastor, Corpus Christi Parish, Auburndale; District Deputy Michael J. and Mrs. Ring, Columbus Council; District Deputy Leo S. and Mrs. Gagnon, Newton Council; Faithful Navigator John R. and Mrs. Murphy, Gov. David I. Walsh Assembly; Grand Knight Joseph and Mrs. Santosuosso, Jr., Cardinal O'Connell Council; Grand Knight John J. Mullen, Crozier Council; General Insurance Agent Walter H. and Mrs. Clemens; Edward Smith, Last Charter Member, Newton Council; Mrs. Frederick Brasco, Mrs. Wilfred T. Dery, Mrs. James M. Purcell and Mrs. Howard Whitmore, Jr.

Council of Churches to Decide On Full Time Director Mon.

Does Newton need a full time Council of Churches? What would it cost for a full-time Executive Director? What youth needs could a full time Council meet?

For the past months a committee headed by Ernst Seyfarth of the Newton Council of Churches has been exploring such questions. This Monday evening at the Annual Meeting of the Council in Trinity Church, Newton Centre, Mr. Seyfarth's committee will report the results of their study. Delegates from the member churches and all interested friends will be most welcome and are cordially invited. Dinner and discussion period will be open to all following the dinner.

Jack Ketcham of the National Council of Churches will be a guest of the Newton Council for this important meeting. He has been making a study of Councils all over the country, and he will bring basic facts and information of vital interest to all who are interested in the ecumenical movement.

Bob Ryder, Executive Secretary of the Attleboro Council of Churches, will bring specific information as to how a full time Council is operating there.

The Nominating Committee consisting of Dr. Randolph Merrill, Mr. Harold Wooster, and Mrs. Arthur Gregorian will present a slate of officers for the coming two years. Retiring officers who have served for the past two years are President Arthur T. Gregorian; Vice Presidents, Ernst Seyfarth and Mrs. Earl Wood; Secretary, Richard H. Lee; and Treasurer, Edson L. Fitch.

DAVIS P. T. A. ANNUAL MEETING

The annual meeting of the Davis School Parent-Teacher Association will be held at the Davis School in West Newton on Monday evening, May 28. The program is to be one of student participation and is directly connected with the pupils' work in social studies. For many weeks the boys and girls as well as their parents and teachers, have looked forward to this meeting and a most informative and educational evening is promised.

Teachers who are helping with the program are: Miss Anne Schiavone, Miss Pauline Larson, Miss Janice Leporati, Mrs. Caroline Allen, Miss J. Lillian Neary, Mrs. Pauline Gilman, Miss Margaret Wingate, Mrs. Helen George, Miss Anne Gorman, Mrs. Arline Fand, Mrs. Mary Alice Shrosbree, Mrs. Mildred McCarthy and Miss Mary J. Nugent, principal.

There will also be a brief business meeting. The proposed slate of officers will be presented and voted upon and nominations may be made from the floor.

The slate is as follows:

President, Mr. and Mrs. Carl E. Hartbower; first vice-president, Mr. and Mrs. John S. Carder; second vice-president, Mr. and Mrs. George B. Rubin; third vice-president, Mr. and sponding secretary, Mr. and Mrs. William H. Bright; corre- Mrs. Warren Houston; recording secretary, Mr. and Mrs. Wayne Schell; treasurer, Mr. and Mrs. James A. Warner.

The newly elected officers will be presented to the group and then Mr. Paul F. O'Donnell, the retiring president, will turn the meeting over to them.

Newell Club

Mrs. George P. Norton was elected president of the Newell Club at the annual meeting held Thursday, May 3, at the 1812 House in Framingham.

Other officers elected were: vice president, Mrs. J. Clifford French; recording secretary, Mrs. Lloyd E. Hawes; corresponding secretary, Mrs. Oswald F. Banks; treasurer, Mrs. Henry S. Cross; program chairmen, Mrs. Morgan S. Campbell and Mrs. William G. Preston; publicity chairman, Mrs. Harry L. Walen; ways and means chairmen, Mrs. Leonard H. Abbot and Mrs. Norman R. Millard; nominating committee chairman, Mrs. Henry C. Jones.

The report of the club activities for the year included the usual substantial donation to the Peabody Home Splint, Brace, and Crutch Fund, greens for Christmas decorations, and a party in the spring for the children at the Peabody Home. The financial help given the Peabody Home was raised largely by the bridge party at Mount Ida in November.

This year the twentieth anniversary of the founding of the club was celebrated.

After the luncheon, the meeting, and the annual meeting, there followed a bridge party for the members.

TELE-VIEWING THE NEWS

By LEE LOUMOS

How can you judge picture quality in a TV set . . . both in your set at home and when you're shopping in the store for a new set? Remember that every TV picture has the same number of "lines" that are traced across the screen to make a picture.

You should take a closeup look at these lines in the picture you're watching. You should see clear, sharp black-and-white contrast, without fuzziness. Check, too, on the sharpness of these lines on the edges and at the top of the picture. You watch the whole screen, not just the middle, and the more uniform the picture quality over the whole screen the better the picture.

Brightness and contrast are next to sharpness of detail in picture quality. Check these controls for ease of use . . . and check to see the range of contrast and brightness you have, since reception conditions vary and one setting isn't enough to give good performance under all circumstances. Finally, watch the picture long enough to judge how steady it is. Look for "jumping" and flickering or fading in the picture. It should be rock steady.

If your TV picture doesn't measure up to these tests, call on our technicians to put it right with an accurate service diagnosis . . . and an expert cure.

Solicitation of Funds For New Girl Scout Camp Begun

Advance contributions of $2,000 to the new Camp Fund of the Newton Girl Scouts were announced this week by Mrs. Arthur T. Gregorian, general chairman of the Appeal. Solicitation of Girl Scout families and friends is underway this week.

There are 800 active volunteer adults connected with the Newton Girl Scouts; 900 Intermediate Scouts; 150 Senior Scouts;—a total Newton Girl Scout membership of 3300.

Camp Mary Day, the Newton established camp located in Natick used for 32 years, is no longer suitable for resident camping. The camp has been bisected by the new East-West Toll Road.

In a search for replacement, the established camp committee, Mrs. J. Bernard Everett of Newton Centre, chairman, visited and considered 25 camps. A camp was selected on a lake, located in a mountain region of southern New Hampshire, about 85 miles from Boston and 10 miles from Lake Sunapee.

Contributions toward purchase of the camp may be sent to the Newton Girl Scout Council, Inc., 6 Hartford St., Newton Highlands. Checks should be made payable to Newton Girl Scout Council, Inc. Contributions qualify as deductions for Federal Income Tax purposes.

The buildings of the proposed camp are numerous, in excellent repair, and suited to Girl Scout needs. The equipment includes furniture, cooking equipment, dishes, dinner ware, tools and machinery essential for maintenance.

There are facilities for tennis, archery and games. Sports equipment includes nets, bows, targets, rafts and boats. Opportunities are offered for nature study in ideal surroundings, for sailing, canoeing and swimming on a beautiful lake, and for short and long distance hiking with an Outpost high on a neighboring hill which provides an excellent setting for primitive camping.

The Newton Girl Scouts have an option to purchase the camp for $75,000, good only for a limited time. Of this amount, $25,000 has been provided by Girl Scout activities and one large gift. The $50,000 goal of the present drive is to complete the purchase.

A 12 VOLUME SET of the "Do-It-Yourself" encyclopedia was recently donated to the reference library of the Newton Technical High School by the employees of the First National Store at 647 Washington street, Newtonville. Assistant Director William Johnstone, right, of the high school is shown receiving the volumes from Daniel Harrington, grocery manager of the Finast store.

Day Camp for Girl Scouts to Open in Weston July 2

Quabbin Day Camp, for 75 Girl Scouts 7-17, will open at Nonesuch Pond, Weston, July 2, it was announced yesterday.

Except for the first week the camp will be open Monday through Thursdays through Aug. 9. The camp will open Monday, Tuesday, Thursday and Friday in the first week.

Newton Girl Scouts will get preference. All must take a physical examination prior to admission.

The Program and Site Director will be Mrs. Donald Archer, physical education instructor at Newton High and a former Girl Scout. She will be assisted by Mrs. Earl Alban.

The Brownies and young Intermediates will devote most of their time to swimming improvement, nature studies, dramatics, handcraft work, and song fests.

Three Newtonites On YW Board

Three Newton residents have been elected to the board of directors of the Boston YWCA. They are:

Mrs. Eva Whiting White of 11 Quidnic road, Waban; Mrs. Ralph Adams of 55 Lee road, Chestnut Hill; Mrs. Keith J. Steele of 76 Denny road, Chestnut Hill.

High School Activities

The Newton High School Board of Publications recently released its decision concerning four key student positions for the next year. With Harris Funkenstein at the healm of the 1957 **Newtonian**, Nancy Derr at the healm of the **Orange Book** and Elaine Soloman and Ed Davidson as respective business managers, both publications are assured of overwhelming success. The selection of next years editorial staff of the **Newtonite**, the school's third periodical, is not under the Board's jurisdiction, but will be forthcoming.

Competing against Revere, Needham, Waltham, Westwood, Norwood, and Dedham High Schools, the Newton High School drum majorettes: Jean LaTona, Joyce Firestine, Betsy Emerson, Patty Howard, Gail Spuler and Bessa Whitmore, much to their surprise, walked offi in the Walpole drum majorette contest with highest honors.

Again Newton students bring honor to their alma mater as four boys win scholarships to Wesleyan University, a high ranking college in the ivy league. These four boys, Bruce Dow, Charles Olton, Bob Sade, and William Walker, were chosen from four hundred scholarship applicants and are all members of the National Honor Society.

The director of Newton High School Summer School, Mr. Walter M. Taylor, has recently announced that courses in science will be offered this summer. By this new plan biology studied two successive summers is worth five credits and one college unit. Chemistry and physics may also be studied, but are being offered only for preview, or review; not for credits.

As in past years (five to be exact) Newton is again privileged with having a foreign exchange student attending Newton High School for one year. In the 1956-57 term, the foreign student will be Bodil Weslergren who hails from northern Sweden and will be in America via the American Field Service. She will stay at the home of Jane Bugbee, Newton student, and they will attend senior classes together.

As awards for proficiency in Spanish, Leonora Verdoni was awarded Spanish language recordings, a Spanish dictionary and many valuable books on all phases of the language. Leonora represented N.H.S. at the annual Spoken Spanish Contest, sponsored by the Pan American Society of Boston, and American Association of Teachers of Spanish and Portugese, and attained first place in the contest at second year Spanish level.

About this time every year, Newton is anxiously awaiting the announcement of "Who will the graduation speaker be?" This year we are very proud to have on that momentous day of June 9, Mr. Raymand Stevens, a leading citizen of our country. Mr. Stevens has had (and still does have) a glorious career in the chemical industry and has written many books of renown.

On Saturday, May 12th the Newton High School Music Department again celebrated one of its most memorable "firsts." Nearly sixty members of the A Cappella choir, under the direction of Mr. Wesley Merritt performed at the Gardner Museum in Boston. This appearance marked the first time any high school has been invited to sing at the palace which represents such noted choral groups as the Harvard-Radcliffe Glee Club and the New England Conservatory as well as celebrated soloists.

Republican Club to Meet

Final plans for the annual meeting of the Newton Republican Club have been completed, according to an announcement from William J. Robinson, chairman of the event.

The meeting, which will be held Wednesday evening, June 6, at 8:15 p.m. at the Auburndale Club, 283 Melrose street, Auburndale, will be in keeping with the club's tradition of a "Political Pops", with the emphasis being exclusively on the entertainment of its members and guests. The popular Strawberry Festival will be repeated this year, with refreshments served at tables. The entertainment, which is being prepared especially for the occasion, will be according to Mr. Robinson, "original, lively and a complete surprise." Door prizes will be an added feature.

Reservations for tickets or for a table may be made by calling Mrs. Robinson (BI 4-3929) before June 1.

Lasell Planning Nursery School

The Child Study department of Lasell Junior College is conducting a survey in Auburndale to determine if parents would like a nursery school conducted by the college.

Pamphlets containing information concerning the survey are available to Auburndale parents at the Auburndale Cooperative Bank and Boulevard Pharmacy.

Parents may fill out and return to Lasell the questionaire which they will find enclosed with the descriptive material in the survey. ....

Completes Course

Second Lt. Ralph P. Hayden of 137 Staniford street, Auburndale, has completed the Signal Corps Officers Basic Course at the Signal School, Fort Monmouth, N. J. He was graduated from Northeastern University in 1955.

Highlands Congregational Church Activities

Sunday, May 27th, will be the Tenth Anniversary of the Junior Choir of the Newton Highlands Congregational Church. The Choir started ten years ago with 42 members and has now increased to ninety youngsters ranging in age from the third to the ninth grades. Gold crosses will be awarded at the 10.45 service on Sunday according to the years of service by the Choir Mothers now serving: Mrs. Henry W. Nelson, Senior Choir Mother, Mrs. Edward C. Allen, Mrs. Frederick R. Wood, and Mrs. William H. Parmenter. Honored at this Tenth Anniversary will be four former Choir Mothers: Mrs. Stephen C. Hung, Mrs. Arthur F. Fultz, Mrs. Martin P. Luthy, and Mrs. Harrison Meserve. Under the direction of Mr. Harold Schwab, the Choir wll sing "How Beautiful are the Feet . . . "from the Messiah by Handel, and the "Soft Southern Breeze" from Rebekah by Barnby. Miss Mary Winsor will accompany on the violin. Dr. Frederic Groetsema will preach a special sermon on "The Singing Faith".

A Recognition supper for the Senior Choir, given by the Music Committee, A. Ralph Tailby, Chairman, will be on Thursday, May 24th, at 6.45 p. m., in the church dining room. Mr. Clarence E. Churchill will give an illustrated talk on his year on the Isle of Wight in England.

The Junior High Pilgrim Fellowship will leave at 4.30 p. m. on Friday, May 27th, for a weekend retreat at the Congregational Conference Center in Framingham. Mr. and Mrs. Vance Williams and Mr. and Mrs. Charles L. Fenton, Jr., will accompany the young people.

Edward Uehlein Named President of Newton PT-A Council

A most stimulating and thought provoking program was presented by some members of the Newton Teachers Federation at the annual meeting of the Newton PTA Council held at the Memorial School, Monday night, May 14. The participants were: Mr. Floyd Rinker, moderator, Mr. Lawrence W. Anderson, Mr. Charles E. Brown, Mr. Addison Cowles, Miss Norma A. Dooley, Mr. Robert V. Frost, Mr. Eugene Gray, Miss Mildred Hood, president of the Federation, Miss Katherine T. Murphy, and Mrs. Ella M. Gaye.

There was also a brief business meeting of the Council. Mrs. Henry Sherman, the executive secretary, gave a detailed report of the year's activities and accomplishments. Mrs. Herbert Rubin gave the treasurer's report. The following persons were elected officers of the Newton PTA Council for the year 1956-57:

President, Edward Uehlein; Vice-President, Walter Dietz; Vice-President, Irving Helman; Vice-President, Mrs. Haskell Ostroff; Executive Secretary, Mrs. Henry Sherman; Corresponding Secretary, Mrs. Edward Landy; Treasurer, Mrs. William Krebs, Jr.

A very pleasant coffee hour followed the meeting, and the Council is grateful to the Memorial School PTA for their kind hospitality and particularly Mrs. Edward M. McMahon and her able committee for their delicious refreshments.

Busy Meadowbr'k Student Council

Meadowbrook, in its first year of existence, has a very busy student council which is composed of two representatives from each division in the school, P. T. A. members, teachers and our principal, Miss King. It is headed by Danny Rosenfelt, who is our president; Carl Sherter, vice-president; Shirley Klein, secretary; and Bob Aghababian, treasurer.

Some of the more important projects that the Meadowbrook Council is working on are a council dance, to be held late in May; an afternoon party for the whole school which was held May 10; and an emblem contest. The emblem contest is a contest in which any pupil can participate to draw an emblem for the school. The Constitution Committee, headed by Sue Tucker, is busily working on a constitution for Meadowbrook. The Service Committee, with Carolyn Goldstein as its chairman, is getting school letters for the school baseball team. The Service Award Committee, headed by Brooke Kruger, is working hard on an award system, to give awards to those who have performed outstanding services for the school throughout the school year. The Finance Committee, with Howard Levine as its chairman, is busily watching over the Meadowbrook finances.

Luncheon For Board Members

Mrs. Ralph Lanoue, president of the Newton Newcomers Club entertained the board members at her home last Wednesday, May 16, with a delicious lunch and bridge.

A beautiful serving dish was presented to Mrs. Lanoue by the board members.

Bridge winners were Mrs. Joseph A. Mendez, Mrs. Daniel Raleigh and Mrs. Roy Rook.

Oak Hill PTA Plant Sale

The Oak Hill School P. T. A. will hold its annual plant sale at the school grounds on Saturday, May 26 from 11 a.m. to 3 p.m. All proceeds will go toward the school relandscaping project. Items available will include a large selection of annual plants, perennials from local gardens, a complete array of garden aids and decorative potted plants.

Among the parents participating in this project are Mrs. Hyman Ednas, Mrs. Samuel Senior, Mrs. Walter Hannegan, Mrs. Arthur Ellison, Mrs. Irving Wexler, Mrs. Aaron Cohen, Mrs. Sylvan Rosoff, Mrs. Myer Rottenberg, Mrs. David Stein, Mrs. Charles Robinson and co-chairmen Mrs. Benjamin Green and Mrs. Samuel B. Horovitz.

Mrs. Bertram Promboin, Mrs. Fred Frades and Mrs. Bernard Blank are in charge of the refreshment stand, where home-made sandwiches and beverages will be available.

Other assistants will include Mr. Benjamin Green, Mr. Samuel B. Horovitz, Mr. Thomas J. McCarthy and several Boy Scouts from Troop 72.

o

Council Meeting of Girl Scouts

The Girl Scout Council meeting will be held tonight at the Beethoven School and will begin at 7:30 with dessert for all.

In response to requests for more information on "Area Development in Metropolitan Boston", the program will be presented by the Newton Area Development Study Committee under the chairmanship of Mrs. Earl B. Bourne.

There will be a short panel presentation followed by buzz sessions and a question and answer period. The evening promises to be both stimulating and enlightening.

Emerald Club Holds Meeting

Newton Emblem Club, No. 8, held its May business meeting at the Elk's Hall, Newton Corner, on Monday evening, May 14. President Julia Harrison called the meeting to order at 8:30. After the opening services, business of the club was conducted and Mrs. Julia Harrison appointed her various committees for the year. Plans were made for fund raising and charitable projects for the future.

President Julia Harrison and 14 other members of Newton Emblem Club No. 8 attended the recent State Convention of Emblem Clubs held at New Ocean House in Swampscott, Massachusetts.

After the meeting closed a social hour was held. While refreshments were being served, a poem to Mothers in honor of Mother's Day, was read by the Club Chaplain, Sister Agnes Dewire.

In keeping with the theme of Mother's Day, it was announced that Sister Nora Cannon is the proud mother of a new son and proud grandmothers are Sister Bertha Dunne with a new granddaughter and Sister Alice Furbush with a new grandson.

The next meeting will be held on Monday, May 28. This will be a social with a bridge and whist party. Marshall Phylis Guzzi has charge of the arrangements for this party as chairman of the ways and means committee.

o

MRS. DONALD A. VEZINA

Miss Hersun, Mr. Vezina Wed

On May 5 in a double ring ceremony at the Unitarian Church in West Newton Miss June Marilyn Hersun, daughter of Mr. Harry W. Hersun of Weston and Mrs. Blanche A. Hersun of Newton, became the bride of Mr. Donald Allan Vezina, son of Mr. and Mrs. Ernest Vezina of Roslindale.

The bride, in a gown of blush ivory with a satin bodice and skirt of Chantilly lace, long tapering sleeves, and a cathedral train, was given in marriage by her brother A. Richard Hersun. Mrs. Edmund Barry served as Matron of Honor, and Mr. Helmut Furth was Best Man. Ushers were Mr. Robert E. Johnson, David Bryan, John Byington, and James Severson. The reception was held at Ten Acres in Wayland.

The bride attended William Jewell in Liberty, Missouri and Katherine Gibbs School. The groom is a graduate of Harvard College and Harvard Graduate School of Business Administration.

After a wedding trip to Bermuda, the couple will be at home in Montclair, New Jersey.

MISS ALAYNE MacINTOSH BRIDE OF MR. PETRITZ

Miss Alayne Helen MasIntosh, daughter of Mrs. Leach MacIntosh of Auburndale and Dr. William D. MacIntosh of Providence, Rhode Island, became the bride Saturday afternoon, May the twelfth, of Mr. Anthony F. Petritz, son of Mr. Anthony P. Petritz and the late Mrs. Petritz of Bayside, Long Island. The three o'clock ceremony was performed by the Rev. Howard R. Dunbar at Trinity Church, Newton Centre, Massachusetts.

Escorted by her father, the bride wore a floor length hooped gown of Chantilly lace and floating tulle with long tapering sleeves. A crown of seed pearls with irridescent opal sequins repeating the embroidery of the bodice held her finger tip veil in place. She carried a cascade bouquet of feathered carnations orchid, stephanotis and ivy.

The matron of honor was Mrs. William D. MacIntosh, Jr., of Holliston, sister-in-law of the bride.

The bridesmaids were Miss Jean-Marian MacMillan of Newton Highlands and New York City and Miss Margery K. Wight of Newton Centre.

The attendants wore identical ballerina length gowns of white organza embroidered with bands of pink and white roses with matching pink picture hats and shoes. Their bouquets were arm baskets of cascading pink and white carnations touched with light blue delphinium and roses.

The best man was Mr. John H. Berntson of Huntington, Long Island.

The ushers were Mr. William D. MacIntosh, Jr., of Holliston, brother of the bride; Mr. Thomas H. McConnell, Jr., of Newton, and Mr. Paul E. Sattley of Bethpage, Long Island.

A reception given by Dr. and Mrs. William D. MacIntosh followed at the Hunnewell Club in Newton.

The bride attended Boston University School of Practical Arts and Letters. The bridegroom graduated from New York University in 1949 and served in World War II in the Pacific. After a wedding trip to New York City, Williamsburg, Florida and Long Island, Mr. and Mrs. Petritz will make their home in Newton Highlands.

Exhibition by Nancy Alfredson

An exhibition of water colors and drawings by Nancy Alfredson of Brookline, formerly of Newton, is being presented by the Waban Branch Library through June 13th. The show is an interesting group of varied techniques in both pen and brush. Many of the works shown were recently exhibited at the Young Artists gallery on Newbury Street.

The artist will be remembered for the outstanding and unusual stage decor created for the Newton Conservatory of Dance and Related Arts last year at the Newton Centre Women's Club. Other shows include the Brookline Society of Artists, Newton Conservatory of Dance and Related Arts (one-man), Jordan Marsh Company, Boston Museum of Fine Arts.

Miss Alfredson has studied with Edward Cooper of Boston and Arthur Polonsky of Cambridge, and is a member of the Brookline Society of Artists, Cambridge Art Association, and the Boston Society of Independent Artists.

Social News

FOUR OF THE OFFICERS of the Women's Auxiliary to the Newton Y.M.C.A., elected at the auxiliary's annual luncheon meeting held May 16 in the Newton "Y" building, are shown above. Left to right they are: Mrs. John Rogan, treasurer; Mrs. Raymond Garon, president; Mrs. Fred A. Hawkins, corresponding secretary, and Mrs. George R. Strandberg, recording secretary. Mrs. Samuel E. Cutler was the installing officer at the service which followed the annual luncheon meeting.

Mrs. Raymond Garon Elected to Head Woman's Auxiliary of "Y"

Elected president of the Women's Auxiliary to the Newton YMCA at the Auxiliary's annual meeting held Wednesday noon, May 16, was Mrs. Raymond Garon of 31 Wesley street, Newton.

An active member of the Auxiliary and of the Thursday morning Women's Gym and Swim class, Mrs. Garon is also the mother of three boys in the YMCA membership. She succeeds Mrs. Robert K. Burns of 36 Taft avenue, West Newton Auxiliary president for the past two years. Mrs. Benjamin Shattuck of 327 Franklin street, Newton was re-elected vice president.

Also named to offices were Mrs. George R. Strandberg, 29 Howard street, Newton, recording secretary; Mrs. Fred A. Hawkins, corresponding secretary; Mrs. John Rogan, treasurer; and Mrs. Wilbur W. Bullen, auditor. Mrs. James G. Lord was named to head devotions for the year.

Other appointments were: Mrs. Walter H. Olson, membership; delegate to the Newton Community Council, Mrs. Benjamin Shattuck and Mrs. Alex R. Miller; delegate to the Newton Federation of Women's Clubs. Social committee members will be Mrs. Lester Kray, Mrs. Stephen Curier, Mrs. Charles E. Smith and Mrs. Robert K. Burns and Mrs. Walter Tower.

Village representatives named were: Auburndale, Mrs. Maynard Moody; Newton Highlands, Mrs. Herbert G. Dunphy and Mrs. Hans Fischer; Newtonville, Mrs. Frank M. Simmons; West Newton, Mrs. Edmund Miller; Waban, Mrs. Louis H. Morrison and Mrs. Fred T. Hackley.

Chairwoman of this year's nominating committee was Mrs. Fred A. Hawkins, Mrs. Samuel Cutler installed the new and re-elected officers.

Citing the work of the Auxiliary in varied Newton Y activities in the past year, Alex R. Miller, general secretary, paised the work of Auxiliary members. Such functions as the YMCA Week Open House, the Committeemen's Dinner, and the provision of camperships for Camps Frank A. Day, Massasoit and Chickami, camping projects of the Newton YMCA were noted.

In addition to these, Mr. Miller pointed out, the Auxiliary had finished paying its pledge of $1000 to the Y's Building Fund campaign through the proceeds from a rummage sale and other projects.

The program included the annual visit of the Boys' Glee Club from Bigelow Junior High School, under the direction of Miss Julia E. Hubbard. Mrs. Cutler introduced the program.

Invocation was given by Harry W. Bascom, former general secretary of the Newton Y. Reports of officers given at the meeting included a treasurer's report from Mrs. Rogan. Mrs. Burns presided at the luncheon.

Cabot PTA Holds Final Meeting

The last P. T. A. meeting of the Cabot School will be held on Monday, May 28th at 7:45 p.m. at the Cabot Auditorium.

The school orchestra, under the direction of Mr. Alvin Parker, has been playing so fell this year that they have performed in schools all over the city.

Miss Mildred Fahey and Mr. Lowell Bee will present the choral group which has been training all year. The group is excellent and they have been working very hard to present this program.

Special guest will be Mr. Donald March, head of Instrumental Music for the Newton schools. He will discuss matters commonly raised by parents such as—

"Social and vocational values of learning to play a musical instrument"

"Should we force our children to practice".

Mr. March will answer the 64,000 questions that will be asked by parents on the musical education for children during his question period following his talk.

Refreshments will be served at the end of the program.

Evening Alliance May Meeting Held

The May meeting of the Evening Alliance of the West Newton Unitarian Church was held at the home of Mrs. Lionell D. Welles, 41 Leslie Rd., Auburndale, on Wednesday, May 16th at 8 P. M. The speaker of the evening was Rev. Anita T. Pickett, who just celebrated her 75th birthday. Mrs. Pickett has been a minister for over 50 years, being formally ordained in 1921 in Woburn, Massachusetts. She shared the pulpit with her late husband, Rev. H. L. Pickett, in many towns including Peabody, Dighton and Ware and had the Barnstable and Bedford Unitarian Churches at one time. Since her retirement, Mrs. Pickett has been going on extensive preaching trips in the South and West visiting Unitarian Fellowships, which are lay groups too small to be considered a church and having no regular minister. These have included Oak Ridge, Tenn., Baton Rouge, Louisiana, and New Mexico. She related many of her experiencees as a minister in Fellowship work. Rev. Pickett, who now makes her home in Kingston, N. Y., is the mother of Mrs. John A. Stackpole of W. Newton.

The newly elected officers for 1956-57 for the Evening Alliance are as follows: Mrs. John A. Stackpole, President; Miss Elizabeth Nicholson, Vice President; Miss June A. Burns, Secretary, and Mrs. Alfred R. Martin, Treasurer.

At the Annual May Meeting of the Unitarian Association held May 17 through May 22 in Boston, the Evening Alliance of West Newton was represented by Mrs. Stackpole on Thursday at the Annual Banquet and on Friday by Mrs. Jerome K. Merlis, who was the official delegate to the General Alliance Annual Meeting.

Children Aid Salvation Army

During the past week two donations have been given to the Newton Friendly Annual Appeal by children living in West Newton and Newton Centre.

One of the donations was presented to Mrs. Edward G. Huber, General and Residential Chairman by Mrs. Beckett Jones of West Newton. These funds were the proceeds of a soda pop stand which had been operated one hot day by Linda Colburn, Carla Ware, Mary Ellen Donahue, Michael Ware, Lisa Wilson, Rebbecca Wilson, and David S. Wilson. Along with this gift of $3.10 was the following note addressed to the Salvation Army.

"We are happy to give this money we made, one hot day. We sold coke and ginger ale. When we ran out we sent two messengers down to the store for Kool Aid. Soon we ran out of that too, and our stand was a success."

The other donation was delivered to the West Newton headquarters by Ann Chambers of 59 Oxford road, and Nancy Hurst of 60 Oxford road, Newton Centre. These two young ladies had made pot holders and sold them door to door. Their entire proceeds of $2.50 were accepted by Mrs. Virgil E. Snow, Secretary of the Newton Salvation Army Friendly Annual Appeal.

Italo-American Group to Quiz Candidates

A shift in plans has led the United Italo-American organization to use questionnaires on candidates for state office this year rather than inviting them to candidates' night on Oct. 18.

At the same time the group's leaders decided to invite local candidates to appear at the October affair as in the past.

The group will hold its fund-raising event Sept. 22. This will consist of entertainment other than a dance, probably several movies.

Mrs. Concetta Tedeschi, president of St. Anthony's Society, announced that her group will make its annual pilgrimage June 3 to the St. Francis Seminary, Andover; Buses will leave at 9:30 a.m. from Adams and Watertown street.

Women Voters Name Mrs. Mintz to State Board

Mrs. Richard G. Mintz of 50 Beaumont avenue, Newtonville, long active in League of Women Voters work, has been named a member of the board of directors of the state league and public relations chairman.

Besides league work in which she has served as local chairman of the membership, local affairs and voters service committees and as chairman of the state voters service committee, she was active in Newton's White House Conference and in a follow-up committee of that conference. She is also head of a Brownie troop.

Mrs. Mintz also served in the Cambridge league before moving to Newton. She and her husband are active in Community Fund work.

GUESTS OF HOSPITAL AID DIRECTORS: As part of its membership recruitment program, the Newton-Wellesley Hospital Aid Ass'n, Inc., has been inviting ladies from the several communities of Newton and Wellesley to attend monthly directors' meetings. The ladies above are representatives from the Upper and Lower Falls and from Auburndale. Seated, left to right, are: Mesdames John Ahern, V. Stoddard Bigelow and E. Graham Bates; standing, left to right, are Mesdames George Hinman, recruitment chairman for Newton; Archie P. Whitman, Guernsey Camp, Fern Haselton, Henry E. Keever and John R. Fitzpatrick.

PICTURED ABOVE at the entrance of "Ye Olde Red Lion Antique Shoppe" exhibit, held last week at Newton-Wellesley Hospital are, left to right: Miss Gertrude O'Brien, R. N., chairman of the U'N'I group at the hospital; Miss Helen A. Smith, R. N., who supervised the decor of the exhibit; Miss Esther Story, R. N.; Mrs. Elsie Jeffrey, who with Dr. Richard Nugent was chairman of the affair, and Miss Gertrude Loud of the personnel department. The exhibit, which ran for two days, featured many interesting antiques collected by the members of the hospital staff and employees.

Newton Night At Fenway Park June 8

The second annual Newton Nite at Fenway Park has been scheduled for Friday evening, June 8, when the Red Sox meet the colorful Chicago White Sox.

A special ticket sale begins this morning throughout the Garden City, sponsored by the Newton Kiwanis Club with that organization's most worthy under-privileged child to benefit.

Mayor Howard Whitmore, Jr., of Newton plans to lead a delegation of some 2000 Red Sox rooters from his city to the game on June 8. Information on the sale of Newton Nite tickets may be obtained by contacting Paul L. Keating, care of the Edwards Lumber Company, 29 Crafts street, Newtonville, Mass. (phone:—Lasell 7-5500).

Keating and William E. Marchant are co-chairmen of the program, with Mayor Whitmore as honorary chairman and Joseph Seldon, Newton recreation commissioner, publicity chairman.

Last year more than 1000 Garden City baseball fans enjoyed a thrilling Newton Nite at Fenway Park as the Red Sox turned back the Kansas City Athletics. David Berkman, president of the Newton Kiwanis Club, anticipates an even greater turnout this year to help cheer the Red Sox to victory over the Chicago club.

The 1955 initial Newton Nite program included colorful pregame ceremonies, featuring a performance by the spectacular Newton High School band, while Tenley Albright, beautiful, internationally-famous figure skating star from Newton, threw out the first ball at the game. The committee plans an equally entertaining show this year, with details soon to be completed.

At Conference

Norma Solimene, executive director of the Newton Tuberculosis and Health Association, is attending the annual meeting of the National Tuberculosis Association at the Hotel Statler in New York City.

Mr. and Mrs. Leo Flox of 43 Hobart road, Newton Centre, are vacationing at the Hotel Bamer in Mexico City.

ADVERTISEMENT FOR BIDS

Sealed proposals for the construction of alterations and additions to the John Ward School, 10 Dolphin Road, Newton, will be received at the office of the Purchasing Agent, City Hall, Commonwealth Avenue, Newton Center, Mass., until 2:30 P. M., Eastern Daylight Time, Friday, June 15, 1956, and at that place and time publicly opened and read aloud. All branches of the work will be included in the General Contract.

All proposals must be sealed proposals, made in duplicate upon forms furnished by the Purchasing Agent; one proposal to be deposited with the Purchasing Agent must be accompanied by a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company for the sum of $15,000, payable to and to become the property of the City of Newton as liquidated damages if the proposal is accepted and the bidder neglects or refuses to comply with the terms of the proposal; except as provided below. One proposal (without check) must be filed **by the bidder** in the office of the Comptroller of Accounts of Newton, prior to the time stated for opening of proposals, as required by Rev. Ord. of the City of Newton, Ch. 2, Sec. 2.14 as amended.

Sub-bidders bidding on the work of the sub-contractors shall submit their sub-bids in the form required by law in sealed envelopes endorsed with the title of the work, division of the work for which bid is submitted, sub-contractor's name and business address. All such bids shall be in the possession of the Awarding Authority, c/o James H. Ritchie and Associates, 135 Clarendon Street, Boston 16, and delivered or mailed to the general contractors no later than twelve o'clock noon Eastern Daylight Time, Wednesday, June 13, 1956.

Bid deposits in the form stated above for not less than five per cent of the value of the proposed work of the sub-contractors nor less than $100 shall accompany each sub-bid.

All checks, except those of the bidder to whom the contract is awarded, will be returned within five days after execution and delivery of the general contract. If all bids are rejected all deposits will be returned forthwith.

In the case of death, disability or other unforeseen circumstances affecting any bidder or sub-bidder, bid deposits may be returned to him.

A performance bond and also a labor and materials or payment bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Mayor of Newton each in the penal sum of the contract price will be required of the successful general contractor, the premiums for which shall be included in the contract price.

Plans, specifications and contract documents can be obtained from James H. Ritchie and Associates, 135 Clarendon Street, Boston 16, after 4:00 P. M., Tuesday, May 29, 1956, on deposit of $40 in cash or check payable to the Architects for a complete set or $20 for a set of Heating and Ventilating, Plumbing or Electric. Any bidder will be refunded his deposit upon returning the documents in good condition within fifteen days after opening of bids; any non-bidder will be returned only one half of his deposit. Title to all plans and specifications will remain in the City at all times.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

Attention is called to the fact that minimum wage rates are established for this project in accordance with Chapter 461, Acts of 1935, and are set forth in the contract documents.

The Purchasing Agent also reserves the right to waive any informalities and to reject all proposals or to reject or accept any proposal, and to award the contract as he may deem to be for the best interests of the City of Newton, and any contract made shall be subject to appropriations and grants to meet payments thereunder.

T. J. FORDE,
Purchasing Agent.

Tax Rate-

(Continued from Page 1)

making for a slightly higher rate, could be made. This would ward off any financial imbalance for the city in the next fiscal year.

Mayor Whitmore is expected to confer with state officials this week to gain approval of the new rate.

Use of the surplus will compensate for the major increase in the 1956 budget.

The increase in the budget over 1955 was about $1,100,000, but a number of other factors, including increased assessments on the credit side, and increased costs of state and county services together with a smaller distribution of state funds, on the debit side, must be taken into consideration in setting the tax rate, it was pointed out.

Fourteen members of the Board approved the mayor's request for the use of $800,000, while three aldermen voted to use $700,000.

The action was taken on a motion made by Alderman Hirsh Sharf, acting chairman of the Finance Committee, following an executive session of the Board of Assessors and the City Treasurer, Archie Whitman.

Split-

(Continued from Page 1)

opponent for the council seat.

HERTER STRESSED the fact that his experience in the legislative branch on the state level and as assistant to Vice President Nixon in his role as presiding officer of the U.S. Senate and his background in the executive branch in Washington made him well qualified for the post.

He served with Nixon, in the Foreign Operations Administration and on Secretary Dulles policy planning staffs.

"With a Republican governor in office again next year," said Herter Jr. in reference to Lt. Gov. Sumner Whittier, expected to be the GOP candidate, "it is essential to have a Republican Council.

"With due respect to the Democratic incumbent, he is a very strong contender and I think it is necessary to get out and campaign at the grass roots from now on. With my background, I am certain that I can defeat Mr. Peabody."

Herter welcomed "so many of my friends in the audience" and pointed out that he and Mrs. Herter had "bought a house in Newton where we feel very much at home."

REYNOLDS SAID he had learned that Herter had "tired of the various positions he had held in Washington since dropping out of the legislature three years ago" but that he had also learned from Herter's Newton manager that the Governor's son would drop out of the council race if his father were to play a role in the national Republican campaign.

The former assistant attorney general attacked what he termed the efforts of son to make officeholding a "right of inheritance" and argued that since Peabody had won the seat by only 2000 votes in 1954, any hard-working Republican—"not a name" — can take the seat back.

Referring to his aldermanic support, Reynolds said that "within the past week, each of the 17 aldermen has told me personally that his endorsement still stands. . . . These aldermen and Mayor Whitemore, who also endorses me, believe that my experience and ability make me the best qualified candidate in the field."

Reynolds said that his 17 years experience as a trial lawyer and his specialization in financial cases while in the Attorney General's office had qualified him for service as a Governor's Councillor. Familiarity with state personnel requirements and service in a pardons probe in 1949 amply qualified him for the post, he told the women.

The meeting also heard from Dist. Atty. Ephraim Martin and Thomas F. Maher, his opponent in his fight for re-election.

sale of liquor on primary as well as election days.

Arguing that stores in surrounding communities were open for sales on primary days and that local customers were irked by the law, the association asked that the local board rescind the law. Such laws are under the regulation of local boards.

Suspended until May 30 was the victualer's license of Sam Siciliano of 109 West street, doing business as "The Coffee Shop" at 321 Watertown street, Newton. The Board ruled that the licensee permitted other persons to conduct the business under his license, which is an infraction of the regulations.

Siciliano will be permitted to reopen if he furnishes, before the end of the suspension period, "suitable evidence" that the person who operates the store is his employee.

The Board denied the application for a common victualer's license of Patrick A. DePasquale, doing business as the "Deacon Shop," 325 Watertown street, Newton, a variety store, on the grounds that public convenience does not require an additional license at the site.

Toll Road-

(Continued from Page 1)

AS IT STANDS now, MDC commissioners are scheduled to sign a complicated agreement on land-takings at the Abattoir site at their May 31 meeting.

MDC authorities say construction of the six-lane expressway and underpasses at the Western avenue and Nonantum road ends of the divided highway would not be completed before Summer 1958.

AUTHORITIES also say that this improvement, which is expected to speed up commuter traffic 10 minutes between downtown Boston and Watertown Square, will entail widening of Nonantum road, a probable underpass at Galen street and extensive changes to ease the congestion around Newton Corner.

Plans for the latter phase of the highway system are still tentative, due to insufficient funds and uncertainty as to the Toll Road route.

Presumably the MDC expressways along the Charles would be absorbed wholly or in part if the Toll Road passes through Newton's northside—along the river, down Rte. 16 or along the B & A tracks.

MOST OF THOSE closely concerned with the in-town route hope that the Massachusetts Turnpike Authority will follow the river route because of the relatively low land-taking costs and that there will be at least one exit-entrance between the present Rte. 128 terminus and downtown Boston.

Under the state's 1948 Western Expressway plans such an expressway would have had an exit-entrance at Galen street, Watertown—just off the square. This would benefit Newton and Watertown commuters.

However, even under this plan, which the Toll Road could adopt, Newton and Watertown would need extensive changes in present streets to aid the heavy runoff of commuter traffic. This applies to the Nonantum and Newton Corner areas.

MDC officials say now that Newton's runoffs from Nonantum road — Charlesbank road and Maple street—are inadequate and would be hopelessly swamped with the greater influx of traffic that a six-lane highway in Brighton and the better driving afforded by Soldier's Field road underpasses would draw.

Nonantum road, now a four-lane road as far as official records go, is barely big enough to handle rush hour traffic under the present setup.

ALTHOUGH strongly opposed by Commissioner Milton Cook of Newton, the Brighton landtaking for the six-lane, riverside highway is expected to go through on May 31.

Gov. Herter's $200 million road bond bill is expected to furnish the $3 million needed for landtaking and construction of the riverside highway. Birmingham parkway would be closed under the projected MDC plan.

MDC Chairman Charles W. Greenough said recently that some sort of connection between Nonantum road and Washington street (beyond Newton Corner) seemed to be indicated but said the cost would be great.

MDC OFFICIALS are known to feel that heavy traffic on side streets in the Newton Corner area should not be continued for long.

"The streets are not built for that sort of traffic and the residents do not expect it," said one official, "but what can we do for now?"

He indicated that construction of a new way around or through the corner was a must, although he said MDC engineers had not been able to delve into this problem until some word is given on the Toll Road route.

Mayor Whitmore has withheld comment on Newton's traffic needs under the expanded MDC highway plan.

It is understood that no firm plans are in the works.

Construction of the Toll Road along the B & A line would, of course, change Newton Corner but even if the Toll Road goes to the north of the corner, new traffic patterns must be found, authorities believe.

City Weighs 3 Low Bids for Cabot School Work

A decision on which of three low bids for an addition to the Cabot School in Newtonville is expected by about June 1 after careful consideration of the offers which are less than $1500 apart.

The lowest bidder for construction of an addition to the 27-year-old school is Rocheford Co., of Natick, $303,000.

Other low bidders are Bagley-Mucci Co., $303,303 and Handley Construction Co., $304,475. The highest bid was $334,475.

Bids will go out in another week or 10 days for additions and alterations to the Ward School in the Centre. Both jobs are scheduled for completion in time for school use this Fall.

Plans for the Cabot School include construction of an addition containing four classrooms and an auditorium-playroom; conversion of the heating system to oil; changing of a first-floor classroom into an office and making a classroom out of the present top floor office, and conversion of the present auditorium into two classrooms.

The lowest of seven bidders for the construction of a 60-car off-street parking area in the Highlands is the Bonded Construction Co., of Newtonville, at $16,120.

Other low bidders were L. Coletti and Sons of Newton, $16,394.50, and Northeastern Construction of Framingham, $16,465.35, The highest bid was $20,237.

The contract includes moving a two-car garage from the site to the old Engine 7, Boylston street, Highlands, which is being used as a work shop by the Building Department.

The area will provide space for 60 cars. When the work is completed, the parking meters recently installed in the square, will be put into operation.

Strong Church Role Stressed

GRADUATING CLASS at Andover Newton Theological School commencement exercises Tuesday at Newton. This is the largest class, 74 students coming from 23 states and two foreign countries, in the 149-year history of the school. Seated, center, left to right: Dean Roy M. Pearson, Rev. Merle Jordan, class president, and President Gezork.

74 Graduate at Andover Newton

The largest graduating class in Andover-Newton Theological School's history heard the role of the church pictured as the keeper of the community conscience.

Dr. J. Seelye Bixler, president of Colby College, Waterville, Me., told the 74 graduates and guests at the First Baptist Church, Centre, that "there is a growing demand that this conscience be as intelligent, as well-informed and as reflective as it can be made."

The 149th commencement exercises were held at the church at the conclusion of a half-mile procession of faculty and guests from the 40-acre hilltop campus. The largest previous class was 57 in 1954.

Five Newton area residents were among those receiving bachelor and advanced degrees.

They are Edgar M. Randle Jr. of Highland park, Newtonville; Robert L. Carter Jr., Frank H. Knight Jr. of Boston, all bachelor of divinity degrees.

Receiving a master of sacred theology degree is John I. Smith of Worcester and a master of religious education, Paul S. Phillippe of Boston.

Rev. Dr. Herbert Gezork, president of the school, told the graduates at the baccalaureate services Sunday in the First Congregational Church, Centre, that there is "no time for complacency on the part of Christian leaders in the United States or the world but on the contrary a need for deep and agonizing soul-searching."

Dr. Gezork was one of nine Christian leaders who recently returned from 10 days in the Soviet Union where they conferred with leaders of the Christian faiths there on ways and means of worship afforded the latter by the Soviet.

Dr. Gezork asked the young theologians to find the answer to the strange contradiction of a religious upswing in America on the one hand and a growing paganism on the other.

Citing the signs of religious growth, Dr. Gezork said:

"And yet, with all this going on, there is another side, dark and threatening: crime in our nation is growing at a much faster rate than the population; the Kinsey Reports indicate that . . . the teachings of Christianity have been abandoned by a considerable majority; the number of broken homes and divorces are among the highest of any of the civilized nations . . . More and more people appear to organize their personal as well as social lives wholly apart from the principles and demands of the Christian faith."

This was the challenge, he told his graduates, that they must face in their pastorates.

Dr. Bixler told his audience that college graduates demand a church today where they can continue to think.

"They are looking," he added, "for a church where the atmosphere is favorable to thought, where thinking is not restricted and where more than lip service is paid to the ideal of freedom of belief."

'Gray Flannel' Author to Aid Little League Benefit May 30

Sloan Wilson of West Newton, author of the best-selling novel, "The Man in the Gray Flannel Suit," will appear as "man behind the scenes" at a special showing of the film at the West Newton Theatre next Wednesday evening.

Wilson, who will be introduced by Mayor Howard Whitmore, Jr., will give the audience some idea of the actual writing of the book.

The event is sponsored by the Mothers' Auxiliary of Newton Central Little League as a fund-raising venture for the league. League president Peter Ryan will be master of ceremonies.

The public is invited to subscribe. Tickets are $1 and may be obtained from the chairmen Mrs. William P. Nelson and Mrs. A. M. Chasson, Jr., of West Newton or from any of the mothers of Newton Central Little Leaguers. They are also on sale at Halewood's Pharmacy, Tomlinson's Hardware, Marcelle Shop, Newtonville Electric Co., Anthony's Beauty Salon and The Toy Chest.

Newton residents planning to attend the opening night include Mr. and Mrs. George Colburn, Mr. and Mrs. Francis Goodell, Mr. and Mrs. Anthony Jaureguy, Mr. and Mrs. George Ware, Mrs. Irving Fisher, Mrs. Carl Pickhardt,, Miss Dorothy Kellog, Miss Catherine Bolster, Mrs. Edward Pride, Dr. and Mrs. Frank P. Foster and Mr. and Mrs. Robert Fisher.

Also Mr. and Mrs. Sumner Swig, Mr. and Mrs. Walker Cowles, Mr. and Mrs. Allen Freeman, Mr. and Mrs. Henry Whitmore, Mr. and Mrs. Albert Beisel, Mrs. J. Seymour McLean, Mrs. Timothy Donahue, Mrs. John Birmingham, Mr. and Mrs. Beckett Jones, Judge and Mrs. W. Lloyd Allen and Lt. Comdr. and Mrs. James Phair.

Rawson's 'Bookie' Bill Passes House

Representative George Rawson's bill providing mandatory jail sentences for second convictions as bookies has passed the House and now faces a stiff fight in the Senate where a similar bill died last year.

Rawson's bill, H.B. 1571, was introduced by the Newton Republican at the request of Public Safety Commissioner Otis M. Whitney. The bill is designed to curb "bookie" activities.

Kamin Named to Feather Campaign

VICTOR M. KUMIN

Victor M. Kumin, 40 Bradford Road, Newton Highlands, has been named Residential division chairman for Newton's 1957 United Red Feather Campaign according to announcement made this week by Franklin N. Flaschner, general chairman. A "Dutch Treat" dinner meeting of village chairmen and their assistants will be held tonight (Thursday) at Brae Burn Country Club.

Mr. Kumin is research engineer at Kendall Company in Walpole and a member of American Chemical Society and of the Technical Association of Pulp and Paper Industry.

The Residential division is the largest of the seven money-raising units of the Red Feather drive with over 1700 volunteers enrolled in the twelve villages. Last fall, this division was responsible for about one third of the campaign total, raising $95,211 from 13,898 contributors.

Assisting Mr. Kumin are Leslie A. Pike, 65 Rowana Road, Newton Centre, as vice chairman, and three area chairmen: Walter S. Chapin, 672 Chestnut Street, Waban; David B. Rost, 39 Solon Street, Newton Highlands; Philip A. Segal, 60 Eliot Memorial Road, Newton.

Village Chairmen are: Auburndale: H. Fred Weston, Jr., 29 Holman Road; Chestnut Hill: Myron K. Stone, 73 Chestnut Hill road; Newton: Bencion Moskow, 34 Hyde Avenue; Newton Centre: Israel Trieger, 65 Greenlawn Avenue; Newton Highlands: Dr. H. Allison Thompson, 29 Chatham Road; Lower Falls: Fred W. Nichols, Jr., 10 Pierrepont Road; Upper Falls: George Michaels, 62 Roundwood Road; Newtonville: Bernard Gordon, 28 Turner Terrace; Nonantum: Samuel DeLuca, 31 Harrington Street; Oak Hill: John F. McGovern, 20 Solon Street; Waban: Henry Harwood, 40 Pine Ridge Road; West Newton: Giles E. Mosher, 34 Byrd Avenue..

Newton Highlands Village Chairman last year, Mr. Kumin previously served this village as a captain and as a major in the residential solicitation. He has had experience in Red Feather work having been a settlement house worker in the East Boston Neighborhood House while a college undergraduate.

He was graduated from Harvard in 1943 and began work in the National Defense Research Council project at Woods Hole. Later he was associated with the Manhattan project in Los Alomos, New Mexico. He is a World War II veteran, having served in the Army of the United States Infantry.

Mr. and Mrs. Kumin have three children: Jane, 7; Judith, 6; and Daniel, 3. He is a member of the Newton Council of Improvement Associations and a ward committeeman for the Newton Democratic Club.

JOHN McGUINNESS, JR., is shown selling Poppy to Mayor Howard Whitmore, Jr., to start off the annual buddy poppy drive of the Sgt. Eugene J. Daley Post, V.F.W. The drive will start today (Thursday) and will continue through Friday and Saturday. Proceeds from the drive are divided between the National Home for Veterans of Foreign Wars, Orphaned children, and widows of departed comrades. Shown on left watching the first sale is Thomas A. Medaglia, commander of the post, while on the right is Officer John McGuinness, Sr., vice-commander of the post. (Photo by Gordon R. Wilk)

David Jarratt, son of Mr. Ingeborg Jarratt of Newton Highlands, received the Adelaid Bjertaas Roe Memorial Award which is awarded annually to an outstanding student at St. Olaf College in Northfield, Minnesota.

ORIENTAL RUGS
• decorative! • imported! • yet, so low!

People of refinement have used Persian Rugs to adorn their homes for centuries. And lovers of beauty of hand-crafted things will continue to use them as long as Persian Rugs are available. But machines have replaced most of the craftsmen of the past. The most notable surviving art of today is the Persian Rugweaver's. In limited quantities Rugs are still made in the old traditional way.

The rugs we select to sell to you embody the best a Persian weaver creates with his loom. And when you purchase a GREGORIAN RUG you are truly buying a treasure to be enjoyed in your generation and in your children's.

When you trade at Gregorian's you are trading in America's finest suburban Oriental Rug Shop.

A generous allowance made for your old Orientals

A PARTIAL LIST OF RUGS ON SALE

7.9x10.4 Kiman ....490 Wedgewood blue field. A gem. Exquisitely woven.

9x20.4 Kazvin ....990 Semi-antique. Soft terra cotta field. Looks like old brocade.

20.9x26.6 Khorassan ..2750 Museum item. One of the most beautiful rugs of its family. A rare find in America.

7.4x14 Bibikabad ......390 A jewel-like rug. An unusual rug and hard to find size.

9.9x12.3 Kazvin ....690 Pastel gold background. Pleasantly floral.

10.5x13.6 Sarouk ....585 Choice Sarouk. Untreated. Natural dyes and wools—like all Gregorian's Rugs. All over delicate floral motif.

11.9x16.4 Mushkabad ..490 Soft terra cotta reds predominate. A generous amount of gold, light blue and ivory. It has the "lived with" look.

8.4x12.6 Tabriz ....490 A typical New England rug! It has a conservative Fereghan pattern on dark blue field. One of the scarcest rugs in the market.

3.3x5.6 Serab ....85 Camel Hair. Soft tans and deep corals. Mildly geometrical.

4.6x6.9 Saraband ......110 A genuine Saraband of the old school. Very few like this one available. Soft coralish reds with plenty of ivory.

9x18 Kirman ....1450 Slate blue field. Small floral pattern. Field well covered. A craftsman's pride.

12.6x23 Mahal ....690 Thick, heavy rug. Dark blue background.

We have Oriental Stair Runners to fit stairs of all widths and lengths. All prices include installation as well.

10x20.6 Isfahan ......1175 Light cranberry red field. Floral pattern. Gracefull spaced—all over.

4.6x6.6 Hamadan ....85 An antique Persian with subdued colors. Pleasantly well spaced pattern. A gem.

11.6x17.1 Bidjar (rare) 1475 One of the finest and most unusual Bidjars in this country. A rare treatment of color and design. Soft blues, coral and old gold artistically blended. (About 75 years old.)

12x12 Bachtiari ....675 An unusual size. A real buy on account of its size.

8x10 Afghan Boukara 245 Octagon pattern on deep red field.

9x19 Shiraz ....1175 A rare Persian Banquet Rug. Most unusual—it is full of interesting detail of birds, people and animals.

7x10.2 Quin ....965 One of the finest woven rugs in the East. Ivory field—floral all over Saraband pattern. Collector's item.

3x3.4 Bergamo ....245 Another collector's item. In excellent condition.

2.10x3 Hamadan ....19 Soft colors. Ivory field and coral corners.

8x9.6 Chinese ....190 Blue field. Traditional. In excellent condition. Priced less than modern copies.

9.10x12.4 Serapi ....145 Soft china blue. All over design. Shows little wear. A wonderful rug for the money.

5x5.2 Karaja ....58 Used — in excellent condition. Soft china blue predominates.

3.4x12.9 Kurdistan ....165 Soft wine reds. Semi-floral. Exceptionally fine and durable.

10.2x13.8 Kazvin ......1275 A real Kazvin. Unlike the modern copies. A small jewel-like medallion on well covered all-over field. Fereghan pattern. Rare find!

10x16 Isfahan ....1075 A rug of the old school. Delicately woven and artistically designed. Conservative and restful to live with.

.2x8 Tabriz ....115 An antique Persian. Extremely fine. Soft green and ivory. Shawl pattern.

5.2x8 Sarouk ....235 Ivory — floral — a gem.

9.2x12.4 Sparta ....235 Thick, heavy rug—firmly woven. In excellent condition. Wine reds. Trade-in rug.

9x9 Blue Kirman ......565 A rare find! Soft tile blue field. A jewel-like medallion.

10.10x19.3 Karaja .....1390 An unusal find! Series of semi-geometrical medallions used as main motif on old blue field. Plenty of green and terra cotta.

3.4x12.9 Kurdistan ....190 A lovely rug. Deep terra cotta reds and soft blues, artistically blended.

4.4x6.6 Bidjar ....165 A choice rug. Animals in graceful cartouches. Tree of life motif.

5x13 Bachtiari ....285 Series of tree of life pattern, repeated on field of old blue and gold. Most unusual.

Horace Mann Carnival May 26

Mystery surrounds the identities of the clown and the fortune tellers who will appear at the Carnival to be held on the playground of the Horace Mann School, Watertown street, Newtonville, Saturday, May 26, from 10:00 a.m. to 5:00 p.m.

Their unmasking is likely to reveal members of the Horace Mann P.T.A., since this group is sponsoring the Carnival.

It is no secret that excitement runs high amongst the children as they look forward to rides on the merry-go-round and the carousel, and to other attractions which include balloons, white elephant sale, and square and folk dancing.

Nearly every member of the Horace Mann P.T.A. is working to make the Carnival a success. Many are providing food for the table of home-baked goods; others are sewing to furnish clothing, aprons, and other useful articles for the table of new "home-mades." Signed up for shifts on the playground on Saturday are more than fifty parents. There will be a hotdog-and-hamburger stand, cold drinks, and enough other good things to eat so that everyone should plan to stay for lunch.

Proceeds from this event will go to amplify the funds in the Horace Mann P.T.A. treasury. As in previous years, the money will be used in a way that benefits all of the pupils in the school. Recently, when asked what the P.T.A. had done for the school, Principal Kenneth J. LaFlamme said, "The P.T.A. has given money to buy many things which supplement what the School Department provides, some big things, many little extras. To mention a few, the P.T.A. at Horace Mann has given several record players and an FM radio for use in the classrooms; money toward the purchase of a moving picture projector; many, many books; funds to enable the children to go on trips with their teachers; incidentals which the school does not provide but which the teachers feel will be helpful for the children's education. The parents have always been wonderful about helping in this way."

8 Pupils Vie for Prizes in National Competition

Creations of eight Newton students will be entered in national competition as the result of their showing in the 10th annual Massachusetts Industrial Education Society's spring convention and Industrial Art Project Fair. The Ford Motor Company is sponsor of the national event.

Receiving awards were Guido Vetti of Newton High for his woodworking project and James Rooney of Meadowbrook Junior High for woodworking.

In the graphic arts division the following received awards and will enter the National competition:

Alan Morrison, Arthur Bliss, Hulbert Silver, Elna Anderson, Susan Haake and Barry Bean, all of Warren.

Church Hears Youth Choirs

A concert by the Youth Choirs of Boys and Girls, under the direction of Harold Schwab, was given at the Highlands Congregational Church recently.

Guests were the Senior Citizens of the church and the Golden Age groups from the Rebecca Pomroy House and the West Newton Community Center.

The guests were served tea in the Ladies' Parlor by Mrs. Richard Chapple and Mrs. Robert Billings, members of the church and volunteers at the Pomroy House, assisted by Mrs. Edward C. Allen, Mrs. Ross E. Langill and Mrs. Morgan Campbell.

Show Highlights Open House at Peabody Home

A musical show "Wide, Wide World" featured the annual open house of the Associates of Peabody Home for Crippled Children at the home, 474 Brookline street, Oak Hill. A program by the children preceded the show.

Mrs. Charles E. Bailey, president, greeted the Associates and was assisted by the other officers and directors as hostesses including Mrs. Arthur Davis, Mrs. Grosvenor Calkins, Mrs. Russell Coolidge, Mrs. Arthur Cushing, Mrs. Joseph Barr, Mrs. Warren Bryant, Mrs. William T. Plumer, Mrs. Edwin F. Cave and Mrs. Allyn B. McIntire.

Pourers at the tea were Mrs. Clive Lacey, wife of the president of the board of directors, and the wife of its treasurer, Mrs. Robert M. P. Kennard.

The children carry on a regular school program under the direction of Ruth Maynard, head of the counseling services in the Newton School Department.

Chairman of the Newton "community" of 125 Mount Holyoke Alumnae, and active in its current fund-raising program is Mrs. Henry C. Knependorf, 277 Ward street, Newton Centre.

John and Isabella Hobrock of 230 Harvard Circle, Newtonville have been invited to be square dance later at the Fifth Annual National Square Dance Convention in San Diego on June 22-24.

War I Veterans Form New Unit

Foundation of a Newton Barracks of World War I veterans was launched last night at City Hall with the meeting of War I veterans to consider moves to obtain pension and other benefits.

Department Commander John H. McAuliffe of Lawrence said that the state group had passed the 75,000 mark as chances of obtaining such benefits increased with the introduction of aid legislation in Congress.

There are three bills before Congress in which the group is interested. One would provide a pension of $100 a month to World War I veterans who are 60 years old and have an honorable discharge; a second deals with claims under the Veterans administration, for World War I veterans, and the third would give a congressional charter to Veterans of World War I of the U. S. A.

Veterans interested in joining should contact Harold A. Bailey at DE 2-3108 or Roy Grieve at LA 7-2700.

Rainbow for Girls

engineer
There are a few openings in our organization for well qualified engineers who have the ability to participate in and lead the development of the following fields:
● Applied Mechanics ● Aerodynamics
● Thermodynamics ● Mechanical Design
● Mechanical Laboratory Experimentation
Men with mature engineering judgment and at least 4 to 5 years' experience in late model aircraft power plant analysis and design plus in some cases, a proven ability in supervision.
These are not typical engineering positions. The work is of extremely advanced nature and the promotional opportunity is clearly outlined. The starting salary range of approximately $7500 to $12,000 reflects comfortable economic standards and is coupled with many additional benefits.
The operation offers stability in its product appeal to both commercial and military markets.

Policeman Held in Shooting Case

A Newton patrolman was suspended from the force after 28 years' service and released in $10,000 bail as the result of a shooting incident Sunday at Temple Emanuel, 300 Ward street, Centre.

Patrolman James J. Howley, 52, of 24 Kendall road, Centre, will face charges of assault with a dangerous weapon and drunkenness Monday, June 4, in Newton District Court.

The patrolman denied in district court this week that he had shot a caterer's helper after a bar mitzvah ceremony at the temple Sunday.

Wounded in the right leg by a bullet from Howley's revolver was Amos Rawles, 31, of 80 Walnut park, Roxbury, a sailor working as a caterer's helper.

Police Chief Philip Purcell suspended Howley from police duties pending outcome of the court action.

According to police, Howley had been injured in a fall at the temple and had been carried to the kitchen for first aid treatment when he regained consciousness and shot Rawles who was on duty in the kitchen.

Judge Gardner W. Russell continued the case until June 4 after a hearing Monday.

Chief Purcell said he had no alternative but to suspend Howley under the circumstances but stressed that Howley had the right to request a hearing by the chief and Mayor Howard Whitmore Jr.

One of two bullets fired by Howley entered Rawles' leg at the rear and shattered a bone, it was said at Newton-Wellesley Hospital where he was taken before transfer to Chelsea Naval Hospital.

Chief Purcell and Capt. Charles E. Walker led the investigation. Sgt. John W. Foley was the arresting officer.

About 200 guests were present at the bar mitzvah of Mark Bikash, 13, son of Mr. and Mrs. Irving Mikash of 15 Placid road, Newton, when the shooting occurred. Howley was on a detail assigned to the affair.

Lower Falls Methodist Church To Observe Day For Women

The Lower Falls Methodist Church will observe a day set aside for the women of the church this Sunday, at the 10.30 a. m. service.

Ushers for this special service will be Mrs. Raymond Gireau, and Mrs. Joseph Webster. Mrs. Dorothy Patterson will greet members and guests at the door. Mrs. Stewart Campbell will preside over the service and introduce our guest speaker, Reverend Elizabeth Miller. Her subject will be "The Assurance of Things Hoped For".

Newly elected members of the Women's Society will be installed at the close of the sermon with Mrs. Edgar Helms presiding.

The slate of officers is as follows:

President, Mrs. Stewart Campbell; Vice-President, Mrs. Raymond Gireau; Recording Secretary, Mrs. Glenn Lyons; Treasurer, Mrs. Russell Nash; Promotion, Mrs. Dorothy Patterson; Missionary Secretary, Mrs. William Williams; Secretary of Christian Social Relation and Church Activities, Mrs. Francis Selleck; Secretary of Spiritual Life, Mrs. Joseph Webster; Publicity Director, Miss Joyce Graves; Altar Committee Chairwoman, Mrs. Arthur Wood; and Social Secretary, Mrs. William B. Hyson.

Aides Attending National Meeting

Two Waban residents and the president of Norumbega Council, Boy Scouts, David C. Hoover of Wellesley, will attend the National Council's meeting in Cincinnati tomorrow and Saturday.

With Hoover will be F. Brittain Kennedy of 1 Gammons road, chairman of Region One and John M. Bierer, 99 Collins road, member-at-large of the council and chairman of the national committee on exploring and the national executive board.

More than 1500 adult leaders from all parts of the nation will represent the 538 local councils which guide affairs for 4,175,134 boys and leaders.

Bowen PTA Elects Officers

The Bowen School nominating committee presented its slate of officers for next year, on Wednesday night, May 16, 1956, and the following were elected:

President, Paul Melrose; 1st Vice Pres., Mrs. Henry Portnoi; 2nd Vice Pres., John H. Harrer; Corresponding Sec., Mrs. Gerald H. Connolly; Recording Sec., Mrs. Clifton E. Helman; Treas., Mrs. Samuel Sacks; Assistant Treas., Miss Joan Mullen.

Committee Chairmen are:

Ways and Means, Mr. and Mrs. Jack L. Fisher; Program, Mr. and Mrs. Milton S. Cohen; Room Parents, Mrs. Richard H. Gould; Membership, Mrs. Anthony A. Ferreri; Publicity, Mrs. Alfred Bickelman; Bulletin, Mrs. Harold Kaswell; Teacher Representative, Mrs. Robert W. Blucke; Acquaintance, Mrs. Samuel H. Wasserman; Hospitality, Mrs. George Applebaum; Library, Mrs. James A. Mason; Cafeteria, Mrs. Rodney N. Blake; Skating, Mrs. Philip Santilhano; Health and Safety, Dr. Lawrence S. Morse; Nominating, Mrs. Charles Holly.

Delegates to the Newton Council of P.T.A.'s:

Mrs. Leland N. Griffin, Arthur W. McGrath.

Members of the Nominating Committee:

Mrs. Saul Primack, Edward M. Clarke, Mrs. H. Edgar Pray, Mrs. Charles J. Rezzuti. After a fine program played by the school orchestra, Grades 2 through 6 gave delightful performances in demonstrating actual classroom activities. Mr. Edward Clarke, principal, told the results of "Our Year's Study of Extra-curricular Activities," and a schedule of club activities and music lessons for next year were distributed to the P.T.A.

Carnival and Pet Show to Be Held May 26

Carnival and Pet Show will be combined for this second annual event for all children in the community, to be held on the grounds of the West Newton Unitarian Church, 1326 Washington street, from 10 a.m. to 4 p.m. this Saturday, May 26. Sponsored by the church school and its religious education committee, General Chairman Robert L. Townsend announces the carnival will take place Saturday, rain or shine, with fun, food and frolic provided for children and their parents.

Edward Y. Walker is in charge of grounds and arrangements. Members of the Jaynes League, Liberal Religious Youth group, under the direction of Mr. and Mrs. John A. Stackpole, will assist as ticket-takers and in running the various amusements which include a carousel, pony rides, and movies.

Mrs. Lloyd E. Morris will supervise the display of pets and live animals. Fred F. Strobl will be judge of awards.

Archery will be in charge of Mr. and Mrs. Robert H. Cobb, Peter and Nathan Cobb. Mrs. Erwin Salzer heads the moving picture committee, and Frederick G. Fisher, Jr., will be on hand as Poloroid photographer.

The large committee in charge of amusements comprises Mr. and Mrs. Parker Lord, Dr. and Mrs. Lowell V. Coulter, Harry B. Taplin, Nicholas Arenella, Mrs. Warren Rohsenow, Mrs. Joseph C. Skinner, Tom Salzer, Miss Barbara Higgins, Miss Helen Loring, Roger Adler.

Other committee heads include: Mrs. Arthur Laughland and Mrs. Arnold Peterson, food and soft drinks: Mrs. Reba P. Townsend, Mrs. Carlos Samour and George C. Thompson, prizes and grabs; Mrs. Howard Samberg, financial chairman; Mrs. William L. Tisdel, publicity.

Honor Is Accorded C. of C. Secretary

A large number of prominent Newton citizens attended a testimonial dinner at the Normandy Room in Auburndale, Wednesday, May 23, in honor of Mr. and Mrs. Rupert C. Thompson. Mr. Thompson retires this year, his eightieth, after having served the Newton Chamber of Commerce for more than 30 years.

Following the invocation by Rabbi Murray I. Rothman of Temple Shalom, West Newton, the guests sat down to dinner catered by Seiler's. During the dinner Reverend Ray Eusden of the Eliot Church in Newton offered a eulogy to Roy E. Edwards and Riley J. Hampton, former Chamber members noted for their service to the community. The audience rose in silent tribute to these departed Newtonites.

Murray E. Sholkin served as toastmaster. He introduced James P. Gallagher, oldest surviving President of the Chamber, who spoke briefly of his early affiliation with the guest of honor. The Honorable Theodore Lockwood, former Mayor of the City, extended a note of greeting and congratulations to the Thompsons. John B. Rubenstein, Chairman of the Board of the Chamber, read messages from many notables, including the Governor, and Sinclair Weeks, Secretary of Commerce, and from many relatives and friends. Gerald W. Blakeley, Jr., developer of industrial properties on Newton's Miracle Mile, told of Mr. Thompson's many contributions to the economic development of the City.

Maynard Hutchinson, prominent Newtonian and now Collector of the Port of Boston, said of Mr. Thompson, "Rupert was always able to be an optimist—he had help fom his many friends because he was always so willing to give of his own integrity, sincerity and love of his fellow man."

Mayor Howard Whitmore said, "It is impossible to express the admiration and appreciation owed by the City to Mr. Thompson for his many contributions to Newton."

Warren Oliver of the Newton Cooperative Bank presented Mrs. Thompson with a bouquet of yellow roses and Rupert with a mahogany humidor. George L. White, President of the Newton-Waltham Bank and Trust Co., of which Mr. Thompson has been a director for 35 years, made him a gift of a miniature radio. Ed Whiting, President of the Newton Rotary, announced an honorary membership for Mr. Thompson, Dwight Colburn, Chairman of the dinner, presented a gift to Mrs. Thompson of a chair and a lounge, and a miniature radio. Frank Battles, Jr., as President of the Chamber, said, "Money won't buy a gift worthy of your services," as he gifted the Thompsons with a television set from the Chamber. Finally, Mr. Thompson arose himself to say, "Newton is to be congratulated on the spirit which will permit her to grow, to expand, and to improve. I hope to return often to Newton to meet the many friends who have given us such a full and happy life."

Monsignor Bernard O'Kane offered the benediction. Following the formal portion of the evening, Mr. and Mrs. Thompson received the many guests who had attended their testimonial.

PRINCIPALS AT THOMPSON TESTIMONIAL—Mr. and Mrs. Rupert C. Thompson, in whose honor a testimonial dinner was given at the Normandy Room in Auburndale on Wednesday, May 23, marking Mr. Thompson's 32 years of service to the Newton Chamber of Commerce, are shown with, rear row, left to right: Dwight C. Colburn, dinner chairman; Murray E. Sholkin, toastmaster, and Maynard Hutchinson, Collector of the Port of Boston and one of the principal speakers.

AUBURNDALE RESIDENT RETIRES—Charles E. Claffey, of 35 Rowe street, Auburndale, is shown in center being presented a portable radio by William H. Steinmetz, comptroller, on his retirement after 35 years service with the U. S. Army Corps of Engineers in Boston. Frank A. Czernicki, chief of finance and accounting branch, is on the right.

Feted After 35 Years Service With U. S. Army Engineers

Charles E. Claffey, 35 Rowe street Auburndale, was feted at a luncheon in Boston on his retirement after 35 years service in the finance and accounting branch of the New England Division, U. S. Army Corps of Engineers.

Brigadier General Robert J. Fleming, Jr., Division Engineer, lauded Mr. Claffey for his service over the years and said: "On the occasion of your retirement I am pleased to express my appreciation and personal commendation for the loyal service which you rendered to the Boston District and the New England Division for thirty-five years. You held many progressively important positions in the Finance and Accounting Branch through the years, performing your duties in a conscientious and capable manner.

"I regret that the condition of your health has made it necessary for you to terminate your long association with the Corps of Engineers. It is my sincere hope that your health will improve and that your retirement will bring you the fullest measure of satisfaction."

Mr. Claffey was presented a portable radio by Comptroller William H. Steinmetz and Frank A. Czernicki, Chief of the Finance and Accounting Branch, in behalf of his associates.

He is married and is the father o one son, Charles E. Claffey, Jr.

Holtz Again Seeks Curtis' House Seat

Jackson J. Holtz of Brookline, former assistant U.S. Attorney who came within an ace of defeating Congressman Laurence Curtis in 1954, has announced that he will run again this Fall for Curtis' 10th District seat.

Curtis has not yet announced but is expected to seek re-election.

HOLTZ, who became the first Democrat in years to carry Republican Brookline, also cut the Republican plurality in Newton to 5978 votes—a far cry from the usual 15,000 to 20,000 margin.

In-Town Route Due Soon

TOLL ROAD CUTOFF IS SLATED FOR NEWTON

Back Bay Terminus Doubtful; Huge Parking Facility Seen

With the lifting of the cloak of secrecy regarding the eight-lane in-town route of the Toll Road expected momentarily, it became virtually certain this week that:

Newton will have an interchange strategically located to benefit local commuters who live on the in-town side of the present Route 128 terminus.

Other "strong possibilities" expected with the first announcement of the "desired" route to Boston are:

1. Parking facilities at the Boston terminus, perhaps for as many as 10,000 cars.
2. Rejection of the Back Bay railroad site as the Boston terminus, thereby making greater use of Storrow drive and the Central Artery a distinct possibility.

WITH ALL THAT, however, there is still not even a faint indication of the projected route through Newton and there won't be until the Massachusetts Turnpike Authority announcement.

This eagerly - awaited announcement will indicate only what the engineering firm Coverdale & Colpitts of New York has discovered is what the majority of motorists want for the in-town route.

This "desire" route will be based on surveys made last October at 36 check points and since collated.

It will be another three months before the Authority will be able to announce a proposed route.

This latter will be based on engineering and landtaking costs as well as needs of Greater Boston commuters.

THIS PROPOSED route will then be subject to change, as

Mayor Asks Study for Mason School

The first step in acquiring Newton's 11th public school since 1950 will be taken Monday when Mayor Whitmore asks the Board of Aldermen for $10,000 to hire an architect for a new Mason-Rice School on the Centre Playground.

The Mayor's action comes a little more than a month after the School Board's request for action.

..**RECOMMENDATIONS** for a new Mason-Rice School were first heard in 1947 and have been echoed every year since then by successive school boards.

The Mayor's request is expected to be referred to the Finance Board and Public Buildings Committee of the Aldermen, making it probable that Aldermanic recommendations will be held up until the Fall.

Fear that the site chosen for the school might not be usable because of flooding was erased this Spring following a city-sponsored engineering check of the grounds. It was this that led the School Board to vote unanimously for the new plant.

The new building has been deemed necessary because of:

1. Age and condition of the 50-year-old Mason-Rice School. (Auditorium is on third floor.)
2. What has been described as the "worst traffic conditions

Riddle of City Water Lands Deepens

The riddle of what will become of 550 acres of Newton "water lands" in Needham deepened this week.

The MDC is interested in the huge parcel for a park. The city wants to sell it for an industrial development. And there remained the possibility that both might have their way.

MDC Chairman Charles W. Greenough said he hoped the MDC could develop the land for parks.

Mayor Whitmore said the city still plans to sell the property to Elliot Henderson for $436,000 for industrial development.

Rep. Arthur G. Heaney said it is possible that the land could be divided for park and industrial use.

Heaney and Sen. Richard H. Lee are members of a jont legislative committee which studied possible uses of this

POLITICAL OVERTONES

Only One Contest on State Republican Ticket GOP Chieftains' Only Election Fear Is Over-Confidence;

Republican leaders in Massachusetts have put a new twist to the famous pronouncement made by the late Franklin D. Roosevelt in his inaugural speech on a March day in 1933. The GOP chieftains believe that all they have to fear about next November's election is over-confidence.

Virtually the only thing the gloomiest Republicans can find to worry about is that the political picture can't be as bright as it seems.

Except for the feeling caused by the ouster of Elmer C. Nelson from the chairmanship of the GOP State Committee, there isn't a cloud in the Republican sky.

Nationally, Adlai Stevenson and Estes Kefauver are clobbering each other with such vigor and vehemence that it is unlikely either will be in any political condition to run for anything by the time they have concluded their intra-party battle.

On the State front, the Democrats have just emerged from one bruising fight over their own State Committee chairmanship and are now getting ready for a series of stiff conflicts at their State convention in Worcester on Friday and Saturday of next week.

NEWTON SPORTS

Orange and Black Primed To Defend State Title Again

In less than one week the Newton baseball team will enter the State Tournament in an attempt to successfully defend their title, which they won last year. After viewing the Tigers throughout the season, here are a few points to look for in the tournament from the team.

Bobby DelGizzi —

Del played shortstop for most of the season, and batted in the lead-off position. His average was around .280 most of the season and his fielding above average. A late season slump has sent his average into the low 200s, and because of this slump obviously his fielding has been affected. With more hustle could break wide open in play-offs.

Al Martin —

Al has played either first base, right field, or pitched for the Tigers. A tough competitor and always fighting, Al has been the workhorse of the team this season. His average is around .250 but does not tell the whole story. A good clutch hitter, fast, and when on the mound has good stuff and medium fast ball. Dependable.

Jackie McCrea —

Jackie is a speedster, and tremendous hustler. Great glove man, and one of best bunters on team.

Dixon Bergman —

Has displayed good arm and fair defensive ability in the outfield. Hitting has not been consistent. Good hustle and determination.

Kenny Keyes —

The senior keystone sacker has been one of the most consistent and dependable players on team. A three hundred hitter, and solid fielder. Led team in stolen bases, with 18. Arm accurate but not powerful. Spray hitter.

Johnny Beggs —

Top-notch receiver, the hard-hitting Beggs, since closing his stance a little, has brought his average to over 300 and can belt the ball. Most of the time, sure-fisted in back of the plate. Chatterbox, and good hustler.

Manny Connerney —

Sophomore outfielder, has really come along in the fielding department, and his hitting is well over three hundred. Good arm and brilliant speed.

Ron O'Laughlin —

Sophomore third baseman, has been one of the real surprises. Fielding good, and lots of power. Hitting three-fifty.

Russ Halloran —

Regardless of whether he is pitching or playing first base, he is big boost to club. Hard fighter and great clutch player. Almost a four hundred hitter and fields flawlessly. Lefty hitter and good power. Top curve and fine control on hill. Really can bear down with hopping fast ball.

Howie Whitmore —

Most of the time has kept his control. When he loses it, finds himself in big trouble. Has done a good job this year and been more consistent. Appears to work well with minimum of work.

Tiger bench —

This is the key to any top ball club. A strong bench with boys that can fill in at any time is an absolute necessity. Also the chattering Tiger bench helps rattle the opposing team and helps along their teammates. Always alive, and lots of talent on that bench. Jummy Leonard, a sophomore infielder, and Dick Guzzi, first base coach and third baseman and shortstop. Billy Walker, a first baseman, with occasional power. Johnson, a lefty hurler, good reliefer. Lawn and Craig are pitchers that have seen limited action but are good enough to start on most other clubs. Jimmy Collentro, lefty, good liner. Dave Kirby, a senior hurler, saw action toward end of season, and showed a good curve. Dave Bourne has done the receiving in batting practice, warms up pitchers in the bull pen, and is often used as a pinch hitter. Hard fighter.

The Tigers have the stuff to take all the marbles in this tourney, with a few breaks. They will need surer fielding, but the flashing speed, and ability to make their hits count, make Tigers strong threat. One thing is sure: if the Tigers fail to make it, no blame can be thrown at the coaches. Howie Ferguson and Bud Hawkes have done a fine job with this squad.

Newton Court Binds Over 2 on Gaming Counts

Two Boston men arrested in Newtonville on lottery and other charges were released last week in $5000 bail each by Judge Donald E. Mayberry in Newton District Court for grand jury action.

The men are Alfred C. Napolitano, 31, of Hanover street and Trieste J. Muccini, 30 of Salem street. They were arrested on April 24 by Patrolmen John J. McArdle, Francis Turner and George J. Longbottom.

Police charged that the men threw away several lottery slips when their car was halted. The officers said they also found a screwdriver, pinch bar and several auto keys in the car.

Judge Mayberry found "probable cause" in the lottery and possession of burglary tools charges and bound the men over after they had denied both charges.

o

Elected or selected to service five organizations at Colby College next year was Jean Holdridge, daughter of Mr. and Mrs. Carl H. Holdridge of 15 Dale street, Newtonville.

Newton Travels to Exeter and Belts Out An 8 to 1 Victory

The Orange and Black traveled to the home grounds of Exeter and belted them 8-1. In one of the finest exhibitions of pitching seen by the Tiger mound staff, they limited a strong Exeter club to but two hits.

Al Martin opened on the hill for Newton and worked for five strong innings, firing one hit ball and allowing but one run—that was unearned. Pitching ace of the Tigers, Russ Halloran took over in the top of the sixth, and shutout the Academy boys on one hit the rest of the way—fanning four and walking none.

Martin led off the game for Newton by slugging a double, but Tiger attempts to bring him around were unsuccessful. Three errors and a sacrifice gave Exeter one run in the first, but the Tigers opened up in the second. O'Laughlin lined a single and was sacrificed by Johnny Beggs. DelGizzi singled and stole second. Leonard reached on an error by the Academy second baseman and DelGizzi stole home. Although the Tigers threatened in several innings they couldn't score. Fortunately neither could Exeter, so it was a two-one pitching duel moving into the seventh.

Keyes walked to start things rolling and moved to second when Connerney also walked. Halloran, always a threat to belt the long ball, sacrificed them along, and O'Laughlin walked. DelGizzi walked to force in a run, and Leonard reached on a fielder's choice when they forced O'Laughlin at the plate. McCree got the first and only hit of the five run rally, by singling in two runs. Once again in the eighth the Orange and Black added to their lead. Keyes singled and stole second, later scoring on a wild pitch.

Meanwhile the Exeter batters were coming up and going down as they watched the servings of Halloran and Martin with little opposition.

Although this victory had meaning in league standings, it was a good tune up game for the Tigers, as they prepare for the state tournament. The pitching and base running was good, but the sloppy defense of the Tigers may cause them trouble in the tough competition of the state tournament.

Sophomore Ronny O'Laughlin, whacked out two hits to lead the Tiger attack, and Jackie McCree had two singles and batted in two runs.

Orange and Black Trackmen Win Fifth Straight Championship

Following up a pre-season prediction by The Graphic, the Orange and Black trackmen won their fifth straight state championship, under the able coaching of Lamoine Boyle.

Just one week ago the powerful Tigers had won the GBI meet and were established as favorites after taking an early lead in the weight events Friday afternoon. Newton added 24 points in the running events to the 17 earned Friday to again top Class A. Although earning but one first place, that in the low hurdles, the tremendous depth and ability which has characterized the Newton track teams, enabled them to romp, coming in 11 points ahead of their closest rival. Here is the scoring by Newton boys in Saturday's events:

220 yd. dash—Barry Gilvar, 2d.

Low hurdles—John Head, 1st.

Low hurdles—Chas. Crones. 5th.

Pole vault—Ray Millard, 3d.

880 yd. dash—Pete Nelson, 3d.

Mile run—Brian Havey, 2d.

Mile run—Warren Oliver, 4th.

Relay—Newton (runners unavailable), 4th.

Coach Boyle and the Boylermakers have become the first team to ever win the title in Class A five times in a row and deserve much credit. With juniors Nelson, Head, Havey, King, Bograd: Sophomores, Yancey, Beckwith, and others—the outlook is good for next year.

Gilvar, Gottschalk, Olen, Argue, Millard are among the seniors participating in their last meet for the Tigers and we wish them best of luck in the future. It is hoped that the baseball team is as fortunate in their tournament finals.

Rindge Tech Gets Revenge by Downing Tigers by 6 to 3

A hard fighting Rindge Tech ball club, seeking revenge for a previous 14-1 setback, bunched it's runs into two big innings, and won a 6-3 decision from the Newton Tigers.

With Howie Whitmore on the hill for Newton, the Tigers jumped into an early lead, by cracking two hits off Rindge hurler, Hackett, in the first inning. With one out and nobody on Kenny Keyes lined a single, and quickly stole second. After Al Martin had struck out, Ronny O'Laughlin belted a base hit and brought Keyes around for the first tally.

Whitmore, who had been hurling brilliant ball consistently for the last month, gave up a bingle to the initial sticker, but easily worked out of the inning. In the second, after Mortetti had popped out, and Motuzes had walked, Stryher whacked a smash right back to the box and Howie fired to Keyes for one out and Kenny rifled to first to complete the double play. Howie sent them down one, two, three, in the third and appeared to be on his way to another victory, especially when the Tigers added two more runs in the third.

DelGizzi singled and was sacrificed by Keyes. O'Laughlin walked, and Connerney brought them both around with a solid base hit. This surprising sophomore has been a big cog in the Tiger line-up with his clutch hitting and fine fielding. This lead didn't remain very long, for Rindge rattled two hits and three runs off their bats in the fourth. Quivien and Gruen walked as Howie lost his control, and Moretti singled. Howie uncorked a wild pitch as all runners moved up and a run scored. Stryher batted in two more runs with a clean bingle. Pulling himself together, and shut them out for two innings and not yielding a hit.

In the Newton half of the fifth, Keyes slammed his second hit of the ball game, as did O'Laughlin, but the Tigers left them stranded. Then Rindge lowered the boom and wrapped up the game in the seventh.

DelGizzi muffed a grounder for an error, and pesky Stryher singled. Menezes clouted a double, and Lee lined a single. This was all for Whit and in came Dave Kirby. Quivien greeted him with a base hit, but Beggs fired to third and nabbed Lee. Hanlin grounded out, third to first, but the damage was done. Martin took over for the Tigers in the eighth, and put them down in order.

Although the Tigers out hit Rindge, and lined six hits in the last five innings, but left them stranded. For the most part the Tigers have been taking advantage of their base knocks this season, but this game was the exception. Kenny Keyes, who led the attack for Newton with three hits, singled in the seventh, and O'Laughlin walked. Connerney then belted a double but the left fielder rifled a beautiful peg to the plate and caught Keyes coming around. The Orange and Black played a sloppy ball game, and will have to buckle down before the tournament rolls around.

1st Art Show at College of Sacred Heart

The first Art Exhibit to be given by the Art Department of Newton College of the Sacred Heart, 885 Centre street, Newton, is now being held in the North and South Lounges of Stuart House. The exhibit, which displays the work of the faculty and the art students, will continue until Commencemen Day, Monday.

The outstanding features of the display are the works of Mrs. Ermute Aradi, and Mrs. Z. Brzezinski, both instructors in art. Mrs. Aradi who is a sculptress, was a pupil of George Kolbe in Germany and studied at the University of Gottingen, the University of Munich, and the Academia di Belle Arti. While in Rome, Mrs. Aradi had a one-man show of sculpture. Mrs. Aradi will display sculptures of the heads of two faculty members at the college, and also a bronze Madonna and Child, and a marble St. Francis and the birds.

Mrs. Brzezinski, grand-niece of the Czechoslovakian President and patriot, Benes, studied at Wellesley College, the Museum School in Boston, and the Castle Hill School. She has brought to this exhibit many of her works, including still life studies, woodcarvings, water colors and woodcut engravings.

Health Workers Attend Meeting At Hospital

Mrs. Harriet Lane, R. N., counselor of the Liberty Mutual Insurance Company Rehabilitation Center in Boston, addressed the Wellesley Professional Group and guests Wednesday, May 23 at the Newton-Wellesley Hospital. Mrs. Lane, an alumna of the Newton-Wellesley Hospital, spoke on "The Third Phase of Medicine—Rehabilitation" and presented the motion picture "A Place for Courage" filmed at the Boston Center last year.

Co-hostesses of the monthly meeting were Mrs. Kenneth Palmer, Social Service Director, and Mrs. Ruth McGregor, Medical Social Worker, both of the Newton - Wellesley Hospital. Guests from Newton at the luncheon meeting included Public Health Nurses, Visiting Nurses and Social Service Workers from the Family Service Bureau.

Mrs. Lane has been the counselor at the Liberty Mutual Center for the rehabilitation of industrial accident patients for five years.

Ford Grants $55,550 to Newton-Wellesley

Most of Newton-Wellesley Hospital's $110,100 grant from the Ford Foundation will be used for completion of its fifth and sixth floors of the north wing and improve the accident ward, it was announced this week.

William S. Brines, hospital director, said the institution had received $55,550 or half from the foundation which is spending more than $200 million to aid hospitals in improving and expanding their services.

The hospital has been unable to complete these facilities since its 1946-47 drive due to lack of funds. Brine said a survey of community heads had been completed but plans for the grant are still in the discussion stage.

Ford grants to hospitals range from $10,000 to $250,000, based on the patient days of service and the number of patients.

About 100 hospitals receive $31 million in grant funds this month, bringing the foundation's payments total $69 million to date. About 3500 hospitals are participating in the program throughout the United States and its possessions.

The Right to Say 'No'

A ticklish subject up for Aldermanic consideration next Monday will be the decision on increasing the Board of Appeals from three to five members or the right of the Appeals Board to say no.

The issue involved is: Whether the appeals board has the right to differ widely with decisions of the Aldermen in building and zoning cases.

Many aldermen have been frank to say that increasing the board and making a 4-1 decision necessary for rejection of a Aldermanic decision is one way of curbing this independence of the appeals board.

As things stand now, the appeals board has the right by a simple majority to uphold or reject Aldermanic decisions.

As a matter of fact, the appeals board has differed widely with the Aldermen.

But what is also a matter of fact, many of these same "differences" have been identical with the thinking of the Planning Board.

As we understand it, the Planning Board and the Appeals Board, no less than the Board of Aldermen, are acting in the best interests of the city.

Honest men may differ, in government as elsewhere, as to what is the "best interest" of any given group, in this case the city. Their right to differ should be protected—on all sides.

Boosting the number of members and making a 4-1 vote necessary for a veto seems to us a bit stiff.

Overturn of a veto in legislative circles usually requires a two-thirds vote. The proposed change here would mean a four-fifths vote. Or to put it another way, two men voting against three could uphold an Aldermanic decision, whether the decision was a close one or a runaway.

There is also the question of whether an appeals board should have to have a weighted vote in order to veto an Aldermanic decision. We would think the appeals board has a right to accept or reject these decisions by majority vote, as it has had in the past.

We seem to recall that a President who tried to add more justices to the Supreme Court to insure "better" decisions was accused, and rightly, of "court packing."

We don't think adding two more men to the Appeals Board and weighing the "no" decisions is any different.

We also feel that the right to say "no" is a precious right.

We feel that the Aldermen should protect that right for the Appeals Board.

We hope plenty of Newton residents will be on hand next Monday to see them do so by keeping the Board of Appeals membership at three and/or making a simple majority sufficient in rejecting an Aldermanic decision.

Police in Pasadena, Calif., jumped to attention as a man turned in an emergency call and breathlessly asked for directions to St. Luke's Hospital. Then they sputtered, as he explained: "My wife is expecting a baby next week, and I want to make a dry run."

Newtonite of the Week

by Lewis Paul Simons

This week the Graphic is proud to salute Miss Jean Bowers of 19 River street, West Newton. Miss Bowers has just been crowned Miss Newton in a Junior Chamber of Commerce sponsored contest. This award sends Jean to the Miss Massachusetts run-off which will be held in July at Beverly. Ahead, if luck keeps pace with her talent, awaits the Miss America prize at Atlantic City.

Miss Bowers surpassed nine other aspirants to collect the Miss Newton title. Talent, personality, appearance in a bathing suit and an evening gown was the criteria used in selecting the winner.

Twenty-one year old Jean Bowers will be graduated from Boston University's School of Fine and Applied Arts this June where she studied in the Music-Theater Division. Concentrating in Opera, she has been training her lyric soprano voice for a career in that medium.

Despite the pitfalls involved in becoming an accomplished operatic star, Jean is determined to succeed. She plans to go on studying and training her voice for whatever lies ahead. This summer, with the help of her teacher, Jean is planning to prepare two recital pieces. She hopes to be able to arrange a concert tour next winter or spring.

Along with school and private lessons Jean has been eagerly gaining professional experience at every opportunity. Last summer she joined a Stock Company in the Adirondacks. This company staged both musicals and straight drama thus giving Jean a chance to vary her training.

Jean has also had some television experience. She has sung one of the leads in an hour production on Channel 2.

For the past two years Jean has been a member of the New England Opera Theater Chorus. In June they will sing the chorus from the St. of Bleaker Street which will be presented at the Boston Arts Festival. This will give her some solid operatic experience.

Jean's aspirations are taking her over a hazardous rout. To reach her goal, talent is only part of the answer. Study, constant training, luck and most of all down right determination will make the difference. I am sure you will all join with me in wishing Jean Bowers every success. May she reach the top!

Sacred Heart to Participate in Area Eucharistic Crusade

Sacred Heart Parish will participate in the Archdiocesan Eucharistic Crusade by conducting a Parish Eucharistic Crusade and Novena to the Sacred Heart with all devotional exercises to be held at the Sacred Heart Church, Centre.

There will be continuous exposition of the Blessed Sacrament for adoration from the opening at a solemn high mass this morning at 9 through Sunday morning.

The morning masses will be celebrated on Friday at 6, 7, and 9, on Saturday at 7 and 9, and on Sunday at 7, 8, 9, 10:15, and 11:30. There will be an evening mass and novena service at 8 p.m. on Thursday, Friday and Saturday, with a novena service at 4 p.m. Sunday.

Hours for confessions will be from 4 to 6 p.m. and 7:30 to 9 p.m. on Wednesday, Thursday, Friday and Saturday.

The novena will continue from Monday through Thursday with masses at 7 and 9 a.m. and novena services at 8 p.m. with the closing of the novena on Friday at the masses celebrated at 7 and 9 a.m.

The pastor, Rt. Rev. Eric F. MacKenzie, cordially invites all the women of the parish to spend at least an hour in adoration during the hours from 10 a.m. to 8 p.m. and the men from 9 p.m. to 7 a.m. and the children during the daylight hours.

Whenever possible families are encouraged to visit as a group.

Rev. John J. Reynolds, C.S.P., will be the speaker at the novena exercises.

CDA Breakfast at Our Lady's

More than 80 persons attended the eighth annual communion breakfast of the Catholic Daughters of America, Court Our Lady, Sunday at Our Lady's School Cafeteria.

Seated at the head table were Rev. Henry C. Sattler, C.SS.R., authority on Cana Conferences; Rt. Rev. Walter J. Furlong, chaplain and pastor of Our Lady's Church; Mary Dooley, vice-regent of the State Court; Catherine Ruane, district deputy; Mrs. Winifred Donohue, grand regent; Blanche Nolan, breakfast chairman.

Political Overtones

(Continued from Page 1)

Meanwhile, things have become so peaceful in the Republican party that they're actually dull. With ex-Chairman Nelson now forced into political retirement, a columnist is hard put to the test to find anything in the GOP to write about.

The Republican State Convention two weeks from Saturday is scheduled to run from 10 in the morning until 5 in the afternoon, but from this distance it would appear that officials in charge of the proceedings are going to have to strain a little to make them last that long.

Only one contest for a place on the GOP State ticket now looms on the Republican agenda. That will find Republican House Leader Charles Gibbons of Stoneham and State Senator Leslie B. Cutler of Needham opposing each other for the right to run as the GOP nominee for Lieutenant Governor. That conflict will be settled on one ballot.

Mrs. Cutler is admired and respected in her party. Against a less formidable adversary than Gibbons she might well prevail. But the indications are that she will not be able to make anything more than a token fight against the GOP House chieftain who has powerful support in all parts of the Commonwealth.

Yet, that is probably the nearest thing to a conflict that the Republican State Convention will see.

Lieutenant Governor Sumner G. Whittier will be unopposed for the nomination for Governor. Attorney General George Fingold will be renominated by acclamation. State Senate President Richard I. Furbush stands as the only GOP candidate for Secretary of State. Senator John Adams is unchallenged for the right to run as the Republican nominee for State Treasurer, and so far Attorney Joseph A. Nobile looms as his party's only candidate for State Auditor.

It may be that the Republicans attending the State convention in Worcester on June 16 will find something to argue about, but right now it looms as if it would be quite a stunt to do it.

Meanwhile, the Republican national convention to be held at San Francisco next August shapes up as so cut and dried an affair that many political writers are wondering if it is worth while making the trip to the West Coast to attend it.

Contest for Top Places on Democratic Slate

Stiff fights for the three major spots on the Democratic State ticket will hold the political spotlight as nine embattled candidates, three in each contest, campaign at top speed for the convention to be held in Worcester on Friday and Saturday of next week.

As far as can be ascertained up to this point, the change in the leadership of the Democratic State Committee has brought no important change in the contests for the endorsements for Governor, Lieutenant Governor and Attorney General.

Here is how the Democratic battles shape up to this observer, eight days before the convention, remembering, of course, that the picture could change before the delegates assemble in Worcester.

Executive Councillor Patrick J. McDonough appears to be leading former State Treasurer Foster Furcolo in the race for the Democratic endorsement for Governor. Thomas H. Buckley of Abington, former chairman of the State Commission on Administration and Finance, is third, with only scanty support, and clearly out of the contest.

Furcolo in recent weeks has put on a big drive and from all the evidence available has picked up substantial strength. McDonough, however, has been working since last December. He got an impressive lead before Furcolo even swung into action.

McDonough is a good campaigner. Two years ago, after a late start and a six-weeks run, he led for three ballots at the Worcester convention and just missed getting the endorsement, despite the fact that his activity was confined to a brief period.

It does not seem that Furcolo can give McDonough the lead the latter was able to open up during the winter months and then catch him.

In 1954, ex-Governor Paul A. Dever, working behind the scenes at Worcester, broke a log-jam that had deadlocked the convention, pulled the rug on McDonough and set the stage for the endorsement of Furcolo.

So far there has been no evidence of any activity on the part of either Dever or Senator John F. Kennedy in the gubernatorial race. Dever, although he has formally passed the mantle of party leadership to Kennedy, still wields great influence in Democratic affairs.

It was Dever who persuaded Furcolo to give up his seat in Congress and become State Treasurer in 1952. He worked openly to help get Furcolo the nomination for U. S. Senator over Congressman Philip J. Philbin in 1954.

Dever might be able to turn the tide for Furcolo, if he undertook to do so during the next week, but it is unlikely that he would risk the open break with the McDonough camp that almost certainly would occur if he did. That seems to be the only way Furcolo could come from behind to capture the nomination.

One of the arguments being waged in this conflict centers on whether the candidates will abide by the decision of the convention. McDonough has announced that he will do so and that he will retire from the contest if he fails in his bid for endorsement at Worcester eight days hence.

In Electrical Storm, Advice Is Separate Fact From Fancy

Is it dangerous to carry an umbrella during a lightning storm? Do television antennas create a lightning hazard? Should you hide in a closet, go down cellar, or sit in your car when bolts of lightning start flashing?

Separating the facts from the fancy has been one of the projects undertaken by the Institute for Safer Living of the American Mutual Liability Insurance Company in Boston. About 400 persons die each year because of electrical storms. More than 43,000 fires a year are attributed to lightning, causing damages estimated at $43,600,000.

No, it isn't dangerous to carry an umbrella, reports the Institute. The mass of metal is very small and the overall height of the person carrying the umbrella is not sufficient to greatly increase the chances of being struck by lightning. Actually, the open umbrella is more likely to result in a traffic accident through obstruction of vision.

As for radio and television aerials atop houses, it is true that high points attracts lightning. Antennas should be provided with well-grounded lightning arresters. If at all possible antennas should be on self-supporting masts or poles. Antennas located wholly inside the building do not require lightning arresters.

Hiding in a closet is the height of folly, advises the Institute for Safer Living. Getting under a bed is useless, too. There seems to be little point in going down cellar. The greatest hazard from lightning is from a possible ensuing fire. Common sense would dictate staying at or above ground level to make certain of a rapid exit in case of fire.

An all-metal enclosed automobile is a safe place to be in during an electrical storm, provided it is located free of the danger of being struck by falling objects. Occupants of such an automoible are safe as long as they remain in the car. It is possible for lightning to charge the car body so that a person leaving the vehicle could be seriously shocked or electrocuted. After such a hit or near miss, the Institute advises all occupants to remain in the car from 10 to 15 minutes to allow the charge to drain off.

If you are caught outdoors and unable to get into an all-metal enclosed automobile or a building, the safest thing to do is to head for a grove of trees. Don't stand out in the open or under a single isolated tree, warns the Institute for Safer Living.

Fuchs to Speak on Politics of American Jews

Dr. Lawrence H. Fuchs of Brandeis University and news commentator on WCRB, will speak on the "Political Behavior of American Jews" at the annual open meeting of the Community Council of Metropolitan Boston Wednesday, June 13, at the new Jewish Community Center at Cleveland Circle.

Dr. Fuchs is the author of a book of the same title and is working on another volume dealing with American political parties.

The meeting will climax the season's activities for the council which will hear the annual report of Executive Director Robert E. Segal of Newton.

Dr. Fuchs, assistant professor of political science at Brandeis, received his doctorate at Harvard after serving in the U. S. Naval Reserve during World War II.

Actively associated with the United World Federalists, he was national secretary of that organization.

News of Day

The Daytonian staff is humming with activity as it prepares for its final issue of the school newspaper. Included will be some of the finest bits of creative writing from the various English classes.

The officers of next year's eighth grade are: President, John Bilezikian; Vice-president, Michael Libman; Treasurer, Daniel Wood; Secretary, Richard Lockwood.

The Student Council officers for next year will be: President, Charles Aucoin; Vice-president, Martha Bilezikian; Secretary, Eleanore Heubach; Treasurer, Barbara Myers. Congratulations and our best wishes to these new officers!

The Varsity baseball squad played a very close exciting game at Weeks, the final score being 4-3 in favor of Weeks. The Junior Varsity lost with a score of 10-4. Better luck next time!

In the 8th grade girls' softball league, Donna DeMarco's team defeated Sandra Gibb's by a score of 25-13. In the 7th grade girls' league Pat O'Connell's team triumphed over Linda Fisher's by a score of 18-10.

On May 25th, at our weekly assembly, Mr. Bertrand Shurtleff captivated completely our attention as he vividly demonstrated the many, varied wrestling techniques and skills. Mr. Shurtleff is a man of unique talents for he has been (1) an intercollegiate wrestling champion, professional wrestler, football player and coach, and (2) a high school teacher of English. While in college, he published a book of poems. At present, he is well-known as a lecturer and writer of many dog stories. Some of his books in our school library are Two Against the North, Short Leash, Long Lash and his AWOL books.

Toastmistresses Hostesses To Fall River Club

The Newton-Waltham Toastmistress Club entertained the Fall River Toastmistress Club at a joint participation program held Tuesday, May 22, at the Church of the Open Word Hall, Newtonville. Mrs. Barbara Casey presided.

Our topic mistress, Mrs. Lucille Webb of Newton, combined an excellent educational program with the impromptu talks. Using the months of the year as subjects, each participant was asked to incorporate in her talk unusual descriptive words to vividly express her thought. Particularly expressive words or recommendations for better word usage were thoroughly discussed. Accomplishing, as it did, a dual purpose, both clubs felt this was a very unique approach.

The Toastmistress of the evening, Mrs. Matilda Shapiro of Fall River Club was charming and displayed the benefits received from Toastmistress training by very smoothly introducing the evening's speakers. Mrs. Constance Perkins, Newton Club, was superb in her talk on "Woman's Place in Society." Mrs. Emily Borges, Fall River Club, really achieved her purpose, giving us a thought provoking message on "Broken Promises."

Evaluations of the speakers were made by Mrs. Marietta Dittami, Fall River, and Mrs. Daisy Quirk, Newton. General Evaluation of the whole program was given by Mrs. Anne Rescoe, Newton.

Newton-Waltham Toastmistress Club will have only their two regular meetings before International Toastmistress Clubs convention being held at the Hotel Statler, Boston, July 15 through 19. The Newton-Waltham Club invited all ladies wishing to increase their speaking ability or platform poise to attend their meetings, which are held at the Newton Y.M.C.A. the second and fourth Tuesdays in each month at 8 p.m.

-- Spotlight on Weeks --

ANTI-POLIO VACCINE

"Roll up your left sleeve!" The day had come. Friday morning, April 25, Weeks pupils received their first Salk anti-polio shot. Curiosity swelled inside of everyone as he waited anxiously in line. To the amazement of all, the injection couldn't have been simpler. Three groups, each made up of a doctor and a nurse, administered the shots. It was very difficult to understand how a fifteen-second procedure could prevent polio viruses from growing inside a body. Almost everyone is looking forward to three weeks hence when the second shots will be given and the call "Roll up your left sleeve!" will be heard again.

COUNCIL ELECTIONS

The Weeks Council, with one representative from each room, held its elections for next year's officers May 25 following a rally in the auditorium. Since this year's ninth graders will not be at Weeks next year, only the present seventh and eighth graders voted. Heading the Council next season will be: George Crevoshay, Pres.; Russel Bishop, Vice Pres.; Sue Sheinwald, Secretary; and Terry Dangel, Treas.

EVENING IN PARIS

"An Evening in Paris" was the motif of the Eighth Grade Dance on Friday, May 18. Gay red, white, and blue streamers hanging across the gym ceiling plus colored pictures of Paris made the gym appear like a giant outdoor cafe. Five hat styles which might readily be found in the Eiffel Tower city, each with a letter spelling PARIS, decorated the walls. Cokes were served. Everyone agreed that the Eighth Grade Cabinet had done a fine job with a clever idea.

SPELLING BEE

Can you spell "unbiased"? Barbara Adolf, winner of the Ninth Grade Spelling Bee, could and did. Each division held a spelling bee of its own to determine which two students would represent that division in the grade-wide bee. Mr. Murphy, a ninth grade English and Social Studies teacher acted as spelling master, while Mrs. Randall manned the dictaphone and enforced the rules. Runners-up were Arthur Fine and Linda Rubin. Everyone had to agree that spelling can be fun!

COUNCIL DAY

"So that's the ordeal a teacher goes through every day!" exclaimed many of the Council Day 'teachers' at the close of their grueling day. For the eighth year, Weeks' Council designated one school day as "Council Day", the day Council members replace their regular teachers as temporary instructors. Teaching in all subjects, all grades, these pupils realized through their experience how difficult it is to conduct an orderly class six periods a day. Not only did the 'teachers' profit by this situation, the students learned how to make an adjustment successfully from regular practices to unusual ones. Nearly all the real teachers stated that Council Day is a most worthwhile endeavor and should be repeated next year.

SHAKESPEAREAN PLAY

The ninth grade at Weeks was privileged to witness a dramatic presentation of *"The Merchant of Venice"* by William Shakespeare. After a month of active rehearsals supervised by Miss Kahn, a student teacher, Mr. Knowlton's division staged the play for the ninth grade. The cast was made up of the following students: Judy Bedrick, Hal Cohen, Jack Fleming, Liz Lubell, Lee Milner, Skippy Pratt, Steve Rubin, and Ronny Simblist. Make-up and prompting were done by Gail Schneider and Sue Sussman. This presentation was an unprecedented event at Weeks.

Named Chairman Of Directors Of Heart Ass'n.

John Jay Ellsorth, 56 Bowdoin St., Newton, was elected chairman of the board of directors of the Massachusetts Heart Association at the annual meeting and election of officers held this week at the Harvard Club.

Two other Newtonites, Dr. Egon Kattwinkel, 65 Sterling St., West Newton, chief of cardilogy at the Newton-Wellesley Hospital, and C. Terry Collens, 190 Dudley Rd., Newton, were elected to serve as members of the board.

Other new officers of the Massachusetts Heart Association are: Dr. Edward F. Bland, physician at the Massachusetts General Hospital and associate clinical professor of medicine at Harvard Medical School, president; Dr. Ernest E. Wiesner, of Brockton, vice president; Dr. Benedict Massell, research director at the House of the Good Samaritan, and Mr. Charles E. Cotting, president of Lee Higginson Corporation, were reelected secretary and treasurer, respectively.

The Massachusetts Heart Association annually sponsors the Heart Fund drive, conducted in February, when monies are raised to support a year-round program of Research, Education, and Community Service in diseases of the heart and circulation.

Harvard Senior Speaks at Lions Club Meeting

Christopher T. Del Sesto, Jr., of Harvard University spoke last week at the regular meeting of the Newton Lions Club and was introduced by Lion President, Dana Gleason.

Mr. Del Sesto, a Senior at Harvard and a member of a prominent Rhode Island family gave an interesting talk on the Museum of Fine Arts and told of the high plane in which it is held nationally and internationally. He mentioned also that the Museum is vitally interested in having a larger proportion of our people become culturally aware of the value to all of a knowledge of art. As examples of the wealth and standards of the various collections, the speaker mentioned that it houses the finest collection of Chinese and Japanese art under one roof in the Western world, that it has the finest Egyptian art outside of Cairo, and the choicest of Greek and Roman art in America—all of these in Boston, and available at no cost to the general public.

Many persons, Mr. Del Sesto said, while being aware of these collections do not realize that in addition to being a Museum, the Fine Arts Museum is actually an art centre conducting art classes for children and adults, sponsoring regular television programs and does all of these activities without one dollar from State or Municipal funds being maintained entirely by private benefactions.

Another interesting aspect of the value to New England of the Museum is its Division of Education which offers for loan to other museums, art centres, schools and libraries, illustrative sets and slides, special weekly exhibits, and full color reproductions of the Masters for study and the enjoyments of all.

In closing Mr. Del Sesto stressed that there were various classes of membership in the Museum ranging from as little as $10.00 annually which are available to all and which are most worthwhile.

Lion Hazen Edgar was welcomed back after a siege in the hospital and was promptly appointed temporary Tail Twister. Also present after absences were Ed John MacDonald, Reggie Holmes. Secretary George Doggett read a letter thanking the Club for its additional donation of $150 to the Lions Eye Research Fund. Total state wide contribution to this Fund since its inception have passed the $100,000 mark and research grants of over $50,000 have been made.

Police to Hear Freed Priest On Sunday

Newton police will hear Rev. Marcellus White, CP, Waltham priest recently released by the Chinese Reds, in his first Newton appearance this Sunday at the 19th annual memorial service of the Newton Police Memorial Association.

The service will be held at 8:30 in Corpus Christi Church, Auburndale, with breakfast in the new auditorium of the church.

Patrolman Ralph W. Power, association president, will be master of ceremonies.

Members will meet in Auburndale square at 8:10 and parade to the church. The combined Police and Fire Department Choir will sing under the direction of Frank Geary.

Assisting Patrolman Power with arrangements are Patrolman Manley J. Kiley, vice-president; Lt. James W. Corcoran, secretary; Patrolman John J. Geegan, treasurer; Patrolmen Thomas M. Dargan, William M. Peterson, Raymond J. Thibault, Joseph M. Gre[illegible]y and John W. Murphy, directors.

Ward I GOP Names Barnes

Dana H. Barnes, Jr. of 5 Wesley street, Newton, has been elected chairman of the Ward 1 Republican Committee. He succeeds John R. Roy of 36 Claremont street who was elected chairman in 1952.

Other officers of the Ward 1 Republican Committee, who were elected at the meeting of the Newton Republican City Committee were Rep. Donald L. Gibbs, 37 Claremont street, vice chairman; George P. Buell, 115 Claremont street, treasurer, and Alderman Adelaide B. Ball, 35 Waban street, secretary.

Richard W. Miller '57, son of Mr. and Mrs. Clifford V. Miller, 185 Valentine st., West Newton, was recently elected to the Executive Committee of the Classics Club at Brown University.

Minister Leaving Newton Church for College Post

Rev. Gustave H. Todrank, minister of the North Congregational Church, Newton, resigned his position at last Sunday's service to accept a position on the faculty of Colby College, Waterville, Me.

Mr. Todrank is a graduate of DePauw University in Greencastle, Ind., and of Boston University School of Theology. He will receive a Ph.D. degree from Boston University Sunday. During World War II he served as a navigator with the Army Air Forces. He has been the minister of North Church since 1951. His resignation will become effective Sept. 1.

Art Association Annual Reports

The annual meeting of the Newton Art Association was held at the Hotel Beaconsfield recently and included the annual dinner, election of officers, and a fine entertainment program arranged by the Hospitality Committee, Katheryn W. Holgate, Chairman.

Presiding at the meeting was President Carl M. Stiles, who called on the officers and committee chairmen for annual reports. Treasurer Chester N. Reed, during his report indicated that the Association has one hundred and ninety two members, made up of one hundred and twenty-five active members and sixty-six associate members; representing an increase in seven years of one hundred and eighty members from the original twelve members. Miss Gretchen Cook, recording secretary, and Mrs. Mildred Marks, corresponding secretary, followed with interesting reports on their activities. Reports from committee chairmen included James K. Bonnar, programs, Mrs. H. Story Granger, club exhibitions of paintings, Roy Randall, publicity, Helen Ritchie Hegnauer, exhibits at banks and libraries, and Dr. Shelley Osborne, entertainment chairman. President Stiles expressed his gratitude for their diligence.

Former President James Bonnar, then presented a framed certificate of appreciation to Mr. Stiles in behalf of the Association members. Miss Gretchen Cook, of the scholarship committee, introduced Miss Brenda Haywood as the winner of the annual scholarship award, who responded with an expression of thanks.

The election of officers for the coming year followed and Chester N. Reed was elected President, Robert O'Brien, Vice President, Dr. Leslie Russell, Treasurer, Sherwood W. Blodgett, member of the Board of Governors, Gordon MacMillan, Assistant Treasurer, Mildred Marks, Corresponding Secretary, and Mrs. Zelda Esson, Recording Secretary.

A delightful group of songs by Miss Susan Stone, daughter of Dr. and Mrs. Edward S. Stone of Newton Centre was then presented. Miss Stone was ably accompanied by Miss Elaine Holmes at the piano.

The showing of colored slides, which concluded the program, were the result of the recent trip of Miss Priscilla Ordway to Italy, France, Switzerland, and England. Miss Ordway accompanied her showing with interetsing observations concerning the significance of the many countered.

Parent-Teacher Panel Discussion

As a follow-up on Newton's Little White House Conference, Miss Avis C. Walsh, consultant in the Language Arts (reading, writing, speaking, and listening) for the Newton Junior High Schools, sponsored a Parent-Teacher Panel at the Meadowbrook Junior High School on May 17.

Mrs. Frederick Wood, representing a mother from the Day Junior High area, spoke on "Reading Problems as Seen by a Parent". Mrs. Melvin Dangel, a parent from the Warren Junior High School section, discussed "Homework and Study Habits". Mrs. Duncan Edmonds, who has a son at the Bigelow Junior High School, commented on "A Parent's Attitude Toward the Language Arts in General." Mrs. Nathaniel Guptill, representing a parent from the Weeks Junior High School area, gave "A Parent's Viewpoint on Problems in Writing", and Mrs. Robert Bunschaft of the Meadowbrook district brought up "Some Problems in Listening."

Answering for the teachers on the panel were Mr. Samuel J. Grainger, Jr. (Bigelow), Mr. Scott Brent (Day), Mrs. Ernestine McDonough (Meadowbrook), Miss Avis C. Walsh (Warren) and Miss Helena Glenn (Weeks).

After the panel, a lively discussion took place between parents and teachers. Many problems that needed consideration were brought up by both parents and teachers.

If you're saving for a big event...

Where you save does make a difference

Big events like weddings are worth saving for. And as over 15 *million* Americans know, saving in an insured Savings and Loan Association offers *important advantages.*

Excellent returns from your money is one advantage.

Another is modern, efficient, forward-looking service.

And, of course, your money is safe because in insured Associations your savings are protected by sound management and substantial reserves. They are insured up to $10,000 by the FSLIC—an agency of the U. S. Government.

These are the reasons why Americans are putting more of their savings account dollars into insured Savings and Loan Associations than anywhere else!

Whatever event you're saving for, start right now to enjoy the *worthwhile advantages* offered by your nearby insured Association.

MISS MARIANNA MacGUFFIN IS BRIDE OF SAMUEL LLOYD, JR.

Miss Marianna Taylor MacGuffin and Samuel Lloyd, Jr., were united in marriage in a double ring ceremony at 2:30 o'clock Wednesday afternoon, May 23, at the Newton Methodist Church. The Rev. Paul Uhlinger, Ph.D., minister, and Rev. W. Edge Dixon, Ph.D., former minister, now of the Harvard Epworth Methodist Church, Cambridge, officiated at the service, attended by both families and many friends, a number of whom came from New York and Connecticut. A vase of white snapdragons and white carnations decorated the altar. Mrs. Dorothy Sprague, church organist, was at the console for the bridal processional and postlude.

Richard Lawrence MacGuffin gave his daughter in marriage. Samuel Lloyd, Sr., of New York City and New Canaan, Connecticut, served as best man for his son.

The pretty 25-year-old dark-haired bride wore a white shadow print afternoon nylon silk dress with a short veil, and carried an old-fashioned bouquet of white carnations and rose petals.

The two younger sisters of the bride, Miss Susan Vogler MacGuffin, freshman at the University of Maine, in aqua blue nylon silk, with pink and white snapdragons in a cascade bouquet, and Miss Jeanne Laurence MacGuffin, Newton High School student, wearing a matching afternoon frock in pink, with a cascade of blue iris, white snapdragons and shattered carnations, were bridesmaids.

Ushers, headed by Christopher Lloyd, of New Canaan, Conn., youngest brother of the bridegroom, included also Titus Tatarcuk, Gustave Solomons, Jr., and Donald Hallock, all of the Boston Children's Theatre.

Following the church wedding, a reception for about a hundred invited guests was held at the home of the bride's parents, Mr. and Mrs. R. Lawrence MacGuffin, 150 Newtonville avenue, Newton. In the receiving line with the bridal couple were the parents of the bride and bridegroom and the bridesmaids. Ken Reeves, popular orchestra leader, played the accordion at the reception.

Mr. and Mrs. Samuel Lloyd, Jr., left by airplane for a honeymoon in Bermuda. Upon their return they will be temporarily at 195 Commonwealth ave., Boston, until Mr. Lloyd rejoins the summer theatre company at the Weston (Vt) Playhouse, where the bride made her professional debut last season. Miss MacGuffin, who has been assistant director and production manager of the Boston Children's Theatre, will direct the Children's Theatre Stagemobile for the Community Recreation Service in the Boston area this summer, presenting "Red Riding Hood" and "Pied Piper of Hamelin."

The former Miss MacGuffin, native of Boston, was graduated from Newton High School, class of 1947, received her B.S. in Education in 1951 from Framingham (Mass.) State Teachers College, and graduated from the Bishop-Lee Theatre School, Boston, in 1954. She taught school at Vineyard Haven, Martha's Vineyard Island, Mass., 1951-52. Associated with the Boston Children's Theatre for two years, she served as technician during the 1955 summer season at the Weston (Vt.) Playhouse, where she made her stage debut. Among other roles she played Tituba in "The Crucible."

After graduating from the Lawrence School, Lawrenceville, N. J., Mr. Lloyd attended Yale University. He served three years in World War II with the Third Marine Division, U. S. Marine Corps, 1943-46, then was recalled to active duty in the Korean War in 1950-51. In the interim he attended the Feagin School of Drama and Radio (1947) and was associated with the Park Ave. Branch, Chase National Bank, in New York in 1948.

Mr. Lloyd has completed five years at the Cleveland (O.) Playhouse, first as a student and Fellowship member, and as staff actor and leading man for the last three years. For four successive summers he has appeared on stage at the Weston (Vt.) Playhouse where he will open his fifth season in July. He has also played summer stock in Ridgefield, Conn. (1947), and Chautauqua, N. Y. (1950, 1955).

One of seven children of Samuel Lloyd and Mrs. Ruth (Lapham) Lloyd, of New York City and New Canaan, Conn., he is the grandson of the late Dr. and Mrs. Samuel Lloyd (Adele Ferrier Peck) of New York and New Haven, and of the late Mr. and Mrs. Lewis D. Lapham, of New York, New Haven and Burlingame, California. His paternal great-grandparents were Gardner Potts and Emma (Disbrow) Lloyd, of Welsh lineage.

The bride is the granddaughter of the late Victor H. and Annie (Mitton) MacGuffin, of Lynn, Mass., and the late Mark D. and Mary (Traill) Young of Cambridge, Mass. Her great-grandparents were Alexander MacGuffin, of a Scotch family who pioneered in Canada about 1810, and Susan (Vogler) MacGuffin, early graduate of the historic Bethlehem (Pa.) Seminary, now Moravian College for Women, established in 1742. The bride's great-great grandfather, Jesse Vogler, was a Moravian missionary to the Indians in Ontario, his ancesters having come from the Palatinate to North America early in the eighteenth century. R. Lawrence MacGuffin, A.B., M.A., Boston University, M.Ed., Harvard University, the bride's father, himself served three years as a missionary in Syria, he was ordained by the Presbyterian Board of Missions, and is now a Methodist lay preacher, as well as a Boston Latin School master in the French department.

Mr. and Mrs. Samuel Lloyd, Jr., will make their home in Cleveland in the fall when Mr. Lloyd returns to the Cleveland Playhouse stage.

Mayor Speaker At Artists Night

The Newton Art Association held its sixth "Artists at Work" night at the Newton Centre Woman's Club with about 300 persons attending to witness painting demonstrations in various mediums by 25 artist members. Mayor Howard Whitmore, Jr. in his address of welcome, referred to the rapid growth of the Newton Art Association from 12 members to a membership of over 200 in seven years. He also stated that the Association has played a very important role in Art activities throughout the city.

Also featured was an exhibition of the artists paintings and a program of Hi-Fi music. Two very beautiful paintings by James K. Bonnar and George Bigelow were given as door prizes to a lady and gentleman who held lucky tickets. Program arrangements were in charge of the Hospitality Committee, headed by Katheryn Holgate, assisted by Dr. and Mrs. Leslie Russell, Thelma Yanco, Mr. and Mrs. Bela Sziklas. Gene Faucher, Mary Bonnar, Velma Randall, Dr. Shelley B. Osborne, Beatricce Hurwitz and Sherwood Blodgett.

Artists who demonstrated were Florence Alexander, Sherwood Blodgett, James K. Bonnar, Esther Connolly, Zelda Esson, Mrs. Alexander Fox ,H. Story Granger, Helen Ritchie Hegnauer, Marguerite Kindred and Mildred H. Marks.

Others, also using oils and water colors, and modeling were Mr. Frank Morris, Paula Newman, Martha Pate O'Brien, Mrs. Frank Morris, Priscilla Ordway, Helen Cleaves, Ruth Palmer, Roy Randall, Grace Stone, Fred Thompson, Jo Barker White, Dr. Carleton F. Whitney, Gertrude La Plante, Phyllis Curtis and Mrs. Helen McBride.

By Robert Lesberg

If you are an Independent Voter in the city of Newton you have come within a whisker of being disenfranchised and it's high time that you did something about it.

You, who are the most important element in an election because there are so many of you, have been taken in for lo these many years by the fallacious argument that Newton is so overwhelmingly Republican, that the Independents and the Democrats have no business playing in the same league.

Time after time you have entered the voting booth and come face to face with hand-picked Republican candidates who have written their victory speeches long before the primary election.

And, having fallen prey to this second rate public relations effort which preaches of Republican invincibility, you have dutifully cast your vote for a continuance of the political closed corporation that has ruled Newton for so long.

Thus you have propagated the one ballot system and by so doing have lost all opportunity to oversee the affairs of your government, which is your inherent right.

You have transferred your political responsibility to those self-appointed caretakers of the public trust, those benign purveyors of all that is good for the citizenry, the overlords of the Republican party.

But for November 1954 there might have ended the two party system in Newton for all time.

For in November 1954 the Democratic party emerged as a potent political force in the city of Newton and brought with it the opportunity for you, the Independent Voter — the almost disenfranchised — the near politicial nonentity — to once again sound your voice.

It matters not a whit whether you say aye or nay to the Democratic party; it behooves you to make it prosper. For only with the broad base of a sound two party system can you, the citizen, flourish.

It surely must be evident to you that if you are to retain your true independence as a voter you must have that all important element of political choice; and for that, there is no substitute no matter how green the grass is in front of city hall.

In November 1954 the Democratic Party, after several previous valiant and practically solo efforts on the state representative level in both the north and south sides of the city, came up with a slate of qualified and determined candidates that once and for all knocked the one party system in Newton into a cocked hat.

This slate of candidates, after bowing in gratitude to the pioneers, proceeded to campaign together in a heretofore unheard of cohesive and united manner — so much so that you, the Independent Voter, finally began to display your much heralded strength.

Whatever the reason, be it faith in the Democratic Party, or respect for the Democratic candidates, or just plain self-interest, you elected a Democratic Governor's Councilor for the first time in history, and came so close to electing a Democratic Congressman and State Senator that you threw both of these races into a hotly contested recount session.

And make no mistake, November 1954 was just the beginning. The opportunity for self government through the medium of the Democratic Party is now a permanent part of the Newton political scene.

The two-party system is here to stay; and you, the Independent Voter, the real majority party, must nurture it and strengthen it.

For only in this way will you regain your essential heritage — your right of political choice.

. . . DONKEY TALES . . .
Have you heard of the lady who called the magazine editor to ask in quiet and cultured tones if Sherman Adams was the 33d President or the 34th President?

(Editor's Note: The opportunity to prepare a column similar to the above has been extended to the Republican group of Newton in order that both parties may have an equal opportunity to present timely comments on the political front.)

Highland Congregational Church Activities

Dr. and Mrs. Ralph L. Holland of Worcester will discuss the merger of the Congregational and the Evangelical and Reform Churches at a special meeting of the Newton Highlands Congregational Church on Wednesday, June 6, at 7:45 p.m. in the Robertson Chapel. Dr. Holland is the executive secretary of the Greater Area Worcester Council of Churches and is an "E and R" minister. Mrs. Holland has been a member of the National Board of the Woman's Guild for eight years and is now a volunteer worker. Their topic will be "The Challenge of Our United Church."

Business Dean at B.C. to Speak at Sacred Heart

Rev. W. Seavey Joyce, S.J., Dean of the College of Business Administration at Boston College, will be the speaker at the luncheon for the Fathers' Club next Monday, at Newton College of the Sacred Heart, 885 Centre street, Newton.

Fathers of the graduating class will be guests at this luncheon which will precede the Commencement Exercises that afternoon.

The business seminars which have been conducted at Boston College this year will be the subject of Fr. Joyce's talk. These conferences deal with the various problems of the City of Boston.

Fr. Joyce has been in charge of these Citizen Seminars on the fiscal, economic, and political problems of Boston and the Metropolitan Community, and will discuss some of these problems with the men at the Fathers' Club luncheon.

Unknown Friend Gives $15 for Girl Scout Drive

An unsolicited gift was received by the Newton Girl Scouts for their new permanent camp from a Weston resident who sent in his check for $15.

With it was a note which said: "Please accept the enclosed check to be added to the fund for purchasing a summer camp for the Girl Scouts of Newton. I became acquainted with your project through the window display in one of your local stores."

Parents of Newton Girl Scouts and adult leaders of the local council will be actively at work the next few weeks calling on other parents of Scouts and friends of scouting to interest them in the new camp located in southern New Hampshire.

There are more than 600 volunteers assisting in this unusual appeal.

WITH TWENTY-FIVE HUNDRED Brownies, Intermediates and Senior Girl Scouts enrolled each year in Newton, there are thousands of local families identified with Girl Scouting.

For a complete program, two types of camps are essential: a day camp and a resident camp. The new East-West toll road took over enough of Camp Mary Day property to make it unsuitable for resident use.

Now available for a replacement as resident camp is a property on a beautiful lake in southern New Hampshire with 100 acres of land, numerous buildings in excellent repair and spliendid equipment. This camp will continue as a private camp until next year.

The purchase price is $75,000 of which the Council has $25,000 on hand.

Toll Road-

(Continued from Page 1)

the result of hearings the Authority will hold for interested parties along the route.

Therefore, it may be early next year before a final route decision can be made and contracts let by the Authority.

Demolition and construction will probably take two to three years, it is estimated.

Prediction of a strategically-located interchange east of Route 128 is based on expectations that Newton commuters were insistent in their survey answers and on the fact that the Authority is anxious to pick up as much revenue as possible on the in-town route.

Construction requirements being what they are, it is expected that such an interchange would tie in with an important cross road.

Just what this cross road might be is anyone's guess. It might be Galen street. It might be Market street. It would depend on the route.

Most Newtonites expect the Authority to move along the North Side. Either along the Charles (Western Expressway), which is considered most likely here, or along the Boston & Albany tracks, or Route 16, rather than Route 30 or Route 9.

CONSTRUCTION COSTS for the B. & A. route (main line) would be $10-$12 million per mile without landtaking costs figured in, it has been estimated.

Such a route would entail a double-decker highway — four eastbound lanes and four westbound, on separate levels.

Probably the Charles River route would be the least expensive. (Highway planners in 1948 considered this a good route for the Western Expressway.)

Any of the "northern routes" would bring the road through Nonantum and Newton Corner and near Watertown Square, with a likelihood of a tie-in with the MDC highways along the river.

BUT SUCH SPECULATION, it is pointed out, means little when one considers the number of "possible" termini in the past: Readville, Watertown Square, Rte 128. . .

All of these and other routes have been extensive alterations, most recently effected at the

Under this setup, motoring more and the Board of Aldermen.

As to the in-town terminus, it is known that the Authority has terminated talks with the railroad and the New York realty firm interested in the Back Bay development.

It is believed the realty firm wanted too much of an expenditure by the Authority on improvements the Authority did not feel fell under its road-building purpose.

It is felt that construction of parking facilities for as many as 10,000 cars at the Boston terminus would help reduce downtown traffic in Boston.

Weston line by Mayor Whitcommuters would then take bus, train or taxi to their in-town destination.

BUT WHATEVER the route, authorities agree, it will mean extensive changes in Newtonites' motoring habits—through quicker in-town commuting and improved feeder streets forced on Newton by the toll road.

land and similar land owned by Brookline in Dedham last Winter.

The park plans, Heaney said, are not an outgrowth of the committee's studies. The committee report has not yet been made, he added.

The land is undeveloped but could be adapted for day camps, playing fields, tot lots and picnic groves.

For $200,000, it is estimated, the MDC could make these improvements and provide boating and fishing facilities.

The MDC is planning to deepen the Charles where it passes the proposed park between the New England Industrial Center on the north and Needham street, Dedham, on the south. The river and Rte. 128 comprise the other borders of the proposed park.

Plans to deepen the river include dredging, straightening and raising the water level with a crest gate on the Silk Mill dam in Upper Falls.

The gate, four feet high, can be lowered to let the river water rush over the dam during floods.

The deepening plans have been developed for flood control. They will make it possible to travel for miles in outboard motors, over stretches of river, which are now too shallow.

It is possible now to run a motorboat on that section but it faces the chance of going aground on sandbars.

Once the danger of flooding is reduced it becomes possible to build a recreation area. Permanent buildings could be built on knolls where they would be safe from flood waters.

around any Newton school."

3. Lack of adequate playground facilities and the necessity of crossing public highways to get to such facilities.

The new building would provide for about 400-500 pupils and have about 16 classrooms, two kindergartens, one playroom and one auditorium.

NEWTON has constructed new schools or additions valued at just over $9 million from 1950 to the present, spending approximately $7.2 million of its own money for these improvements.

These represent 10 new schools and five additions. Two more schools—high school and the Mason-Rice—and two additions are in the works.

The Mayor will ask for $365,000 Monday for the addition to the Cabot School and the city expects to spend about $225,000 this summer for an addition to the Ward School.

Completion of this new building would leave only the "upgrading" of four or five other elementary schools and occasional temporary addition to some schools to meet shifting population needs left to be done.

JACKSON HOLTZ
Seeks Congress Seat

Holtz-

(Continued from Page 1)

The district includes all of Newton and Brookline and seven wards in Boston (4-5-10-12-19-20-21).

Curtis' margin in Newton, just under 6000 votes, gave him the 1894 pluralty that turned the trick. The vote was 21,806 for Curtis to 15,828 for Holtz who carried the Brookline and Boston sections of the district.

THE VOTE was decided only with the late returns from Newton and for a time a recount request was threatened. The 1956 Democratic registration drive is expected to make this a close race again this year.

Holtz, considered by Democrats as one of their most able leaders and debaters, has been elected a delegate-at-large to the National Democratic Convention in Chicago this Summer.

Holtz has been closely allied with the campaigns of U.S. Senator John F. Kennedy and in the state, was the closest ever.

A shift of only 900 votes from 155,000 cast would have meant victory for Holtz in this Republican stronghold.

Congressman John W. McCormack. He served as vice chairman of Senator Kennedy's successful senatorial campaign, and has been a top advisor for years in Congressman McCormack's campaigns.

Former Gov. Paul A. Dever chose Holtz to nominate him when Dever ran for his first major political post, that of attorney-general in 1934.

Holtz has long been a leader in the fight against communism, both as a special member of the Massachusetts Legislative Recess Committee to Investigate Communism, and as a member of the American Bar Association Special Committee to Investigate Communistic Tactics in the United States.

WHILE assistant U.S. Attorney for nine years, Holtz was assigned to prosecute a large number of major criminal cases, including the noted "Will Rogers" $20,000,000 lottery racket.

In announcing his candidacy, Holtz said, "The tremendous and unprecedented vote given to me in the last Congressional campaign as the Democratic standardbearer in the Republican stronghold compels me to seek this office again."

He was born in the South End, went to school in Roxbury's famed Mission Hill section where his father owned a small variety store.

He graduated from Boston University at 18, and Boston University Law School at 21. He long has been a student of politics and government. He was elected Representative in the Massachusetts Legislature by the largest plurality given in Ward 14.

Now 48, Holtz lives in Brookline and is a partner in the law firm headed by himself, Judge David A. Rose and Cornelius J. Sullvan.

He is a veteran of both World War II and the Korean conflict and is a Lieutenant-Colonel in the U.S. Reserves. He teaches military law at Harvard and Boston University and is closely connected with military legal problems pertaining to the new military code of justice enacted for GI's after World War II.

Holtz is a former national commander of the Jewish War Veterans of America, and a trustee of Temple Israel, one of Boston's largest congregations. He is actively engaged in charitable work and civic organizations.

Local Block Now Equipped With Fire Detectors

The Masonic Building in Newtonville, comprising six stores, offices and lodge rooms has recently acquired a major safety feature in the form of a complete Fire Alarm and Detection System.

The system, through a series of Detectors installed in various parts of the building will immediately detect and transmit by an automatic process, an alarm to the Newton Fire Headquarters.

Lives and property can be saved by an early detection of fire. A small spark is a potential enemy which in the first few minutes can swiftly grow to disastrous proportions.

The Fire Alarm and Detection System in the Masonic Building was engineered and installed by the Alerting Signals of Brookline.

ton's total stood at $11,500.

With a goal of $33,000, the campaign leaders are urging volunteer house-to-house solicitors and other workers to intensify their efforts so that Newton might maintain its record of always going "over the top" in its fund-raising efforts. Mrs. Virgil Snow, Newton's Salvation Army Appeal secretary, has asked all of the workers to make their returns as soon as possible.

"But that does not mean to make your returns until every home on your list is covered," she stated. It is gratifying to know that the day-in and day-out efforts of the Newton Service Fund Committee will be continued and that 20 percent of the money contributed here will be expended to help needy children, veterans, servicemen, families and people of all ages, races, creeds and color right here in Newton.

The remainder will go to support the famed regional services of the Salvation Army such as the Fresh Air Camp, Red Shield Club for Armed Forces, Booth Memorial Hospital, Prison Department, League of Mercy, Disaster Services and many others.

Donors are asked to send their contribution to Ruth Burns, treasurer at the Newton Waltham Bank & Trust Company, Newton 58.

90 minutes after his car had collided with the pole on Arsenal street about 5:15 a.m.

Police believe Sizemore fell asleep at the wheel returning from Attleboro where he had left a friend. The car was demolished.

The funeral will be held from the Donald J. MacDonald Funeral Home, 270 Main street, Watertown, with a service at the First Parish, Watertown. Rev. E. Palmer Clarke will officiate and burial will be in the Soldiers Lot in Newton Cemetery.

Mr. Sizemore was an auto salesman for Town Line Motors in Watertown and had lived in Newton for the past eight years.

He had served under Gen. George Patton in the European theatre, taking part in the Normandy invasion. He also served in Africa and the Middle East and held a service medal with five bronze stars.

Mr. Sizemore enlisted in the Army in 1939 and was discharged in 1945 with the rank of Master sergeant. He was a member of Watertown Post VFW. He was born in Hazard, Kentucky.

He leaves his wife, Mary (Letorney), three brothers, Walker of Watertown, William and Matthew of Hazard, Ky., and two sisters Mrs. Lillian Costello of Texas and Mrs. Ollie May Coombs of Hazard, Ky.

Thousands Throng Memorial Exercises

Senator Leverett Saltonstall, in his familiar role as chief of staff and principal speaker, hailed Newton's and the nation's war dead at an address at the GAR Monument in Newton Cemetery as the climax of the city's Memorial Day parade.

Memorial exercises began Sunday with a memorial service in the Myrtle Baptist Church, West Newton, and included exercises in the schools on Tuesday as well as yesterday's traditional parade from Lowell avenue to the cemetery.

Appropriate stops at the War Memorial opposite City Hall to place wreaths and the Soldiers' Lot in Newton Cemetery marked the exercises yesterday. Mayor Whitmore, as Chief Marshal; William J. Maloney, chairman of the Newton Veterans' Council, and Robert A. Edwards spoke. William E. Halliday, Jr., of Legion Post 48, gave the Gettysburg address.

Not forgotten were 1300 veterans whose graves were decorated as usual under the direction of Peter A. Best, assisted by Edmund Dungan.

Dr. Theodore Badger is Named Pres-Elect of Trudeau Society

Dr. Theodore L. Badger, prominent Boston physician, was named May 22 as president elect of the American Trudeau Society at the 52nd Annual Meeting of the National Tuberculosis Association held last week in New York City.

Dr. Badger is assistant clinical professor of medicine, Harvard Medical School; Visiting Physician and Chief Medical Thoracic Outpatient Clinic, Boston City Hospital; member of the Board of Consultation at Massachusetts General Hospital; consultant at Boston Lying In Hospital; consultant in Pulmonary diseases, Newton-Wellesley Hospital; consultant in diseases of the lungs, Veterans Administration Hospital, Boston; and consultant in tuberculosis, United States Public Health Service. During the war he served as Lt. Colonel in the Medical Corps, was chief of medical services at Fisk General Hospital, Harvard Unit, and was Senior Consultant in tuberculosis for the European Theater. He has served on the Executive Committee of the Massachusetts Trudeau Society, as chairman of the Committee on Routine Chest X-ray Admissions Programs in General Hospitals, as Vice President of the Eastern section of the American Trudeau Society, and on the Executive Committee for the Massachusetts Tuberculosis and Health League.

The annual meeting of the National Tuberculosis Association opened on Monday at the Hotel Statler in New York and will continue until Thursday afternoon. It is held concurrently with meeting of the N. T. A.'s medical section, The American Trudeau Society, and the National Conference of Tuberculosis Workers, with representative members of 3,000 voluntary associations throughout the country. Approximately 2,500 physicians, medical research investigators, medical social workers, health educators, nurses, and other engaged in public health work are attending. The tuberculosis control work of the National Tuberculosis Association and its affiliates is made possible by the annual sale of Christmas Seals.

Senator Richard L. Neuberger of Oregon was scheduled principal speaker at the opening session on Monday. The general theme was "The Voluntary Agency in the American Scene." Mrs. Neuberger, wife of the Democratic Senator read a speech for her husband in which he called for a billion dollar Federal appropriation for health, medical research, and education. In this he backed Senator Margaret Chase Smith, Republican, Maine, who has such a proposal before Congress.

The meeting will close with a luncheon Thursday at which Mrs. Oswald B. Lord, United States representative on the Human Rights Commission of the United Nations, will be the guest speaker. The Trudeau and Will Ross Medals for outstanding activities in the tuberculosis field will be awarded. Edward T. Fagan, NTA presi- hibits are on display.

At medical and public health sessions, attention has been focused on such questions as the non - hospitalized tuberculosis patient, the effect of housing and low income tuberculosis, recent developments in drug therapy, and progress in medical research. Approximately 100 scientific and public health ex- are on display.

Miss Norma Solimene, Executive Director of the Newton Tuberculosis and Health Association, attended the Annual Meeting of the National Tuberculosis Association in New York City. The local association's programs of rehabilitation, medical research, case finding, and health education are made possible by the annual sale of Christmas Seals in Newton.

Eliot Campaign Reaches $201,791

The Eliot Church's Rebuilding Fund has reached $201,791 of its $250,000 goal, it was announced Sunday.

The drive deadline is tomorrow but canvassers plan to continue until the entire sum has been raised. Continued house-to-house solicitation for contributions and pledges are planned. The church hopes to begin construction on its $550,000 church on the old site sometime in the Fall.

For Young Men Only

SBLI Today more than ever, more young men are buying a wonderful new Savings Bank Life Insurance policy — the kind that will *pay them* $1000 CASH REWARD, if they live for 20 years — or their families several times this amount, if they don't. It's called the "Extra-Ordinary" Plan, and it appeals to young men who do not expect to die — but who want protection for their families, if they do. The cost is surprisingly low. Prelate to Give Degrees At Sacred Heart College

Archbishop Richard J. Cushing will preside at the conferring of degrees at Newton College of the Sacred Heart, 885 Centre street, next Monday at 5:30, when 32 will receive the degree of Bachelor of Arts, two, the degree of Bachelor of Science and two the Bachelor of Music degree.

The graduates, representing 10 states and one foreign country, will hear a commencement address by Dr. Karl Stern who will speak on "The Idea of Womanhood in the World Today."

Dr. Stern is the noted German psychiatrist whose conversion from Judaism to Catholicism formed the subject matter of his best seller, "The Pillar of Fire," which was awarded the Christopher Award in 1951.

Sheila Murphy, daughter of Mr. and Mrs. Edward B. Murphy of 157 Langley road, Centre, is among the 32 graduates.

The graduation ceremonies will be preceded by a week of social and academic functions opening with a banquet for the graduates today, followed by the senior will and the junior class prophecies which will take place in the Badenhausen Assembly Hall.

The Senior Ball will be held at the Woodlawn Country Club, Saturday.

On Sunday, Rev. Arthur Sheehan, S.J., a member of the Advisory Board of Newton College, will be celebrant at the baccalaureate mass, assisted by Rev. W. Seavey Joyce, S.J., of Boston College and Rev. George Q. Friel, O.P. of the college faculty. Right Rev. Msgr Mathew P. Stapleton, vice rector of St. John's Seminary in Brighton and member of the Advisory Board of Newton College, will deliver the baccalaureate sermon.

Sunday evening, there will be a buffet supper for the students, the faculty, the graduates, their parents and friends, followed by the traditional serenades. The seniors will be serenaded by their sister class, the sophomore class, at a torchlight ceremony in the College Playhouse.

Board Weighs Gulf Expansion In Newtonville

The Board of Aldermen is considering the request of the Gulf Oil Company for expansion of its gas station at 911 Washington street, Newtonville.

By a 9-8 vote the board voted to hold up the company's request when it was informed by Alderman Stuart M. Spaulding that abutters objected strongly to the addition of a one-car washroom to the existing building.

The matter was referred to the Street Traffic Committee and a traffic count at the intersection was requested from the police department.

Increasing facilities to 10,000 gallons at Gulf's station at 1637 Centre street, Highlands, was approved, 16-1 in another recent vote.

The board has also granted:

Request of Charles Rosen for a waiver of the side lot line requirement by six inches to permit the construction of a dwelling on a lot of 5132 square feet on Lot 9, Brentwood avenue, Waban.

Petition of Stanley Solomon and Bernard R. Kaplan, to legalize lot of 7200 square feet with a 60 frontage at 46 Rowena road, Ward 6 in Residence "C" District for future dwelling.

Petition of Salvatore Meli, for permission to subdivide three lots into two lots with an area of 6401 square feet and a frontage of 77.40 on each lot on Gannon court, Ward 3.

Held in the Claims and Rules Committee was the petition of Richard M. Payne, and others, for a change of zone from Manufacturing to Residence "E" of land at the corner of Winchester and Needham streets, Highlands, site of a proposed auto laundry. The Planning Board has voted to disapprove the change.

A Proclamation

By His Honor Howard Whitmore, Jr. Mayor

Within the borders of our municipality a co-ordinated and comprehensive effort has been made upon nearly every phase of the difficulties associated with sick or disabled persons, and

Whereas, the first Sunday in June is always observed as Shut-In's Day, the object of which is to encourage each of us to visit in homes, hospitals or the sending of cards, flowers, telephoning or wiring our shut-in friends, relatives or neighbors who are forced to remain indoors, and

Whereas, the Shut-In's Day Association is non-sectarian, non-political, non-racial and a non-profit making organization.

Therefore, being cognizant of the need, I urge the citizens of the City of Newton to observe Shut-In's Day on Sunday, June 3, 1956, and throughout the year, letting our Shut-In friends, relatives and neighbors know that they are not forgotten. Also, that they are not excluded from our thoughts and affection.

Named Head Mass. Health Association

Raymon W. Eldridge, Newton, president of the Massachusetts Tuberculosis and Health League, has been elected to the Board of Directors of the National Tuberculosis Association. Massachusetts representatives who will continue on the N. T. A. board are Dr. Alton S. Pope of Newton, Honorary Vice President of the Newton Tuberculosis and Health Association, and Dr. Theodore L. Badger. "New cases of tuberculosis are being reported at the rate of about 100,000 a year," said Mr. Eldridge, "and the total number of active cases is still around 400,000. We are inclined to boast, and justifiably so, about our progress in saving lives; but in the future we must do more to keep people from catching tuberculosis. The fact still remains that tuberculosis is caused by a germ and can be transmitted from one person to another. People can have tuberculosis without knowing it. Cases must be found before they can be treated."

The Newton Tuberculosis and Health Association has available free literature on tuberculosis for those that desire information about the disease. This is just one of the services offered by the Newton Tuberculosis and Health Association whose sole support is the annual sale of Christmas Seals in Newton.

Cadet John P. Field '58, of Newton Centre, has been awarded the Main Department ROTC Silver Medal at Bowdoin College.

Activities At Temple Shalom

The first Hebrew Department Graduation Service for Temple Shalom of Newton Religious School took place Friday evening, May 25, at the new sanctuary at 175 Temple street, West Newton. The following students received their diplomas and participated in the family Sabbath and graduation service. Kenenth Annis, David Devore, Edward Hootstein, Ralph Keden, Jane Kaplan, Merrily Mann, Peter Morrison, Ann Pinciss. Rabbi Muray I. Rothman officiated at the service.

Temple Shalom will hold summer sabbath evening services, beginning Friday, June 1. Sabbath services during the months of June, July, and August will be conducted by the members of the Brotherhood.

COMMONWEALTH OF MASSACHUSETTS
LAND COURT

Middlesex, ss.

To the Honorable the Judges of the Land Court for the Commonwealth of Massachusetts.

Respectfully represents Ruth Hills Livermore and Stuart E. Hills of Newton, in the County of Middlesex and said Commonwealth; that they are owners of a certain lot of land with the buildings thereon, situate in Newton, in the County of Middlesex and said Commonwealth, bounded and described as follows:

The land with the buildings thereon in that part of Newton called Waban, and bounded and described as follows:

Being the land in that portion of Newton, County of Middlesex, Massachusetts, known as Waban. Beginning at a point on the Southerly side of Waban Ave. at land of Schirmer; thence running Southeasterly by said land of Schirmer, seventy-eight (78) feet to land now or late of Brooks; thence turning and running more southeasterly by land of said Brooks, seventy-eight (78) feet to the Westerly line of Pilgrim Road. Thence running northeasterly and northerly by a curved line one hundred forty-one and 54/100 (141.54) feet to the South tangent point of a curve connecting the Westerly line of Pilgrim Road and the South line of Waban Avenue. Thence Northwesterly by said curve twenty-three and 33/100 (23.33) feet to the South line of Waban Ave. Thence running Westerly by said line of Waban Avenue, one hundred twenty-four and 91/100 (124.91) feet to the point of beginning.

Containing thirteen thousand (13,000) square feet of land more or less, as per plan drawn by E. S. Smilie, dated June 11, 1923, and recorded in Middlesex South District Deeds, at end of Book 4627.

That the record title to said lot of land is clouded by a mortgage given by Ruth Hills, to Vera S. Tompkins, dated June 27, 1926, and duly recorded Book 4998, Page 65, Middlesex Registry of Deeds So. District purporting to secure a note for $7000., payable in or within five (5) years with interest annually, which mortgage appears to be undischarged, unassigned and unforeclosed on and by the record—or not properly or legally discharged of record:

That for more than twenty years after the expiration of the time limited for the full performance of said condition no payment has been made and no other act done in recognition of said mortgage; and

That the mortgagor named in said mortgage and those claiming under her have been in uninterrupted possession of said land for more than twenty years after the expiration of time limited in said mortgage for the full performance of the condition thereof.

WHEREFORE your petitioners pray that after appropriate notices a decree may be entered on the foregoing allegations as authorized by Section 15, Chapter 240 of the General Laws as amended by Chapter 20, of the Acts of 1924.

Controversy Ended

Golf Club Wins Building Appeal

Controversial changes at the Commonwealth Country Club property got the go-ahead last week from the City Board of Appeals.

This ended, for now, disputes over use of the club property which nearby property owners said would be devoted to business.

Permission for alterations to the clubhouse and for increased parking facilities was voted by the appeals board on the grounds that changes would not be a detriment to the community and that parking congestion would be improved.

Dispute over use of the property has been at a peak for more than a month as 130 nearby residents on Algonquin road disputed the new management's claim that the property would still be used exclusively as a club.

Court action is threatened by these residents, a spokesman said recently, if the club is not operated as expected under the permissive use granted by the Board of Aldermen.

The Appeal Board reported that the Board of Aldermen on April 16 granted the Country Club three variances:

For enlarged parking facilities, for an outdoor swimming pool and for an addition to the clubhouse. Mr. Remar's appeal dealt with the addition only, since no permit is required for the parking lot and no permit was issued for the swimming pool.

The Appeal Board stated that it did not have sufficient evidence to rule that the Board of Aldermen was unwarranted in granting the variance and that the approved alterations and additions to the clubhouse will involve no substantial detriment to the neighborhood.

Despite the fact that there was no opposition from abutters, the Board denied the request of Philip J. Tesca of 43 Jackson street, Centre, for a variance to build a home on a rear lot, with a driveway between two front lots for access to the rear lot from Jackson street.

A similar petition was disapproved by the Planning Board and the Board of Aldermen on March 19, it was reported.

Mrs. John H. Jackson was given permission to allow a dentist's office at her home, 723 Beacon street, Centre, a single residence in a "B" district. The board ruled that permission "would rightly include the privilege of renting the office to a doctor or a dentist."

The board granted to Gordon B. Gifford Jr., 30 Coyne road, Waban, a variance to allow a two-family dwelling on a "B" lot on Coyne road. The board pointed out that the duplex dwelling planned would appear as a one-family residence.

Members of the board are Charles S. Grover, chairman; W. Cornell Appleton and Louis W. Ross.

$13,000 in Cash, Jewelry Stolen at Centre Home

Jewelry and cash amounting to $13,000 was taken from a Centre home by thieves over the week-end.

Eli Slotnick of 925 Commonwealth avenue reported to police the loss of a diamond ring valued at $9000; a diamond brooch, valued at $3500; a gold wrist watch and $375.

The Slotnick home was entered between 3:30 and 11:55 p.m. Saturday by forcing a cellar window.

Two bedrooms, the dining room, kitchen and den were ransacked. The diamond ring, the brooch and $300 were taken from bureau drawers; the watch was taken from the top of the bureau and $75 was taken from a handbag on a desk.

The investigation was by Sgt. William J. Bell, Inspectors Richard J. Bagley and John B. Shorton and Patrolman William F. Quinn and Manley J. Kiley.

Service Notes

The Navy Department announced the promotion of R. J. Perruzzi, son of Mr. and Mrs. P. P. Peruzzi of 79 Jewell st., Newton, Mass., to driver third class, USN, while serving with the Atlantic Fleet Naval Mobile Construction Battalion 7.

City Hires Engineers For $200,000 Water Job

Hiring of an engineering firm for the major portion of the remaining South Side water pressure improvement program was announced this week by Water Commissioner Mark F. Croker.

Coffin and Richardson has been awarded the $20,000 contract to plan construction of the 7400 feet of 24-inch water main from Commonwealth avenue to the Worcester turnpike.

The project is expected to cost $200,000 and will entail joining of the 20-inch main at Summer street and Commonwealth avenue, Centre, to the 16-inch main at Boylston street and Langley road.

The Coffin - Richardson contract calls for detail drawings, plans and specifications for competitive bids for the principal jobs. Hiring of an outside firm, Croker said, was made necessary because of the overload on the city engineering department, including the laying out of the $1 million sewer.

Completion of the work begun in 1954 to improve water pressure on the South Side is expected to be completed by June 1, 1957. The $750,000 program became necessary when the city shifted from the city-owned water supply in Needham to the MDC supply.

Board Votes $120,000 for Chestnut Hill Street

More than $120,000 has been appropriated for the reconstruction and widening of Florence street in Chestnut Hill to service the new supermarket, health club and florist.

The Board of Aldermen has approved the work on the street this summer under a provision of the state laws whereby no betterment assessments are made since the street has already been accepted by the city. The area involved extends from Boylston street to the Brookline line.

Chairman Edwin A. Terkelsen of the Public Works Committee says landtaking costs will total $1480.26, while the road work will cost $120,000. Part of the land needed will be donated to the city by the businesses which will be benefitted.

Approval of $6,000 to be expended on construction of an off-street parking lot on Elm street, West Newton, has also been voted on condition that a private area be constructed which will allow unrestricted parking.

Also voted was $2650 for construction of Francis street, Centre. Previously $13,700 has been appropriated.

Other actions approved by the Aldermen:

Water Main extension, Coyne road, Waban, $600; Crestwood road, $5410.

Drain and Sewer, Country Club road, and Meadowbrook road, Ward 5, $6200.

Additional for construction of Montclair road playground drain construction, $2500.

Main drain in Inis circle, Ward 3, $2400.

Sewer in Dedham street from existing sewer to near Spiers road. Ward 5. $9700.

Additional for Hahn Brook drain, Florence street, southerly, $1900.

Traffic signal system extension from the Elliot street fire station to Elliot and Woodward streets and the Worcester turnpike, $2000.

Additional for binding city records by the City Clerk Department, $300.

For a new chair for the office of the Treasurer and Collector, $65.

For a temporary clerk and typist for the Fire Department, $1318.97.

The Board ordered a 40-foot building line on the southerly side of Beacon street from Beaconwood road, westerly, to cover the existing business zone.

MARY G. DAVIDSON

Miss Davidson to Return in Fall

After an intensive course of ballet at the Ballet Theatre School, School of Ballet Arts, and the Ballet Russe de Monte Carlo School, Mary Goddard Davidson announces that she will return to Newton in the Fall to reopen her School of the Dance for its fifth season.

Upon the conclusion of her last season, Miss Davidson made a trip to Honolulu, Hawaii, where she resided with relatives for several months. While there she made tours among the various islands including Maui, famous for its pineapple plantations. She also visited the famous Haleakala Volcano which has the largest crater in the world.

Presently, Miss Davidson is living in New York where she will remain throughout the summer until her return to Newton in September.

Highl'ds Church Strawb'ry Fayre

The "Ways and Means" Committee of St. Paul's Church, Highlands, has announced plans for an Olde English Strawberry Fayre on the Church grounds, Saturday, June 16th, from noon.

Mrs. Robert Cunningham and Mrs. Willard Rice are co-chairmen of this event.

2 Drivers Fined $100 for Hitting Pedestrians

Two motorists who struck pedestrians were fined $100 each by Judge Donald E. Mayberry in Newton District Court last week.

Found guilty of driving so as to endanger were James Hovsepian of Whittier aveneue, Waltham and William H. Glaske, Jr., 18, of Hastings street, Framingham.

Both accidents occurred near 787 Washington street, Newtonville, on April 13 and 15, according to Sgt. William H. Dowling. Glaske was charged with striking two persons, Hovsepian one.

Daniel A. Droz, 34, of Centre street, Newton, was fined $50 on a charge of operating while under the influence and $5 for drunkenness.

Droz was involved in a two-car collision earlier this month at Washington and Harvard streets, Newtonville, according to Officers James V. Cox, Patrick J. Panaggio and Edward V. Casavant.

Other fines assessed by Judge Mayberry:

Edward T. Babineau of Chestnut street, Waltham; Thelma I. Philips of Wellesley Hills, and John H. Belyea, $5 each, and Dolian Shaw of Boston, $10, all for speeding; David M. Chatfield, Charlesbank road, Newton, $5 for operating in the wrong direction on a one-way street.

Abraham H. Alter of Quincy, Frederick A. Bishop of Chelsea and Arthur P. Doherty of Roslindale, $5 each for failing to obey a traffic sign; Jack Burnbaum of Lakeview avenue, Newtonville, $5 for failing to display an inspection certificate.

Booking officers were Sgt. William J. Bell, and Patrolmen Edward V. Casavant, Arthur L. Duffy, William C. Nally, George F. Sullivan, Joseph E. LaCroix, William F. Howley and John J. Bartinelli.

$1 Million Sewer Saving

Hearing Monday on Aqueduct Use

Efforts of the city to save $1,000,000 in sewer construction will be given a hearing at a public hearing next Monday at City Hall on use of the abandoned MDC Cochituate Water Aqueduct as a sewer.

The Board of Aldermen have scheduled the hearing for 7:45 p.m.

The hearing will enable property owners along the four-mile aqueduct route to express their views on use of the tunnel which the city acquired from the MDC following legislative approval.

Work is under way on construction of a mile-long tunnel to connect the aqueduct to the high level MDC sewer in Brighton. Use of the aqueduct can save the city $1 million, it is estimated.

The aqueduct enters Newton at Quinobequin road, Waban and runs through the Highlands and Centre to the Boston line at Lake street.

Public notices have been filed along the aqueduct route under the direction of City Clerk Monte G. Basbas.

Douglas A. Ruane, 255 Adams ave., West Newton was selected as a Distinguished Military Student at Northeastern University.

Newton Scientist Honored for Submarine Improvements

A Newton scientist has received the Navy's Distinguished Public Service award for an invention which improves a submarine's underseas operations.

Dr. Charles S. Draper, 55, who lives with his wife and four children at 62 Bellevue street, Newton, received the award from Rear Admiral A. G. Mumma, U.S.N., chief of the Bureau of Ships, in a ceremony at Washington.

Dr. Draper developed what is described as a "new type of marine navigation" involving gyroscopes at M.I.T., and the citation pays tribute to Draper and to M.I.T.'s Instrumentation Laboratory with which he is associated.

Heart of the navigation system is made up of gyroscopes of extremely high accuracy developed during recent years by Dr. Draper, a leading expert in the field of gyro dynamics.

Utilizing these gyroscopes, he devised for the Navy a marine inertial navigation system, the prototype having been tested successfully.

In response to a request from the Navy, Dr. Draper, head of the Aeronautical Engineering Department at M.I.T., diverted to marine navigation from previous research in his primary field of aeronautics.

His work for the Navy in 1927 included operating a laboratory to develop infra-red signaling devices for the fleet.

Dr. Draper has previously received the Navy's Medal for Merit and Naval Ordnance Development Award for his development of major improvements in anti-aircraft fire control equipment.

The citation reads in part:

"For outstanding service to the U. S. Naval Establishment by his unstinted efforts and exceptional devotion to the solution of complex gyro dynamics and other technological problems related to the attainment of substantial improvements in marine navigation.

"Dr. Draper's accomplishments have made a very significant contribution to the advancement of the science of navigation, particularly as applied to long periods of submerged operations and the attainment of high accuracy position determination.

"His endeavor in this field reflects great credit upon himself as well as the Instrumentation Laboratory, Massachusetts Institute of Technology, with which he is associated."

Recruiting Opens at Army Base Again on June 9

Due to the large number of seniors taking physical and mental tests for qualification for enlistment last Saturday, Lt. Col. Thomas B. Spiller, Jr., commanding officer of the Army Recruiting Main Station at Boston Army Base, has announced that the Armed Forces Examining Station will open again Saturday, June 9, to give more young men the opportunity to be processed in advance for enlistment upon graduation.

A total of 75 applicants were processed this past Saturday, most of them making application for a direct enlistment for the Army Technical School of their choice.

Those interested and desiring to take physical and mental examinations in advance, should contact the Army Recruiting Station at the Waltham Common, corner Carter and Moody streets as soon as possible in order to be assured they will be scheduled for testing on June 9.

Cornell Summer Award Won by Waban Youth

A Newton High junior is one of 16 students from all sections of the country who have won scholarships to the third summer program of the Telluride Association at Cornell University, Ithaca, N.Y.

Herman Harris Funkenstein, son of Dr. and Mrs. Daniel H. Funkenstein of 88 Stanley road, Waban, will attend the six-week program July 2-Aug. 11 dealing with the general subject, "Conflicting Ideals of Communism and Democracy."

Director of the summer program is Dr. Charles N. Brickley, head of the department of history, Putney School, Putney, Vt.

In addition to seminars and individual research in the fields of government, history and literature, students will participate in public activities in Ithaca.

Winners are chosen on the basis of scholarship, unusual abilities and "great future promise."

During the college year, Telluride House is an educational, social and cultural center where about 30 students with wide interests and qualifications for leadership pursue studies at Cornell on Telluride scholarships and fellowships.

The income for the support of the work of the Association comes from a fund set up in 1910 by the late L. L. Nunn, a pioneer in the electric industry who built the world's first high-tension transmission line using alternating current for industrial power.

Atty Weinstein Again CJA Head

Atty. Lewis H. Weinstein of 56 Varick road, Waban, has been re-elected president of the Combined Jewish Appeal of Greater Boston.

A graduate of Harvard and Harvard Law School, Atty. Weinstein is a veteran of World War I. He has served as president of the Hebrew Teachers College in Brookline and is past president of the Brookline, Brighton, Newton Zionist District and of the Jewish Community Council of Metropolitan Boston.

To Give Lecture On Christian Science Sunday

Archibald Carey will deliver a free lecture on Christian Science at 3:30 P.M., Sunday, June 3, in the church edifice of First Church of Christ, Scientist, Newton, 391 Walnut Street, Newtonville.

He will speak on the subject: "Christian Science: How God Heals."

He has been engaged in the practice of Christian Science healing for many years and became a teacher of Christian Science in 1931. He was appointed to The Christian Science Board of Lectureship in June, 1945, and has since lectured on Christian Science in all parts of the United States and Canada, as well as in South America and Europe, Africa and Australia. He received the degrees of A.B. and LL.B. from the University of Michigan and The Principia College.

Highlands Glee Club Wins Honors

The thirty-sixth annual competition and concert of the N. E. Federation of Glee Clubs was held at the Memorial Auditorium in Andover recently. The Host Club was the Andover Male Glee Club.

The Highland Glee Club of Newton, D. Ralph MacLean, conductor, competed in the largest group and was the winner with a total of 471 points out of a possible 600. The Andover Glee Club was the winner in the middle group with 474 points and the Portland Men's Singing Club won in the small group. The winner of the Grand Prize was the Andover Glee Club and it was a very happy choice, because of the popularity of their conductor, Everett Collins, and the beautifully artistic work they did.

Bill Increases Distributive Share of Estate

On May 1 Governor Christian A. Herter signed into law a bill, Chapter 316 Acts of 1956, which is of particular interest to probate lawyers in Massachusetts. It was filed by Representative Arthur G. Heaney of Newton for Attorney Donald M. Hill, Jr. and increases the distributive share of the estate of a person dying intestate to which the surviving spouse is entitled where there is kindred and no issue.

Formerly the amount which a surviving spouse could receive under such circumstances was limited to $10,000. Under Chapter 316 this amount has been increased to $25,000. It is reasonable to assume that a person dying without leaving a will would under normal circumstances expect the survivor to inherit his property, and with the decline of dollar value in recent years it was felt that $10,000.00 is no longer sufficient protection. Hence the change to $25,000.00.

However, where a surviving spouse waives a will, the provision of law under which he or she receives $10,000.00 has not been changed.

Service Notes

Capt. Aaron M. Jones, Jr., son of Mr. and Mrs. A. M. Jones of 8 Birch Hill Rd., Newtonville, has been selected a member of the 29th Fighter Interceptor Squadron Rocket Team at Malmstrom Air Force Base at Great Falls, Montana.

A radar observer, in an F-94C jet interceptor crew, Capt. Jones was chosen for the Rocket Team for his high degree of professional ability and devotion to duty.

Receiving diplomas from the Stockbridge School of Agriculture at the University of Massachusetts on last Sunday were William E. Rodenhizer of 105 Warwick rd., West Newton and Philip M. Meskinis, 57 Rowe street, Auburndale.

Guided Missives . . .

SPEAK UP: Alderman Cosgrove was a bit late for the meeting of the Claims and Rules Committee a week ago Tuesday. He doesn't like to be late but this time he didn't mind: he'd been getting an earful.

When he hinted that he'd like to have his ward 3 constituents drop in on him at City Hall for a chat, he'd expected a handful. But every time he started to break away for the committee hearing that night, another one or two would drop in. In all, he saw 24.

Ordinarily, one does not find an Alderman holding office hours in a public building for his constituents. A Congressman or a Senator, yes. But apparently people liked the idea, judging from Cosgrove's results.

"It does people a lot of good to drop in and speak up about what they have on their minds," says Cosgrove. "They feel better . . . or so they tell me . . . when they've had a chance to talk it over with their Alderman. There's a bond established . . ."

Most of Cosgrove's constituents wanted to chat about what you'd expect: sidewalks, traffic, petitions—" and of course, the Toll Road," which many of them expect will pass right through their ward.

"Frankly, I was amazed and confused," Cosgrove chuckles. "I learned a lot. I saw more people than I'd expected and it seemed to strike everyone just right. I'm going to try it again in the Fall. Tell you know more about it them."

We'll be listening.

* * *

IN SHIRTSLEEVES: The Aldermen have found the Summer that so far has eluded the rest of us. From now on the board will meet only once every three weeks until Oct. 1 when the bi-weekly sessions will resume. If you're interested, paste these dates in your hat: June 4, June 25, July 16, Aug. 6 and Sept. 17. That's when they'll meet.

* * *

OUR CHANGING UNDERWORLD: Don't know how to account for it. One week we have police accusing a bank robber suspect of putt-putting from the scene on a poky old power power. And now Newton officers report that a thief made off with the wheel—and flat—of a South Boston man.

In this modern age with new cars and super tires aplenty, it hardly seems while to carry on like that.

* * *

POWER GLIDE: Incidentally, if you're thinking of motoring about New England the first good Sunday, we'd suggest you steer clear of Barrington, R. I. It isn't just the Sunday variety of driver you'll find there, but youngsters in soap boxes . . . gliding slow at 25-per with souped up power mower motors! Ahhh youth.

* * *

ROAD TOLL: The question of just where the in-town route of the cross-state turnpike will meander through Newton is taking a heavy toll of the patience of Ward 3 residents.

As we get it, they no longer inquire after one another's health whenever they meet. Instead: "Where's it going? Gonna go right through the ward, isn't it?" Well, we gather there are enough versions of this mysterious route going around to make the man who galloped off in all directions to Sunday look like a stay-at-home.

At the Turnpike Authority's offices in the Little Building we learned that they receive more calls from Ward 3 about the in-town route than from all the byways of Boston, Watertown and the rest of Newton combined.

"Listen" one of the men there told us, "we're convinced someone's trotting round out there with a copy of the 1948 state master plan for highways and showing everyone the Western Expressway as the route we've decided on.

"Well, that's foolish because we haven't even got a preliminary report from the engineers who made a survey for us, let alone sitting down to decide which route we're going to take."

The Western Expressway—on the 1948 plan—would have passed through Ward 3. Most of the expressway's plans have been abandoned but not, apparently, speculation about it which seems to have survived to live a long and irritating life.

* * *

PAT ON THE BACK: The city got two pats on the back last week from Registrar of Motor Vehicles Rudolph F. King, a man not overly generous with praise. He praised the school system's driver training program and pointed out that school-trained drivers are half as good again as other motorists.

King also applauded the police department's public safety program which, he said, has been copied across the nation. Thank you Mr. Registrar.

Distance Makes Fine Grow Larger

Distance made the fine grow larger for a Cochituate motorist arraigned in Newton District Court last week.

Richard Woodman, 37, of Park lane, Cochituate, was stopped on Needham street, Highlands, by a Registry inspector who found the motorist operating with 1955 Rhode Island plates on an expired operator's license . . . from Florida. Judge W. Lloyd Allen fined him $100 for operating an uninsured car and placed the other charges on file.

10,000 Get Vaccine; OK Summer Shots

Newton completed its first round of Salk anti-polio shots this week and learned that a vote of the State Polio Advisory Committee would make it possible to administer second shots to city children under 15 before the summer is out.

The state committee decided that "there is no evidence that there is any risk involved in provocation of the disease by vaccinations during the summer months."

Dr. Samuel B. Kirkwood, State Commissioner of Public Health, said a step up in the vaccine supply during July and August would make it possible to complete the second round this summer.

No date has been set when Newton could expect notification of its second batch of anti-polio vaccine.

All but eight state communities have received their first rounds and this phase of the program is expected to be completed by the end of June. After that will come the second round. Newton is more than half way down the priority list.

Third shots are expected in late Fall after vaccine has been given to about 312,000 in the 15-19 age groups.

Parents with children who missed any of the city clinics may learn of the date of a make-up clinic here by calling the Health Department at City Hall.

The state advisory commitee voted unanimously to continue the program through the summer, after hearing a safety report from Dr. Stewart H. Clifford of the Children's Hospital. He said the summer months provided no hazard to those being inoculated.

THE SISTERHOOD OF TEMPLE SHALOM of Newton elects officers for 1956-1957. Pictured are officers and members of the Advisory Board of the Sisterhood of Temple Shalom of Newton elected at their sixth annual luncheon on Wednesday, May 23. Front seated, left to right: Mrs. David Cooper, vice president; Mrs. Marshall Levin, vice president; Mrs. Milton Rosenthal, president; Mrs. Milton Schneider, vice president; Mrs. Sumner Greengross, vice president; back standing, left to right: Mrs. Samuel Freeman, financial secretary; Mrs. Herbert L. Solomon, recording secretary; Mrs. Virginia Hyde, ex-officio, president, 1955-1956; Mrs. Leon Rogers, corresponding secretary; Mrs. William Grant, treasurer; Mrs. Sidney J. Simons, honorary president.

PICTURED, LEFT TO RIGHT, receiving awards at the annual Newton Y.M.C.A. handball players banquet are Lou Gayzagian, Ed DiPersio, Mike Calden, Herb Kopf, Ed Fahey.

Army Offers 2 Types of Enlistments

Enlistments with either six-month or two-year active duty tours are offered by the United States Army Recruiting Service, according to Master Sergeant Robert L. Jensen, local Army recruiter.

The sergeant can enlist men in the Army Reserve in two different categories. Those between 17 and 18½ years of age may enlist for only six months on active duty, followed by 7½ years of active participation in the reserve unit nearest their home. High school students may enlist now and start fulfilling their military obligation. The six-month training period will be deferred until they graduate from high school.

Men over 18½ may enlist in the reserve for two years active duty, three years active participation in a local reserve unit and one year in the Standby Reserve. This will fulfill their military obligation under the Armed Forces Reserve Act of 1955.

The active duty part of the enlistment may be served at a time chosen by the enlistees, provided it is started before the enlistee is called by Selective Service. Men under 18½ may select this type of enlistment if they prefer it to the six month training program.

For full information on this new offer of the Army Recruiting Service, young men are urged to contact the local Army Recruiting Station at the Waltham Common or call TWinbrook 4-9289 for an evening appointment.

Receives Ensign Comm. June 13

John J. Duffy of 31 Halcyon Road, Newton Centre, a member of Naval Reserve Surface Division 1-5, Boston, will be commissioned an Ensign in the Naval Reserve at a special ceremony of the Commencement Exercises at Boston College, Wednesday, June 13.

Ensign Duffy has been ordered to six weeks training at Officer's Net School, Tiburon, California, and upon completion of the course, will report to his permanent duty station at Coco Solo, Panama, to take up duties as a member of the Harbor Defense Unit.

Duffy has attended weekly Monday night drills and instructions with the Quartermaster Section of Surface Division 1-5 which meets at the Navy Building, 495 Summer Street, Boston, for the past four years. He was accepted for Reserve Officer Candidate School and completed two eight week summer courses at Long Beach, California and Newport, Rhode Island to earn his commission.

At Boston College, he is a candidate for a degree in Business Administration, having majored in marketing.

College Notes

Among those initiated into The Academy, the honor society in the College of Liberal Arts at Northeastern University were Robert D. Weise, 1593 Washington st., West Newton, and John L. Parker, 67 Wyoming rd., Newtonville.

NEW PRESIDENT of Women's American ORT-Newton Afternoon Chapter is Mrs. Milton Graham of 487 Ward street, Newton Centre. Mrs. Graham, a former board member, vice president and publicity chairman, and during the past year, regional chairman of program and education, was elected to head a new slate of officers for the coming year at the annual spring meeting held recently.

ASSISTING IN THE CONDUCT of the Senior Citizens' Club of the Rebecca Pomroy House, 24 Hovey street, Newton, are both young and mature "program aids." In the above photo, Mrs. Richard F. Chapple, left, and Mrs. Robert L. Billings, right, assist with the refreshments for a meeting of the Senior Citizens. Mrs. Chapple transports the elderly club members to meetings and both of them help with the refreshments for the meetings and in interesting older people to attend the club meetings. Both Mrs. Chapple and Mrs. Billings are from Newton Highlands. The Senior Citizens' Club is one of the activities of the Rebecca Pomroy House, a member agency of the Newton Community Chest. Mrs. Henry C. Jones, Jr., is president of the Pomroy House board of directors, and Miss Sandstrom is the executive director of the House and its activities.

5 Teen-Agers Arrested

Alert Police Work Foils Two Week-End Breaks

Alert work by Newton patrolmen prevented two week-end robberies and led to the arrest of five teen-agers, three of them only 13.

The would-be robberies were at the Totem Pole Ballroom and the Jenney Station, 328 Washington street, Newton.

Martin T. Torchia, 18, of Henshaw street, West Newton and Chester A. Macomber Jr., 17, of Walnut street, Newtonville, denied any part in the break at the Totem Pole and were held in $2000 bail Monday for court Monday, June 11.

Three teen-agers, involved in the Jenney break, were turned over to their parents.

Patrolmen Charles F. Rivers and George J. Longbottom said they surprised two persons inside the ballroom about 3 a.m. Sunday when they scouted the grounds in their cruiser.

Macomber and Torchia were picked up by Patrolmen Richard J. Nugent near the Newton-Wellesley Hospital shortly after Rivers and Longbottom had flashed the registration of the getaway car seen at Norumbega.

Lt. James W. Corcoran and Sgt. John J. Regan said later the pair had apparently entered through an unlocked door but were frightened off before they could force a door to the office containing a safe.

Hearing the sound of breaking glass, Patrolman James R. Veduccio quickly apprehended three teen-agers leaving the Jenney Station Sunday about 9:45 p.m. before they could obtain loot. Sgt. Martin F. Greeley and Patrolmen Richard Hickson aided in the apprehension.

STUDENT TEACHER

During the past few weeks the girls at Warren Junior High School have been assisted in their physical education program by Miss Judith Messinger. Miss Messinger, a student teacher, is a junior at Sargent College where she is majoring in physical education.

Upon graduation, Miss Messinger hopes to teach either junior or senior high school. She says that she is enjoying her stay at Warren.

SOCIAL STUDIES

The members of Division II-3, under the direction of their Social Studies teacher, Mrs. Jacqueline Tamkin, worked on an interesting Social Studies assignment. Each row of students in the room was responsible for a different part of the period they were studying. Those topics included: The Louisiana Purchase, The Mexican War, The acquisition of Texas, New Mexico, and California as states.

These topics were to be completed on May 21. The students working on the topics were to decide on an interesting way to present their topic.

The assignment was done in this way to make the study of this period more interesting and more complete.

CONTEST WINNERS

Warren Junior High School was well represented in the list of award winners of the recent Industrial Education competition. On Saturday, May 12, the Massachusetts Industrial Education Society held its 10th annual meeting. At the meeting, which was held in the Stoughton High School, awards were made for outstanding shop work in both junior and senior high schools.

There were twenty-one winners from the Warren Junior High School. The winners and their projects are listed below:

Grade 9: Arthur Bliss (2 awards) Printing and Silk Screen Christmas Cards; Hulbert Silver, Silk Screen Greeting Cards; and Elna Anderson, Silk Screen Greeting Cards.

Grade 8: Allan Zelman, Letter press printing; Alan Seeler, Silk Screen Christmas Cards; Susan Haake, Silk Screen Christmas Cards; Barry Bean, Silk Screen Christmas Cards; Sam Appel, Letter press printing; Alan Morrison (2 awards), Printing and Silk Screen Drypoint.

Grade 7: William O'Neil, Steven Roser, Sam Tower, Baxter Gray and Peter Arnold, awards for letter press printing.

Award winners for metal work include Myer Rosenthal, John Derr, Cole Letteney, Norman Moore and Walter Chase.

Woodwork awards went to William Bowen and Rein Olvet (Award of Merit).

These winners made their award winning projects under the guidance and supervision of the Warren Industrial Arts teachers, Mr. Robert, Mr. Keiler and Mr. Manghue.

Many of the winning projects may be seen on display in the office floor display cases at Warren Junior High School.

Bowen Elected to National Committee

J. ELLIS BOWEN

Announcement of the unanimous election of J. Ellis Bowen, Sealer of Weights and Measures of the City of Newton, to the Executive Committee of the National Conference on Weights and Measures was made in Washington Thursday by Dr. A. V. Astin, Director of the National Bureau of Standards and President of the Conference.

Mr. Bowen will be associated with A. H. Dittrich, Chief Inspector for the State of New Hampshire; J. T. Kennedy, Director, District of Columbia; Nalls Berryman, Director for the State of Florida; J. F. True, State Sealer for the State of Kansas; C. H. Stender, Assistant to the Commissioner of Agriculture, State of South Carolina; E. L. Randall, State Chemist for the State of Nevada; Norman Kirschbaum, Supervisor of Weights and Measures for the State of Wisconsin; G. A. Pullman, Sealer for the City of New York; I. M. Levy, Sealer for the City of Chicago, Illinois; J. J. Powers, Sealer for the City of Philadelphia, Pennsylvania; T. Webb, Sealer for the City of Nashville, Tennessee; E. F. Moran, Sealer for the City of Providence, Rhode Island; F. G. Yarbrough, Supervisor for the City of Dallas, Texas; and S. H. Christie, Acting State Supervisor of Weights and Measures for the State of New Jersey; other members of this important committee of the Conference whose function is the furtherance of technical knowledge relating to weights and measures administration among officials in this field throughout the nation. Through studies of current problems and the development of standard procedures, uniformity is promoted and efficiency improved in administration and enforcement at all levels. The practical net results of the work of the conference are directly reflected in savings of many dollars per year for every individual producer, merchant and consumer.

Delegates numbering 453 from 40 states attended the Conference which was welcomed to Washington in an address delivered by Hon. Sinclair Weeks, Secretary of Commerce and former Mayor of Newton who stated that it was through his association as Mayor, with the Weights and Measures Department of Newton, that he received his initial introduction to weights and measures administration and learned to appreciate the value of this governmental service.

While at the conference during the past week Mr. Bowen attended numerous lectures, a symposium and forum discussions which were held at convention headquarters and at the Bureau of Standards. Latest weighing and measuring equipment, including a new electromechanical system that weighs to .01 of a pound, computes the price and label prints almost instantaneously in one operation, were exhibited together with new tools and supplies for official use.

In connection with announcement of Mr. Bowen's election a spokesman for Dr. Astin's office, M. W. Jensen, Assistant Chief, Office of Weights and Measures of the National Bureau of Standards commented to the effect that all responsible authorities in the weights and measures field have long realized that most efficient and effective administration is vitally dependent upon education of the public to the great importance of accuracy in quantity determinations, to an awareness that minute errors in weight or measure are multiplied manyfold, to staggering sums, in our system of mass production, processing, and distribution. Mr. Bowen, a member of the Massachusetts and Federal Bars and a member of the Executive Committee of the Massachusetts Weights and Measures Association, in addition to being nationally recognized as a well qualified and able enforcement officer, is eminent in professional weights and measures circles throughout the country for his many and varied accomplishments in the field of weights and measures education and is a most welcome and valuable member of this committee.

Hold Handball Players Banquet

Twenty handball players from the Newton YMCA attended the annual handball players banquet last Thursday, May 24. This brought to a close a successful season of competition which saw the Newton squad entered in New England and state tournaments.

The toastmaster for the evening was Herbert Kopf and the Highlight was the presentation of awards to the winners of the Newton YMCA closed handball tournament. Receiving the awards were Mike Calden, singles; Lou Gayzagian and Ed DiPersio, doubles "A"; Ed Fahey and Bill O'Connor, doubles "B".

Alex R. Miller, general secretary of the Newton YMCA complimented the handball players on their successful season and the high principles of sportmanship shown by the group.

Sen. Saltonstall at Junior College

Senator Leverett Saltonstall was announced today as the featured speaker at Newton Junior College's public commencement at exercises at Memorial Auditorium, City Hall, Friday evening, June 15, 7.30 p. m.

The College, one of the two publicly-controlled junior colleges in New England, observes its tenth anniversary this year. Mayor Howard Whitmore, Jr., is also on the program.

A reception on the lawn at Newton City Hall is scheduled to follow the exercises.
